INTRODUCTORY NOTE

On November 21, 2014, Scientific Games Corporation (*Scientific Games*) announced that it had completed the acquisition of Bally Technologies, Inc. (*Bally*). Pursuant to the terms of the previously announced Agreement and Plan of Merger, dated as of August 1, 2014 (the *Merger Agreement*), by and among Scientific Games, Scientific Games Nevada, Inc. (*Merger Sub*), Scientific Games International, Inc. (*Financing Sub*) and Bally, Merger Sub merged with and into Bally, with Bally continuing as the surviving corporation (the *Merger*). As a result of the Merger, Bally became a wholly owned subsidiary of Scientific Games.

Scientific Games used the net proceeds from the Notes offerings described below, cash and borrowings under its revolving credit facility and an incremental term loan under the credit agreement, dated as of October 18, 2013, as amended by Amendment No. 1 to the Credit Agreement, dated as of October 1, 2014 (as amended, the *Credit Agreement*), by and among Financing Sub, as borrower, Scientific Games, as a guarantor, the subsidiary guarantors party thereto, Bank of America, N.A., as administrative agent, and the lenders and other agents from time to time party thereto, to finance the Merger.

Item 1.01. Entry into a Material Definitive Agreement.

Issuance of Senior Notes

In connection with the Merger, on November 21, 2014, SGMS Escrow Corp., a wholly owned subsidiary of Financing Sub (*Escrow Corp.*), issued \$950.0 million in aggregate principal amount of its 7.00% Senior Secured Notes due 2022 (the *Secured Notes*) and \$2,200.0 million in aggregate principal amount of its 10.00% Senior Unsecured Notes due 2022 (the *Unsecured Notes* and, together with the Secured Notes, the *Notes*) in a private offering to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the *Securities Act*), and to persons outside the United States under Regulation S under the Securities Act. The Secured Notes were issued pursuant to an indenture dated as of November 21, 2014 (the *Secured Notes Indenture*), between Escrow Corp., as issuer, and Deutsche Bank Trust Company Americas, as collateral agent and trustee. The Unsecured Notes were issued pursuant to an indenture dated as of November 21, 2014 (the *Unsecured Notes Indenture* and, together with the Secured Notes Indenture, the *Indentures*), between Escrow Corp., as issuer, and Deutsche Bank Trust Company Americas, as trustee. Promptly following consummation of the Merger, Escrow Corp. merged with and into Financing Sub, with Financing Sub continuing as the surviving corporation, and Financing Sub assumed the obligations of Escrow Corp. under the Notes and the Indentures pursuant to supplemental indentures to the Indentures entered into on November 21, 2014 by and among Financing Sub, Scientific Games as a guarantor, the subsidiary guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee (the *Supplemental Indentures*).

The Secured Notes bear interest at the rate of 7.00% per annum, which accrues from November 21, 2014 and is payable semiannually in arrears on January 1 and July 1 of each year, beginning on July 1, 2015. The Unsecured Notes bear interest at the rate of 10.00% per annum, which accrues from November 21, 2014 and is payable semiannually in arrears on June 1 and December 1 of each of year, beginning on June 1, 2015.

Financing Sub may redeem some or all of the Secured Notes at any time prior to January 1, 2018, at a redemption price equal to 100% of the principal amount of the Secured Notes plus accrued and unpaid interest, if any, to the date of redemption plus a *make whole* premium. Financing Sub may redeem some or all of the Secured Notes at any time on or after January 1, 2018 at the prices specified in the Indenture. In addition, at any time on or prior to January 1, 2018, Financing Sub may redeem up to 35% of the initially outstanding aggregate principal amount of the Secured Notes at a redemption price of 107%

of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption, with the net cash proceeds from one or more equity offerings of Scientific Games. Financing Sub may redeem some or all of the Unsecured Notes at any time prior to December 1, 2018, at a redemption price equal to 100% of the principal amount of the Unsecured Notes plus accrued and unpaid interest, if any, to the date of redemption plus a make whole premium. Financing Sub may redeem some or all of the Unsecured Notes at any time on or after December 1, 2018 at the prices specified in the Indenture. In addition, at any time on or prior to December 1, 2018, Financing Sub may redeem up to 35% of the initially outstanding aggregate principal amount of the Unsecured Notes at a redemption price of 110% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption, with the net cash proceeds from one or more equity offerings of Scientific Games. Additionally, if a holder of any Notes is required to be licensed, qualified or found suitable under any applicable gaming laws or regulations and that holder does not become so licensed or qualified or is not found to be suitable, then Financing Sub will have the right to, subject to certain notice provisions set forth in the Indentures, (1) require that holder dispose of all or a portion of those Notes or (2) redeem the Notes of such holder at a redemption price calculated as set forth in the Indentures. If Scientific Games or Financing Sub experiences specific kinds of changes in control or Scientific Games or any of its restricted subsidiaries sells certain of its assets, then Financing Sub must offer to repurchase the Notes on the terms set forth in the Indentures.

The Secured Notes are senior secured obligations of Financing Sub, equally and ratably secured with Financing Sub's obligations under the Credit Agreement. The Secured Notes rank equally with Financing Sub's existing and future senior debt and senior to Financing Sub's existing and future senior subordinated debt. The Unsecured Notes are senior unsecured obligations of Financing Sub, and rank equally with Financing Sub's existing and future senior debt and senior to Financing Sub's existing and future senior subordinated debt. The Secured Notes are guaranteed on a senior secured basis by Scientific Games and all of its domestic subsidiaries (other than Financing Sub) and the Unsecured Notes are guaranteed on a senior unsecured basis by Scientific Games and all of its domestic subsidiaries (other than Financing Sub).

The Indentures contain certain covenants that, among other things, limit Scientific Games' ability, and the ability of certain of its subsidiaries, to incur additional indebtedness, pay dividends or make distributions or certain other restricted payments, purchase or redeem capital stock, make investments or extend credit, engage in certain transactions with affiliates, consummate certain assets sales, effect a consolidation or merger, or sell, transfer, lease or otherwise dispose of all or substantially all of its assets, or create certain liens and other encumbrances on its assets.

The Indentures contain events of default customary for agreements of their type (with customary grace periods, as applicable) and provide that, upon the occurrence of an event of default arising from certain events of bankruptcy or insolvency with respect to Scientific Games or Financing Sub, all outstanding Notes will become due and payable immediately without further action or notice. If any other type of event of default occurs and is continuing, then the trustee or the holders of at least 25% in principal amount of the then outstanding Secured Notes or Unsecured Notes, as applicable, may declare all such Notes to be due and payable immediately.

Registration Rights Agreement

In connection with the issuance of the Unsecured Notes, Escrow Corp. (and, by a joinder agreement, Financing Sub, Scientific Games, as a guarantor and the subsidiary guarantors party thereto) and J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Deutsche Bank Securities Inc., as representatives for the initial purchasers listed therein, entered into a registration rights agreement, dated November 21, 2014 (the "Registration Rights Agreement"). Under the Registration Rights Agreement, Financing Sub and the guarantors agreed, for the benefit of the holders of the Unsecured Notes, that they will file with the Securities and Exchange Commission (the "SEC") and use their commercially reasonable efforts to cause to become effective, a registration statement relating to an offer to exchange the Unsecured Notes for an issue of SEC-registered notes (the "Exchange Notes") with terms identical to the Unsecured Notes (except that the Exchange Notes will not be subject to restrictions on transfer or to any increase in annual interest rate as described below).

Edgar Filing: SCIENTIFIC GAMES CORP - Form 8-K

Under certain circumstances, including if applicable interpretations of the staff of the SEC do not permit Financing Sub to effect the exchange offer, Financing Sub and the guarantors will use their commercially reasonable efforts to cause to become effective a shelf registration statement relating to resales of the Unsecured Notes and to keep that shelf registration statement effective until the first anniversary of the date such shelf registration statement becomes effective, or such shorter period that will terminate when all Unsecured Notes covered by the shelf registration statement have been sold. The obligation to complete the exchange offer and/or file a shelf registration statement will terminate on the second anniversary of the date of the Registration Rights Agreement.

If the exchange offer is not completed (or, if required, the shelf registration statement is not declared effective) on or before February 12, 2016 (subject to the right of Scientific Games to extend such date by up to 90 additional days under customary blackout provisions if Scientific Games determines in good faith that it is in possession of material, non-public information), the annual interest rate borne by the Unsecured Notes will be increased by 0.25% per annum for the first 90-day period immediately following such date and by an additional 0.25% per annum with respect to each subsequent 90-day period, up to a maximum additional rate of 1.00% per annum thereafter until the exchange offer is completed, the shelf registration statement is declared effective or the obligation to complete the exchange offer and/or file the shelf registration statement terminates, at which time the interest rate will revert to the original interest rate on the date the Unsecured Notes were originally issued.

J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Deutsche Bank Securities Inc., as representatives of the initial purchasers of the Notes, are party to the Registration Rights Agreement. J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Deutsche Bank Securities Inc. and certain of the other initial purchasers (and/or their respective affiliates) have relationships with, or have entered into other transactions with, Scientific Games. In particular, J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Deutsche Bank Securities Inc., Fifth Third Securities Inc., HSBC Securities (USA) Inc. and PNC Capital Markets LLC and/or their respective affiliates are lenders under the Credit Agreement. Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Deutsche Bank Securities Inc. and/or their respective affiliates acted as financial advisors to Scientific Games in connection with the Merger.

Collateral Agreement

In connection with the Secured Notes, Financing Sub, Scientific Games, as a guarantor, the subsidiary guarantors and Deutsche Bank Trust Company Americas, as collateral agent (the Collateral Agent), entered into a Collateral Agreement, dated as of November 21, 2014, pursuant to which Financing Sub, Scientific Games, as a guarantor, and the subsidiary guarantors granted a security interest in the Collateral (as defined in the Collateral Agreement) to the Collateral Agent as collateral for the Secured Notes.

Subordinated Notes Supplemental Indentures

In connection with the Merger, on November 21, 2014, Scientific Games or Financing Sub (as applicable as set forth below), the guarantors party to each of the 2018 Indenture, the 2020 Indenture and the 2021 Indenture (in each case, as defined below and, collectively, the Subordinated Notes Indentures), Bally and certain subsidiaries of Bally (the Additional Guarantors) and Deutsche Bank Trust Company Americas, as successor trustee, entered into the supplemental indentures listed below (in each case dated as of November 21, 2014 and, collectively, the Subordinated Notes Supplemental Indentures) pursuant to which the Additional Guarantors agreed to fully and unconditionally guarantee all of Scientific Games or Financing Sub's obligations, as applicable, under the Subordinated Notes Indentures.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On November 21, 2014, pursuant to the terms of the Merger Agreement, Scientific Games completed the acquisition of Bally through the merger of Merger Sub with and into Bally, with Bally continuing as the surviving corporation. As a result of the Merger, Bally became a wholly owned subsidiary of Scientific Games. At the effective time of the Merger, each share of common stock, par value \$0.10 per share, of Bally ("Share") issued and outstanding immediately prior to such time, other than restricted Shares and Shares held by Bally, Scientific Games, Merger Sub or their respective subsidiaries, was automatically cancelled and converted into the right to receive \$83.30 in cash, without interest (the "Merger Consideration"). At the effective time of the Merger, each outstanding Bally stock option granted, or that was promised but not granted, prior to August 1, 2014 was cancelled in exchange for the right to receive a cash payment equal to the number of Shares subject to such option multiplied by the excess of the Merger Consideration over the exercise price, if any (the "Option Payment"). At the effective time of the Merger, each outstanding Bally restricted Share granted, or that was promised but not granted, prior to August 1, 2014 was cancelled in exchange for the right to receive the Merger Consideration (the "Restricted Shares Payment"). At the effective time of the Merger, each outstanding Bally restricted stock unit award ("RSU") granted, or that was promised but not granted, prior to August 1, 2014, whether vested or unvested, was cancelled in exchange for the right to receive the Merger Consideration multiplied by the number of Shares subject to such RSU (the "RSU Payment"), and each RSU granted by Bally following August 1, 2014 in accordance with the Merger Agreement was converted into an equivalent RSU of Scientific Games using a customary exchange ratio of Bally's stock price to Scientific Games' stock price on November 21, 2014. As of the effective time of the Merger, each outstanding award of Bally performance units was cancelled in exchange for the right to receive a cash payment equal to the number of Shares subject to such performance unit (assuming achievement of the applicable performance-based conditions at the maximum level) multiplied by the Merger Consideration (the "Performance Unit Payment"). The Merger Consideration, the Option Payment, the Restricted Shares Payment, the RSU Payment and the Performance Unit Payment totaled approximately \$3.2 billion.

The foregoing description does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which was filed as Exhibit 2.1 to Scientific Games' Current Report on Form 8-K filed with the SEC on August 4, 2014, and which is incorporated herein by reference.

Moreover, information concerning the subject matter of the representations and warranties may change, or may have changed, after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Scientific Games' or Bally's public disclosures. Accordingly, the representations and warranties and other provisions of the Merger Agreement or any description of such provisions should not be read alone, but instead should be read together with the information that each company publicly files in reports and statements with the SEC.
