**ITEM 7.01. Regulation FD Disclosure.**

Sabine Oil & Gas Corporation (the Company) has elected to exercise its right to a grace period with respect to a \$15.313 million interest payment under its Second Lien Credit Agreement dated as of December 14, 2012, as amended, by and among the Company, Bank of America, N.A., as administrative agent, and the lenders party thereto. The interest payment is due April 21, 2015; however, such grace period permits the Company 30 days to make such interest payment before an event of default occurs.

The Company believes it is in the best interests of its stakeholders to actively address the Company's debt and capital structure and intends to continue discussions with its creditors and their respective professionals during the 30-day grace period. As of April 20, 2015, the Company had a cash balance of approximately \$280 million, which provides substantial liquidity to fund its current operations. The Company is continuing to pay suppliers and other trade creditors in the ordinary course.

The information set forth in this Item 7.01 of this Current Report on Form 8-K is being furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any of the Company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and regardless of any general incorporation language in such filings, except to the extent expressly set forth by specific reference in such a filing.
