Item 1.01 Entry into a Material Definitive Agreement.

On May 19, 2017, eMagin Corporation (the Company) entered into an underwriting agreement (the Underwriting Agreement) with H.C. Wainwright & Co., LLC, as the representative of the several underwriters listed in the Underwriting Agreement (the Underwriters), to issue and sell 3,300,000 shares of common stock, par value \$0.001 per share (the Common Stock), of the Company, together with warrants to purchase up to 1,650,000 shares of Common Stock with an initial exercise price of \$2.45 per share of Common Stock (the Warrants), subject to adjustment as described in the Warrants, to a single institutional investor and to Stillwater Trust LLC, a shareholder owning approximately 7% of our outstanding voting stock prior to this offering, at an offering price of \$2.00 per fixed combination consisting of one share of Common Stock and associated Warrant to purchase one-half share of Common Stock. The Warrants have a term of five (5) years, exercisable upon the date of issuance. The Common Stock and Warrants are offered by the Company pursuant to a shelf registration statement on Form S-3 (File No. 333-196720) and a related prospectus, including the related prospectus supplement, filed with the Securities and Exchange Commission (the Offering). The Offering closed on May 24, 2017.

The number of shares of Common Stock that may be acquired by any holder upon any exercise of any Warrant is limited to the extent necessary to insure that, following such exercise (or other issuance), the total number of shares of Common Stock then beneficially owned by such holder and its affiliates and any other persons whose beneficial ownership of common stock would be aggregated with the holder s for purposes of Section 13(d) of the Exchange Act, does not exceed, at the holder s option, either 4.99% or 9.99% of the total number of issued and outstanding shares of Common Stock (including for such purpose the shares of common stock issuable upon such exercise). The holder may elect to increase or decrease the beneficial ownership limitation, provided that the beneficial ownership limitation does not exceed 9.99% of the total number of issued and outstanding shares of Common Stock (including for such purpose the shares of common stock issuable upon such exercise) and provided that any increase will require 61 days prior written notice. The holder may also elect not to be subject to the beneficial ownership limitation.

In addition, if, at any time while the Warrants are outstanding, we undergo a fundamental transaction, as described in the Warrants and generally including any consolidation or merger with or into another person, sale of all or substantially all of our assets, effecting any tender or exchange offer that is accepted by 50% or more of the outstanding Common Stock, any reclassification, reorganization or recapitalization of our Common Stock, or effecting a change of control of more than 50% of our outstanding shares of Common Stock, then the holder is entitled to receive, upon exercise of the Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such fundamental transaction if it had been, immediately prior to such fundamental transaction, the holder of the number of shares of Common Stock then issuable upon exercise of the Warrant, and any additional consideration payable as part of the fundamental transaction. Any successor to us or surviving entity is obligated to assume the obligations under the Warrant.

The holders must surrender payment in cash of the aggregate exercise price of the shares being acquired upon exercise of the Warrants. In addition, the Warrant holders are entitled to a cashless exercise option if, at any time of exercise, there is no effective registration statement registering, or no current prospectus available for, the issuance or resale of the shares of Common Stock underlying the Warrants. This option entitles the Warrant holders to elect to receive fewer shares of Common Stock without paying the cash exercise price. The number of shares to be issued would be determined by a formula based on the total number of shares with respect to which the Warrant is being exercised, the market price per share of our Common Stock at the time of exercise and the applicable exercise price of the Warrants issued in the Offering. We will provide certain rescission and buy-in rights to a holder if we fail to deliver the shares of Common Stock issuable upon exercise the Warrants by the first trading day after the date on which delivery of the shares is required by the Warrant. With respect to the rescission rights, the holder has the right to rescind the exercise if shares are not timely delivered. The buy-in rights apply if after the first trading day on which delivery of the shares is required by the Warrant, the holder purchases (in an open market transaction or otherwise) shares of our Common Stock to deliver in satisfaction of a sale by the holder of the Warrant shares that the holder anticipated receiving from us upon exercise of the Warrant. We are not required to issue fractional shares upon the exercise of the Warrants.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions.

The Underwriting Agreement is attached hereto as an exhibit to provide investors and security holders with information

regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of the Underwriting Agreement and as of specific dates, were solely for the benefit of the parties to the Underwriting Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Underwriting Agreement.

A copy of the opinion of Goodwin Procter LLP relating to the legality of the issuance and sale of the Common Stock in the Offering (including the Common Stock underlying the Warrants) and the enforceability of the Warrants is attached as Exhibit 5.1 hereto. Copies of the Underwriting Agreement and the Form of Warrant are filed herewith as Exhibits 1.1 and 4.1, respectively, and are incorporated herein by reference. The foregoing description of the Offering and the documentation related thereto does not purport to be complete and is qualified in its entirety by reference to such Exhibits.

On May 19, 2017, we issued a press release announcing the Offering. A copy of this press release is filed as Exhibit 99.1 attached hereto and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.
