## Edgar Filing: TIME WARNER INC - Form 8-K

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 4, 2006, Time Warner Inc. ("Time Warner" or the "Company") entered into Prepaid Share Repurchase Agreements (described in Item 8.01 below) with a number of different counterparties, providing for repurchases of the Company's common stock, \$0.01 par value (the "Common Stock"), under its previously announced \$20 billion stock repurchase program. In connection with the Prepaid Share Repurchase Agreements, the Company has funded the majority of the approximately \$3.6 billion aggregate prepayment amount through borrowings under the Company's \$5.0 billion unsecured commercial paper program supported by the Company's \$7.0 billion revolving credit facility (the "TW Facility"), which are described under "Management's Discussion and Analysis of Results of Operations and Financial Condition - Financial Condition and Liquidity - Bank Credit Agreements and Commercial Paper Programs -Time Warner Credit Agreement " and " - Commercial Paper Programs" in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 (the "2005 Form 10-K"). The TW Facility is filed as an exhibit to the 2005 Form 10-K.

Item 8.01 Other Events.

In connection with the Company's \$20 billion stock repurchase program, the Company entered into prepaid stock repurchase agreements on May 4, 2006 with a number of different counterparties (each, a "Prepaid Share Repurchase Agreement" and, collectively, the "Prepaid Share Repurchase Agreements") that provide for repurchases of Common Stock to be made pursuant to consecutive calculation periods over the next three months, or longer, depending on the share price of the Common Stock. The Company made payments of approximately \$3.6 billion in the aggregate upon entry into the Prepaid Share Repurchase Agreements and will receive shares of Common Stock on the respective settlement date for each Prepaid Share Repurchase Agreement at prices based on a formula that is expected to deliver an effective average repurchase price per share below the volume weighted average price of the Common Stock over the term of the relevant contract. Each Prepaid Share Repurchase Agreement contains substantially similar terms, except for certain pricing and date-related terms. A representative form of Prepaid Share Repurchase Agreement is attached to this Form 8-K as Exhibit 99.1.

Item 9.01 Financial Statements and Exhibits.
