 This filing relates to a tender offer extended to US-based employees of Lantronix, Inc. (the "Company") originally filed on Schedule TO with the Commission on December 12, 2002 and amended on January 8, 2003 (collectively the "Offer"). The Offer allows employees to surrender for cancellation certain stock options and later receive new options under terms set forth in the Offer. The following is a slide added to the Power Point Presentation filed as Exhibit (a)(8) to the Schedule TO. The presentation is used to inform Lantronix employees on aspects of the Offer. This new slide was used on Wednesday afternoon, January 15, 2003 and was added to the presentation to provide a hypothetical example to employees of how an option grant would be affected if the reverse stock split were initiated.
