ITEM 1.01.

ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 31, 2008, Glowpoint, Inc. (Glowpoint or the Company) issued approximately 820,185 shares of its Series A Convertible Preferred Stock (Series A Preferred Stock) and Series A-3 Warrants, having an exercise price of \$0.40 per share (the Series A-3 Warrants), to acquire approximately 2,976,000 shares of common stock in exchange for approximately \$3.3 million of the Company's senior secured convertible notes (the Notes), which represents all but approximately \$1.7 million of the Notes. The terms of this exchange were substantially similar to the terms of the Company's note exchange that closed on November 25, 2008. This brief description of the issuance of the Series A shares in exchange for Notes is qualified in its entirety by reference to the provisions of the Note Exchange Agreement attached to this report as Exhibit 10.1.

Each share of Series A Preferred Stock has a stated value of \$7,500 per share (the Stated Value), a liquidation preference equal to the Stated Value, and is convertible at the holder's election into common stock at a conversion price per share of \$0.75. Therefore, each share of Series A Preferred Stock is convertible into 10,000 shares of common stock. The Series A Preferred Stock is senior to all other classes of equity and, after the first anniversary of issuance (the Dividend Grace Period), is entitled to dividends at a rate of 5% per annum, payable quarterly in cash, based on the Stated Value. After the Dividend Grace Period and so long as any of the Notes remain outstanding, dividends shall accrue quarterly and will not be paid. The Series A Preferred Stock and the Series A-3 Warrants also contain provisions providing weighted average anti-dilution protection. The Series A-3 Warrants are exercisable for a period of five years and, in accordance with the terms of that certain Registration Rights Agreement dated November 25, 2008, we are obligated to file a registration statement on or about February 23, 2009 to register for resale the shares of common stock issuable upon exercise of the Series A-3 Warrants. This brief description of the Series A Preferred Stock, the Series A-3 Warrants and the Registration Rights Agreement is qualified in its entirety by reference to the provisions of the Certificate of Designations, Preferences and Rights of Series A Preferred Stock, the form of Series A-3 Warrant, and the Registration Rights Agreement attached as Exhibits 4.1, 4.2 and 10.2, respectively, to the Company's Current Report on Form 8-K filed on November 26, 2008.

Burnham Hill Partners, a division of Pali Capital Inc. (BHP), acted as financial advisor for the transaction disclosed herein and is entitled to a fee of \$150,000 in cash, \$75,000 of which is payable within three business days following the closing of the transaction and the remaining \$75,000 payable upon closing a subsequent capital raise with gross proceeds to the Company of at least \$1 million.
