Forward-Looking Statements

This Current Report on Form 8-K contains statements regarding the proposed transaction between BBCN Bancorp and Wilshire Bancorp, the community goals and commitments to be implemented upon consummation of the merger, the timetable for completing the transaction and implementing such goals and commitments, and other statements about the future expectations, beliefs, goals, plans or prospects of the management of each of BBCN Bancorp and Wilshire Bancorp. These statements are based on current expectations, estimates, forecasts and projections and management assumptions about the future performance of each of BBCN Bancorp, Wilshire Bancorp and the combined company, as well as the businesses and markets in which they do and are expected to operate. These statements constitute forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Words such as “expects,” “believes,” “estimates,” “anticipates,” “targets,” “goals,” “projects,” “intends,” “plans,” variations of such words and similar expressions are intended to identify such forward-looking statements which are not statements of historical fact. These forward-looking statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to assess. Actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. The closing of the proposed transaction is subject to regulatory approvals, the approval of the shareholders of both BBCN Bancorp and Wilshire Bancorp, and other customary closing conditions. There is no assurance that such conditions will be met or that the proposed transaction will be consummated within the expected time frame, or at all. If the transaction is consummated, factors that may cause actual outcomes to differ from what is expressed or forecasted in these forward-looking statements include, among things: difficulties and delays in integrating BBCN Bancorp and Wilshire Bancorp and achieving anticipated synergies, cost savings and other benefits from the transaction; higher than anticipated transaction costs; deposit attrition, operating costs, customer loss and business disruption following the merger, including difficulties in maintaining relationships with employees, may be greater than expected; required governmental approvals of the merger may not be obtained on its proposed terms and schedule, or without regulatory constraints that may limit growth; competitive pressures among depository and other financial institutions may increase significantly and have an effect on revenues; the strength of the United States economy in general, and of the

local economies in which the combined company will operate, may be different than expected, which could result in, among other things, a deterioration in credit quality or a reduced demand for credit and have a negative effect on the combined company's loan portfolio and allowance for loan losses; changes in the U.S. legal and regulatory

---

framework; and adverse conditions in the stock market, the public debt market and other capital markets (including changes in interest rate conditions) which would negatively affect the combined company's business and operating results.

For a more complete list and description of such risks and uncertainties, refer to BBCN Bancorp's Form 10-K for the year ended December 31, 2015, and Wilshire Bancorp's Form 10-K for the year ended December 31, 2015, as well as other filings made by BBCN Bancorp and Wilshire Bancorp with the Securities and Exchange Commission (the "SEC"). Except as required under the U.S. federal securities laws and the rules and regulations of the SEC, BBCN Bancorp and Wilshire Bancorp disclaim any intention or obligation to update any forward-looking statements after the distribution of this press release, whether as a result of new information, future events, developments, changes in assumptions or otherwise.
