BACKGROUND

On December 11, 2001, the shareholders of Sturgis Bank and Trust Company (the "Bank") approved the reorganization of the Bank to become a wholly owned subsidiary of Sturgis Bancorp, Inc. (the "Company"), a financial holding company. The Company is a financial holding company under the Bank Holding Company Act of 1956, as amended. This reorganization was approved at a special meeting of the shareholders of the Bank on December 11, 2001. The necessary affirmative vote of the holders of at least two-thirds (2/3) of the Bank's common stock (of which 3,101,534 shares were outstanding on October 30th, 2001 the record date for the meeting) was obtained.

Prior to the special meeting of the shareholders of the Bank, the Bank and the Company received the necessary approvals from the Board of Governors of the Federal Reserve and the Federal Deposit Insurance Corporation. On December 21, 2001, the Michigan Department of Consumer and Industry Services, Office of Financial and Insurance Services, Division of Financial Institutions approved the consolidation to complete the consummation of the Company acquiring one hundred percent of the issued and outstanding common stock of Sturgis Bank & Trust Company. This reorganization became effective as of the opening of business on January 1, 2002.

With the consummation of the reorganization, each outstanding share of the Bank's outstanding common stock, \$1.00 par value, has been converted into one share of the Company's common stock, \$1.00 par value. The shareholders of the Bank and their percentage of shareholder ownership, immediately prior to the consummation of the reorganization are identical to those of the Company immediately after consummation of the reorganization.

Based upon the reorganization of the Bank described above, the Company's common stock was deemed registered under Section 12(g) of the Securities Exchange Act of 1934, as amended, pursuant to Rule 12g-3(a) promulgated thereunder. The Company filed a Form 8-K with the Securities and Exchange Commission as a successor issuer to Sturgis Bank and Trust Company as required by paragraph (f) of Rule 12g-3 under the Securities Exchange Act of 1934. Pursuant to paragraph (g) of Rule 12g-3 under the Exchange Act, the Company, as the successor issuer, is responsible for making the necessary annual filings for the Bank, the predecessor issuer.

As a result of the above described reorganization, the meetings, events and descriptions contained below for events that took place in calendar year 2001 relate the Company while it operated as the Bank and prior to the effective date of the reorganization (effective January 1, 2002).

The following table sets forth, as of March 15, 2002 the shares of Common Stock beneficially owned by executive officers and all directors of the Company as a group. Individual beneficial ownership of shares by the Company's directors is set forth under "PROPOSAL I--ELECTION OF DIRECTORS". Ownership is direct unless otherwise specified.

Each option for 200 shares was granted immediately after each of the four annual meetings of Stockholders, beginning with the 1995 Annual Meeting, to those individuals who remain Directors after the respective annual meeting or who are elected at the respective annual meeting. Pursuant to the plan, after the 1999 Annual Meeting, all remaining options (375 shares per Director at \$10.50 per share) were allocated pro rata among the Directors.

In 1995, options for 1,400 shares were granted under the Director Plan. Each director received an option for 200 shares at an exercise price of \$14.50 per share. In 1996, options for 1,400 shares were granted under the Director Plan; each director received an option for 200 shares at an exercise price of \$17.25 per share. In 1997, options for 1,600 shares were granted under the Director Plan; each director received an option for 200 shares at an exercise price of \$27.25 per share. In 1998, options for 2400 shares were granted under the Director Plan; each director received an option for 300 shares at an exercise price of \$31.75 per share. As of June 15, 1998, options to purchase 1,400 shares at \$14.50 per share, 1,400 shares at \$17.25 per share, 1,600 shares at \$27.25 per share had been exercised under the Director Plan. The Director Plan provides that options granted to Directors vest on the date of grant. There remain 6,825 shares subject to purchase and issuance.

In 1999, the Stockholders of the Company approved an amendment to the Director Plan to adjust for the two-for-one stock split which occurred on June 15, 1998. The Director Plan amendment changed the exercise price per share for options granted on April 28, 1998 from \$31.75 to \$15.88. The number of shares to be issued upon the exercise of currently outstanding options yet to be granted was changed from 300 to 600 shares.

The purpose of the Director Plan was to increase the incentives and

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

attract and encourage the continued service of Directors of the Company by facilitating the purchase of the Company's shares. The Director Plan authorizes the grant of Non-Qualified Stock Options (options that subject the option holder to Federal Income Tax in the amount by which the market price of the stock at the time of exercise exceeds the exercise price and the

9

Company will receive a deduction in the same amount at the time of exercise, pursuant to the Internal Revenue Code of 1986). The Board of Directors has limited discretion in the administration of the Director Plan so that they can remain "disinterested" persons as that term is used in Securities and Exchange Commission Rule 16b-3(c)(2) promulgated under the Securities Exchange Act of 1934, in relation to the plan.

Options under the Director Plan are only exercisable within 10 years and one day from the date of grant, unless the individual ceases being a Director prior to that time. In that event, if the individual ceases being a Director for reasons other than death or disability, the option is exercisable only within 30 days of cessation of Director status; if the individual's status as a Director terminates because of death or disability, the option will only be exercisable within 90 days from the date of such cessation of Director status.

The Board, without further action on the part of the Stockholders of the Company, may from time to time alter, amend, or suspend the Director Plan or any stock option granted thereunder or may at any time terminate the Director Plan, except that, unless approved by a majority of the Stockholders represented at an Annual Meeting or Special Meeting held in accordance with the Company's By-Laws, the Board of Directors may not, (i) change the total number of shares of Common Stock available for grant under the Director Plan; (ii) extend the duration of the Director Plan; (iii) increase the maximum term of stock options; or (iv) change the exercise option price of the stock options under the Director Plan. No action taken by the Board of Directors as outlined above may materially and adversely affect any outstanding stock option without the consent of the holder thereof. In any case, the Board of Directors may not amend the Director Plan more than once every six months, other than to comport with the Internal Revenue Code, the Employee Retirement Income Security Act, or the rules thereunder.

TRANSACTIONS WITH THE COMPANY

Mr. Raymond H. Dresser, Jr. is the majority stockholder in Dresser, Dresser, Haas & Caywood, P.C. and is also a Director of the Company. Dresser, Dresser, Haas & Caywood, P.C. acts as legal counsel to the Company and was paid \$185,413 by Bank (the wholly owned subsidiary of the Company) in 2001 for legal fees and disbursements and \$240,683 in 2000. Extraordinary legal fees in 2001 arose in connection with the reorganization of the Bank into a bank holding company structure as described earlier in this Proxy. Extraordinary legal fees in 2000 arose in connection with the later terminated planned merger with Southern Michigan Bancorp, Inc.

The Bank, a wholly owned subsidiary of the Company, provides residential mortgage loans and other types of loans to its directors, officers and employees. The Bank has a policy that all loans to officers, principal stockholders, or directors of the Company must be on substantially the same terms as with any customer including terms of interest and collateral. The Bank has followed this policy in regard to these loans and it is the belief of the management of the Company that these loans neither involve more than the normal risk of collectability nor present other unfavorable features, and none of these loans is a nonaccrual, past due, restructured or potential problem loan.

Directors, and certain officers and security holders during 2001 were required to file timely reports of their security holdings and transactions with the Securities and Exchange Commission. A registrant is required to identify any of these individuals failing to timely file these reports. The directors and relevant officers timely filed the necessary Form 5 reporting of annual changes in beneficial ownership for 2001.

PROPOSAL II -- RATIFICATION OF PLANTE & MORAN, LLP AS INDEPENDENT PUBLIC ACCOUNTANTS OF THE COMPANY FOR 2002

The Board of Directors recommends the engagement of Plante & Moran, LLP, as independent public accountants, to be its independent public accountants for the 2002 fiscal year, subject to ratification by the Company's Stockholders. A representative of Plante & Moran, LLP, is expected to be present at the Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

10

The Board of Directors' selection of the Plante & Moran, LLP accounting firm for the Company, occurred after solicitation and receipt of bids from qualified accounting firms in 1999 to provide services through 2001. Plante & Moran, LLP submitted the most favorable plan to conduct the Company's independent accounting reports. As a result, the shareholders at the 1999 Annual Meeting ratified the selection of Plante & Moran, LLP and the Company's previous accounting firm, PricewaterhouseCoopers, LLP was terminated. There were no disagreements with PricewaterhouseCoopers, LLP on any accounting matter. The selection of Plante & Moran, LLP as independent auditor was also ratified by the shareholders at the 2000 and 2001 Annual Meetings.

The appointment of the independent public accountants must be approved by a majority of the votes cast by the Stockholders of the Company at the Meeting. The Board of Directors recommends that Stockholders vote "FOR" the approval of the appointment of Plante & Moran, LLP, as the Company's independent public accountants.

PRINCIPAL ACCOUNTING FIRM FEES

As a result of the previously described reorganization, the discussion contained below relates the Company while it operated as Sturgis Bank & Trust Company and prior to the effective date of the reorganization (effective January 1, 2002).

ALL OTHER FEES

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

The Audit Committee considered and confirmed that the provision of these non-audit services was compatible with maintaining the independence of Plante & Moran, LLP as the Company's independent auditors for the year 2001 audit.

The Audit Committee is a committee of the Board of Directors.

PURPOSE & COMPOSITION

The charter details the composition, roles and responsibilities of the audit committee. At least one member must have expertise in accounting or other aspects of financial management and all members are expected to be financially literate or to gain such literacy after appointment. The Committee shall review this charter annually and receive approval for its continued use (and any recommended amendments) from the Board of Directors.

DELINEATION OF RESPONSIBILITIES

The audit committee is principally responsible for overseeing the Company's financial reporting and reporting details of such activities to the Board, primarily in the form of auditing the financial statements which management

The Committee shall take a flexible approach to the execution of its role to best reflect current circumstances and changing business conditions, and is expected to establish on the board's behalf the overall attitude of the Company as it pertains to financial reporting, risk management and ethical conduct.

ONGOING PROCESSES

In performing these responsibilities, the audit committee shall follow a number of prescribed guidelines, and may augment these when appropriate:
