* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

The matching reported transactions involved an amendment of an outstanding vested option, resulting in the deemed cancellation of the
(1) ?old? option and the grant of a replacement option. This amendment is intended to cure the non-compliance of the ?old? option grant with IRC Section 409A.

The line items in Table II do not represent the grant of a new option or any other current transaction but are being reported again solely to
gain access to the system for filing this amendment. This Form 4 amendment is being filed to correct the original December 22, 2006
(2) Form 4, which reported the amendment of four Options resulting in the cancellation and replacement of those Options. One such Option
for 50,000 shares was not correct, and this Form 4 amendment is being filed to correct amount for such Option to 12,500.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
