Item 8.01

Other Events

On December 11, 2009, CH Energy Group, Inc. (NYSE: CHG) announced that its subsidiary, Griffith Energy Services, Inc., had completed the sale of select operating divisions serving markets in Rhode Island, Connecticut and Pennsylvania as part of a strategic streamlining that is expected to reduce cash flow volatility and allow the fuel oil delivery firm to focus on its Mid-Atlantic operations. At that time, it was also reported that the sale would result in a gain of approximately \$6.5 million after taxes, or approximately 40 cents per share. For clarification, CH Energy Group issued a press release on December 18, 2009, stating that the gain reported in the December 11 press release is the amount of gain that is expected to be recognized by Griffith Energy Services from the sale. As a result of taxes applicable to CH Energy Group at its holding company level, the gain that CH Energy Group will recognize from the sale, on a consolidated basis, after taxes, is expected to be approximately \$5.5 million, or approximately 35 cents per share. The press release issued by CH Energy Group, Inc. is attached hereto as Exhibit 99.1 and incorporated herein by reference.
