PRELIMINARY, SUBJECT TO COMPLETION, DATED MAY 3, 2019

& TRANSACTION PROPOSED—YOUR VOTE IS VERY IMPORTANT

Dear Stockholders:

Each of the boards of directors of Centene Corporation, which is referred to as Centene, and WellCare Health Plans, Inc., which is referred to as WellCare, has unanimously approved an Agreement and Plan of Merger, dated as of March 26, 2019, which is referred to as the merger agreement, by and among Centene, Wellington Merger Sub I, Inc., a direct wholly owned subsidiary of Centene, which is referred to as Merger Sub I, Wellington Merger Sub II, Inc., a direct wholly owned subsidiary of Centene, which is referred to as Merger Sub II, and WellCare. Subject to the terms and conditions of the merger agreement, which are more fully described in the accompanying joint proxy statement/prospectus, Centene will acquire WellCare through the merger of Merger Sub I with and into WellCare, which transaction is referred to as the merger. WellCare will survive the merger and become a direct wholly owned subsidiary of Centene, WellCare will survive the merger and become a direct wholly owned subsidiary of Centene. In addition, as more fully described in the accompanying joint proxy statement/prospectus, immediately following the completion of the merger, WellCare will merge with and into Merger Sub II, with Merger Sub II surviving as a wholly owned subsidiary of Centene, which transaction is referred to as the subsequent merger and, together with the merger, the mergers.

If the merger is completed, WellCare stockholders (other than (i) Centene, Merger Sub I, Merger Sub II and WellCare and (ii) any stockholder holding shares of WellCare common stock for which appraisal rights have been properly demanded and not withdrawn under the General Corporation Law of the State of Delaware) will receive \$120.00 in cash, without interest, which is referred to as the per-share cash consideration, and 3.38 validly issued, fully paid and non-assessable shares of Centene common stock for each share of WellCare common stock that they own. The per-share cash consideration and the exchange ratio are collectively referred to as the merger consideration. The exchange ratio is fixed and will not be adjusted to reflect stock price changes prior to the completion of the merger. The exchange ratio will be adjusted appropriately to fully reflect the effect of any reclassification, stock split (including a reverse stock split), recapitalization, split-up, combination, exchange of shares, readjustment or other similar transaction, or any stock dividend declared thereon, with respect to the shares of either Centene common stock or WellCare common stock with a record date prior to completion of the merger. No fractional shares of Centene common stock will be issued in the merger, and in lieu thereof, WellCare stockholders will be entitled to receive a certain amount of cash, as more fully described in the accompanying joint proxy statement/prospectus. Centene stockholders will continue to own their existing shares of common stock of Centene, the form of which will not be changed by the transaction.

Upon completion of the merger, former WellCare stockholders will own approximately 29% of the then outstanding Centene common stock, based on the number of shares and stock-based awards of Centene and WellCare outstanding as of March 26, 2019. The value of the merger consideration to be received in exchange for each share of WellCare common stock will fluctuate with the market value of Centene common stock until the merger is completed. Based on Centene s closing stock price on [•] [•], 20[•], the last trading day before the date of this joint proxy statement/prospectus, the implied merger consideration was \$[•], which represents a premium of approximately [•]% over WellCare s closing

stock price on March 26, 2019, the last trading day before the public announcement of the merger agreement. The common stock of each of Centene and WellCare is listed on the New York Stock Exchange under the symbol CNC and WCG, respectively. We urge you to obtain current market quotations for the shares of common stock of Centene and WellCare.
