## ITEM 1. DESCRIPTION OF BUSINESS

### THE COMPANY

OVERVIEW. Newtek Business Services, Inc., which changed its name from that of Newtek Capital, Inc. in November 2002 in order to emphasize its current business objectives, is engaged in the business of

- o owning, operating or coordinating 8 businesses lines which serve small businesses and
- o organizing certified capital companies ("capcos") and investing funds made available under the capco programs in small businesses including, those in which it holds an equity position.

During 2002, direct business operations of its businesses resulted in revenue of approximately \$4 Million or 12% of total revenue and the operation of the capcos resulted in non-cash revenues related to the capco tax credits of approximately \$30 Million, or 88% of total revenue. The chart on the following page depicts how these revenues are generated. During the same period, Newtek realized net income (exclusive of extraordinary gains) of approximately \$4.5 Million, substantially all of which is attributable to the non-cash income related to the capco programs. The revenue resulting from the capco tax credits are non-cash and are used exclusively to satisfy obligations of the capcos to deliver tax credits to their investors. Until Newtek's partner companies are able to generate and distribute cash earnings to Newtek, it must rely on the capco management fees as the sole source of cash to meet its non-capco expenses.

Newtek is a New York corporation organized in 1999 in conjunction with the combination of the business of Newtek's predecessor, BJB Holdings, Inc., and REXX Environmental Corporation which at that time was traded on the American Stock Exchange.

BUSINESS & BUSINESS STRATEGY. Newtek's strategy is to operate the capcos and utilize resources and funds available under the programs to develop businesses that emphasize serving other small businesses. During 2002 Newtek has reduced the number of business lines that it is investing in and operating and as of year-end Newtek is placing primary emphasis on 8 such lines. Services to small businesses which Newtek has emphasized during 2002 and expects to emphasize into the future include:

NEWTEK SMALL BUSINESS FINANCE - small business loans available under programs of the United States Small Business Administration  
NEWTEK MERCHANT SOLUTIONS - small business electronic payment processing  
NEWTEK FINANCIAL INFORMATION SERVICES - small business financial and management reporting and planning  
NEWTEK TAX SERVICES - small business tax preparation services (currently being organized)

Secondary emphasis has been placed on the following:

NEWTEK BUSINESS EXCHANGE -- small business brokerage and M & A services  
NEWTEK IT SERVICES - software development and systems integration  
NEWTEK SECURITIES - the capital formation assistance of a broker-dealer  
NEWTEK STRATEGIES - small business strategic marketing planning and advice
