INTRODUCTION

This proxy solicitation comes to you for one very important reason. Your fund, Salomon Brothers Inflation Management Fund Inc. ("IMF") and/or Salomon Brothers Capital and Income Fund Inc. ("SCD") is asking you to approve a new Management Agreement which would take effect when the Funds' investment advisor, Salomon Brothers Asset Management, Inc. ("SBAM" or the "Advisor") becomes a subsidiary of Legg Mason, Inc. ("Legg Mason") pursuant to a deal between Legg Mason, Inc. and Citigroup Inc. ("Citigroup"). As stockholders of the Fund you have the opportunity NOW to make Fund management sit-up and pay attention!

We advocate voting AGAINST approving a new Management Agreement for each Fund.

The Funds are seeking your permission to approve a new management agreement with the Advisor to take effect after the Advisor becomes a subsidiary of Legg Mason. The Advisor's parent company, Citigroup has made a deal with Legg Mason that benefits Citigroup. Karpus Investment Management ("KIM" or "Karpus") believes that before the stockholders of the Fund approve a new Management Agreement that is part of Citigroup's deal, we are entitled to have our concerns about the Funds' potential changes in management personnel and persistent trading discount addressed. In short, we believe that shareholders of the Funds are also entitled to receive an economic benefit at this time, before the transaction would occur.

KIM believes that the shareholders of the Funds are not receiving the economic benefits that they should receive if the Funds are managed appropriately. KIM believes that current management has a general fiduciary duty to protect and enhance shareholder value. As part of protecting and enhancing shareholder value, management of the Funds should address the wide discount to net asset value currently being experienced by the Funds. The Board should address this loss of economic value prior to the approval of a new investment management contract.

We believe the Funds' current portfolio management team has performed well. There is no assurance that personnel of the Advisor will not change or that other managers within Legg Mason will not influence or take over management of the Funds after the Advisor is sold to Legg Mason. What consideration are shareholders being offered to compensate for the risk of a change in investment management? Presumably, Citigroup benefits from this deal. How do we, as shareholders of the Funds, benefit from the proposed new management agreement?

KIM believes the current Fund management and the Board of Directors of the Funds have not taken adequate measures to close the discount to net asset value that the Funds have historically maintained. We believe a duty of the Board is to enhance shareholder value and that the Board has failed to meet this duty by failing to take steps to mitigate the persistent trading discount.

The following table illustrates the historic discount of the Funds from the Funds' inception. The source of the data is Bloomberg Inc.

Discount Since Inception in 2004		
	<u>IMF</u>	<u>SCD</u>
IPO	+4.93%	+4.98%
6 Months After	-6.99%	-7.62%
1 Year After	-8.49%	-10.38%
Current (07/31/05)	-8.35%	-13.04%

UNLESS WE PREVENT THE APPROVAL OF A NEW MANAGEMENT AGREEMENT, SHAREHOLDERS WHO HAVE NO CONFIDENCE IN THE PROPOSED TRANSACTION WILL HAVE NO BETTER OPTION THAN TO SELL THEIR SHARES.

If large shareholders believe they should sell their shares as a reaction to the new management agreement, their sales could potentially depress the market price causing the discount to widen further. As can be seen from the table above, the investors that participated in the IPOs of these Funds have experienced a tremendous loss of value due to the erosion of the Funds' premium and widening of the discount. Both of these Funds were incepted in 2004 and now, a little more than one year later, they are being asked to migrate to Legg Mason. We believe that we need management that is concerned about narrowing the trading discount and we do not see anything in management's proxy materials that addresses this vital shareholder issue.

It is also the belief of KIM that any shareholder that has sold shares in the market place since the initial price offering has been economically harmed because they sold their shares at a severe discount to the net asset value of the Fund. KIM believes that the Board or Directors has a duty to address this problem now.

We are not being asked to elect a new Board of Directors at this time. The present Board that has failed to manage the discount of the Funds will remain with the Funds at this point.

AS OUTLINED BELOW, SHAREHOLDERS OF THE FUNDS HAVE LIMITED OPPORTUNITIES TO MAKE CHANGES IN THE BOARD OR EFFECT OTHER CHANGES IN CONTROL. OUR OPPORTUNITY TO ASSERT OURSELVES IS NOW.

The Funds each have provisions in their articles of incorporation and bylaws which limit the ability of other entities or persons to acquire control of the portfolio or to modify their structure. They include the following:

Tiered Board Structure. The Board of Directors is classified into three classes, with terms of one, two, and three years initially and three years thereafter with only one class of Directors standing for election in any year. This prevents replacement of a majority of Directors for up to a two year period. In effect, this means that if KIM wanted to propose new "Independent" Directors to either Fund, it would take at least 2 years to install a majority of the Board.

Super-Majority Voting Requirements to Remove Directors. Directors can be removed only for cause and by a vote of 75% of the outstanding shares entitled to vote on the matter.

Super-Majority Voting Requirements to Take Certain Action. The Funds cannot be converted from a closed-end to an open-end investment company without the approval of 75% of the Fund's Directors. In addition, unless 75% of the Fund's continuing Directors approves the transaction, the affirmative vote of the holders of at least 75% of the shares will be required to authorize the Funds' portfolio's conversion from a closed-end to an open-end investment company or generally to authorize any of the following transactions: (i) merge, consolidate or share exchange the Funds' portfolio with or into any other corporation; (ii) dissolve or liquidate the Funds' portfolio; (iii) sell, lease, exchange or otherwise dispose of all or substantially all of the assets of the Funds' portfolios; (iv) change the nature of the business of the Funds' portfolio so that it would cease to be an investment company registered under the 1940 Act; or (v) sell, lease or exchange the Funds' portfolio, in exchange for securities of the Funds' portfolio, with any assets of any entity or person (except assets having an aggregate fair market value of less than \$1,000,000). The affirmative vote of at least 75% of the shares will be required to amend the articles of incorporation or bylaws to change any of the foregoing provisions.

Due to the control provisions outlined above, it will be very hard for Shareholders to impose their will upon Fund management following approval of the proposed new management agreement. This unique opportunity, where management must come to us, should not be allowed to pass. Disgruntled Shareholders should express their dissatisfaction with Fund management by voting against the new management agreement proposal.

KIM BELIEVES THAT BY NOT APPROVING THE NEW MANAGEMENT CONTRACT, STOCKHOLDERS OF THE FUNDS HAVE A UNIQUE OPPORTUNITY TO FORCE THE PRESENT BOARD OF DIRECTORS TO MEET STOCKHOLDER EXPECTATIONS.

IT IS THE OPINION OF KIM THAT THIS MAY BE THE ONLY CHANCE FOR STOCKHOLDERS TO RECEIVE THE ECONOMIC BENEFIT THAT WILL RESULT FROM ACTIVE AND BETTER MANAGEMENT OF THE DISCOUNT!

Required vote.

When you return the GREEN proxy card you will be voting AGAINST approving a new Management Agreement.

Other Matters.

Other than the proposals described above, we are not aware of any other matters to be brought before the Meeting that affect our Funds. Should other matters be brought before the Meeting, the persons named as proxies in the enclosed GREEN proxy card will vote on such matters in their discretion.

VOTING PROCEDURES

Voting and Revocation of Proxies

For the proxy solicited hereby to be voted, the enclosed GREEN proxy card must be signed, dated and returned to:

Karpus Investment Management
c/o Regan & Associates, Inc.
505 Eight Avenue, Floor 12A
New York, New York 10018

in the enclosed envelope, in time to be voted at the Meeting. If you wish to vote in accordance with our recommendations, you must submit the enclosed GREEN proxy card and must NOT subsequently submit the Fund's proxy card. **IF YOU HAVE ALREADY RETURNED THE FUND'S PROXY CARD, YOU HAVE THE RIGHT TO REVOKE IT AND ALL MATTERS COVERED THEREBY AND MAY DO SO BY SUBSEQUENTLY SIGNING, DATING AND MAILING THE ENCLOSED GREEN PROXY CARD. ONLY YOUR LATEST DATED PROXY WILL COUNT AT THE MEETING.** Execution of a GREEN proxy card will not affect your right to attend the Meeting and to vote in person.

Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by: (i) submitting to the Fund or to us a later dated written revocation or duly executed proxy; or (ii) attending and voting at the Meeting in person (mere attendance at the Meeting will not in and of itself constitute a revocation).

Although a revocation of a proxy solicited by the Fund will be effective only if delivered to the Funds, we request that either the original or a copy of all revocations be mailed to Karpus Investment Management, c/o Regan & Associates, Inc., 505 Eight Avenue, Floor 12A, New York, New York 10018, so that we will be aware of all revocations and can more accurately determine if and when the requisite proxies have been received.

Shares of Common Stock represented by a valid unrevoked GREEN proxy card will be voted as specified. Shares represented by a GREEN proxy card where no specification has been made will be voted:

AGAINST approving a new Management Agreement.

If any of your shares were held in the name of the brokerage firm, bank nominee, or other institution on the Record Date, only that institution can vote your shares and only upon receipt of your specific instructions. Accordingly, please promptly contact the person responsible for your account at such institution and instruct that person to execute and return the GREEN proxy card on your behalf. You should also promptly sign, date, and mail the voting instructions form (or GREEN proxy card) that your broker or banker sends you. Please do this for each account you maintain to ensure that all of your shares are voted. If any of your shares were held in the name of a brokerage firm, bank, bank nominee, or other institution on the Record Date, to revoke your proxy you will need to give appropriate instructions to such institution. **IF YOU DO NOT GIVE INSTRUCTIONS TO YOUR BROKER OR OTHER NOMINEE, YOUR SHARES WILL NOT BE VOTED.**

Only holders of record as of the close of business on the Record Date will be entitled to vote at the Meeting. If you were a stockholder of record on the Record Date, you will retain your voting rights for the Meeting even if you sell shares after the Record Date. Accordingly, it is important that you vote the shares you owned on the Record Date or grant a proxy to vote such shares, even if you sell some or all of your shares after the Record Date.

Based on publicly available information, the shares of Common Stock are the only shares of capital stock of the Fund entitled to notice of, and to vote at, the Meeting. According to the Fund's Semi-Annual Report for the period ending April 30, 2005, for IMF there were 9,632,505 shares of Common Stock issued and outstanding. According to the Fund's Semi-Annual Report for the period ending April 30, 2005, for SCD there were 32,964,106 shares of Common Stock issued and outstanding. Every holder of shares of Common Stock is entitled to one (1) vote for each share of Common Stock held.

Shareholder Approval.

In accordance with the Funds Amended and Restated Bylaws, at the Meeting, the presence in person or by proxy of stockholders entitled to cast (without regard to class) a majority of all the votes entitled to be cast at such meeting on any matter shall constitute a quorum. Shares represented by proxies that reflect abstentions and Broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. "Broker non-votes" occur when a broker has not received voting instructions from the beneficial owner of the shares and either declines to exercise its discretionary voting authority or is barred from doing so because the proposal is contested. The Broker non-votes will be counted for purposes of determining whether a quorum is present at the Meeting but cannot be voted on matters submitted to a vote without direction of the beneficial owner.

SOLICITATION OF PROXIES

In connection with our solicitation of proxies for use at the Meeting, proxies may be solicited by mail, courier service, advertisement, telephone, telecopier, or other electronic means, and in person. Solicitations may be made in the manner set forth in the Proxy Statement, by certain of the officers or employees of KIM, none of whom will receive additional compensation for such solicitations. We may request banks, brokerage firms, and other custodians, nominees, and fiduciaries to forward all of the solicitation material to the beneficial owners of the shares of the Common and Preferred Stock (if applicable) that they hold of record.

We have retained Regan & Associates, Inc. for solicitation and advisory services in connection with the solicitation of proxies. KIM will pay a fee to be mutually agreed upon between KIM and Regan & Associates, Inc. based on the services provided.

All expenses associated with any solicitation of proxies by KIM in connection with the Meeting will be borne directly by KIM and clients of KIM. KIM intends to seek reimbursement from Citigroup, the Advisor and the Board of Directors should the proposals be approved. We estimate that the costs incidental to our solicitation of proxies, including expenditures for advertising, printing, postage, legal and related expenses, will be approximately \$30,000. KIM estimates that its costs incurred to date are approximately \$5,000. KIM intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the Fund's voting shares required under applicable law to defeat the proposal to approve the new management agreement.
