INDEPENDENT AUDITORS' REPORT

To the Stockholders and Members
Integrated Strategies, Inc. and Affiliates

We have audited the accompanying combined balance sheet of Integrated Strategies Inc. (an S corporation) and Affiliates (ISI Consulting, LLC and Integrated Realty, Inc.) as of December 31, 2004, and the related combined statements of operations, of equity and of cash flows for the year then ended. These financial statements are the responsibility of the Companies' management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Integrated Strategies, Inc. and Affiliates as of December 31, 2004, and the results of their operation and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The 2003 financial statements were reviewed by us, and our report thereon, dated June 17, 2004, stated we were not aware of any material modifications that should be made to those statements for them to be in conformity with generally accepted accounting principles. However, a review is substantially less in scope than an audit and does not provide a basis for the expression of an opinion on the financial statements taken as a whole.

INTEGRATED STRATEGIES, INC. AND AFFILIATES

NOTES TO COMBINED FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2004 AND 2003 (UNAUDITED)

NOTE 1 - Organization and Summary of Significant Accounting Policies

Organization

The accompanying combined financial statements include the accounts of Integrated Strategies, Inc. (an S Corporation) and its affiliates, ISI Consulting, LLC and Integrated Realty, Inc. These companies are related through common ownership and are collectively referred to herein as the "Company." All significant inter-company balances and transactions have been eliminated in combination. Integrated Strategies, Inc. ("Strategies") was formed in 1999 to provide management consultants to financial service organizations. ISI Consulting, LLC ("Consulting") was formed in 2001 to provide payroll administration services. Integrated Realty, Inc. ("Realty") was formed in 2002 to provide rental of office space.

Income Recognition

The Company recognizes revenue when services are provided.

Property and Equipment

Property and Equipment are recorded at cost. Depreciation is provided using accelerated methods over the estimated useful lives of the assets (5 to 7 years), starting from the date the equipment is placed in service.

Long-lived Assets

When indicators of impairment are present, the Company evaluates the carrying value of long-lived assets in relation to expected future undiscounted cash flows and will reduce the net book value to the fair value of the related assets, if appropriate. Impairment losses on long-lived assets are recognized when expected future cash flows are less than the asset's carrying value. There was no impairment as of December 31, 2004 and 2003.

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form 8-K/A

Income Taxes

Integrated Strategies, Inc. has elected to be treated as a Subchapter S of the Internal Revenue Service whereby net income is taxed to the stockholders. New York also approved Strategies' election to be treated as a Subchapter S effective January 1, 2003. Strategies remains liable for local corporation tax. Integrated Consulting, LLC is a limited liability corporation. Consulting's federal and state taxable income is reported by its members. Consulting is liable for local corporation tax. Integrated Realty, Inc. is liable for federal, state and local corporation taxes.

Deferred taxes are recognized for temporary differences between the basis of assets and liabilities for financial statement and income tax purposes. The differences relate primarily to different methods of accounting for income tax and financial statement reporting purposes. The Company uses the cash method for income tax reporting. The deferred taxes represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled.

7

INTEGRATED STRATEGIES, INC. AND AFFILIATES

NOTES TO COMBINED FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2004 AND 2003 (UNAUDITED)

Cash and Cash Equivalents

The Company considers all highly-liquid instruments with original maturities when purchased of less than three months to be cash equivalents.

Advertising

The Company expenses advertising costs as incurred. Advertising expense for the years ended December 31, 2004 and 2003 was \$2,283, and \$26,376, respectively.

Financial Statement Reclassification

Certain reclassifications were made to the financial statements for the year ended December 31, 2003 in order for them to be in conformity with year 2004 financial statements presentation. These reclassifications had no effect on the Company's net income or net worth for the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - Comprehensive Income/Loss

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form 8-K/A

Statement of Financial Accounting Standards No. 130 ("SFAS No. 130") establishes the standards for reporting and display of comprehensive income (loss) and its components in the financial statements. Comprehensive income is defined to include all changes in combined equity except those resulting from investments from stockholders and members and distributions to stockholders and members. For the years ended December 31, 2004 and 2003, there was no material other comprehensive income/loss. Accordingly, comprehensive income/loss approximates the net income/loss.
