PART III - NARRATIVE

State below in reasonable detail the reasons why the Form 10-K, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, could not be filed within the prescribed time period. (Attach Extra Sheets if Needed).

As disclosed in the Registrant's Form 8-K filed May 9, 2006, the Registrant, as a result of an internal review that it conducted, recently learned of suspicious payments in connection with foreign sales activities in China. As a consequence, the Registrant is conducting an internal investigation to determine the extent of any improper payments and possible deficiencies in its books and records and internal controls with respect to operations in China and the Asia/Pacific region, in possible violation of the anti-bribery, books and records and internal controls provisions of the Foreign Corrupt Practices Act.

Because this internal investigation is currently ongoing, the Registrant is unable to timely file its quarterly report on Form 10-Q for the period ending April 2, 2006 (the "Form 10-Q") without unreasonable effort or expense. Based on current information, it is not possible to predict at this time when the Registrant will file the Form 10-Q.
