Section 4 - Matters Related to Accountants and Financial Statements

Item 4.01 Changes in Registrant’s Certifying Accountant.

On October 6, 2006, Rothstein, Kass & Company, P.C. (“RK”) resigned as Patient Safety Technologies, Inc.’s (the "Company") independent accountants.

Except for a “Going Concern” disclaimer issued by RK in connection with the audit of the Company’s and its subsidiaries’ financial statements for each of the two prior fiscal years ended December 31, 2005 and 2004, respectively, the reports of RK on the Company’s and its subsidiaries’ financial statements for the past two fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

In connection with its audits for the two most recent fiscal years and up to the date of this Current Report, there have been no disagreements with RK on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of RK would have caused them to make reference thereto in their report on the financial statements for such years.

During the two most recent fiscal years the former accountant did not advise the Company with respect to items listed in Regulation S-K Item 304(a)(1)(iv)).

The Company has requested that RK furnish it with a letter addressed to the SEC stating whether or not it agrees with the above statements. A copy of such letter is filed with this Current Report on Form 8-K as exhibit #16.1.

Item 9.01 Financial Statements and Exhibits.
