**Item 8.01 Other Events.**

Answers Corporation (the "Company") has withdrawn without prejudice its March 8, 2006 patent infringement claims against Babylon Ltd. (the "Lawsuit"). A decision by the Tel-Aviv District Court handed down on December 4, 2006 in response to the Company's withdrawal motion filed on November 30, 2006, has rendered the Lawsuit dismissed, without prejudice.

The Lawsuit, filed by the Company with the Israeli court system on March 8, 2006, covered infringement of Israel Patent Number 121,457. The patent, entitled "Computerized Dictionary and Thesaurus Applications," covers a computerized searching process of indicating a target word on a display screen and employing at least one word appearing in the vicinity of the target word in order to eliminate ambiguity in the meaning of the target word. The patent was first filed in 1997 and was granted in 2004.
