**ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.**

On July 30, 2008, Stewart Information Services Corporation issued a press release regarding financial results for the three and six months ended June 30, 2008. On August 6, 2008, an updated press release was issued by Stewart Information Services Corporation regarding financial results for the three and six months ended June 30, 2008, and is attached hereto as Exhibit 99.1, and the release is incorporated herein by reference. The update to second quarter earnings is related to the discovery of additional information subsequent to the Company's original earnings release on July 30, 2008 and prior to filing its quarterly report on Form 10-Q with the Securities and Exchange Commission. This additional information connected several claims to the same series of fraudulent transactions and resulted in the classification of the claims as a single large title claim. The impact of this title policy claim resulted in a pretax charge of \$3.0 million (\$2.0 million after taxes, or \$0.11 per share) to the three and six months ended June 30, 2008. This information is not deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934 and is not incorporated by reference into any Securities Act registration statements.
