Item 1.01 Entry Into a Material Definitive Agreement.

On March 3, 2009, Akeena Solar, Inc., a Delaware corporation (“Akeena”), entered into a Loan and Security Agreement (Cash Collateral Account) with Comerica Bank (the “2009 Bank Facility”). The 2009 Bank Facility has a termination date of January 1, 2011, and replaces and entirely amends and restates the Loan and Security Agreement (Accounts and Inventory) between us and Comerica Bank dated January 29, 2007, as modified by the First Modification to Loan and Security Agreement dated as of June 26, 2007, the Second Modification to Loan and Security Agreement dated as of December 31, 2007 and the Third Modification to Loan and Security Agreement dated as of August 4, 2008 (together, the “2007 Credit Facility”). Akeena has fully repaid the \$17.2 million outstanding principal balance on the 2007 Credit Facility by using our restricted cash balance that was on deposit with Comerica. The 2009 Bank Facility with Comerica has a limit of \$1 million, subject to our obligation to maintain at all times cash collateral in an amount of \$1 million as security for any borrowings we incur or any letters of credit issued on our behalf. Outstanding loans under the 2009 Bank Facility will accrue interest at the rate of the reserve adjusted LIBOR Rate plus a margin of 2.15%. Unused amounts of the commitments are subject to an unused commitment fee of 0.25% based on the unused amount. The 2009 Bank Facility no longer includes an asset-based line of credit, and Comerica Bank has released its security interest in our inventory, accounts receivable, and other assets (other than the cash collateral account as provided in the 2009 Bank Facility). The 2009 Bank Facility does not include any ongoing minimum net worth or other financial covenants with regard to Akeena, and we are fully in compliance with the terms of the 2009 Bank Facility. We are currently in discussions with lending institutions regarding a replacement asset-based line of credit facility.

The foregoing is not a complete summary of the terms of the 2009 Bank Facility described in this Item 1.01, and reference is made to the complete text of the Loan and Security Agreement, filed herewith as an exhibit.
