-

ITEM Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a
2.03 Registrant.

Line of Credit

On May 29, 2009, Smith-Midland Corporation completed the refinance of its existing line of credit with Greater Atlantic Bank in the amount of \$1,500,000 with Summit Community Bank under substantially the same terms. The line of credit with Summit Community Bank will mature on May 29, 2010, and carries an interest rate of prime (the Wall Street Journal U.S. Prime Rate) with a floor of 4.75% per annum. Interest is required to be paid monthly. The note payable is secured by a first lien on accounts receivable and inventory and a second lien on all equipment. Advances on the line of credit are made at the request of the Company and with the concurrence of the bank.

Key provisions of the line of credit require the Company, (i) to obtain bank approval for capital expenditures in excess \$700,000 during the term of the loan; (ii) to maintain a minimum tangible equity of \$5,000,000; and (iii) to obtain bank approval prior to the payment of dividends on the Company's common stock.

A copy of the Summit Community Bank note payable and commitment letter are attached hereto as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference.

Equipment Purchase Commitment

On April 8, 2009, the Company received a commitment from Summit Community Bank to provide a guidance line of credit specifically for the purchase of equipment in the amount of \$700,000 with an effective date of May 29, 2009. The commitment provides for the purchase of equipment in with minimum advances of \$50,000 for which a note payable will be executed with a term not to exceed five years and an interest rate of prime (the Wall Street Journal U.S. Prime Rate) plus .5% with a floor of 4.75% per annum. The notes payable will require monthly payments of principal and interest during the term of the notes. The notes payable will be secured by a first lien on the purchased equipment. The commitment for the guidance line of credit will mature on May 29, 2010.

The key provisions of the guidance line of credit are the same as those of the Summit Community Bank line of credit more fully described above.

A copy of the Summit Community Bank commitment letter for the guidance line of credit is attached hereto as Exhibit 10.3 and is incorporated herein by reference.

Loan Payoff

The balance of the Greater Atlantic Bank line of credit on May 29, 2009 was \$750,000, which was drawn in late December in response to the financial crisis in the banking industry as a hedge against the continued availability by the bank to provide funding on the line. The \$750,000 line of credit was paid in full at closing by funds advanced under the Summit Community Bank line of credit.

In addition, the Company also paid in full a term loan with Greater Atlantic Bank with an original balance of \$365,000 and a current balance of approximately \$136,000 with an advance under the Summit Community Bank line of credit. As a result of the above described draw downs, total advances pursuant to the Summit Community Bank line of credit at closing were approximately \$886,000. The Company plans to pay the outstanding balance subsequent to the closing out of its current cash reserves.

ITEM Other Events.
8.01.

On June 4, 2009, Smith-Midland Corporation issued a press release announcing that it has been awarded the contract to provide the Precast/Prestressed Concrete Pavement Slab panels for Interstate 66 located in Fairfax County, VA.

The press release is attached as Exhibit 99.1 and is incorporated herein by reference.
