On May 11, 2009, the Company's Compensation Committee of the Board of Directors voted to cancel 950,000 options held by management and other employees (the "Cancelled Options") and issue replacement options to such individuals (the "Replacement Options"). The optionees all concurred with such action by the Compensation Committee. The Cancelled Options had varying exercise prices ranging from \$0.85 to \$2.80 with a weighted average exercise price of \$1.06 per share. The exercise price of the Replacement Options was set at \$0.54 per share. Other than the exercise price per share, there are no differences in the terms between the Cancelled Options and the Replacement Options. The incremental additional fair value of the Replacement Options was calculated to be approximately \$64,000, which was determined by calculating the fair value of the Cancelled Options as they existed on May 11, 2009 immediately prior to cancellation as compared to the fair value on the same date of the exercise price of the Replacement Options. This amount of additional fair value of the Replacement Options will be recognized over the vesting period of the Replacement Options. Since some of the Replacement Options were fully vested at May 11, 2009, there was an expense of approximately \$45,000 recognized in the three months ended June 30, 2009 as a result of the cancellation of the Cancelled Options and the issuance of the Replacement Options.

1,333,333 options were exercised in 2009 by each of James T. McCubbin and Steve L. Komar and no options were exercised by the remaining named executive officers in 2009.

Employment Agreements and Compensation Arrangements; Termination and Change in Control Provisions

The employment agreement had an initial term expiring on July 1, 2003 with five renewable one-year option periods. On July 25, 2008, the Company entered into an addendum to the employment agreement that provided that Mr. Komar's employment agreement shall be extended by one year and provided for an additional one year option period. The agreement provides for (1) a base salary of \$40,000 per year, (2) a home office/automobile expense allowance of \$500 per month to cover such expenses incurred in the pursuit of our business; (3) a phone allowance of \$100 per month to cover such expenses incurred in the pursuit of our business; (4) reimbursement for additional actual business expenses consistent with our existing policies that have been incurred for our benefit; (5) paid medical and other benefits consistent with our existing policies with respect to our key executives, as such policies may be amended from time to time in the future; and (6) performance incentive bonuses as may be granted annually at the discretion of the Compensation Committee of the Board of Directors.

The employment agreement also contains termination and change of control provisions as a result of (a) Mr. Komar's death or permanent disability which renders him unable to perform his duties hereunder (as determined by the Company in its good faith judgment), (b) by Mr. Komar's resignation upon the expiration of the Employment Period (as defined in Mr. Komar's employment agreement), provided that Mr. Komar gives at least 90 days prior written notice to the Company, (c) the termination of his employment at the convenience of the Board of Directors of the Company by unanimous consent (excluding the consent of Mr. Komar if Mr. Komar is also a director of the Company at that time) with at least 90 days notice to be provided by the Company to Mr. Komar prior to the expiration of the Employment Period, (d) a change in control of more than 50% of the outstanding shares of the Company, (e) a sale or other disposition of a majority of the Company's base IT Staff Augmentation business, (f) the insolvency of the Company, or (g) a termination by the Company for Cause (as defined in Mr. Komar's employment agreement). In the event Mr. Komar is not in breach of the employment agreement and the employment period is terminated prior to the expiration of the then current term, then in certain events, termination payments may become payable by the Company as set forth in more detail below. In the event of the death or permanent disability of Mr. Komar, \$50,000 shall be paid to Mr. Komar or his estate and all granted but unvested stock options shall be immediately vested and the period of exercise extended for an additional 2 years.

In the event of Mr. Komar's resignation, no termination payments or accelerated vesting of stock options shall occur. In the event of termination at the election of the Company, then \$250,000 will be due and payable by the Company to Mr. Komar as a severance payment, which payment will be paid in 12 equal installment payments of \$20,833.33 each over the immediately subsequent 12 months following such date of termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of a termination occurring as a result of a change in control of more than 50% of the outstanding shares of the Company, then \$250,000 will be payable by the Company to Mr. Komar as a severance payment, which payment will be paid in one lump-sum payment within 30 days of the date of such termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of termination as a result of a sale or other disposition of a majority of the Company's base IT Staff Augmentation business, then \$250,000 will be payable by the Company to Mr. Komar as a severance payment, which payment will be paid in one lump-sum payment within 30 days of the date of such termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of a change of control of more than 50% of the outstanding shares of the Company that allows for the continuance of employment under his agreement, then a \$100,000 lump sum payment is immediately due to Mr. Komar, and any future payments under Mr. Komar's employment agreement for termination as a result of a change of control greater than 50% of the outstanding shares of the Company or in the event of termination as a result of a sale or other disposition of a majority of the Company's base IT Staff Augmentation business shall result in a \$150,000 payment to Mr. Komar. In the event of the insolvency of the Company while Mr. Komar is employed by Company as Chief Executive Officer or a similar position of control, then all obligations under Mr. Komar's employment agreement will immediately terminate except that the Company shall pay to Mr. Komar a termination payment of \$50,000 on such date of termination of employment and no further compensation or other payments beyond the insolvency date will be due or payable to Mr. Komar by the Company. In the event of a termination for Cause, no payments will be due or payable by the Company to Mr. Komar. Mr. Komar's employment agreement defines "Cause" as (i) the repeated failure or refusal of Mr. Komar to follow the lawful directives of the Company or its designee (except due to sickness, injury or disabilities), (ii) gross inattention to duty or any other willful, reckless or grossly negligent act (or omission to act) by Mr. Komar, which, in the good faith judgment of the Company, materially injures the Company, including the repeated failure to follow the policies and procedures of the Company, (iii) a material breach of the employment agreement by Mr. Komar which is not cured within a 60 day period following formal notification by the Company, or (iv) the commission by Mr. Komar of an act of financial dishonesty against the Company that results in the conviction of a felony.

The employment agreement also contains termination and change of control provisions as a result of (a) Mr. McCubbin's death or permanent disability which renders Mr. McCubbin unable to perform his duties hereunder (as determined by the Company in its good faith judgment), (b) Mr. McCubbin's resignation upon the expiration of the Employment Period (as defined in Mr. McCubbin's employment agreement), provided that Mr. McCubbin gives at least 90 days prior written notice to the Company, (c) the termination of his employment at the convenience of the Board of Directors of the Company by unanimous consent (excluding the consent of Mr. McCubbin if he is also a director of the Company at that time) with at least 90 days notice to be provided by the Company to Mr. McCubbin prior to the expiration of the Employment Period, (d) a change in control of more than 50% of the outstanding shares of the Company, (e) a sale or other disposition of a majority of the Company's base IT Staff Augmentation business, (f) the insolvency of the Company, or (g) a termination by the Company for Cause (as defined in Mr. McCubbin's employment agreement).

In the event Mr. McCubbin is not in breach of the employment agreement and the employment period is terminated prior to the expiration of the then current term, then in certain events as described below, termination payments may become payable by the Company. In the event of the death or permanent disability of Mr. McCubbin, \$50,000 shall be paid to Mr. McCubbin or his estate and all granted but unvested stock options shall be immediately vested and the period of exercise extended for an additional 2 years. In the event of Mr. McCubbin's resignation, no termination payments or accelerated vesting of stock options shall occur. In the event of termination at the election of the Company, then \$125,000 will be due and payable by the Company to Mr. McCubbin as a severance payment, which payment will be paid in 12 equal installment payments of \$10,416.66 each over the immediately subsequent 12 months following such date of termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of termination as a result of a sale or other disposition of a majority of the Company's base IT Staff Augmentation business, then \$250,000 will be payable by the Company to Mr. McCubbin as a severance payment, which payment will be paid in one lump-sum payment within 30 days of the date of such termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of a change of control of more than 50% of the outstanding shares of the Company that allows for the continuance of employment under Mr. McCubbin's employment agreement, then a \$100,000 lump sum payment is immediately due to Mr. McCubbin, and any future payments under the employment agreement for termination as a result of a change of control greater than 50% of the outstanding shares of the Company or in the event of termination as a result of a sale or other disposition of a majority of the Company's base IT Staff Augmentation business shall result in a \$150,000 payment to Mr. McCubbin. In the event of the insolvency of the Company while Mr. McCubbin is employed by Company as Chief Financial Officer or a similar position of control, then all obligations under the employment agreement will immediately terminate except that the Company shall pay to Mr. McCubbin a termination payment of \$50,000 on such date of termination of employment and no further compensation or other payments beyond the insolvency date will be due or payable to Mr. McCubbin by the Company. In the event of a termination for Cause, no payments will be due or payable by the Company to Mr. McCubbin. ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

A related person transaction is a consummated or currently proposed transaction in which the Company has been, is or will be a participant and the amount involved exceeds \$120,000, and in which a related person (i.e., any director or executive officer or nominee for director, or any member of the immediate family of such person) has or will have a direct or indirect material interest.

The Company was not a participant in any related person transactions since the beginning of the Company's last fiscal year and no such transactions are currently proposed, with the exception that on July 8, 2009, each of Steve L. Komar and James T. McCubbin, each of whom are presently an officer and director of the Company, exercised, in the form of a cashless exercise, his respective warrant to purchase 1,333,333 shares of common stock of the Company, which warrant was previously issued to such individual pursuant to a Warrant Purchase Agreement, dated July 14, 2004, by and between the Company and each such individual. As a result of his respective cashless exercise of such warrant, each of Steve L. Komar and James T. McCubbin, as applicable, was issued 793,103 shares of common stock of the Company, with 540,230 shares of common stock of the Company being withheld by the Company from each such warrant as payment of the respective exercise price of each such warrant.

Under the Company's corporate governance principles (the "Corporate Governance Principles"), a majority of the Company's Board of Directors will consist of independent directors. An "independent" director is a director who meets the NYSE Amex definition of independence and other applicable independence standards under SEC guidelines, as determined by the Board. The Company's Corporate Governance and Nominating Committee conducts an annual review of the independence of the members of the Board of Directors and its Committees and reports its findings to the full Board of Directors. Based on the report and recommendation of the Corporate Governance Committee, the Board of Directors has determined that each of the non-employee directors—Messrs. Taubman, Ritter, Guenther, and Norwood—satisfies the independence criteria (including the enhanced criteria with respect to members of the Audit Committee) set forth in the applicable NYSE Amex listing standards and SEC rules. Each Board Committee consists entirely of independent, non-employee directors.

For a director to be considered independent, the Board of Directors must determine that the director does not have any direct or indirect material relationships (including vendor, supplier, consulting, legal, banking, accounting, charitable and family relationships) with WidePoint, other than as a director and shareholder. NYSE Amex listing standards also impose certain per se bars to independence, which are based upon a director's relationships with WidePoint currently and during the three years preceding the Board's determination of independence.

The Board of Directors considered all relevant facts and circumstances in making its determinations, including the following:

- No non-employee director receives any direct compensation from WidePoint other than under the director compensation program described in this proxy statement.
- No immediate family member (within the meaning of the NYSE Amex listing standards) of any non-employee director is an employee of WidePoint or otherwise receives direct compensation from WidePoint.
- No non-employee director (or any of their respective immediate family members) is affiliated with or employed in a professional capacity by WidePoint's independent accountants.
- No non-employee director is a member, partner, or principal of any law firm, accounting firm or investment banking firm that receives any consulting, advisory or other fees from WidePoint.
- No WidePoint executive officer is on the compensation committee of the board of directors of a company that employs any of our non-employee directors (or any of their respective immediate family members) as an executive officer.
- No non-employee director (or any of their respective immediate family members) is indebted to WidePoint, nor is WidePoint indebted to any non-employee director (or any of their respective immediate family members).
- No non-employee director serves as an executive officer of a charitable or other tax-exempt organization that received contributions from WidePoint.

Non-management members of the Board of Directors conduct at least two regularly-scheduled meetings per year without members of management being present. Mr. Ritter serves as the presiding director of such meetings. Following an executive session of non-employee directors, the presiding director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

Audit Committee Policies and Procedures For Pre-Approval of Independent Auditor Services

The following describes the Audit Committee's policies and procedures regarding pre-approval of the engagement of the Company's independent auditor to perform audit as well as permissible non-audit services for the Company.

For audit services, the independent auditor will provide the Committee with an engagement letter during the March-May quarter of each year outlining the scope of the audit services proposed to be performed in connection with the audit of the current fiscal year. If agreed to by the Committee, the engagement letter will be formally accepted by the Committee at an Audit Committee meeting held as soon as practicable following receipt of the engagement letter. The independent auditor will submit to the Committee for approval an audit services fee proposal after acceptance of the engagement letter.

For non-audit services, Company management may submit to the Committee for approval (during May through September of each fiscal year) the list of non-audit services that it recommends the Committee engage the independent auditor to provide for the fiscal year. The list of services must be detailed as to the particular service and may not call for broad categorical approvals. Company management and the independent auditor will each confirm to the Audit Committee that each non-audit service on the list is permissible under all applicable legal requirements. In addition to the list of planned non-audit services, a budget estimating non-audit service spending for the fiscal year may be provided. The Committee will consider for approval both the list of permissible non-audit services and the budget for such services. The Committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this pre-approval process.

To ensure prompt handling of unexpected matters, the Audit Committee delegates to its Chairman the authority to amend or modify the list of approved permissible non-audit services and fees. The Chairman will report any action taken pursuant to this delegation to the Committee at its next meeting.

All audit and non-audit services provided to the Company are required to be pre-approved by the Committee. The Chief Financial Officer of the Company will be responsible for tracking all independent auditor fees against the budget for such services and report at least annually to the Audit Committee.
