EXPLANATORY NOTE

This Form 10-K/A (Amendment No. 1) (this “Amendment”) amends our annual report on Form 10-K for the fiscal year ended December 31, 2010, as originally filed with the Securities and Exchange Commission (the “SEC”) on April 14, 2011 (the “Original 10-K Filing”). The purpose of this Amendment is to include certain information required by Part III of Form 10-K that was omitted from Part III of our Original 10-K Filing because it was to be incorporated by reference to our definitive proxy statement for our 2011 Annual Meeting of Stockholders or an amendment to the Original 10-K Filing. Because our proxy statement will not become definitive within 120 days after the end of the fiscal year ended December 31, 2010, the information required by Part III of Form 10-K cannot be incorporated by reference from the proxy statement and therefore must be filed as an amendment to our Original 10-K Filing. This Amendment contains the information that was previously omitted from Part III of the Original 10-K Filing.

In addition, in connection with filing of this Amendment, and pursuant to the rules of the SEC, our Chief Executive Officer and Chief Financial Officer have reissued applicable portions of their Section 302 certifications. Accordingly, Part IV, Item 15 has also been amended to reflect the filing of such certifications. Except as described above, no other changes have been made to the Original 10-K Filing. Our Original 10-K filing continues to speak as of the dates described therein, and we have not updated the disclosures contained therein to reflect any events that occurred subsequent to such dates. Accordingly, this Amendment should be read in conjunction with our filings made with the SEC subsequent to the Original 10-K Filing, as information in such filings may update or supersede certain information contained in the Original 10-K Filing and this Amendment. In this Amendment, unless the context indicates otherwise, the terms “we,” “us,” and “our” refer to Patient Safety Technologies, Inc. and our subsidiary.

Narrative Discussion of Summary Compensation Table

Employment Agreements and Severance Agreements

Brian E. Stewart

We are party to an employment agreement with Mr. Stewart, which became effective on November 15, 2010, pursuant to which he serves as our President, Chief Executive Officer and a director. The term of the Agreement is three years from the effective date and automatically extends for additional one-year terms thereafter unless either party delivers written notice of non-extension to the other party at least 90 days prior to the extension of the term. Mr. Stewart's annual base salary is \$200,000, to be increased to \$245,000 for the remainder of the term upon a positive operating income determination (as specifically defined in the agreement). He is also eligible to participate in our executive bonus plan, under which the minimum target bonus opportunity is 25% of his annual base salary, and in any stock option, restricted stock, stock appreciation rights and other equity compensation plan or program sponsored by us or our affiliates on the same terms and conditions generally applicable to our executives. In addition, he is generally entitled to participate in all other incentive, savings and retirement plans, health and welfare plans, practices, policies and programs sponsored by us or our affiliates on the same terms and conditions as generally applicable to our executives.

The agreement provided for a stock option grant to Mr. Stewart for 2,000,000 shares of our common stock with an exercise price of \$0.75 (\$0.80 on actual grant date, as reflected in the tables herein) per share, 500,000 of which vested as of the date of the grant and 250,000 of which will become vested and exercisable on May 15, 2011. The remaining shares will vest over a 42-month period at a rate of 1/48th of the total shares per month, with 100% of the option becoming exercisable on November 15, 2014.

If Mr. Stewart is terminated by us with or without "cause", including for "disability" or if he resigns for any reason, including "good reason" (each as defined in the agreement), then upon compliance with customary post-employment conditions, he will be entitled, in addition to typical earned but unpaid compensation and benefits, to : (a) 12 months of his annual base salary then in effect, (b) monthly payment equal to the cost of COBRA coverage for him (and if applicable his spouse and dependents) until the earlier of his becoming an employee of another entity and the 12 month anniversary of his termination or resignation, (c) if his termination or resignation occurs before September 1, 2011, vesting with respect to 1,000,000 shares of his option (offset by previously vested shares) and (d) 12 months to exercise any vested options. In addition, upon consummation of a capital transaction (as defined in the agreement) his option described above will immediately vest. In the event of his death, his estate will be entitled to receive only typical earned but unpaid compensation and benefits as of the date of his death.

David Dreyer

We are party to an employment agreement with Mr. Dreyer, which became effective as of October 22, 2010, pursuant to which he serves as our Chief Financial Officer and Vice President. The term of the agreement is three years from the effective date, and automatically extends for additional one-year terms thereafter unless either party delivers written notice of non-extension to the other party at least 90 days prior to the extension of the term. Mr. Dreyer's annual base salary will be \$200,000 to be increased to \$240,000 for the remainder of the term should we generate positive operating income (as specifically defined in the agreement) for two consecutive fiscal quarters. He is also eligible to participate in our executive bonus plan, under which the minimum target bonus opportunity is 25% of his annual base salary, and in any stock option, restricted stock, stock appreciation rights and other equity compensation plan or program sponsored by us or our affiliates on the same terms and conditions generally applicable to our executives. In addition, he is generally entitled to participate in all other incentive, savings and retirement plans, health and welfare plans, practices, policies and programs sponsored by us or our affiliates on the same terms and conditions

as generally applicable to our executives.

The agreement provided for a stock option grant to Mr. Dreyer for 450,000 shares of our common stock with an exercise price of \$0.75 per share, of which 100,000 vested on April 22, 2011 and the remainder vest over a 42-month period at a rate of 1/48th of the total shares per month, with 100% of the option becoming exercisable on October 22, 2014.

If Mr. Dreyer is terminated by us without “cause” or if he resigns for “good reason” (each as defined in the agreement), then upon his compliance with customary post-employment conditions, he will be entitled, in addition to typical earned but unpaid compensation and benefits, to: (i) six months of severance payments based on his annual base salary at such time and (ii) continued medical and welfare benefits and continued vesting of his stock options for the time period for which he is entitled to payment described in subsection (i). These same benefits, scaled to a three month period, are generally available to him or his estate in the event of Mr. Dreyer’s disability or death (with an additional three months of stock option vesting in the latter case).

In addition, upon consummation of a change of control (as defined in the agreement) all of his unvested stock options and unvested deferred compensation will immediately vest.

Steven Kane

We entered into an employment agreement with Mr. Kane on May 7, 2009, pursuant to which he served as our President and Chief Executive Officer. Mr. Kane resigned from his positions with us effective June 24, 2010.

Mr. Kane received an initial annual base salary of \$325,000 and was eligible to receive an incentive bonus each fiscal year in the amount of not less than 25% of his annual base salary for such year, with the payment of such bonus based on Mr. Kane's achievement of performance objectives established by our Board each fiscal year. He was entitled to participate in any stock option, restricted stock, stock appreciation rights and other equity compensation plan or program sponsored by us or our affiliates on the same terms and conditions generally applicable to our executives and was generally entitled to participate in all other incentive, savings and retirement plans, health and welfare plans, practices, policies and programs sponsored by us or our affiliates on the same terms and conditions as generally applicable to our executives. Pursuant to the agreement, we granted Mr. Kane incentive stock options to purchase 2,000,000 shares of our common stock at an exercise price of \$0.75 per share. 250,000 of the shares subject to the option vested on November 7, 2009, with the remaining shares vesting over a 42 month period at the rate of 1/48th of the total shares per month.

In connection with Mr. Kane's resignation, effective as of June 24, 2010, we entered into a Separation Agreement and Mutual General Release (the "Kane Release") with Mr. Kane and certain other signatories (including Brian Stewart, John P. Francis, John P. Francis' affiliated entities (Francis Capital Management, Catalysis Partners, LLC, and Catalysis Offshore, Ltd.), Wenchen Lin, A Plus International, Inc., and other stockholder members of the group that filed a certain Schedule 13D in respect of our company on April 16, 2010). The Kane Release confirmed that his termination was considered a termination "without cause" for purposes of determining payments and benefits under his employment agreement and that he would receive the severance and benefits he is entitled to under such agreement for a termination "without cause," provided that he waived his rights to any bonus payment, or payment for excise taxes. The Kane Release provides for a general mutual release of any and all claims occurring on or prior to resignation date and related to, involving or arising out of any act occurring prior to the execution of the Kane Release, as well as a waiver of unknown claims, a two year mutual non-disparagement clause, expiration extensions on certain stock options, and an 18-month "standstill" agreement whereby Mr. Kane agreed not to solicit proxies in regard to our company or acquire alone or with a group, beneficial ownership of more than 1% of our total outstanding shares (disregarding any shares acquired upon the exercise of options).

In connection with Mr. Kane's resignation he received, in cash, an aggregate of \$224,793 as specified above and also received a severance amount equal to his annual salary of \$325,000, which is being paid over 12 months from the date of his resignation.

John Hamilton

We entered into an employment agreement with Mr. Hamilton effective as of August 9, 2010 pursuant to which he was to serve as our Chief Operating Officer and Vice President. Mr. Hamilton resigned from his positions with us effective February 1, 2011.

The term of the agreement was three years from the effective date, with automatic extensions for additional one-year terms thereafter unless either party delivered a specified advance written notice. The agreement provided for an annual base salary of \$185,000, to be increased to \$210,000 for the remainder of the term if our total operating income reached zero or greater for two consecutive fiscal quarters, as well as certain bonus opportunities which were not triggered. We granted him a stock option for 375,000 shares of our common stock at an exercise price of \$0.75 per share, of which 93,750 would have vested on the six-month anniversary of the effective date, with the remaining shares to have vested over a 42-month period at a rate of 1/48th of the total shares per month, with 100% of the option becoming exercisable on the fourth anniversary of the effective date.

In the event of a termination of Mr. Hamilton without “cause” or a resignation by him for “good reason”, in addition to typical earned but unpaid compensation and benefits he would have been entitled to receive continued medical benefits, vesting of stock options, and severance payments based on his annual base salary at the time, all for a period of between three and six months, depending on the length of his employment with us. Upon termination of Mr. Hamilton with cause or resignation by him for other than good reason, he would have been entitled to only all accrued but unpaid compensation. No shares under his stock option were vested upon Mr. Hamilton’s resignation and accordingly the entire option was forfeited. No severance payments were made to Mr. Hamilton in connection with his resignation.

As of December 31, 2010, the individuals listed in the above table did not hold any outstanding stock awards and held the following outstanding option awards:

#### Narrative Discussion of Director Compensation

During the year ended December 31, 2010, we did not have in place any formal plans or programs providing for the payment of compensation to our non-employee directors. Payment (or accrual) of attendance fees to our non-employee directors for service on our Board was determined and approved on an ad hoc basis. As such, we did not pay or accrue any fees for service on our Board (other than fees paid to Messrs. Chase, McFarland, Hitchcock, Kane and Dr. Bauer upon their resignation as described below). Similarly, equity grants were determined and approved on an ad hoc basis. As such, we did not grant any equity awards to our non-employee directors for service on our Board other than the January 2010 equity grants to Mr. Hitchcock and Dr. Bauer upon appointment to our Board. Other than the foregoing, directors received only reimbursement of reasonable expenses for attendance at meetings of our Board and annual stockholders meeting.

In connection with the resignation of Messrs. Chase, McFarland and Hitchcock and Dr. Bauer as members of our Board, effective as of June 24, 2010, we entered into a Separation Agreement and Mutual General Release with such individuals (the "Director Release") and certain other signatories (including Brian Stewart, John P. Francis, John P. Francis' affiliated entities (Francis Capital Management, Catalysis Partners, LLC, and Catalysis Offshore, Ltd.), A Plus International, Inc., Wenchen Lin, and other stockholder members of the group that filed a certain Schedule 13D in respect of our company on April 16, 2010). The Director Release provides for a general mutual release of any and all claims occurring on or prior to the resignation date and related to, involving or arising out of any act occurring prior to the execution of the Director Release, as well as an agreement not to sue and a waiver of unknown claims, and a mutual two year non-disparagement clause. The Director Release also acknowledged that options to acquire 200,000 shares held by each of Messrs. McFarland and Chase, and options to acquire 50,000 shares held by each of Mr. Hitchcock and Dr. Bauer, were fully vested and extended the expiration date for Messrs. Chase, McFarland and Hitchcock and Dr. Bauer until June 30, 2012. The Director Release also provided for the payment, in cash, of the following accrued but then-unpaid director's fees: \$83,488 to Mr. Chase, \$64,912 to Mr. McFarland, \$10,025 to Mr. Hitchcock and \$10,025 to Dr. Bauer.

(a) The address of each person named in the table, unless otherwise indicated, is Patient Safety Technologies, Inc., 2 Venture Plaza, Suite 350 Irvine CA, 92618.

(b) To our knowledge, the persons named in the table have sole voting and investment power with respect to all shares of our common stock and/or preferred stock shown as beneficially owned by them, subject to community property laws where applicable (or other beneficial ownership shared with a spouse) and the information contained in this table and these notes.

The Series A Stock votes on all matters submitted to our stockholders for a vote, voting together with the holders of our common stock as a single class, with each share of Series A Stock entitled to one vote per share. Except in special circumstances and where mandated by law, our Series B Convertible Preferred Stock (the "Series B Stock") is non-voting.

Beneficial ownership has been determined in accordance with SEC rules, which generally attribute beneficial ownership of securities to each person who possesses, either solely or shared with others, the power to vote or dispose of those securities.

SEC rules also treat as beneficially owned all shares that a person would receive upon exercise or conversion of stock options, warrants or other securities or rights held by that person that are immediately exercisable or convertible, or exercisable or convertible within 60 days of the determination date, which in our case is April 15, 2011. Such shares are deemed to be outstanding for the purpose of computing the number of shares beneficially owned and the percentage ownership of the person holding such options, warrants securities or other rights, but these shares are not treated as outstanding for the purpose of computing the percentage ownership of any other person. On April 15, 2011, there were 33,514,550 shares of our common stock issued and outstanding and 10,950 shares of our Series A Stock issued and outstanding. Subject to the terms and conditions of our Series B Stock and to customary adjustments to the conversion rate, each share of our Series B Stock is convertible into 133 shares of our common stock so long as the number of shares of our common stock "beneficially owned" (as defined in Rule 13d-3(d)(i) under the Securities Exchange Act of 1934, as amended) by the holder, its affiliates and any persons acting as a group with such holder or its affiliates, following such conversion, does not exceed 4.9% of our outstanding common stock (after giving effect to such conversion) (the "Beneficial Ownership Limitation"). Holders of our Series B Stock may, upon not less than 61 days' prior notice, increase or decrease the Beneficial Ownership Limitation provided that such Beneficial Ownership Limitation in no event exceeds 9.9% of the shares of common stock outstanding immediately after giving effect to such conversion. Therefore, under SEC rules, a holder who only owns Series B Stock would generally not be deemed a 5% holder because such shares cannot be converted within 60 days of the determination date. Accordingly, such a holder would not be disclosed on this table as a 5% holder. However, for holders of Series B Stock for whom disclosure is required on this table for reasons other than 5% ownership of Series B Stock (i.e., directors and executive officers), the shares underlying the Series B Stock they hold, if any, up to the 4.9% Beneficial Ownership Limit, would be included in the ownership information in this table, unless such limit would preclude any conversion of such Series B Stock.

(c) Information is based on a Schedule 13G filed jointly by Kinderhook Partners, LP ("Kinderhook"), Kinderhook GP, LLC ("KGP"), Stephen J. Clearman and Tushar Shah on April 4, 2011, which reports that all persons have shared voting power over these shares, and a Form 4 filed jointly by the same persons on April 1, 2011. These shares are held directly by Kinderhook, indirectly by KGP as the general partner of Kinderhook and indirectly by Messrs. Clearman and Shah as the managing members of KGP. Each of KGP and Messrs. Clearman and Shah disclaims beneficial

ownership of the shares except to the extent of its or his pecuniary interest therein.

For additional information about this private placement, see Note 21 of the consolidated financial statements included in the Original 10-K Filing.

Kane Aviation

Prior to June 24, 2010, from time to time, we used the services of an aircraft-owning partnership principally owned by Steven H. Kane, our former Chief Executive Officer, for air travel. During the years ended December 31, 2010 and 2009, we incurred \$19,000 and \$16,000 respectively, of expenses related to the use of such air travel services.

John P. Francis, a member of our Board, has

voting and investment control over securities held by Francis Capital Management, LLC, which acts as the investment manager for Catalysis Partners, LLC.

#### Release and Separation Agreements

In connection with the sale of our Series B Stock (see Note 12 & 16 of the consolidated financial statements included in the Original 10-K Filing), Steven H. Kane, our former chief executive officer, resigned from his positions with us, and Howard E. Chase, Loren McFarland, Eugene A. Bauer, MD, and William M. Hitchcock also resigned as members of our Board and received certain severance benefits. For additional information about the severance benefits paid, see “Summary Compensation Table”, “Narrative Disclosure to Summary Compensation Table” and “Director Compensation.”

In connection with Mr. Kane's resignation, we entered into the Kane Release, described in more detail above under "Narrative Disclosure to Summary Compensation Table—Employment Agreements and Severance Agreements—Steven Kane". Under the Kane Release, Mr. Kane was entitled to receive 12 months of salary and health payments (\$325,000), payable over the 12 months following his resignation, and waived his rights to any bonus payment, or payment for excise taxes. The Kane Release also provided for the payment to Mr. Kane, in cash, of an aggregate \$224,793 as payment in full for all accrued director fees and salary, accrued vacation, and accrued severance benefits of \$325,000 as of June 30, 2010 as provided in his employment agreement.

In connection with the resignation of Messrs. Chase, McFarland and Hitchcock and Dr. Bauer as members of our Board, effective as of June 24, 2010, we entered into the Director Release, described in more detail above under "Director Compensation". The Director Release provided for the payment, in cash, of the following accrued but then-unpaid director's fees: \$83,488 to Mr. Chase, \$64,912 to Mr. McFarland, \$10,025 to Mr. Hitchcock and \$10,025 to Dr. Bauer.

#### Cardinal Health

We are party to a Supply and Distribution Agreement with Cardinal Health, which beneficially owns at least 5% of our common stock and which is our exclusive distributor in the U.S., Puerto Rico and Canada. In March 2011, we and Cardinal Health signed an amendment to the Supply and Distribution Agreement (the "Amended Supply and Distribution Agreement"). The Amended Supply and Distribution Agreement revised a number of terms and conditions of the previous agreement, including but not limited to extending the termination date of the agreement from November 19, 2014 to December 31, 2015 and adding certain terms and provisions regarding setting target inventory levels and defining a formula for determining what excess inventory is of our products held by Cardinal Health. Cardinal Health has agreed to not sell any of the \$10.0 million stocking order inventory until calendar year 2012, and we have agreed to a methodology for how Cardinal Health will sell this inventory to our customers, so there is a more orderly release throughout the 2012 year that more reasonably minimizes its impact to our revenues and cash flow during 2012. For more information about the Amended Supply and Distribution Agreement see "Item 1—Business—Customers and Distribution" of the Original 10-K Filing and Note 21 of the consolidated financial statements included in the Original 10-K Filing.

For additional information relating to our related party transactions, see Note 16 to our consolidated financial statements included in the Original 10-K Filing.

#### Independence of the Board of Directors

Our Board has affirmatively determined that Mr. Francis and Mr. Langsam, are each "independent" as that term is defined in the Nasdaq listing rules. In addition, our Board determined that the following former directors, who resigned during 2010, were also "independent" under Nasdaq listing rules: Eugene Bauer, MD, Howard E. Chase, William Hitchcock and Loren L. McFarland.

#### ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

##### Principal Accountant Fees and Services

For the years ended December 31, 2010 and 2009, the aggregate fees billed by Squar, Milner, Peterson, Miranda & Williamson LLP were as follows:

For the year ended December 31,	
2010	2009

Edgar Filing: Patient Safety Technologies, Inc - Form 10-K/A

Audit Fees	\$	185,278	\$	234,648
Audit-Related Fees		18,609		10,068
Total Fees	\$	203,887	\$	244,716

Audit Fees. Audit fees consist of fees billed for professional services rendered for the audit of our year-end consolidated financial statements and reviews of the interim consolidated financial statements included in quarterly reports and services that are normally provided by independent registered public accounting firms in connection with statutory and regulatory filings.

Audit-Related Fees. Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under "Audit Fees." These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

#### Policies and Procedures Relating to Approval of Services by Auditor

Our Board functioning as our Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditors. The Board will consider whether the provision of non-audit services is compatible with maintaining the independent auditor's independence, and will approve such services, should such a situation arise.

Consistent with SEC rules regarding auditor independence, the Board has responsibility for appointing, as well as setting the compensation and overseeing the work of, the independent registered public accounting firm. In addition, although permitted by Section 202 of the Sarbanes-Oxley Act of 2002 to pre-approve the provisions of audit and non-audit services by our independent auditor, the Audit Committee does not currently have in place formal pre-approval policies and procedures. As such, the Board currently approves each engagement of our independent auditor for audit and permitted non-audit services. Thus, all services provided by Squar, Milner, Peterson, Miranda & Williamson LLP during 2010, as described above, were approved by the Board in advance of Squar, Milner, Peterson, Miranda & Williamson LLP providing such services.
