Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 15, 2011, the stockholders of Neoprobe Corporation (the “Company”) approved an amendment to the Company’s Second Amended and Restated 2002 Stock Incentive Plan (the “Plan”) to: (1) increase the number of shares issuable under the Plan from 7,000,000 to 10,000,000; and (2) extend the termination date for the Plan from March 7, 2012, to March 7, 2015.

Purpose of the Plan

The purpose of the Plan is to further the growth and profitability of the Company by providing increased incentives to and encourage share ownership on the part of: (a) certain employees of the Company and its affiliates; (b) consultants who provide significant services to the Company and its affiliates; and (c) directors of the Company who are employees of neither the Company nor any affiliate.

Administration

The Plan is administered by the Company’s Compensation, Nominating and Governance Committee (the “Committee”). The members of the Committee must qualify as “non-employee directors” under Rule 16b-3 under the Securities Exchange Act of 1934, and as “outside directors” under section 162(m) of the Internal Revenue Code. Subject to the terms of the Plan, the Committee has the sole discretion to determine the employees and consultants who shall be granted awards, the terms and conditions of such awards, and to construe and interpret the Plan. The Committee also is responsible for making adjustments in outstanding awards, the shares available for awards, and the numerical limitations for awards to reflect any transactions such as stock splits or stock dividends.

Shares Available and Award Limits

The maximum number of shares of the Company’s common stock, \$.001 par value, which can be issued pursuant to the Plan, as amended, is 10,000,000 shares. No participant may receive awards covering more than 500,000 shares under the Plan in any performance period. Additionally, in no event may an award be granted pursuant to the Plan, as amended, on or after March 7, 2015.

Awards

The Plan provides for the grant of stock options, both incentive stock options and nonqualified stock options, restricted stock, stock appreciation rights, performance shares and performance stock units. Each award will be evidenced by a separate agreement with the person receiving the award and will indicate the type, terms and conditions of the award.

The foregoing summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the Company’s Third Amended and Restated 2002 Stock Incentive Plan, a copy of which is attached hereto as Exhibit 10.1 and which is incorporated herein in its entirety by reference.
