ABOUT THE 2012 ANNUAL MEETING OF SHAREHOLDERS

What am I voting on?

You will be voting on the following:

(1)

The election of two Class II members of the Board of Directors, to serve a term expiring at the Annual Meeting of Shareholders in 2015 or until their successors are duly elected and qualified;

(2)

The ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012; and

(3)

The transaction of any other business properly coming before the meeting.

Who is entitled to vote?

You may vote if you owned shares of the Company's common stock as of the close of business on October 24, 2011. Each share of common stock is entitled to one vote. As of October 24, 2011, we had 2,903,841 shares of common stock outstanding.

How do I vote before the meeting?

If you are a registered shareholder, meaning that you hold your shares in certificate form, you have three voting options:

(1)

By Internet, which we encourage if you have Internet access, at the address shown on your proxy card;

(2)

By phone, at 1-800-690-6903 using any touch-tone telephone to transmit your voting instructions; or

(3)

By mail, by completing, signing and returning the enclosed proxy card.

If you hold your shares through an account with a bank or broker, your ability to vote by the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

May I vote at the meeting?

If you are a registered shareholder, you may vote your shares at the meeting if you attend in person. If you hold your shares through an account with a bank or broker, please follow the directions provided to you by your bank or broker. If you wish to vote in person at the meeting, please contact your bank or broker to learn the procedures necessary to allow you to vote your shares in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the Internet, by telephone or by mail.

Can I change my mind after I return my proxy?

You may change your vote at any time before the polls close at the conclusion of voting at the meeting. You may do this by (1) signing another proxy card with a later date and returning it to us before the meeting, (2) voting again over the Internet prior to 11:59 p.m., Eastern Time, on November 13, 2012, (3) voting again via the telephone prior to 11:59 p.m., Eastern Time, on November 13, 2012, or (4) voting at the meeting if you are a registered shareholder or have obtained a legal proxy from your bank or broker.

What if I return my proxy card but do not provide voting instructions?

Proxies that are signed and returned but do not contain instructions will be voted (1) **FOR** the election of the nominees for Class II directors; (2) **FOR** the ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012; and (3) in accordance with the best judgment of the named proxies on any other matters properly brought before the meeting.

What does it mean if I receive more than one proxy card or instruction form?

It indicates that your shares are registered differently and are in more than one account. To ensure that all shares are voted, please either vote each account by telephone or on the Internet, or sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. Those holding shares through a bank or broker should contact your bank or broker and request consolidation.

Will my shares be voted if I do not provide my proxy or instruction form?

If you are a registered shareholder and do not provide a proxy, you must attend the meeting in order to vote your shares. If you hold shares through an account with a bank or broker, your shares may be voted even if you do not provide voting instructions on your instruction form. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. The ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012 is considered a routine matter for which brokerage firms may vote without specific instructions. However, election of directors is no longer considered a routine matter for which brokerage firms may vote without specific instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. Shares that a broker is not authorized to vote are counted as broker non-votes.

How can I attend the meeting?

The meeting is open to all holders of the Company's common stock as of October 24, 2011.

May shareholders ask questions at the meeting?

Yes. Representatives of the Company will answer questions of general interest at the end of the meeting.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet, telephone or mail. In order for us to conduct our meeting, a majority of our outstanding shares of common stock as of October 24, 2011 must be present in person or by proxy. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting.

How many votes are needed to approve the Company's proposals?

Proposal 1. The nominees receiving the highest number of For votes will be elected as directors. This number is called a plurality. Shares not voted will have no impact on the election of directors. The proxy given will be voted For the nominee for director unless a properly executed proxy card is marked Withhold as to a particular nominee for director.

Proposal 2. The ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012 requires that a majority of the votes cast at the meeting be voted For the proposal. A properly executed proxy card marked Abstain with respect to this proposal will not be voted.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities or commodities laws, any laws respecting financial institutions or insurance companies, any law or regulation prohibiting mail or wire fraud in connection with any business entity or been subject to any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization, except for matters that were dismissed without sanction or settlement. None of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Board Leadership Structure

Mr. Cao Lei currently holds both the positions of Chief Executive Officer and Chairman of the Board. These two positions have not been consolidated into one position; Mr. Cao simply holds both positions at this time. The Board of Directors believes that Mr. Cao's service as both Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. Mr. Cao possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers and suppliers.

We do not have a lead independent director because of the foregoing reasons and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board. We believe this leadership structure is appropriate because we are a smaller reporting company as such we deem it appropriate to be able to benefit from the guidance of Mr. Cao as both our Chief Executive Officer and Chairman of the Board.

Risk Oversight

Our Board of Directors plays a significant role in our risk oversight. The Board of Directors makes all relevant Company decisions. As such, it is important for us to have our Chief Executive Officer serve on the Board as he plays a key role in the risk oversight of the Company. As a smaller reporting company with a small board of directors, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

**WE RECOMMEND THAT YOU VOTE FOR THE ELECTION OF
THE CLASS II NOMINEES TO THE BOARD OF DIRECTORS.**

Proposal Two
Ratification Of The Appointment Of Friedman LLP
(Item 2 On The Proxy Card)

What am I voting on?

A proposal to ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012. The Audit Committee of the Board of Directors has appointed Friedman LLP to serve as the Company's fiscal 2012 independent registered public accounting firm. Although the Company's governing documents do not require the submission of this matter to shareholders, the Board of Directors considers it desirable that the appointment of Friedman LLP be ratified by shareholders.

What services does Friedman LLP provide?

Audit services provided by Friedman LLP for fiscal 2011 included the examination of the consolidated financial statements of the Company and services related to periodic filings made with the SEC. In addition, Friedman LLP provided certain services relating to the Company's quarterly reports.

Will a representative of Friedman LLP be present at the meeting?

One or more representatives of Friedman LLP will be present at the meeting. The representatives will have an opportunity to make a statement if they desire and will be available to respond to questions from shareholders.

What if this proposal is not approved?

If the appointment of Friedman LLP is not ratified, the Audit Committee of the Board of Directors will reconsider the appointment.

**WE RECOMMEND THAT YOU VOTE FOR THE
RATIFICATION OF FRIEDMAN LLP AS THE COMPANY'S
FISCAL 2012 INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM.**

Board of Directors and Corporate Governance Information

What if a nominee is unwilling or unable to serve?

Each of the nominees listed in the Proxy Statement has agreed to serve as a director, if elected. If for some unforeseen reason a nominee becomes unwilling or unable to serve, proxies will be voted for a substitute nominee selected by the Board of Directors.

How are directors compensated?

Non-employee directors are entitled to receive \$4,500 per Board of Directors meeting attended. In addition, non-employee directors are entitled to receive compensation for their actual travel expenses for each Board of Directors meeting attended, not to exceed \$6,000 per meeting or \$12,000 per year per director.

How does the Board determine which directors are independent?

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

What role does the Corporate Governance Committee play in selecting nominees to the Board of Directors?

Two of the primary purposes of the Board's Corporate Governance Committee are (i) to develop and implement policies and procedures that are intended to ensure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its shareholders and (ii) to identify individuals qualified to become members of the Board of Directors and to recommend to the Board of Directors the director nominees for the annual meeting of shareholders. The Corporate Governance Committee is also responsible for considering candidates for membership on the Board of Directors submitted by eligible shareholders. The Corporate Governance Committee's charter is available on the Company's website at www.sino-global.com and in print upon request. The Corporate Governance Committee of the Company's Board of Directors was the only entity or person to nominate and/or recommend any of the director nominees.

Are the members of the Corporate Governance Committee independent?

Yes. All members of the Corporate Governance Committee have been determined to be independent by the Board of Directors.

How does the Corporate Governance Committee identify and evaluate nominees for director?

The Corporate Governance Committee considers candidates for nomination to the Board of Directors from a number of sources. Current members of the Board of Directors are considered for re-election unless they have notified the Company that they do not wish to stand for re-election. The Corporate Governance Committee also considers candidates recommended by current members of the Board of Directors, members of management or eligible shareholders. From time to time the Board may engage a firm to assist in identifying potential candidates, although the Company did not engage such a firm to identify any of the nominees for director proposed for election at the meeting.

The Corporate Governance Committee evaluates all candidates for director, regardless of the person or firm recommending such candidate, on the basis of the length and quality of their business experience, the applicability of such candidate's experience to the Company and its business, the skills and perspectives such candidate would bring to the Board of Directors and the personality or fit of such candidate with existing members of the Board of Directors and management. The Corporate Governance Committee does not have a specific policy in place with regard to the consideration of diversity when identifying director nominees; however, the corporate governance committee does consider diversity of opinion and experience when nominating directors.

What are the Corporate Governance Committee's policies and procedures for considering director candidates recommended by shareholders?

The Corporate Governance Committee will consider all candidates recommended by eligible shareholders. An eligible shareholder is a shareholder (or group of shareholders) who owns at least 5% of the Company's outstanding shares and who has held such shares for at least one year as of the date of the recommendation. A shareholder wishing to recommend a candidate must submit the following documents to the Secretary of the Company at Sino-Global Shipping America, Ltd., 136-56 39th Avenue, Room #305, Flushing, New York 11354:

a recommendation that identifies the name and address of the shareholder and the person to be nominated;

documentation establishing that the shareholder making the recommendation is an eligible shareholder;

the written consent of the candidate to serve as a director of the Company, if elected;

a description of all arrangements between the shareholders and such nominee pursuant to which the nomination is to be made; and

such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC.

Upon timely receipt of the required documents, the Company's Secretary will determine whether the shareholder submitting the recommendation is an eligible shareholder based on such documents. If the shareholder is not an eligible shareholder, the Corporate Governance Committee may, but is not obligated to, evaluate the candidate and consider such candidate for nomination to the Board of Directors.

If the candidate is to be evaluated by the Corporate Governance Committee, the Secretary will request a detailed resume, an autobiographical statement explaining the candidate's interest in serving as a director of the Company, a completed statement regarding conflicts of interest, and a waiver of liability for a background check from the candidate.

What are the minimum qualifications required to serve on the Company's Board of Directors?

All members of the Board of Directors must possess the following minimum qualifications as determined by the Corporate Governance Committee:

A director must demonstrate integrity, accountability, informed judgment, financial literacy, creativity and vision;

A director must be prepared to represent the best interests of all Company shareholders, and not just one particular constituency;

A director must have a record of professional accomplishment in his or her chosen field; and

A director must be prepared and able to participate fully in Board activities, including membership on committees.

What other considerations does the Corporate Governance Committee consider?

The Corporate Governance Committee believes it is important to have directors from various backgrounds and professions in order to ensure that the Board of Directors has a wealth of experiences to inform its decisions.

Consistent with this philosophy, in addition to the minimum standards set forth above, business and managerial experience and an understanding of financial statements and financial matters are very important.

How may shareholders communicate with the members of the Board of Directors?

Shareholders and others who are interested in communicating directly with members of the Board of Directors, including communication of concerns relating to accounting, internal accounting controls or audit matters, or fraud or unethical behavior, may do so by writing to the directors at the following address:

Name of Director or Directors
c/o Apple Liang, Secretary
Sino-Global Shipping America, Ltd.
136-56 39th Avenue, Room #305
Flushing, New York 11354

Does the Company have a Code of Conduct?

The Company has adopted a Code of Conduct, which is applicable to all directors, officers and associates of the Company, including the principal executive officer and the principal financial and accounting officer. The complete text of the Code of Conduct is available on the Company's web site at www.sino-global.com and is also available in print upon request. The Company intends to post any amendments to or waivers from its Code of Conduct (to the extent applicable to the Company's principal executive officer and principal financial and accounting officer) at this location on its web site.

How often did the Board meet in fiscal 2011?

The Board of Directors met a total of four times, at regular meetings, during fiscal 2011. The Compensation Committee, the Audit Committee and the Corporate Governance Committee each met one time during fiscal 2011. Each incumbent director attended all of the meetings of the Board of Directors and of the standing committees of which he or she was a member during fiscal 2011. The Board invites, but does not require, directors to attend the annual meeting of shareholders.

What are the committees of the Board?

Employment Agreements With The Company's Named Executive Officers

Sino-China has employment agreements with each of Mr. Cao Lei and Mr. Zhang Mingwei. Both Mr. Cao's and Mr. Zhang's employment agreements provide for long-term employment, without a definite term. Under Chinese law, these employment agreements may only be terminated without cause and without penalty by providing notice of non-renewal one month prior to the date on which the employment agreement are scheduled to expire. If we fail to provide this notice or if we wish to terminate an employment agreement in the absence of cause, then we are obligated to pay the employee one month's salary for each year we have employed the employee. We are, however, permitted to terminate an employee for cause without penalty to our company, where the employee has committed a crime or the employee's actions or inactions have resulted in a material adverse effect to us.
