The Purchasing Funds purchased an aggregate of 15,151,515 Shares and 15,151,515 Warrants as follows:

Fund	Shares	Warrants	Price Paid
667, L.P.	1,585,591	1,585,591	\$2,092,98.

The funds used to purchase the Previous Holdings, Shares and Warrants reported in Item 5 below were provided from the available working capital of the entities there indicated.

ITEM 4. Purpose of Transactions.

The Purchasing Funds acquired the Previous Holdings, Shares and Warrants solely for investment. The Reporting Persons expect to review from time to time the investment positions of these entities and may, depending on market and other conditions, increase or decrease their holdings.

Whether the entities purchase any additional shares of Common Stock, including by exercise of the Warrants, or dispose of any shares of Common Stock, and the amount and timing of any such transactions, will depend upon the Reporting Persons' continuing assessments of pertinent factors, including the availability of shares of Common Stock for purchase at particular price levels, the Issuer's business and prospects, other business investment opportunities, economic conditions, stock market conditions, money market conditions, the attitudes and actions of the board of directors and management of the Issuer, the availability and nature of opportunities to dispose of shares in the Issuer and other plans and requirements of the particular entities. Depending upon their assessments of these factors from time to time, the Reporting Persons may change their present intentions as stated above, including determining to acquire additional shares of Common Stock (by means of open market purchases, privately negotiated purchases, exercise of some or all of the Warrants, or otherwise) or to dispose of some or all of the shares of Common Stock under their control. The Reporting Persons have expressed to the Issuer that they may be interested in nominating a member of the Issuer's board of directors at some future date, but no decision has been made on whether or not to make such a request. Except as otherwise disclosed herein, at the present time, the Reporting Persons do not have any plans or proposals with respect to any extraordinary corporate transaction involving the Issuer or any sale of its assets, or with respect to its management, capitalization, dividend strategy, charter or by-laws, or any other change in its business or corporate structure or with respect to the delisting or deregistration of any of its securities including, without limitation, those matters described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

ITEM 5. Interest in Securities of the Issuer.

(a) and (b) Set forth below is the aggregate number of shares of the Common Stock held by the Purchasing Funds and beneficially owned by the Reporting Persons, including shares that may be acquired upon exercise of the warrants at an exercise price of \$1.76 per share as of the date hereof by each of the following, together with the percentage of outstanding shares of the Common Stock that such number represents based upon (i) 38,373,949 shares of the Common Stock outstanding as reported on the Issuer's Prospectus supplement filed on March 6, 2012 in addition to 29,669,154 shares as reported on the Issuer's 8K filed on March 7, 2012. Such percentage figures are calculated on the basis that the Warrants held by the Purchasing Funds are deemed exercised into shares of Common Stock but other outstanding Warrants are not deemed exercised into shares of the Common Stock.

Holder	Shares of Common Stock	Warrants to purchase .5 shares of Common Stock as Converted to Common	Total	<u>Percentage of Class Outstanding</u>	
667, L.P.	1,585,591	792,796	2,378,387	3.2	%
Baker Brothers Life Sciences, L.P.	13,606,093	6,608,225	20,214,318	26.7	%
14159, L.P.	360,231	174,738	534,969	0.7	%
Total	15,551,915	7,575,759	23,127,674	30.6	%

The Reporting Persons may also be deemed beneficial owners of the Warrants to purchase .5 shares of common stock in the amounts listed as follows:

Holder	Warrants
667, L.P.	1,585,591
Baker Brothers Life Sciences, L.P.	13,216,449
14159, L.P.	349,475

The number of shares of Common Stock that may be acquired by the Purchasing Funds upon any exercise of the Warrants is limited to the extent necessary to ensure that, following such exercise, the total number of shares of Common Stock then beneficially owned by the Reporting Persons does not exceed 9.999% of the total number of then issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise). Such restriction is not applicable at this time as the total number of shares of Common Stock currently beneficially owned by Baker represents 22.9% of total outstanding Common Stock. If at any time subsequent to the intital issuance Baker shall beneficially own less than 9.99% the number of shares of Common Stock that may be acquired by the Purchasing Funds upon any exercise of the Warrants is again limited to the extent necessary to ensure that, following such exercise, the total number of shares of Common Stock then beneficially owned by the Reporting Persons does not exceed 9.999% of the total number of then issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise). This 9.999% limitation shall cease to apply from and after the date fourteen days prior to the Expiration Date.

The number of shares of Common Stock that may be acquired by the Purchasing Funds upon any exercise of the Warrants is limited to the extent necessary to ensure that, following such exercise, the total number of shares of Common Stock then beneficially owned by the Reporting Persons does not exceed 4.999% of the total number of then issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise). Such restriction is not applicable at this time as the total number of shares of Common Stock currently beneficially owned by Baker represents 22.9% of total outstanding Common Stock. If at any time subsequent to the intital issuance Baker shall beneficially own less than 4.99% the number of shares of Common Stock that may be acquired by the Purchasing Funds upon any exercise of the Warrants is again limited to the extent necessary to ensure that, following such exercise, the total number of shares of Common Stock then beneficially owned by the Reporting Persons does not exceed 4.999% of the total number of then issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise). This 4.999% limitation shall cease to apply from and after the date fourteen days prior to the Expiration Date.

By virtue of their ownership of entities that have the power to control the investment decisions of the limited partnerships listed in the table above, Julian C. Baker and Felix J. Baker may each be deemed to be beneficial owners

of shares owned by the entities listed above and may be deemed to have shared power to vote or direct the vote of and shared power to dispose or direct the disposition of such securities.

(c) Except as described in this Schedule, including Item 3 hereof, none of the Reporting Persons has effected any transaction in the securities of the Issuer in the past 60 days.

(d) No person other than the Reporting Persons has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of the securities to which this Schedule relates.

(e) Not applicable.
