Meeting Information. The Board of Trustees (Board and Board members are referred to as Trustees) of MainStay DefinedTerm Municipal Opportunities Fund (Fund) is soliciting your proxy to be voted at the Annual Meeting of Shareholders to be held on Thursday, September 26, 2013, at 9:00 a.m., Eastern time, at the offices of New York Life Investment Management LLC (New York Life Investments) located at 51 Madison Avenue, New York, New York 10010 and/or at any adjournments of the meeting (Meeting). Participating in the Meeting are holders of common shares of beneficial interest (Common Shares), and the holders of preferred shares of beneficial interest (Preferred Shares).

General Voting Information. You may provide proxy instructions by completing, signing and returning the enclosed proxy card (Proxy Card) by mail in the enclosed envelope. The persons designated on the Proxy Card as proxies will vote your shares as you instruct on each Proxy Card. If you return a signed Proxy Card without any voting instructions, your shares will be voted **FOR ALL** of the Class I Trustee nominees in accordance with the recommendation of the Board. The persons designated on the Proxy Card as proxies will also be authorized to vote (or to withhold their votes) in their discretion on any other matters which properly come before the Meeting. They may also vote in their discretion to adjourn the Meeting. If you sign and return a Proxy Card, you may still attend the Meeting to vote your shares in person. If your shares are held of record by a broker and you wish to vote in person at the Meeting, you should obtain a legal proxy from your broker and present it at the Meeting. You may revoke your proxy at any time before the Meeting (i) by notifying New York Life Investments in writing at 51 Madison Avenue, New York, New York 10010; (ii) by submitting a later signed Proxy Card; or (iii) by voting your shares in person at the Meeting. If your shares are held in the name of your broker, you will have to make arrangements with your broker to revoke any previously executed proxy.

Each shareholder may cast one vote for each full share, and a partial vote for each partial share, of the Fund that they owned of record on July 15, 2013 (Record Date). Exhibit A shows the number of shares of the Fund that were outstanding on the Record Date, and Exhibit B lists the shareholders who owned 5% or more of the outstanding shares of any class of the Fund on that date. It is expected that this Proxy Statement and the accompanying Proxy Card will be first mailed to shareholders on or about July 30, 2013.

This proxy solicitation is being made primarily by mail, but may also be made by officers or employees of the Fund or New York Life Investments or its affiliates, through telephone, facsimile, or other communications. The Fund may also employ a professional proxy solicitation firm. If a proxy solicitor is used, the cost will be borne by the Fund. The Fund may reimburse banks, brokers or dealers for their reasonable expenses in forwarding soliciting materials to beneficial owners of the Fund's shares.

All shareholders of the Fund, both holders of Common Shares and holders of Preferred Shares, vote together to elect two of the Class I Trustee nominees. The holders of Preferred Shares have the exclusive right to separately elect one Class I Trustee nominee as the Preferred Shares Trustee, in addition to the right to vote for the remaining Class I Trustee nominees, together with the holders of the Common Shares. The following table sets forth the Class I Trustee Nominees by share class:

Share Class	Class I Trustee Nominee
Common Shares	Susan B. Kerley Peter Meenan
Preferred Shares	John A. Weisser*

* The holders Common Shares may not vote for this nominee.

The presence in person or by proxy of holders of thirty-three and one-third percent (33 1/3%) of the Fund's outstanding shares entitled to vote at the Meeting shall constitute a quorum. The presence in person or by proxy of holders of thirty-three and one-third percent (33 1/3%) of the outstanding Preferred Shares entitled to vote at the Meeting shall constitute a quorum of the Preferred Share class of the Fund for purposes of electing the one Trustee being elected solely by the holders of Preferred Shares. In the event that a quorum is not present or if sufficient votes are not received consistent with the Board's recommendation regarding the proposal, management may propose an adjournment or adjournments of the Meeting. The Meeting, whether or not a quorum is present, may be adjourned for any lawful purpose by the Chairman of the Board, the Trust

ees (or their designees) or a majority of the votes properly cast upon the question of adjourning the Meeting, either in person or by proxy.

Abstentions and Broker Non-Votes. Because the only proposal scheduled to be considered at the Meeting is for the election of the Class I Trustees, the Fund does not expect to receive any abstentions or broker non-votes. In the unlikely event that they do, however, abstentions and broker non-votes will be included for purposes of determining whether a quorum is present for the Fund at the Meeting. They will be treated as votes present at the Meeting, but will not be treated as votes cast. In effect, they would have the same effect as a vote AGAINST a proposal requiring a majority of votes present. Broker non-votes arise when shares are held in street name and the broker does not receive voting instructions from the beneficial owner. Broker non-votes can occur when a meeting has (i) a routine proposal, such as the election of trustees, where the applicable stock exchange permits brokers to vote their clients' shares in their discretion, and (ii) a non-routine proposal, such as a change to the Fund's fundamental investment policy, where the applicable exchange does not permit brokers to vote their clients' shares in their discretion. The shares that are considered to be present as a result of the broker discretionary vote on the routine proposal but do not vote on the non-routine proposal are called broker non-votes. Because the proposal presented at the Meeting is considered to be a routine voting item (*i.e.*, the election of the Class I Trustees), the Fund does not expect to receive any broker non-votes.

Copies of the Fund's most recent annual report and semi-annual report, including financial statements, have been delivered to shareholders. Copies of these reports are available upon request, at no charge, by writing the Fund at MainStay Investments, 169 Lackawanna Avenue, Parsippany, New Jersey 07054 or by calling toll-free 866-695-0769.

THE PROPOSAL: TO ELECT CLASS I TRUSTEES OF THE FUND

The Fund's Amended and Restated Agreement and Declaration of Trust provides that the Board shall be divided into three classes of Trustees, consisting, as nearly as may be possible, of one-third ($1/3$) of the total number of Trustees constituting the entire Board. Each class serves for three years with one class being elected each year. Each year the term of office of one class will expire. Susan B. Kerley, Peter Meenan and John A. Weisser are initial Trustees of the Fund, and were elected by the initial shareholder of the Fund as the Class I Trustees. The term of office of the Class I Trustees expires on the date of the first annual meeting of shareholders or special meeting of shareholders in lieu thereof following the effective date of the Fund's registration statement under the Securities

Act of 1933, as amended, relating to the Common Shares. In this regard, the terms of office of the Class I Trustees (*i.e.*, Ms. Kerley, Mr. Meenan and Mr. Weisser), expire on the date of the Meeting.

In addition, Section 18 of the Investment Company Act of 1940 Act, as amended (1940 Act), requires that the holders of any preferred shares, voting separately as a single class without regard to series, have the right to elect at least two trustees at all times. In this regard, the holders of Preferred Shares have the exclusive right to separately elect Mr. Weisser as a Class I Trustee as the Preferred Shares Trustee, in addition to the right to vote for Ms. Kerley and Mr. Meenan, together with the holders of the Common Shares.

The Board, including the Trustees who are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) upon the recommendation of the Fund's Nominating and Corporate Governance Committee, which is comprised solely of Trustees who are not interested persons of the Fund, have nominated Ms. Kerley, Mr. Meenan and Mr. Weisser to serve as Class I Trustees for a three year term expiring in 2016 and until their successors are duly elected and qualify. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement. Trustees who are not interested persons are referred to in the Proxy Statement as Independent Trustees.

It is the intention of the persons named on the enclosed Proxy Card to vote for the Class I Trustee nominees for a three-year term. The Board knows of no reason why a nominee would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominees as the Board may recommend. Each of the current Trustees, with the exception of Mr. John Y. Kim, is an Independent Trustee. The names of the Fund's nominees for election as Class I Trustees and each other Trustee of the Fund, their dates of birth, position(s) held with the Fund, principal occupations during the past five years and other directorships held by the nominee or Trustee are provided in the tables below. Information is provided as of June 30, 2013. Unless otherwise noted, the address of each Trustee is c/o New York Investments, 51 Madison Avenue, New York, New York, 10010.

Trustee Qualifications

In evaluating and selecting candidates for the Board, the Board intends to seek individuals who will serve the best interests of the Fund's shareholders and whose attributes will, among other factors, also complement the experience, skills and diversity of the other Trustees and add to the overall effectiveness of the Board. In the evaluation of such candidates, the Board believes that diversity with respect to factors such as background, education, experience, skills, differences of viewpoint, race, gender, national origin, and other factors that contribute to the Board having an appropriate range of expertise, talents, experiences and viewpoints is an important consideration in the Board's composition.

Board Structure and Leadership

The Board oversees the business and affairs of the Fund, including oversight of key service providers to the Fund, including New York Life Investments and MacKay Shields. The Board holds regularly scheduled in-person meetings on a quarterly basis and other special in-person and telephonic meetings on an as needed basis. There are eight Trustees, seven of whom are considered Independent Trustees in accordance with rules adopted by the SEC.

The Board has elected an Independent Trustee to serve as its Chairman. The Chairman is responsible for setting the agendas of all regular and special Board meetings, assists in identifying the information to be presented to the Board with respect to matters to be acted upon by the Board, and presides over all Board meetings. In between meetings, the Chairman is responsible for communicating with other Trustees, Fund officers, and personnel of New York Life Investments and other service providers as necessary to enable the Board to carry out its primary responsibility of overseeing the Fund and its operations.

As discussed further below, the Board has established various Committees through which the Trustees focus on matters relating to particular aspects of the Fund's operations, such as valuation of portfolio holdings, investments, Fund fees, risk oversight and compliance and expenses and financial reporting.

The Trustees periodically review the effectiveness of the Committee structure and each Committee's responsibilities and membership. The Trustees believe that the Board's leadership and committee structure is appropriate in light of the nature and size of the Fund because, among

other things, it fosters strong communication between the Board, its individual members, New York Life Investments and other service providers, allocates responsibilities among the Committees and permits Committee members to focus on particular areas involving the Fund. In addition, the Committees support and promote the Independent Trustees in their oversight of all aspects of the Fund's operations and their independent review of proposals made by New York Life Investments.

Risk Oversight

While responsibility for day-to-day risk management relating to the Fund and its operations resides with New York Life Investments, MacKay Shields or other service providers (subject to the supervision of the New York Life Investments), the Board actively performs a risk oversight function, both directly and through its Committees, as described below. The Board and its Committees exercise this function through regular and ad hoc Board and Committee meetings during which the Board and its Committees meet with representatives of the Advisors, and other key service providers. In addition, the Board has established a Risk and Compliance Oversight Committee that has the responsibility of coordinating the Board's oversight of the implementation of the risk management and compliance programs of, and related to, the Portfolios. The Audit Committee also meets regularly with the Fund's independent registered public accounting firm and Principal Financial and Accounting Officer to discuss internal controls and financial reporting matters, among other things. The Board and Committees regularly require senior management of New York Life Investments and senior officers of the Fund to report to the Board and the Committees on a variety of risk areas relating to the Fund, including, but not limited to, investment/portfolio risks (*e.g.*, performance, compliance, counterparty, credit, liquidity and valuation risks) and operational/enterprise risks (*e.g.*, financial, reputational, compliance, litigation, personnel and business continuity risks), as well as more general business risks. The Board reviews, on an ongoing basis, the Fund's performance, operations and investment practices. The Board also conducts reviews of New York Life Investments in its role in managing the Fund's operations. In addition, the Board has engaged counsel to the Independent Trustees and consults with such counsel both during and between meetings of the Board and the Committees.

The Board and the Risk and Compliance Oversight Committee also meet regularly with the Fund's Chief Compliance Officer (CCO), who reports directly to the Board. The CCO has responsibility for testing the compliance procedures of the Fund and its service providers. The CCO regularly discusses issues related to compliance and provides a quarterly report to the Board regarding the Fund's compliance program. In order to maintain

a robust risk management and compliance program for the Fund, the Board the Risk and Compliance Oversight Committee also regularly review and approve, as necessary, the Fund's compliance policies and procedures and updates to these procedures, as well as review and approve the compliance policies and procedures of certain of the Fund's service providers to the extent that those policies and procedures relate to the operations of the Fund. In addition to the meetings with various parties to oversee the risk management of the Fund, the Board and its Committees also receive regular written reports from these and other parties which assist the Board and the Committees in exercising their risk oversight function.

The Board also benefits from other risk management resources and functions within the New York Life Investments organization, such as New York Life Investments' risk management personnel and the internal auditor of New York Life Investments' parent company. For example, the Board and the Risk and Compliance Oversight Committee meet periodically with New York Life Investments' risk management personnel, including the New York Life Investments Chief Risk Officer (CRO). The CRO is responsible for overseeing the measurement and monitoring of operational risks across the New York Life Investments' enterprise. In addition, the Board benefits from the work of New York Life Investments' Risk Management Committee, which is comprised of senior personnel of New York Life Investments and seeks to identify and address material risks within the New York Life Investments' businesses across its multi-boutique structure. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to mitigate or eliminate all risks and their possible effects, and that it may be necessary to bear certain risks (such as investment risks) to achieve the Fund's investment objective. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Board Committees

The committees of the Board include the Alternative and Closed-End Funds Oversight Committee, Audit Committee, the Contracts Committee, the Investment Committee, the Nominating and Governance Committee and the Risk and Compliance Oversight Committee. Each Committee of the Board, with the exception of the Investment Committee, is comprised entirely of Independent Trustees, who are also independent as defined in the New York Stock Exchange (NYSE) listing standards. The Fund has also established a Valuation Committee and Valuation Sub-Committee, which may include members who are not Trustees.

Alternative and Closed-End Funds Oversight Committee. The purpose of the Alternative and Closed-End Funds Oversight Committee, which meets on an as needed basis, is to assist the Board and other Committees of the Board and of the Fund in overseeing any funds that invest significantly in alternative investments or present unique or complex issues, as determined by the Board from time to time (Alternative Funds), and any closed-end funds in the MainStay Fund complex (Closed-End Funds). As a general matter, the Committee has primary responsibility to assist the Board in overseeing, and to make recommendations to the Board regarding, the operations of the Alternative and Closed-End Funds that are specific to those funds. The Committee also supports the other Committees of the Board and of the Fund with respect to their oversight of certain other aspects of the operations of the Alternative and Closed-End Funds, as assigned to the Committee by the Board from time to time. The members of the Alternative and Closed-End Funds Oversight Committee include Richard S. Trutanic (Chairman), Alan R. Latshaw, and Richard H. Nolan, Jr. The Committee was first organized on December 12, 2012, and held 1 meeting during the fiscal year ended May 31, 2013.

Weisser, Jr. The Audit Committee held 6 meetings during the fiscal year ended May 31, 2013. A copy of the Audit Committee Charter is attached as Exhibit C.

The Committee oversees the process of evaluating new contracts, reviewing existing contracts on a periodic basis and may, at its discretion or at the request of the Board, make recommendations to the Board with respect to any contracts affecting the Fund. The members of the Contracts Committee include Susan B. Kerley (Chairman), Peter Meenan, Richard H. Nolan, Jr. and Richard S. Trutanic. The Contracts Committee held 7 meetings during the fiscal year ended May 31, 2013.

Nolan, Jr. (Chairman), Susan B. Kerley, John Y. Kim, Alan R. Latshaw, Peter Meenan, Richard S. Trutanic, Roman L. Weil and John A. The members of the Nominating and Governance Committee include John A. Weisser, Jr. (Chairman), Susan B. Kerley, Alan R. Latshaw, Peter Meenan, Richard H. Nolan, Jr., Richard S. Trutanic and Roman L. Weil. The Nominating and Governance Committee held 5 meetings during the fiscal year ended May 31, 2013. A copy of the Nomination and Governance Committee Charter is attached as Exhibit D.

The Nominating and Governance Committee has adopted Policies for Consideration of Trustee candidates (**Candidate Policy**), formal policies on the consideration of Trustee candidates, including nominees recommended by shareholders. The Nominating and Governance Committee may solicit suggestions for nominations from any source, which it deems appropriate, including independent consultants engaged specifically for such a purpose.

No person will be qualified to be a Trustee unless the Nominating and Governance Committee, in consultation with legal counsel, has determined that such person, if selected or elected as a Trustee, would not cause the Fund to be in violation of, or not in compliance with: (a) applicable law, regulation or regulatory interpretation; (b) the Fund's organizational documents; or (c) any policy adopted by the Board regarding either the retirement age of any Trustee or the percentage of the Board that would be composed of Independent Trustees. Shareholders or shareholder groups submitting candidates to the Nominating and Governance Committee must show that the candidate satisfies the Nominating and Governance Committee qualifications for submission, at the time of

submitting the candidate to the attention of the Fund's Secretary, who will provide all qualified submissions to the Nominating and Governance Committee. This submission to the Secretary of the Fund must include: (a) contact information for the nominating shareholder or shareholder group; (b) a certification from the nominating shareholder or shareholder group which provides the number of shares which the person or group has: (i) sole power to vote or direct the vote; (ii) shared power to vote or direct the vote; (iii) sole power to dispose or direct the disposition of such shares; (iv) shared power to dispose or direct the disposition of such shares; and (v) stating that the shares have been held continuously for at least two years as of the date of the nomination; (c) the candidate's contact information and the number of Fund shares owned by the candidate; (d) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of directors required by Regulation 14A under the Securities Exchange Act of 1934, as amended (Exchange Act); and (e) a notarized letter executed by the candidate, stating his or her intention to serve as a candidate and be named in the Fund's proxy statement, if so designated by the Nominating and Governance Committee and the Board. It shall be in the Nominating and Governance Committee's sole discretion whether to seek corrections of a deficient submission or to exclude a candidate from consideration.

No nominee recommendations have been received from shareholders.

Risk and Compliance Oversight Committee. The purpose of the Risk and Compliance Oversight Committee is to assist the Board in overseeing the policies, procedures, practices and systems relating to identifying and managing the various risks and compliance matters that are or may be applicable to the Fund. The Risk and Compliance Oversight Committee serves as the primary link between significant areas of risk management and compliance that may affect the Fund, its manager and subadvisor, and other service providers to the Fund (Fund management). The Risk and Compliance Oversight Committee also oversees the implementation of the Fund's proxy voting policies and procedures. The Risk and Compliance Oversight Committee shall recognize the risk and compliance oversight roles of other committees of the Board and shall defer to such other committees with respect to compliance or risk oversight matters that relate specifically to the purposes or responsibilities of such other committees.

The Risk and Compliance Oversight Committee shall not assume any day-to-day compliance or risk management functions or activities. Fund management is responsible for the day-to-day implementation, maintenance, and administration of the compliance policies and procedures of the Fund that are required to be reasonably designed to ensure compli

ance by the Fund and its primary service providers with applicable federal securities laws. The Fund's CCO shall oversee Fund management's execution of its aforementioned compliance responsibilities. Fund management is responsible for the day-to-day implementation, maintenance, and administration of the policies, procedures, systems and practices designed to identify, monitor and control risks to which the Fund is or may be exposed. The CRO shall oversee Fund management's execution of its aforementioned risk management responsibilities. The members of the Risk and Compliance Oversight Committee include Roman L. Weil (Chairman), Susan B. Kerley, Alan R. Latshaw, Peter Meenan, Richard H. Nolan, Jr., Richard S. Trutanic and John A. Weissner, Jr. The Risk and Compliance Oversight Committee held 6 meetings during the fiscal year ended May 31, 2013.

The Valuation Committee held 4 meetings during the fiscal year ended May 31, 2013.

Valuation Subcommittee. The purpose of the Valuation Subcommittee, which meets on an as needed basis, is to establish prices of securities for which market quotations are not readily available or the prices of which are not often readily determinable pursuant to the Fund's valuation procedures. Meetings may be held in-person or by telephone conference call. The Subcommittee may also take action via electronic mail in lieu of a meeting pursuant to the guidelines set forth in the valuation procedures. The members of the Valuation Subcommittee include: Jack R. Benintende, Jeffrey A. Engelsman, Thomas J. Girard, Christopher Feind, J. Kevin Gao, Amaury Rzed, Dale A. Hanley and Jae S. Yoon. Board and Committee Meetings

During the Fund's fiscal year ended May 31, 2013, the Board held 4 regular meetings and 3 special meetings and each Committee held meetings as discussed above. Each Trustee then in office attended 75% or more of the aggregate number of regular and special meetings of the Board and those Committees of which each Trustee is a member.

Trustee Attendance at Stockholder Meetings

Even though the Fund has no formal policy regarding trustee attendance at shareholder meetings, typically it is expected that the Chairman of the Fund will attend the Meeting or another Trustee will attend if he is not available. Since the Fund commenced operations on May 31, 2012, there was no annual meeting held in 2012.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 of the Exchange Act, requires that Forms 3, 4, and 5 be filed with the SEC, the relevant securities exchange and the Fund, by or on behalf of certain persons, including directors, certain officers, and certain

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE CLASS I TRUSTEE NOMINEES

The firm of PricewaterhouseCoopers LLC (PwC) has been selected as the independent registered public accounting firm (independent auditors) for the Fund. In accordance with Public Company Accounting Oversight Board Rule 3526 (PCAOB Rule 3526), PwC has confirmed its independence to the Fund's Audit Committee. PwC acted as independent auditors of the Fund for its most recently completed fiscal year, and has been appointed as independent auditors for the Fund's current fiscal year.

The Audit Committee must approve all audit and non-audit services provided by the Fund's independent auditors relating to the operations or financial reporting of the Fund. The Audit Committee reviews any audit or non-audit services to determine whether they are appropriate and permissible under applicable law.

The Audit Committee has adopted pre-approval policies and procedures (Procedures) to govern the Committee's pre-approval of (i) all audit services and permissible non-audit services to be provided to the Fund by the independent auditors, and (ii) all permissible non-audit services to be provided by such independent auditors to New York Life Investments and to any entity controlling, controlled by or under common control with New York Life Investments that provides ongoing services to the Fund (collectively, Service Affiliates) if the services directly relate to the

Fund's operations and financial reporting. In accordance with the Procedures, the Audit Committee is responsible for the engagement of the independent auditors to certify the Fund's financial statements for each fiscal year. With respect to the pre-approval of non-audit services provided to the Fund and its Service Affiliates, the Procedures provide that the Audit Committee may annually pre-approve a list of the types of services that may be provided to the Fund or its Service Affiliates, or the Audit Committee may pre-approve such services on a project-by-project basis as they arise. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent accountant. The Procedures also permit the Audit Committee to delegate authority to one or more of its members to pre-approve any proposed non-audit services that have not been previously pre-approved by the Audit Committee, subject to the ratification by the full Audit Committee no later than its next scheduled meeting. To date, the Audit Committee has not delegated such authority.

The Audit Committee has reviewed and discussed with Fund management and representatives from PwC the audited financial statements for the Fund's last fiscal year. The Audit Committee has discussed with PwC its judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters required to be discussed with the Audit Committee by Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance). The Audit Committee also received the written disclosures and the letter from PwC required by PCAOB Rule 3526, and discussed with a representative of PwC the independent auditor's independence. The Board considered fees received by PwC from New York Life Investments and its affiliates during the last fiscal year in connection with its consideration of the auditors' independence. Based on the foregoing discussions with management and the independent auditors, the Audit Committee recommended to the Board that the aforementioned audited financial statements be included in the Fund's annual report to shareholders for the last fiscal year.

As noted above, the members of each Fund's Audit Committee are: Alan R. Latshaw (Chairman), Roman L. Weil and John A. Weisser, Jr. All members of the Audit Committee meet the standard of independence set forth in the listing standards of the NYSE, and are not considered to be interested persons under the 1940 Act. The Board has adopted a formal charter for the Audit Committee setting forth its responsibilities.

Representatives of PwC are not expected to attend the Meeting, but have been given the opportunity to make a statement if they so desire, and will be available should any matter arise requiring their response.

Audit Fees

The aggregate fees billed for the initial fiscal year ended May 31, 2013 for professional services rendered by PwC for the audit of the Fund's annual financial statements or services that are normally provided by PwC in connection with statutory and regulatory filings or engagements for that fiscal year were \$50,000.

Tax Fees

The aggregate fees billed for professional services rendered by PwC for tax compliance, tax advice, and tax planning were \$7,300 during the initial fiscal year ended May 31, 2013. These services primarily included preparation of federal, state and local income tax returns and excise tax returns, as well as services relating to excise tax distribution requirements.

All Other Fees

There were no other audit related or other fees paid to PwC by the Fund.

Aggregate Non-Audit fees to the Fund, the Investment Advisor and Service Affiliates

The aggregate non-audit fees billed by PwC for services rendered to the Fund's investment advisor (not including any sub-advisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment advisor), and any entity controlling, controlled by, or under common control with the advisor that provides ongoing services to the Fund were approximately \$2,408,933 for the initial fiscal year ended May 31, 2013.

The Board of Trustees (the Board) of the Fund has established an Audit Committee (the Committee), subject to the terms and conditions of this Charter. This Charter is intended to govern the conduct of the Committee.

2. **Purpose**

The purpose of the Committee is to oversee: (i) the Fund's accounting and financial reporting policies and practices; (ii) the Fund's internal controls and, as appropriate, the internal controls of certain service providers; (iii) the integrity, quality and objectivity of the Fund's financial statements and the independent audit thereof; including, but not limited to, oversight of the independent auditor's qualifications and independence.

The Committee will assist the Board in its oversight of the Fund's compliance with legal and regulatory requirements. The Committee will also report to the Board, if necessary, any relationships between the auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the auditor. As part of its purpose, the Committee shall be responsible for the preparation of the report of the Audit Committee as required by the U.S. Securities and Exchange Commission (the SEC) to be included in the Fund's proxy statement.

The function of the Committee is to provide oversight; it is the responsibility of the Fund and the Fund's investment adviser to maintain appropriate systems for accounting and internal control, and it is the responsibility of the Fund's independent auditor to plan and carry out a proper audit.

The independent auditor is directly accountable to the Committee.

3. **Membership**

The Committee shall be composed of at least three members. Each member must have been determined not to be an interested person (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (1940 Act)) of the Fund (an Independent Trustee). In addition, each member shall have the additional qualifications indicated

C-1

below. The Board, upon the recommendation of the Nominating and Governance Committee, will select the members of the Committee and the chairman of the Committee.

4. **Qualifications of Committee Members**

- (i) Members of the Committee must be members of the Board and may not be officers of the Fund and should be free of any relationships that would interfere with the exercise of independent judgment.
Each member of the Committee must be financially literate, or become financially literate within a reasonable period of time after his or her appointment to the Committee, as such qualification is interpreted by the Fund's Board in its business judgment. At least one member of the Committee must have accounting or related financial management expertise, as the Fund's Board interprets such qualification in its business judgment. Any member identified as an audit committee financial expert pursuant to Item 407(d)(5) of Regulation S-K or Item 3 of Form N-CSR may be deemed to have accounting or related financial management expertise.
- (ii) Unless exempted by an order of the SEC, each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other committee of the Board, directly or indirectly, accept any consulting, advisory, or other compensatory fee from the Fund.
- (iii) If at least one member of the Committee is not a financial expert (as that term is defined in the rules and regulations of the SEC), the Fund's periodic reports shall disclose the reason why.
- (iv)

5. **Duties and Powers**

In carrying out this purpose, the Committee will, as it deems necessary or appropriate, carry out the following functions:

- To annually select, retain or terminate the Fund's independent auditor and, in connection therewith, to evaluate the qualifications and the independence of the auditor, including whether the auditor provides any consulting, auditing or tax services to the investment adviser, and to receive the auditor's specific representations as to their independence, delineating all relationships between the auditor and the Fund, consistent with applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's commu

communications with the Committee concerning independence. The Committee is responsible for actively engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the outside auditor;

To review in advance, and consider approval of, any and all proposals by management of the Fund or the investment adviser of the Fund, the investment adviser, or their affiliated persons, employ the independent auditor to render permissible non-audit services to the Fund and to consider whether such services are consistent with the independent auditor's independence. The Committee may delegate to one or more of its members (Delegates) (ii) authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. The Committee shall communicate any pre-approval made by it or a Delegate to the Fund's investment adviser, who will ensure that the appropriate disclosure is made in the Fund's periodic reports required by Section 13(a) of the Securities Exchange Act of 1934, as amended, and other documents as required under the federal securities laws;

Permissible non-audit services include any professional services, including tax services, provided to the Fund by the independent auditor, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. Permissible non-audit services may not include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to its auditor during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee or its Delegate(s) (as defined below) prior to the completion of the audit.

C-3

- (iii) To select, recommend and engage a new independent auditor, should it prove necessary, subject to ratification by the Board and shareholder approval, if required;
To review and oversee, in advance and in consultation with the independent auditor, the staffing of the audit of the Fund's financial statements and obtain from the independent auditor a written representation that they have
- (iv) appointed a lead auditor and/or review partner who has not acted in such capacity for the Fund in each of the Fund's previous five fiscal years;
To meet with the Fund's independent auditor and Fund management, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits, and the fees proposed to be charged in connection with such services; (ii) to discuss the Fund's audited annual and unaudited semi-annual financial statements, including the Fund's disclosure of management's discussion of Fund performance; (iii) to discuss any matters of concern relating to the Fund's financial statements, including any adjustments to such statements recommended by the auditor, or other results of said audit(s), including matters required to be discussed by the Statements on Auditing Standards (SAS) No. 61, as amended, and the management's response to such matters;(iv) to consider the auditor's comments with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto; (v) to review the form of opinion the auditor proposes to render to the Board and shareholders; and (vi) to review the performance of the auditor;
- (v)

3 SAS No. 61, as amended by SAS Nos. 89 and 90, requires independent auditors to communicate certain matters related to the conduct of an audit to those who have responsibility for oversight of the financial reporting process, specifically the audit committee. Among the matters to be communicated to the audit committee are: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; (4) adjustments arising from the audit that could, in the auditor's judgment, have a significant effect on the company's financial reporting process, or uncorrected misstatements aggregated by the auditor that were determined by management to be immaterial to the financial statements; and (5) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements. SAS No. 90 clarifies that the auditor must discuss certain information relating to its judgment about the quality, not just the acceptability, of the company's accounting principles with the audit committee and encourages a three-way discussion among the auditor, management and the audit committee.

C-4

- (vi) To oversee the work of the Fund's independent auditor, and resolve disagreements, if any, between the independent auditor and management regarding financial reporting;
- (vii) To consider the effect on the Fund of any proposed changes in accounting principles or practices, and review with the Fund's independent auditor and with management significant current financial reporting issues;
To consider, in consultation with the independent auditor, (i) material questions of choice with respect to appropriate accounting principles and practices to be used in the preparation of the financial statements of the Fund and the effect upon the Fund of any proposed changes in accounting principles or practices; (ii) all critical accounting policies and practices to be used; (iii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management officials of the Fund, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; (iv) reasons for major year-to-year variations in financial statements; (v) reports of any significant accounting accruals, reserves, estimates made by management, and provisions for contingent liabilities; and (vi) any other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences;
 - (ix) To review the fees charged by the auditor for audit and permissible non-audit services;
- (x) To review, in consultation with the independent auditor, the Fund's system of internal controls, including: (i) the security of tangible and intangible Fund assets and the security of computer systems and facilities; (ii) instances of employee defalcation and violations of the Code of Ethics and other Fund policies and procedures; and (iii) reports from Fund counsel with respect to compliance with laws and regulations, significant litigation, and possible impact on financial results;
- (xi) To establish rules and procedures necessary for the Committee to fulfill its responsibilities and conduct its business;
- (xii) To discuss, on an annual basis, policies with respect to risk assessment and risk management, including (i) a discussion of the Fund's guidelines and policies to govern the process by

C-5

which Fund management assesses and manages the Fund's exposure to risk; (ii) a discussion of the Fund's major financial risk exposures and the steps Fund management has taken to monitor and control such exposures; and (iii) a general review of the processes which Fund management have in place to manage and assess risk, in coordination with the Risk and Compliance Oversight Committee of the Board, if any;

- (xiii) To investigate improprieties or suspected improprieties in Fund operations, as they are presented to the Committee or brought to the attention of the Committee;
- (xiv) To discuss, to the extent applicable, any press release containing earnings or financial information or any such information provided to the public or analysts and rating agencies;
- (xv) To set hiring policies for employment by the Fund or its investment adviser of any employees or former employees of the Fund's independent auditor;
 - (xvi) To investigate matters brought to its attention within the scope of its duties;
- (xvii) To develop, establish and periodically review procedures for: (i) the receipt, retention and treatment of complaints received by the Fund from any source regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission by employees of the Fund or its service providers of concerns regarding questionable accounting or auditing matters related to the Fund;
- (xviii) To receive and take appropriate action with respect to any reports of evidence of a material violation of any Federal or State securities law, breach of fiduciary duty, or similar violations that may be made pursuant to the Fund's procedures implementing the standards of professional conduct for attorneys prescribed by the SEC; and
- (xix) To consider such other matters as applicable laws or regulations may require, as the Board may request, or the Committee may deem appropriate in carrying out its duties and responsibilities.

C-6

6. **Other Powers and Responsibilities of the Committee**

In carrying out its purpose, the Committee shall have the following powers and responsibilities:

Consistent with the terms of this Charter, to meet with and obtain information and reports from the Fund's service (i) providers on such subjects relating to the Fund's accounting, auditing, financial reporting and internal control processes or on such other matters as the Committee, in its discretion, may deem necessary or appropriate;

(ii) To recommend to the Board appropriate action with respect to any matter within the scope of the Committee's duties and responsibilities;

To have the resources and authority appropriate to discharge its responsibilities, including authority to: (i) engage legal counsel and to retain experts or other persons with specific competence at the expense of the Fund; (ii) compensate any independent auditor engaged for the purpose of preparing or issuing an audit report or performing (iii) other audit, review or attest services for the Fund; and (iii) determine and request appropriate funding from the Fund to cover the ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties;

To make a report as required by Item 407(d) of Regulation S-K, each June, indicating whether the Committee (i) reviewed and discussed the financial statements with management; (ii) discussed with the independent auditor the matters required by SAS No. 61, as amended; and (iii) received the written disclosures and the letter from the independent auditor required by applicable requirements of the Public Company Accounting Oversight Board (iv) regarding the independent auditor's communications with the Committee concerning independence, and discussed with the independent auditor their independence. The Committee's report should also indicate whether the Committee, based on its review and its discussions with management and the independent auditor, recommends to the Board that the financial statements be included in the Fund's annual report for the last fiscal year;

C-7

- (v) To conduct, on an annual basis, a self-evaluation to review fulfillment of its mission and responsibilities, and to consider any existing deficiencies or possible improvements in the Committee's operations;
- (vi) To delegate any portion of its authority to a Delegate, with any action taken pursuant to such delegation to be reported to the Committee at its next meeting; and
