PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD DECEMBER 24, 2013

Date, Time and Place of the Annual Meeting

The enclosed proxy is solicited by the Board of Directors (the "Board") of China Education Alliance, Inc., a North Carolina corporation (the "Company" or "we"), in connection with the Annual Meeting of Stockholders to be held at China Education Alliance, Inc., 6/F Middle Tower, China Overseas Plaza, No.8 Guanghua Dong Li, Chaoyang District, Beijing, People's Republic of China 100020 on December 24, 2013, at 9:00 a.m. local time, and any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

The principal executive office of the Company is located at 58 Heng Shan Road, Kun Lun Shopping Mall, Harbin, People's Republic of China 150090, and its telephone number, including area code, is +86-451-8233-5794.

Purpose of the Annual Meeting

At the Annual Meeting, you will be asked to consider and vote upon the following matters:

1. To elect three directors to serve until the next annual meeting of stockholders and until their respective successors have been duly elected and qualified, or until such director's earlier resignation, removal or death;
2. To ratify the appointment of Albert Wong & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2013;
3. To vote on a non-binding advisory resolution to approve executive compensation; and
4. To act on such other matters as may properly come before the meeting or any adjournment or adjournments thereof.

Internet Delivery of Proxy Materials

In accordance with rules and regulations adopted by the Securities and Exchange Commission (the "SEC"), instead of mailing a printed copy of our proxy materials to each stockholder of record, we may furnish proxy materials, including the Notice of Annual Meeting, this proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2012 (the "Annual Report"), by providing access to such documents on the Internet. Most stockholders will not receive printed copies of the proxy materials unless they request them, in which case printed copies of the proxy materials will be provided at no charge.

Instead of mailing a printed copy of our proxy materials to each stockholder of record, a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") will be first sent or made available to such stockholders on or about November 5, 2013 that instructs you as to how you may access and review all of the proxy materials on the Internet. The Notice of Internet Availability also instructs you as to how you may submit your proxy on the Internet or by telephone. Any stockholder may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis by following the instructions on www.proxyvote.com. Choosing to receive future proxy materials by e-mail will save us the cost of printing and delivering documents to stockholders and will reduce the environmental impact of our annual meetings. A stockholder's election to receive proxy materials by e-mail will remain in effect until the stockholder terminates the election.

Important Notice Regarding the Availability of Proxy Materials

The proxy materials in connection with the Annual Meeting are available at www.proxyvote.com. This website address contains the following documents: the Notice of the Annual Meeting, this Proxy Statement and the Annual Report. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

Voting Rights and Revocation of Proxies

The record date with respect to this solicitation is the close of business on October 28, 2013 (the "Record Date") and only stockholders of record at that time will be entitled to vote at the Annual Meeting and any adjournment or adjournments thereof.

The shares of the Company's common stock, par value \$0.001 ("Common Stock"), represented by all validly executed proxies received in time to be taken to the meeting and not previously revoked will be voted at the meeting. This proxy may be revoked by the stockholder at any time prior to its being voted by filing with the Chief Executive Officer of the Company either a notice of revocation or a duly executed proxy bearing a later date.

Dissenters' Right of Appraisal

Holders of shares of our Common Stock do not have appraisal rights under North Carolina law or under the governing documents of the Company in connection with this solicitation.

Quorum

The number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is 10,582,530. Each share of Common Stock is entitled to one vote. The presence in person or by proxy at the Annual Meeting of the holders of a majority of such shares shall constitute a quorum. There is no cumulative voting. Abstention and broker non-votes will, however, be treated as present for quorum purposes on all matters.

Broker Non-Votes

Holders of shares of our Common Stock that are held in street name must instruct the organization that holds their shares how to vote their shares. If such voting instructions are not provided, then the shares that are held in street name will not be voted on any non-routine proposal. This vote is called a “broker non-vote.” Broker non-votes are not included in the tabulation of the voting results of any of the proposals and, therefore, do not effect these proposals.

The ratification of the appointment of Albert Wong & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

The election of directors (Proposal No. 1) and the non-binding advisory resolution approving the Company’s executive compensation (Proposal No. 3) are matters considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with Proposals No. 1 and No. 3.

Delivery of Proxy Materials to Households

Only one copy of the Notice of Internet Availability, and if applicable, Notice of Annual Meeting, this Proxy Statement and the Annual Report will be delivered to an address where two or more stockholders reside with the same last name or whom otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Notice of Internet Availability, and if applicable, Notice of Annual Meeting, this Proxy Statement and the Annual Report upon such request. If you share an address with at least one other stockholder, currently receive one copy of the Notice of Internet Availability, and if applicable, Notice of Annual Meeting, this Proxy Statement and the Annual Report, and would like to receive a separate copy of the Notice of Internet Availability, and if applicable, Notice of Annual Meeting, Proxy Statement and Annual Report for future stockholder meetings of the Company, please write or speak to the Company at the following address and phone number:

Required Vote

Assuming the presence of a quorum at the Annual Meeting:

Directors shall be elected by a plurality of the votes cast; and

The affirmative vote of a majority of Common Stock present at the meeting and entitled to vote on each matter is required to ratify the appointment of Albert Wong & Co. as the Company's independent registered public accounting firm for the fiscal year ending December, 31, 2013 and the approval of executive compensation.

Votes shall be counted by one or more persons who shall serve as the inspector of election. The inspector of election will canvas the stockholders present in person at the meeting, count their votes and count the votes represented by proxies presented. Abstentions and broker non-votes are counted for purposes of determining the number of shares represented at the meeting, but are deemed not to have voted on the proposal.

In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees, or withhold your votes as to specific nominees. With regard to other proposals, you may vote in favor of each proposal or against each proposal, or in favor of some proposals and against others, or you may abstain from voting on any or all of the proposals. You should specify your respective choices on the accompanying proxy card or your vote instruction form.

Solicitation of Proxies

The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company may solicit proxies personally or by telephone and will receive no extra compensation from such activities. The Company will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We strive to provide our named executive officers (as defined in Item 402 of Regulation S-K) with a competitive base salary that is in line with their roles and responsibilities when compared to peer companies of comparable size in similar locations.

It is not uncommon for PRC private companies in the PRC to have base salaries as the sole form of compensation. The base salary level is established and reviewed based on the level of responsibilities, the experience and tenure of the individual and the current and potential contributions of the individual. The base salary is compared to the list of similar positions within comparable peer companies and consideration is given to the executive’s relative experience in his or her position. Base salaries are reviewed periodically and at the time of promotion or other changes in responsibilities.

We plan to implement a more comprehensive compensation program, which takes into account other elements of compensation, including, without limitation, short and long term compensation, cash and non-cash, and other

equity-based compensation such as stock options. We expect that this compensation program will be comparable to the programs of our peer companies and aimed to retain and attract talented individuals.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee and the Board have selected the firm, Albert Wong & Co. (“Albert Wong”), an independent registered public accounting firm, as our auditors for the fiscal year ending December 31, 2013, subject to ratification of such selection by stockholders.

The selection of our independent registered public accounting firm is not required to be submitted to a vote of our stockholders for ratification. However, we are submitting this matter to the stockholders as a matter of good corporate governance. Even if the appointment is ratified, the Board may, in its discretion, appoint a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders. If the appointment is not ratified, the Board will consider its options.

Representatives of Albert Wong are not expected to be present at the Annual Meeting.

Changes in Registrant's Certifying Accountant.

On January 14, 2013, the Company dismissed Baker Tilly Hong Kong ("Baker Tilly") as its independent registered public accounting firm and appointed Albert Wong as its new independent registered public accounting firm. The decision to appoint Albert Wong as the new independent registered public accounting firm was approved by the Audit Committee and the Board on January 14, 2013.

The report of Baker Tilly on our financial statements for the fiscal year ended December 31, 2011 contained no adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. Baker Tilly did not issue any report on our financial statements for the fiscal year ended December 31, 2010.

During the two most recent fiscal years and through the date of this report, the Company has had no disagreements with Baker Tilly on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Baker Tilly, would have caused it to make reference to the subject matter of such disagreements in its report on the Company's financial statements for such periods.

During the two most recent fiscal years and through the date of this report, there have been no reportable events as defined under Item 304(a)(1)(v) of Regulation S-K adopted by the SEC.

The Company provided Baker Tilly with a copy of this disclosure before its filing with the SEC. The Company requested that Baker Tilly provide the Company with a letter addressed to the SEC stating whether or not it agrees with the above statements, and the Company received a letter from Baker Tilly stating that it agrees with the above statements. A copy of this letter is filed as an exhibit to the Company's current report on Form 8-K filed on January 15, 2013 and is incorporated herein by reference.

The Audit Committee and the Board appointed Albert Wong as the new independent registered public accounting firm effective as of January 14, 2013. During the two most recent fiscal years and through the date of its engagement, the Company did not consult with Albert Wong regarding either (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or (2) any matter that was either the subject of a disagreement (as defined in Regulation S-K Item 304(a)(1)(iv)) or a reportable event (as described in Regulation S-K Item 304(a)(1)(v)).

Prior to engaging Albert Wong, Albert Wong did not provide the Company with either written or oral advice that was an important factor considered by the Company in reaching a decision to change its independent registered public accounting firm from Baker Tilly to Albert Wong.

Audit Fees

We incurred approximately \$120,000 for professional services rendered by our registered independent public accounting firm of Albert Wong for the integrated audit of the Company for 2012. We incurred approximately \$178,000 for professional services rendered by our former registered independent public accounting firm of Baker Tilly for the quarterly reviews for 2012 and the integrated audit of the Company for 2011.

Audit-Related Fees

We did not incur any audit-related fees in the fiscal years ended December 31, 2012 and 2011.

Tax Fees

We did not incur any tax fees in the fiscal years ended December 31, 2012 and 2011.

All Other Fees

We did not incur any fees from our registered independent public accounting firm for services other than the services covered in "Audit Fees" in the fiscal years ended December 31, 2012 and 2011.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and non-audit services performed by the Company's auditor and the fees to be paid in connection with such services in order to assure that the provision of such services does not impair the auditor's independence.

Vote Required and Board of Directors' Recommendation

Assuming a quorum is present, the affirmative vote of a majority of the votes cast at the Annual Meeting, either in person or by proxy, is required for approval of this proposal.

Our Board recommends a vote FOR ratification of the appointment of Albert Wong & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

PROPOSAL 3:

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Company provides its shareholders with the opportunity to cast an annual advisory vote to approve the compensation of its named executive officers as disclosed pursuant to the SEC's compensation disclosure rules (which disclosure includes the Compensation Discussion and Analysis, the compensation tables, and the narrative disclosures that accompany the compensation tables) (a "say-on-pay proposal"). The Company believes that it is appropriate to seek the views of shareholders on the design and effectiveness of the Company's executive compensation program.

At the Company's 2011 annual meeting of stockholders, approximately 74.2% of the votes cast supported the say-on-pay proposal. The Compensation Committee believes this affirmed shareholders' support of the Company's approach to executive compensation. We believe that our compensation policies for the named executive officers are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company's shareholders.

The Compensation Discussion and Analysis, beginning on page 14 of this Proxy Statement, describes the Company's executive compensation in more detail.

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, the Board will request your advisory vote to approve the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the named executive officers, as disclosed in this Proxy Statement pursuant to the SEC's executive compensation disclosure rules (which disclosure includes the Compensation Discussion and Analysis, the compensation tables, and the narrative disclosures that accompany the compensation tables), is hereby approved.

As an advisory vote, this proposal is not binding upon the Company, the Board or the Compensation Committee, and will not be construed as overruling a decision by the Company, the Board or the Compensation Committee or creating or implying any additional fiduciary duty for the Company, the Board or the Compensation Committee. However, the Compensation Committee and the Board value the opinions expressed by shareholders in their vote on this proposal and will continue to consider the outcome of the vote when making future compensation decisions regarding named executive officers.

The Company's current policy is to provide shareholders with an opportunity to approve the compensation of the named executive officers every three years at the annual meeting of shareholders. It is expected that the next such vote will occur at the 2016 annual meeting of shareholders.

Vote Required and Recommendation of the Board

Assuming a quorum is present, the affirmative vote of a majority of the votes cast at the Annual Meeting, either in person or by proxy, is required for approval of this proposal.

The Board recommends a vote FOR Proposal No. 3.

STOCKHOLDER PROPOSALS

Stockholders who wish to present proposals for inclusion in the Company's proxy materials for the 2014 Annual Meeting of Stockholders may do so by following the procedures prescribed in Rule 14a-8 under the Securities Exchange Act of 1934, as amended. To be eligible, the shareholder proposals must be received by our Chief Executive Officer at our principal executive office on or before August 25, 2014. Under SEC rules, you must have continuously held for at least one year prior to the submission of the proposal (and continue to hold through the date of the meeting) at least \$2,000 in market value, or 1%, of our outstanding stock in order to submit a proposal which you seek to have included in the Company's proxy materials. We may, subject to SEC review and guidelines, decline to include any proposal in our proxy materials.

Stockholders who wish to make a proposal at the 2014 Annual Meeting, other than one that will be included in our proxy materials, must notify us no later than September 20, 2013. If a shareholder who wishes to present a proposal fails to notify us by September 20, 2013, the proxies that management solicits for the meeting will confer discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting.

OTHER BUSINESS

While the accompanying Notice of Annual Meeting of Stockholders provides for the transaction of such other business as may properly come before the Meeting, the Company has no knowledge of any matters to be presented at the Annual Meeting other than those listed as Proposals 1, 2 and 3 in the notice. However, the enclosed Proxy Card gives discretionary authority in the event that any other matters should be presented.
