Edgar Filing: Net Element, Inc. - Form S-8

The description of the Company's Common Stock, \$0.0001 par value (the "Common Stock"), is contained under the caption "Description of NEI Securities—Common Stock" in the Company's Registration Statement on Form S-4 (Registration No. 333-182076), filed by the Company with the Commission on June 12, 2012, pursuant to Rule 424(b)(3) of the Securities Act, including any amendment or report filed for the purpose of updating such description.

In addition, all documents subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), after the date of this registration statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this registration statement and to be a part hereof from the date of filing of such documents.

Any statement contained in this registration statement or in any document incorporated by reference herein or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement or of the related prospectus to the extent that a statement contained herein, or in any other subsequently filed document which also is incorporated by reference herein or deemed to be incorporated by reference herein, modifies or supersedes such earlier statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this document.

Nothing in this registration statement shall be deemed to incorporate information furnished but not filed with the Commission pursuant to Item 2.02 or Item 7.01 of Form 8-K.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Article VIII of our Amended and Restated Certificate of Incorporation eliminates the personal liability of our directors for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the General Corporation Law of the State of Delaware (the "DGCL") for unlawful payment of dividends or unlawful stock purchases or redemptions or (iv) for any transaction from which the director derived an improper personal benefit.

Article IX of our Amended and Restated Certificate of Incorporation requires us to indemnify our directors and officers against liabilities they may incur in such capacities to the fullest extent permitted by Delaware law. Under Section 145 of the DGCL, we can indemnify our directors, officers and controlling persons against liabilities they may incur in such capacities (other than liabilities incurred as a result of an action by or in the right of the Company) if the indemnified person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. Under Section 145 of the DGCL, we can indemnify our directors, officers and controlling persons against liabilities incurred as a result of an action by or in the right of the Company if the indemnified person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company, except that no indemnification may be made in respect of any claim, issue or matter as to which such person is adjudged to be liable to the Company unless and only to the extent that the court determines such person is fairly and reasonably entitled to indemnity.

Article IX of our Amended and Restated Certificate of Incorporation also provides that the Company may, by action of the Board of Directors, provide indemnification to such employees and agents of the Company to the extent and to such effect as the Board of Directors determines is appropriate and authorized by Delaware law.

We have entered into indemnification agreements that require us to indemnify certain of our current and former executive officers and/or directors against liabilities they may incur in such capacities to the fullest extent permitted by applicable law if the indemnified person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. However, these indemnification agreements provide that the Company is not obligated to make any indemnification payment in connection with any claim made against the executive officer or director: (a) for which payment was actually made under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under such insurance policy or other indemnity provision; (b) for (i) an accounting of profits made from the purchase and sale (or sale and purchase) of securities of the Company within the meaning of Section 16(b) of the Exchange Act or similar provisions of state statutory law or common law, or (ii) any reimbursement of the Company by the executive officer or director of any bonus or other incentive-based or equity-based compensation or of any profits realized from the sale of securities of the Company, as required in each case under the Exchange Act; or (c) in connection with any proceeding (or any part of any proceeding) initiated by the executive officer or director unless (i) the Board of Directors authorized the proceeding (or part of the proceeding) prior to its initiation, (ii) such payment arises in connection with any mandatory counterclaim or cross-claim or

affirmative defense brought or raised by the executive officer or director or (iii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law.

In addition, our directors and officers are covered under directors' and officers' liability insurance policies maintained by us, subject to the limits and exclusions under the policies, insuring such persons against various liabilities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The list of exhibits filed as part of this registration statement is included in the Exhibit Index which is incorporated by reference herein.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(ii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange

Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
