Item 5.07. Submission of Matters to a Vote of Security Holders.

The Registrant held a special meeting of its stockholders on May 2, 2014. At the special meeting, there were 17,564,164 shares of the Registrant's common stock entitled to vote, and 11,926,444 (67.9%) were represented at the annual meeting in person and by proxy. The following summarizes vote results for the matter submitted to the Registrant's stockholders for action at the special meeting:

1. Proposal to authorize the Registrant's board of directors to effectuate, in its discretion, an amendment to the Registrant's Articles of Incorporation, as amended, to effectuate a reverse stock split of no less than 1-for-2 and no greater than 1-for-8 at any time before December 31, 2014, with special treatment for certain stockholders to preserve round lot holders.

<u>For</u>	<u>Against</u>	<u>Abstain</u>
9,747,484	2,166,420	12,540

The reverse stock split would become effective upon the filing of an amendment to the Registrant's Articles of Incorporation, as amended, with the Secretary of State of the State of Nevada, or at the later time set forth in the amendment. The exact timing of the amendment will be determined by the Registrant's board of directors based on its evaluation as to if and when such action will be the most advantageous to the Registrant and its stockholders. In addition, the Registrant's board of directors reserves the right, notwithstanding stockholder approval and without further action by the stockholders, to abandon the amendment and the reverse stock split if, at any time prior to the effectiveness of the filing of the amendment with the Secretary of State of the State of Nevada, the Registrant's board of directors, in its sole discretion, determines that it is no longer in the best interest of the Registrant and its stockholders to proceed.

The Registrant's board of directors' primary reason for approving and recommending the reverse stock split is to increase the per share price of the Registrant's common stock to meet the listing requirements of the NASDAQ Capital Market ("NASDAQ"). The Registrant's board of directors believes that attaining and maintaining the listing of the Registrant's common stock on NASDAQ is in the best interests of the Registrant and its stockholders.
