COMPAGNIE GENERALE DE GEOPHYSIQUE

CGG owns 7.51% in PGS

Paris, September 26th 2002

CGG announces today that it has accumulated 7.51% of the outstanding shares of PGS in open market purchases. As a leading seismic company, it is CGG's long term objective to work towards a consolidation in the seismic industry. CGG's exposure to PGS is limited to its holding of PGS shares.

CGG wishes to express support for the PGS board proposal announced 25th September 2002 by the Umoe group for election at the Extraordinary General Meeting scheduled for Friday 27th September 2002.

The information included herein contains certain forward-looking statements within the meaning of Section 27A of the securities act of 1933 and section 21^E of the Securities Exchange Act of 1934. These forward-looking statements reflect numerous assumptions and involve a number of risks and uncertainties as disclosed by the Company from time to time in its filings with the Securities and Exchange Commission. Actual results may vary materially.

The Compagnie Générale de Géophysique group is a global participant in the oilfield services industry, providing a wide range of seismic data acquisition, processing and geoscience services and software to clients in the oil and gas exploration and production business. It is also a global manufacturer of geophysical equipment.
