Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On March 8, 2007, management and the Audit Committee of the Board of Directors of Geron Corporation (the Company) determined that the Company's consolidated balance sheets as of December 31, 2005, 2004 and 2003, the related consolidated

statements of operations, stockholders' equity and cash flows for the years ended December 31, 2005, 2004 and 2003, and each quarter of 2005 and three quarters of 2006 did not account for warrants issued in connection with equity financings in conformity with Emerging Issues Task Force Issue 00-19, "Accounting for Derivative Financial Instruments Indexed to, and Potentially Settled in, a Company's Own Stock," (Issue 00-19). As a result, the referenced consolidated financial statements should no longer be relied upon.

The Company originally accounted for these warrants as equity in the consolidated financial statements. However, this treatment is not in conformity with the provisions of Issue 00-19, which would classify these warrants as liabilities at their fair value and thereafter re-measure the fair value at each subsequent quarterly reporting period and record such changes in fair value in the consolidated statements of operations.

On March 8, 2007, the Audit Committee discussed the matters disclosed in this Item 4.02 with management and the Company's independent registered public accounting firm, Ernst & Young LLP.

The Company intends to file financial statements required to be restated with its Annual Report on Form 10-K for the year ended December 31, 2006.

The Company's Press Release, dated March 9, 2007, is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
