Osasco, São Paulo, Brazil, November 21, 2003

To  
 Securities and Exchange Commission  
 Office of International Corporate Finance  
 Division of Corporate Finance  
 Washington, DC

Gentlemen,

Ref.: Payment of Complementary Interest on Own Capital  
 . Banco Bradesco S.A.

The Board of Executive Officers of Banco Bradesco S.A., gathered in a meeting held today, decided to propose to the Company's Board of Directors, in a meeting of this body to be held on December 5, 2003, the payment to the Company's Stockholders, in accordance with legal and statutory provisions, of Complementary Interest on Own Capital relating to the fiscal year 2003, in the amount of R\$0.5121493 for the common stock and R\$0.5633643 for the preferred stock, both per thousand stocks, which represent 36.3 times the monthly interest paid, benefiting the stockholders registered in the Bank's books on that date (December 5, 2003).

Upon approval of this proposal, the payment shall be settled on March 10, 2004, in the net amount of R\$0.4353269 for the common stock and R\$0.4788597 for the preferred stock, both per thousand stocks, after withholding Income Tax at a rate of 15% (fifteen percent), except for corporate stockholders, which are exempt from this taxation, and thus will receive the declared amount.

The Interest relating to stocks under custody at CBLC - Brazilian Company and Depository Corporation will be paid to CBLC, which will be transferred to the stockholders through the depository Brokers.

The table below presents the paid, declared and proposed Interest on Own Capital relating to the fiscal year 2003:

In R\$ thousands

Monthly	262,691
1st half - Intermediary	231,915
Complementary of the fiscal year	852,479
Total	1,347,085

Per thousand stocks in R\$

Type	Monthly	1st half - Intermediary	Complementary of the fiscal year	Total
ON	0.1647100	0.1411800	0.5121493	0.8180393
PN	0.1811810	0.1552980	0.5633643	0.8998433

The capital remuneration policy adopted by Bradesco, through the distribution of Interest on Own Capital in the maximum amount calculated in conformity with the current legislation, aims at creating stockholder value by means of increasing the return on the investment.

This policy has generated a distribution of Interest on Own Capital and/or Dividend in amounts much higher than the minimum established in the Company's Bylaws, of 30% (thirty percent) of the adjusted Net Income.

The amounts distributed as Interest on Own Capital are included, net of withholding Income Tax, in the calculation of the mandatory Dividend, as provided in the Company's Bylaws.

Cordially,

Banco Bradesco S.A.  
 Márcio Artur Laurelli Cypriano  
 President of Executive Board

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
