QUESTIONS AND ANSWERS ABOUT THE MERGER

WHAT ARE THE MAIN TERMS OF THE MERGER?

We are currently incorporated in Nevada and governed by Nevada law. Money Centers is currently incorporated in Delaware and governed by Delaware law. Following the Merger Money Centers, as the surviving entity, will continue to be governed by Delaware law.

Following the Merger, the name of the surviving corporation will be "Money Centers of America, Inc."

Money Centers' Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws are similar to iGames' and are attached to this Information Statement as Exhibits "B" and "C," respectively, with the exception that Money Centers has authorized capital stock of 150,000,000 shares of common stock and 20,000,000 shares of "blank check" preferred stock, compared to iGames' authorized capital stock of 12,500,000 shares and 5,000,000 shares, respectively. In addition, Money Centers' Amended and Restated Certificate of Incorporation includes a provision placing certain obligations on holders of 5% or more of its capital stock.

In the Merger, each holder of shares of Common Stock will receive one share of Money Centers' common stock, par value \$0.001 (the "Money Centers Common Stock") for each share of Common Stock and each holder of shares of

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

iGames Series A Convertible Preferred Stock (the "Series A Preferred Stock") will receive 11.5 shares of Money Centers Common Stock for each share of Series A Preferred Stock. Options and warrants to purchase Common Stock, other than warrants issued as part of the Merger consideration in iGames' acquisition of Money Centers (the "Money Centers Merger Warrants"), will be deemed options and warrants to purchase the same number of shares of Money Centers Common Stock with no change in exercise price. Money Centers Merger Warrants will be cancelled in exchange for 1.15 shares of Money Centers Common Stock for each share of Common Stock purchasable thereunder.

The holders of our Series A Preferred Stock currently have the right to require that we redeem the Series A Preferred Stock, together with certain related warrants to purchase shares of our common stock, in exchange for the capital stock of Money Centers, our principal operating subsidiary. Pursuant to the Merger, this redemption right will be eliminated and the Series A Preferred Stock and related warrants will be exchanged for shares of Money Centers Common Stock. However, the exchange ratio for the Series A Preferred Stock and the related warrants is greater than the exchange ratio for shares of our common stock, as a result of which the holders of the Series A Preferred Stock and related warrants will increase their percentage ownership in the surviving entity (on a fully-diluted basis) from 63.16% to 66.35%.

Our business, Board of Directors, officers, employees, assets and liabilities and the location of our offices will remain unchanged.

Our fiscal year end will change from March 31 to December 31.

A copy of the Merger Agreement is attached to this Information Statement as Exhibit "A."

WHY DO THE HOLDERS OF SERIES A PREFERRED STOCK AND MONEY CENTERS MERGER WARRANTS RECEIVE MORE SHARES OF MONEY CENTERS COMMON STOCK THAN OTHER SECURITIES HOLDERS OF IGAMES?

Under the Certificate of Designation with respect to the Series A Preferred Stock, the holders of a majority of the Series A Preferred Stock have the right to demand that iGames redeem the Series A Preferred Stock and the Money Centers Merger Warrants upon termination of the November 3, 2003 Stock Purchase Agreement between iGames and Equitex, Inc. (the "Equitex Agreement"). The Equitex Agreement was terminated by iGames on March 12, 2003. Pursuant to such a redemption, the holders of the Series A Preferred Stock and the Money Centers Merger Warrants would have received, as redemption consideration, 100% of the outstanding capital stock of Money Centers, which is iGames only operating subsidiary. The holders of the Series A Preferred Stock and the Money Centers Merger Warrants have agreed not to exercise the right to redemption in exchange for an increase in their collective percentage ownership from the current 63.16% to 66.35%, which will be effected by the exchange ratio in the Merger.

1

WHY DID THE BOARD OF DIRECTORS APPROVE THE MERGER?

Following the Board of Directors' consideration of a number of factors, including in particular the consequences to iGames' future business prospects of the redemption of the Series A Preferred Stock and Money Centers Merger Warrants, the special committee of the Board of Directors appointed to review the Merger recommended to the Board of Directors, and the Board of Directors determined, that the Merger Agreement and the transactions contemplated thereby are advisable and fair to and in the best interests of our stockholders.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

WHY IS THERE NOT GOING TO BE A STOCKHOLDERS MEETING?

Under Nevada law, any action that is required to be taken, or that may be taken, at any annual or special meeting of stockholders of a Nevada corporation may be taken, without a meeting, without prior notice and without a vote, if a written consent, setting forth the action taken, is signed by the holder or holders of the outstanding voting securities having not less than the minimum number of votes necessary to authorize such action. As of January 16, 2004, the date on which the stockholders holding more than fifty percent (50%) of the voting power of issued and outstanding capital stock executed the stockholder consent, Christopher M. Wolfington held the voting power for 2,000 shares of Common Stock and 973,181 shares of Series A Preferred Stock, each of which has the voting power of ten (10) shares of Common Stock, and Jeremy Stein held the voting power for 112,500 shares of Common Stock, which is approximately 65.32% and .59%, respectively, of the total number of votes entitled to be cast by outstanding shares of Common Stock and Series A Preferred Stock, voting as a single class, our sole voting securities currently issued and outstanding. Because the Merger and the Plan have been approved by a majority of the issued and outstanding voting shares as required by Nevada law, no further votes are required. Corporate actions taken by written consent of the majority stockholders will take effect 20 days after the mailing of this Information Statement, which date is on or about _____, 2004.

WHAT WILL I RECEIVE FOR MY SHARES OF COMMON STOCK IF THE MERGER IS COMPLETED?

You will receive one share of Money Centers Common Stock for each share of our common stock that you own immediately before the Merger.

WHEN WILL I RECEIVE THE NEW STOCK?

Following the Merger, you will receive written instructions for surrender of certificates evidencing your common stock. You will receive the Money Centers Common Stock upon surrender of the certificates in accordance with those instructions.

WHEN DO YOU EXPECT THE MERGER TO BE COMPLETED?

The Merger will be completed approximately 20 days following the mailing date of this Information Statement, or approximately _____, 2004.

WHAT CAN I DO IF I AM NOT SATISFIED WITH THE MONEY CENTERS COMMON STOCK I WILL RECEIVE FOR MY SHARES?

Under Nevada law, if you are not satisfied with what you are receiving in the Merger, you are legally entitled to have the value of your shares judicially determined. Any consideration that you receive for your shares of capital stock pursuant to such judicial valuation could be more or less than you would have received pursuant to the Merger. To exercise your dissenters' rights, you must follow certain procedures under Nevada law. If you do not follow these procedures exactly, you will lose your dissenters' rights.

SHOULD I SEND IN MY STOCK CERTIFICATES NOW?

No, you should not send us your stock certificates prior to the Merger. If the Merger is completed, you will receive written instructions for exchanging your stock certificates for cash.

WHAT ARE THE TAX CONSEQUENCES TO ME?

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

The Merger is intended to qualify as a tax-free reorganization for United States federal income tax purposes. If the Merger does so qualify, no gain or loss would generally be recognized by our U.S. shareholders upon conversion of their shares of common stock in our company into shares of common stock in Money Centers pursuant to the Merger. We believe, but cannot assure you, that there will be no tax consequences for holders of our shares. You are urged to consult your own tax advisor for tax implications related to your particular situation.

WHO CAN HELP ANSWER MY QUESTIONS ABOUT THE TRANSACTIONS?

If you have additional questions about these transactions, you should contact Christopher M. Wolfington, at (610) 354-8888.

MERGER CONSIDERATION (SEE PAGE 19)

Pursuant to the Merger, each issued and outstanding share of our common stock (other than shares as to which dissenters' rights have been properly exercised) will be converted into the right to receive one share of Money Centers Common Stock and each option or warrant to purchase shares of our common stock (other than the Money Centers Merger Warrants) will be converted into an option or warrant to purchase shares of Money Centers common stock at the same exercise price. APPROVAL OF THE BOARD OF DIRECTORS OF IGAMES (SEE PAGE 9)

The Board of Directors has unanimously approved the Merger Agreement and the Merger on the terms and conditions set forth in the Merger Agreement.

REASONS FOR THE MERGER (SEE PAGES 5-9)

In reaching its decision to approve the Merger Agreement, the Board of Directors considered a number of factors, including among others:

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

- o The relative merits of Nevada and Delaware as states of incorporation; and
- o The potential impact on iGames and its ability to remain as a viable business entity in the event that the Series A Preferred Stock is redeemed and Money Centers is no longer a subsidiary of iGames.

CONDITIONS TO THE MERGER (SEE PAGE 20)

The completion of the Merger depends upon a number of conditions being satisfied, including the following:

- o approval of the Merger by our stockholders (which has been obtained); and
- o no law or proceeding restraining, enjoining or otherwise preventing consummation of the Merger.

4

INTERESTS OF CERTAIN PERSONS IN THE MERGER (SEE PAGE 18)

iGames stockholders should be aware that members of the management and the Board of Directors have particular interests in the Merger that may be different from, or in addition to, the interests of iGames stockholders generally. In particular, Christopher M. Wolfington, Chairman and Chief Executive Officer of iGames, holds 1,243,509 shares of Series A Preferred Stock and Money Centers Merger Warrants to purchase 2,500,000 shares of our common stock.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER TO IGAMES STOCKHOLDERS (SEE PAGE 18)

The Merger is intended to qualify for federal income tax purposes as a "reorganization" within the meaning of Section 368(a)(1)(F) of the Code. In general, provided that the Merger does so qualify, no gain or loss will be recognized for federal income tax purposes by iGames stockholders with respect thereto on the conversion of their stock into shares of Money Centers Common Stock and no gain or loss will be recognized for federal income tax purposes by iGames or Money Centers.

RIGHTS OF DISSENTING STOCKHOLDERS (SEE PAGE 21)

A copy of Sections 92A.300 through 92A.500 of the Nevada Revised Statutes, which grant dissenters' rights to iGames stockholders, is attached to this document as Annex "A." Please read these provisions of Nevada law in their entirety.

Under Nevada law, iGames stockholders who follow the appropriate procedures will be entitled to receive payment of the fair value of their shares of our common stock.

RECORD DATE AND VOTE REQUIRED

Only holders of record of Common Stock and Series A Preferred Stock as of the close of business on August 31, 2004, the Record Date, will be entitled to receive this Information Statement. Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

entitled to cast one vote and each share of Series A Preferred Stock is entitled to cast 10 votes.

THE MERGER

GENERAL.

On August 9, 2004, our Board of Directors approved, subject to stockholder approval, the Merger, pursuant to which iGames will merge with and into its wholly-owned subsidiary, Money Centers. The Merger was approved on August 10, 2004 by written consent of two stockholders who collectively hold 65.91% of the aggregate voting power of our Common Stock and Series A Preferred Stock. The effect of the Merger will be to:

- o change our state of incorporation from Nevada to Delaware;
- o change our name from iGames Entertainment, Inc. to Money Centers of America, Inc.;
- o increase our authorized Common Stock from 12,500,000 shares to 150,000,000 shares;
- o increase our authorized Preferred Stock from 5,000,000 shares to 20,000,000 shares;
- o add a provision to our Articles of Incorporation that would require any stockholder owning 5% or more of our issued and outstanding capital stock to agree in writing to comply with certain rules and regulations of any gaming authority which has jurisdiction over us or our subsidiaries and permit us to redeem such stockholder's shares if such stockholder's ownership of our capital stock may result in the disapproval, modification, or non-renewal of any of our gaming operations

5

contracts or the loss or non-reinstatement of any license or franchise from any governmental agency held by us or any of our subsidiaries; and

- o eliminate the right of the holders of our Series A Preferred Stock to effect a redemption of the Series A Preferred Stock and Money Centers Merger Warrants, all issued in connection with our January 2004 acquisition of Money Centers, and effect the conversion of the outstanding Series A Preferred Stock, and exercise of the Money Centers Merger Warrants, into shares of common stock of the surviving entity, in exchange for an increase in the percentage of the common stock of the surviving entity (calculated on a fully-diluted basis) held by the former holders of the Series A Preferred Stock and Money Centers Merger Warrants from 63.16% to 66.35%.

BACKGROUND OF THE MERGER

On January 2, 2004, iGames acquired Money Centers by merging Money Centers into a newly-formed subsidiary. In the merger, the former stockholders of Money Centers received 1,351,640 shares of iGames Series A Preferred Stock and Money Centers Merger Warrants to purchase 3,800,000 shares of our common stock. This acquisition was completed in anticipation of the acquisition by iGames of Chex Services, Inc. from Equitex, Inc. pursuant to the terms of a Stock Purchase Agreement dated November 3, 2003 between iGames and Equitex, Inc. Accordingly, the Certificate of Designation for the Series A Preferred Stock,

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

and the Money Centers Merger Warrants, provide in part that the holders of a majority of the Series A Preferred Stock would have the right to effectively "unwind" the Money Centers acquisition, through a redemption of the Series A Preferred Stock and Money Centers Merger Warrants in exchange for the capital stock of Money Centers, within 60 days after the Chex Services Stock Purchase Agreement was terminated under certain circumstances.

On March 12, 2004, iGames terminated the Chex Services Stock Purchase Agreement under circumstances that qualified to grant the foregoing redemption rights. On May 11, 2004, Christopher M. Wolfington, the holder of a majority of the Series A Preferred Stock, notified iGames in writing that he intended to exercise the redemption right, but was willing to discuss potential terms on which he would not exercise the redemption right. In order to pursue these discussions, the Board of Directors extended the deadline for exercise of the redemption right until September 30, 2004, and appointed a committee consisting of Wayne DiMarco and Barry Bekkedam (the "Series A Committee") to enter into discussions with Mr. Wolfington. Following those discussions, Mr. Wolfington and the Series A Committee reached an agreement that, through the vehicle of a merger of iGames into Money Centers, the Series A Preferred Stock and Money Centers Merger Warrants would be converted into shares of Money Centers Common Stock at an exchange ratio that was slightly higher (1.15 compared to 1.0) than the exchange ratio for iGames' common stock in exchange for the agreement not to require redemption of the Series A Preferred Stock and Money Centers Merger Warrants.

In conjunction with the discussions with Mr. Wolfington, the Board of Directors reviewed iGames' capital structure and concluded that reincorporation in Delaware was advisable.

On August 9, 2004, the Board of Directors authorized amendments to iGames' Articles of Incorporation that would have changed its name to "Money Centers of America, Inc." and increased its authorized common stock and preferred stock to the levels reflected in Money Centers' Certificate of Incorporation.

As a result of the discussions and reflecting the other determinations of the Board of Directors, the committee negotiated the terms and conditions of the Merger reflected in the Merger Agreement.

REASONS FOR CHANGING OUR STATE OF INCORPORATION

The Board of Directors has determined that reincorporation in Delaware is in the best interests of our company and our stockholders because:

- o the State of Delaware has long been the leader in adopting, construing and implementing comprehensive, flexible corporation laws that are conducive to the operational needs and independence of corporations domiciled in that State;

6

- o The corporation law of Delaware is widely regarded as the most extensive and well-defined body of corporate law in the United States;
- o Both the legislature and the courts in Delaware have demonstrated an ability and a willingness to act quickly and effectively to meet changing business needs; and
- o The Delaware judiciary has acquired considerable expertise in dealing with complex corporate issues. Moreover, the Delaware

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

courts have repeatedly shown their willingness to accelerate the resolution of complex corporate issues to meet the needs of parties engaged in corporate litigation.

We anticipate that the DGCL will continue to be interpreted and construed in significant court decisions, thus lending greater predictability and guidance in managing and structuring the internal affairs of our company and our relationships and contacts with others. In addition, see " Comparison of Certain Rights of iGames Stockholders Under Nevada and Delaware Law" below.

REASONS FOR INCREASING THE MERGER EXCHANGE RATIO FOR THE SERIES A PREFERRED STOCK

As a result of the termination of the Chex Services, Inc. acquisition, the holders of the Series A Preferred Stock have the right to cause the Series A Preferred Stock and Money Centers Merger Warrants to be redeemed in exchange for the capital stock of Money Centers. If that redemption were to occur, iGames would be left with Available Money as its only operating entity. However, as Available Money's operations are conducted by Money Centers' personnel, and those personnel would no longer be available to iGames for that purpose, the Series A Committee of the Board had serious concerns regarding iGames' ability to continue the Available Money business operation following a redemption and felt that iGames would be unable to find a buyer for the Available Money operation at other than a "distress level" price. Therefore, the Series A Committee determined that the agreement to exchange the Series A Preferred Stock and Money Centers Merger Warrants on a slightly favorable basis, resulting in an increase in the aggregate fully-diluted ownership of the surviving entity by the former holders of Series A Preferred Stock and Money Centers Merger Warrants, from 63.16% to 66.35%, was in the best interests of the holders of iGames' Common Stock.

REASONS FOR CHANGING OUR NAME

Since our inception in 2001, we have engaged in the business of developing, manufacturing and marketing technology-based products such as slot machine security devices and table games for the gaming industry. Beginning with the acquisitions of Money Centers of America, Inc., a Delaware corporation ("Money Centers"), and Available Money, Inc., a Nevada corporation ("Available Money"), in January 2004, we implemented a new business plan to become a single source provider of cash access products and services to casinos and other gaming facilities. The Board of Directors has determined that the name of our corporation no longer reflects the primary business in which we are presently engaged and that the name Money Centers of America, Inc. will more clearly identify our corporation as a market leader in the gaming industry and improve our marketing and acquisition efforts.

Upon completion of the Merger, we will attempt to have the trading symbol for the Common Stock changed from "IGME" to a symbol more readily associated with our new name. The currently outstanding stock certificates evidencing shares of Common Stock bearing the name "iGames Entertainment, Inc." will continue to be valid and represent shares of Common Stock following the name change. In the future, new certificates will be issued bearing our new name, but this will in no way affect the validity of your current stock certificates.

REASONS FOR INCREASING OUR AUTHORIZED STOCK

The Board of Directors believes that it is advisable and in our best interests to have available additional authorized but unissued shares of Common and Preferred Stock to provide for future needs. Currently, we have authorized (i) 12,500,000 shares of Common Stock with 5,524,394 shares of Common Stock issued and outstanding, 5,388,386 shares of Common Stock reserved for issuance

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

upon the exercise of outstanding warrants and 10,000,000 shares of Common Stock reserved for issuance upon the exercise of outstanding options and options to be granted pursuant to the Plan, and (ii) 5,000,000 shares of Preferred Stock, with 1,351,640 shares of Series A Preferred Stock issued and outstanding. The additional but unissued shares of Common and Preferred Stock will be available for

7

issuance from time to time in the discretion of the Board of Directors, normally without further stockholder action (except as may be required for a particular transaction by applicable law, requirements of regulatory agencies or by stock exchange rules of any stock exchange on which the Common and Preferred Stock may be listed in the future), for any proper corporate purpose including, among other things, future acquisitions of property or securities of other corporations, stock dividends, stock splits, stock options, convertible debt and equity financing. Our Board of Directors believes that the additional but unissued Common and Preferred Stock may be necessary for future acquisitions and to attract potential new equity capital necessary to carry out our business objectives. Specifically, our current business objectives include an acquisition strategy to diversify the types of services we offer within the gaming industry. The first step in this diversification process was our acquisitions of Money Centers and Available Money.

On January 2, 2004, we acquired all of the issued and outstanding capital stock of Money Centers by virtue of a reverse triangular merger between our wholly-owned subsidiary, Money Centers Acquisition, Inc., a Delaware corporation, and Money Centers (the "Merger"). As a result of the Merger, Money Centers is our wholly-owned subsidiary. In connection with the Merger, the former stockholders of Money Centers received 1,351,640 shares of our Series A Preferred Stock and warrants to purchase 3,800,000 shares of our Common Stock.

Money Centers is a single source provider of cash access services to the gaming industry. Money Centers has combined state-of-the-art technology with personalized customer services to deliver the best in ATM, Credit Card Advance, POS Debit, Check Cashing Services, CreditPlus outsourced marker services, and merchant card processing. As the top suppliers to the gaming industry have consolidated service offerings, our acquisition of Money Centers will meet the growing trend towards single source providers of products and services to casinos and other gaming facilities worldwide. This trend supports our business plan to identify fragmented segments of the market to capitalize on merger and acquisition targets of synergistic companies that support our business model. The combined companies will gain wider exposure within the casino and gaming industry.

On January 6, 2004, we acquired all of the issued and outstanding capital stock of Available Money from its prior stockholders. As part of this transaction, we issued 1,470,590 shares of Common Stock to the former owners of Available Money as payment of \$2,000,000 of the purchase price in this transaction. Available Money provides ATM services at 18 casino locations.

We anticipate that Money Centers will use the additional shares of Money Centers Common Stock in connection with future acquisitions. It is our intention to continue to acquire companies that offer check cashing and other cash access services in the gaming sector to increase our market share in the industry. We presently have no specific plans to issue additional shares of Preferred Stock at this time.

REASONS FOR ADDING A CHARTER PROVISION RELATING TO GAMING LICENSING MATTERS

The Certificate of Incorporation of Money Centers includes a provision

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

regarding stockholders who own five percent (5%) or more of its issued and outstanding capital stock and are found by governmental authorities to be not licensable, suitable or qualified to be stockholders of Money Centers, or who are required to apply for licensing or to be found suitable or qualified, but fail to do so.

The jurisdictions in which Money Centers and its subsidiaries conduct business have strict laws regarding ownership of stock of companies, such as Money Centers, which hold or control holders of gaming licenses. Although the proposed Article XII would apply to determinations by any governmental authorities, it is intended particularly to help us comply with requirements of the National Indian Gaming Commission and the gaming authorities of the jurisdictions in which we do business.

This provision could discourage someone who might want to solicit tenders of, or otherwise acquire, a substantial portion of our stock from doing so and, therefore, might deprive stockholders of an opportunity to sell their stock at a premium above the market price of the stock. However, the Board of Directors believes the potential harm to us and our stockholders from having a significant amount of our stock held by a person who is found not licensable, suitable or qualified to be a stockholder, or who refuses to file a required application to be licensed or found suitable or qualified, is substantially more significant than the possibility that the provision would deter someone from seeking to acquire a large portion of our stock.

8

BOARD APPROVAL

After careful consideration, the Board of Directors has unanimously determined that the terms of the Merger Agreement and the Merger on substantially the terms and conditions set forth in the Merger Agreement are advisable and are fair to, and in the best interests of, iGames and its common stockholders and has approved the Merger Agreement and the Merger on substantially the terms and conditions set forth in the Merger Agreement.

COMPARISON OF CERTAIN RIGHTS OF IGAMES STOCKHOLDERS UNDER NEVADA AND DELAWARE LAW

iGames is a Nevada corporation and the rights of its stockholders are governed by the Nevada Revised Statutes (the "NRS") and the Articles of Incorporation and By-Laws of iGames (the "iGames Articles" and "iGames By-Laws," respectively). Upon completion of the Merger, the stockholders of iGames will become stockholders of Money Centers and their rights will be governed by the Money Centers Certificate of Incorporation and By-Laws (the "Money Centers Certificate" and "Money Centers By-Laws," respectively), which differ in certain material respects from the iGames Articles and iGames By-Laws. As stockholders of Money Centers, the rights of our stockholders will also be governed by the Delaware General Corporation Law (the "DGCL") instead of the NRS.

The following comparison of the DGCL and the Money Centers Certificate and Money Centers By-Laws, and the NRS and the iGames Articles and iGames By-Laws, summarizes the material differences, but is not intended to list all differences.

Business Combinations

Generally, under the DGCL and the NRS, the approval by the affirmative vote of the holders of a majority of the outstanding stock (or, if the certificate or articles of incorporation, as the case may be, provides for more or less than one vote per share, a majority of the votes of the outstanding

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

stock) of a corporation entitled to vote on the matter is required for a merger or consolidation or sale, lease or exchange of all or substantially all the corporation's assets to be consummated. Neither the Money Centers Certificate nor the iGames Articles provides for any different required vote.

State Takeover Legislation

Delaware. DGCL Section 203 (the "Delaware Business Combination Law"), in general, prohibits a business combination between a corporation and an interested stockholder within three years of the time such stockholder became an interested stockholder, unless:

- o prior to such time the board of directors of the corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- o upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, exclusive of shares owned by directors who are also officers and by certain employee stock plans; or
- o at or subsequent to such time, the business combination is approved by the board of directors and authorized by the affirmative vote at a stockholders' meeting of at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder.

The term "business combination" is defined to include, among other transactions between an interested stockholder and a corporation or any direct or indirect majority owned subsidiary thereof, a merger or consolidation; a sale, pledge, transfer or other disposition (including as part of a dissolution) of assets having an aggregate market value equal to 10% or more of either the aggregate market value of all assets of the corporation on a consolidated basis or the aggregate market value of all the outstanding stock of the corporation; certain transactions that would increase the interested stockholder's proportionate share ownership of the stock of any class or series of the corporation or such subsidiary; and any receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation or any such subsidiary. In

9

general, and subject to certain exceptions, an "interested stockholder" is any person who is the owner of 15% or more of the outstanding voting stock (or, in the case of a corporation with classes of voting stock with disparate voting power, 15% or more of the voting power of the outstanding voting stock) of the corporation, and the affiliates and associates of such person. The term "owner" is broadly defined to include any person that individually or with or through such person's affiliates or associates, among other things, beneficially owns such stock, or has the right to acquire such stock (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement or understanding or upon the exercise of warrants or options or otherwise or has the right to vote such stock pursuant to any agreement or understanding, or has an agreement or understanding with the beneficial owner of such stock for the purpose of acquiring, holding, voting or disposing of such stock.

The restrictions of the Delaware Business Combination Law do not apply

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

to corporations that have elected, in the manner provided therein, not to be subject to the Delaware Business Combination Law or, with certain exceptions, which do not have a class of voting stock that is listed on a national securities exchange or authorized for quotation on the Nasdaq Stock Market or held of record by more than 2,000 stockholders. The Money Centers Certificate and the Money Centers By-Laws do not opt out of the Delaware Business Combination Law.

Nevada. Nevada law prevents an "interested stockholder" and a Nevada corporation from entering into a "combination", unless certain conditions are met. A "combination" means any merger or consolidation with an "interested stockholder," or any sale, lease, exchange, mortgage, pledge, transfer or other disposition, in one transaction or a series of transactions with an "interested stockholder" having: (i) an aggregate market value equal to 5% or more of the aggregate market value of the assets of a corporation; (ii) an aggregate market value equal to 5% or more of the aggregate market value of all outstanding shares of a corporation; or (iii) representing 10% or more of the earning power or net income of the corporation. An "interested stockholder" means a person or entity holding the beneficial ownership of 10% or more of the outstanding voting shares of a corporation, or an affiliate or associate thereof. A corporation may not engage in a combination within three years after the interested stockholder acquires his shares unless the combination or purchase is approved by the board of directors before the interested stockholder acquired such shares. If approval is not obtained, after the expiration of the three-year period, the business combination may be consummated with the approval of the board of directors or a majority of the voting power held by disinterested stockholders, or if the consideration to be paid by the interested stockholder is at least equal to the greater of (i) the highest price per share paid by the interested stockholder within the three years immediately preceding the date of the announcement of the combination or in the transaction in which he became an interested stockholder, whichever is higher, (ii) the market value per common share on the date of announcement of the combination or the date the interested stockholder acquired the shares, whichever is higher, or (iii) if higher for the holders of preferred stock, the highest liquidation value of the preferred stock. Nevada law does not require a tender offer or to file a registration statement or information statement with the state of Nevada.

The restrictions of Nevada law relating to combinations with interested stockholders do not apply to corporations that have elected, in the manner provided therein, not to be subject to the relevant sections of Nevada law or, with certain exceptions, which do not have a class of voting stock registered with the Securities and Exchange Commission under Section 12 of the Securities Exchange Act. The iGames Articles and iGames By-Laws do not opt out of the Nevada laws relating to combinations with interested stockholders.

Appraisal Rights

Delaware. Under the DGCL, except as otherwise provided by the DGCL, stockholders of a constituent corporation in a merger or consolidation have the right to demand and receive payment of the fair value of their stock in a merger or consolidation. However, except as otherwise provided by the DGCL, stockholders do not have appraisal rights in a merger or consolidation if, among other things, their shares are:

- o listed on a national securities exchange or designated as a national market system security on an inter-dealer quotation system by the National Association of Securities Dealers, Inc. (the "NASD"); or
- o held of record by more than 2,000 stockholders;

and, in each case, the consideration such stockholders receive for their shares

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

in a merger or consolidation consists solely of:

10

- o shares of stock of the corporation surviving or resulting from such merger or consolidation;
- o shares of stock of any other corporation that at the effective date of the merger or consolidation will be either listed on a national securities exchange, or designated as a national market system security on an interdealer quotation system by the NASD, which is expected to be true in the case of both Class A Common Stock and Class B Common Stock to be issued pursuant to the Merger, or held of record by more than 2,000 stockholders;
- o cash in lieu of fractional shares of the corporations described in the two immediately preceding bullet points; or
- o any combination of shares of stock and cash in lieu of fractional shares described in the three immediately preceding bullet points.

Nevada. A stockholder of a Nevada corporation, with certain exceptions, has the right to dissent from, and to obtain payment of the fair value of his shares in the event of:

- o consummation of a plan of merger to which the corporation is a party and to which such stockholder would have had a right to vote;
- o consummation of a plan of exchange to which the corporation is a party as the corporation whose shares will be acquired, if the stockholder is entitled to vote on the plan; and
- o any corporate action taken pursuant to a vote of the stockholders to the extent that the articles of incorporation, bylaws or a resolution of the board of directors provides that voting or non-voting stockholders are entitled to dissent and obtain payment for their shares.

The NRS provide that unless a corporation's articles of incorporation provide otherwise, which the iGames Articles do not, a stockholder does not have dissenters' rights with respect to a plan of merger or share exchange if the shares held by the stockholder are either listed on a national securities exchange, designated as a national market system security on an interdealer quotation system by the NASD, or held of record by 2,000 or more stockholders. A stockholder of record of a Nevada corporation may assert dissenter's rights as to less than all of the shares registered in his name only if he dissents with respect to all shares beneficially owned by any one person and notifies the corporation in writing of the name and address of each person on whose behalf he asserts dissenter's rights. In such event, the stockholder's rights shall be determined as if the shares as to which he dissents and his other shares were registered in the names of different stockholders. See "The Merger--Appraisal Rights."

Amendments To Charters

Under the DGCL, unless the certificate of incorporation requires a greater vote, a proposed amendment to the certificate of incorporation requires an affirmative vote of a majority of the voting power of the outstanding stock

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

entitled to vote thereon and a majority of the voting power of the outstanding stock of each class entitled to vote thereon. The Money Centers Certificate does not require a greater vote. The approval of the holders of a majority of the outstanding shares of any class of capital stock of a corporation, voting separately as a class, is required under the DGCL to approve a proposed amendment to a corporation's certificate of incorporation, whether or not entitled to vote on such amendment by the certificate of incorporation, if the amendment would increase or decrease the aggregate number of authorized shares of such class (except as provided in the last sentence of this paragraph), increase or decrease the par value of the shares of such class, or alter or change the powers, preferences or special rights of the shares of such class so as to affect them adversely. For this purpose, if a proposed amendment would alter or change the powers, preferences or special rights of one or more series of any class so as to affect them adversely, but would not so affect the entire class, then only the shares of the series so affected by the amendment would be entitled to vote as a separate class on the amendment. Accordingly, a proposed amendment the adverse effect of which on the powers, preferences or special rights of any series of common stock does not differ from its adverse effect on the powers, preferences or special rights of any other series of common stock would not entitle such series to vote as a class separately from the other series of common stock. The authorized number of shares of any class of stock may be increased or decreased (but not below the number of shares of such class

11

outstanding) by the requisite vote described above if so provided in the original certificate of incorporation or in any amendment thereto that created such class of stock or that was adopted prior to the issuance of any shares of such class, or in an amendment authorized by a majority vote of the holders of shares of such class.

An amendment to a Nevada corporation's articles of incorporation must be approved by the corporation's stockholders. Under the NRS, unless a Nevada corporation's articles of incorporation or its board of directors require a greater vote, an amendment to a Nevada corporation's articles of incorporation must generally be approved by a majority of the votes entitled to be cast on the amendment. If such amendments would increase or decrease the number of authorized shares of any class or series or the par value of such shares or would adversely affect the shares of such class or series, a majority of the outstanding stock of such class or series would also have to approve the amendment. The iGames Articles do not include any provision requiring greater than a majority of votes to amend them.

Amendments To By-Laws

Under the DGCL, the power to adopt, alter and repeal by-laws is vested in the stockholders, except to the extent that a corporation's certificate of incorporation vests concurrent power in the board of directors or the by-laws state otherwise. The Money Centers Certificate provides that the board of directors has the power to make and to alter or amend the Money Centers By-Laws. The Money Centers By-Laws may be amended by the stockholders of Money Centers at any meeting, or by the Money Centers board of directors at any meeting by a majority vote of the full Money Centers board of directors or by a consent in writing signed by the entire Money Centers board of directors.

Under the NRS, except as otherwise provided in the certificate of incorporation, by-laws may be amended, repealed or adopted by the Board of Directors. The iGames Articles do not provide otherwise.

No Preemptive Rights

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Under the DGCL, a stockholder does not possess preemptive rights unless such rights are specifically granted in the certificate of incorporation. The Money Centers Certificate does not provide for preemptive rights.

Under the NRS, unless otherwise provided in the articles of incorporation, stockholders do not have preemptive rights. The iGames Articles specifically state that stockholders have no preemptive rights.

Duration of Proxies

Under the DGCL, no proxy is valid more than three years after its date unless otherwise provided in the proxy. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A proxy may be made irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the corporation generally.

Under the NRS, no proxy will be valid for more than six months after its creation unless the stockholder specifies in the proxy the length of time that it will be valid, which may not exceed seven years from the date of its creation.

Stockholder Action

Under both the DGCL and the NRS, unless otherwise provided in the certificate of incorporation, any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a written consent or consents setting forth the action taken is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote upon such action were present and voted. Neither the Money Centers Certificate nor the iGames Articles provide otherwise.

Under both the NRS and DGCL, directors are generally elected by a plurality of the votes cast by the stockholders entitled to vote at a stockholders' meeting at which a quorum is present. With respect to matters other than the election of directors, unless a greater number of affirmative votes is required by the statute or the

12

corporation's articles or certificate of incorporation, if a quorum exists, action on any matter is generally approved by the stockholders if the votes cast by the holders of the shares represented at the meeting and entitled to vote on the matter favoring the action exceed the votes cast opposing the action. In the case of a merger of a Nevada corporation, the affirmative vote of the holders of a majority of the issued and outstanding shares entitled to vote is required under the NRS.

Neither the iGames Articles nor the iGames By-Laws include a provision requiring a greater vote on any matter than required by the NRS. The iGames Articles and iGames By-Laws both provide that any action required or permitted to be taken by the Board of Directors or the stockholders at a meeting may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all directors or stockholders, as the case may be.

Under both the DGCL and the NRS, unless otherwise provided in a corporation's articles or certificate of incorporation or bylaws, a majority of shares entitled to vote on a matter constitutes a quorum at a meeting of stockholders. The NRS provides that the articles of incorporation or bylaws may

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

provide for a greater or lesser quorum requirement. The iGames Articles and iGames By-Laws do not provide for a greater or lesser quorum requirement.

Nomination Procedures and Stockholder Proposals

Neither the DGCL nor the NRS provides procedures for the nomination for election of directors by stockholders or the submission of other stockholder proposals at an annual or special meeting of stockholders.

The Money Centers By-Laws and iGames By-Laws require that nominations (other than by the board of directors or a nominating committee) for the election of directors at a meeting of stockholders must be made by written notice, delivered or mailed by first class mail, to the corporation not less than 120 days prior to the anniversary of the date on which the proxy statement for the immediately preceding annual meeting was mailed to stockholders or if the corporation did not hold an annual meeting in the prior year or if the date of the annual meeting occurs more than 30 days before or after the anniversary of such immediately preceding annual meeting, then not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the date on which public notice of the date of such annual meeting is first made.

Special Stockholder Meetings

The DGCL provides that a special meeting of stockholders may be called by the board of directors or by such person or persons as may be authorized by the certificate of incorporation or by the by-laws. The Money Centers By-Laws provide that a special meeting of stockholders may only be called by a majority of the entire Board of Directors, the Chairman of the Board or the Chief Executive Officer. The DGCL and the Money Centers By-Laws require that a notice of stockholders meeting be delivered to stockholders not less than ten days nor more than 60 days before the meeting. The notice must state the place, day, hour and purpose of the meeting.

Nevada law provides that, unless the articles of incorporation or bylaws provide otherwise, the entire board of directors, any two directors or the president may call annual or special meetings of the stockholders or directors. iGames' By-Laws provide that a special meeting of stockholders may only be called by a majority of the entire Board of Directors, the Chairman of the Board or the Chief Executive Officer. Nevada law and the iGames By-Laws require that a notice of stockholders meeting be delivered to stockholders not less than ten days nor more than 60 days before the meeting. The notice must state the place, day, hour and purpose of the meeting.

Stockholder Inspection of Books and Records

Under the DGCL, any stockholder may, upon five days written demand, inspect, in person or by agent or attorney, the stockholder ledger or other record of stockholders during usual business hours. The written demand must be under oath and state the purpose of such an inspection. The stockholder may, unless denied for cause as stated below, copy such records. The DGCL also allows stockholders, by the same written demand, to inspect the corporation's other books and records.

Pursuant to Section 78.105 of the NRS, a stockholder of record for at least six months immediately preceding his demand, or any person holding at least 5% of all outstanding shares, or authorized in writing by at least 5% of all outstanding shares, is entitled to inspect a list of the names of the corporation's stockholders during usual business hours, if the stockholder gives

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

at least five business days' prior written notice to the corporation. The stockholders may, unless denied for cause as stated below, also copy such records. Section 78.257 of the NRS also permits stockholders of record (combined or individually) of 15% or more of the outstanding stock, upon 5 days written demand, the right to inspect during normal business hours, the books and financial records of the corporation, to make extracts therefrom and to conduct an audit of such records. This right may not be limited by a corporation's bylaws or articles of incorporation. The NRS also provides that a corporation may deny any demand for inspection if the stockholder refuses to furnish the corporation with an affidavit that such inspection is not desired for a purpose which is in the interest of a business or object other than the business of the corporation and that such stockholder has not previously sold or offered for sale any list of stockholders of the corporation or any other corporation. The NRS also provides that the corporation may charge to recover costs of copying of providing any such records.

Cumulative Voting

Under both the DGCL and the NRS, the certificate of incorporation may provide that at all elections of directors, or at elections held under specified circumstances, each stockholder is entitled to cumulate such stockholder's votes. Neither the Money Centers Certificate nor the iGames Articles provides for cumulative voting for the election of directors.

Size of the Board of Directors and No Classification of the Money Centers Board

The DGCL permits the certificate of incorporation or the by-laws of a corporation to contain provisions governing the number and terms of directors. However, if the certificate of incorporation contains provisions fixing the number of directors, such number may not be changed without amending the certificate of incorporation. The DGCL permits the certificate of incorporation of a corporation or a by-law adopted by the stockholders to provide that directors be divided into one, two or three classes, with the term of office of one class of directors to expire each year. The DGCL also permits the certificate of incorporation to confer upon holders of any class or series of stock the right to elect one or more directors to serve for such terms and have such voting powers as are stated in the certificate of incorporation. The terms of office and voting powers of directors so elected may be greater or less than those of any other director or class of directors. The Money Centers By-Laws provide for a Money Centers board of directors of not less than 3 nor more than 20 members, to be elected for a one-year term. The exact number of directors may be fixed from time to time, by the Money Centers board of directors by resolution up until the maximum of a 20-member board.

The NRS permits the articles of incorporation or the by-laws of a corporation to contain provisions governing the number and terms of directors. The iGames By-Laws provide for an iGames board of directors of not less than 3 nor more than 20 members, to be elected for a one-year term. The exact number of directors may be fixed from time to time by the iGames board of directors by resolution up until the maximum of a 20-member board. The NRS provides that a corporation's board of directors may be divided into various classes with staggered terms of office. The iGames Articles and iGames By-laws do not provide for a classified board.

Removal of Directors and Filling Vacancies

The DGCL provides that all vacancies on the board of directors, including vacancies caused by an increase in the number of authorized directors, may be filled by the board of directors, unless otherwise provided in the certificate of incorporation or by-laws. Neither the Money Centers Certificate nor the Money Centers By-Laws alter this provision.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

The NRS provides that vacancies on the board of directors, including vacancies caused by an increase in the number of authorized directors, may be filled by a majority of the remaining directors, even if they are less than a quorum, unless otherwise provided in the articles of incorporation. The iGames Articles do not alter this provision.

The DGCL provides that a director or directors may be removed with or without cause by the holders of a majority in voting power of the shares then entitled to vote at an election of directors, except that (a) members of a

14

classified board of directors may be removed only for cause, unless the certificate of incorporation provides otherwise, and (b) in the case of a corporation having cumulative voting, if less than the entire board of directors is to be removed, no director may be removed without cause if the votes cast against such director's removal would be sufficient to elect such director if then cumulatively voted at an election of the entire board of directors or of the class of directors of which such director is a part. The Money Centers By-Laws provide that directors may be removed only for cause (as defined) by that vote of the stockholders of Money Centers required under the DGCL.

The NRS provides that any director may be removed from office by the vote of stockholders holding not less than two-thirds of the issued and outstanding stock entitled to vote. Stockholders may remove one or more directors with or without cause unless the articles of incorporation provide that directors may be removed only for cause. The iGames Articles do not include such a provision.

Vacancies

Under the DGCL, unless otherwise provided in the certificate of incorporation or the by-laws, vacancies on a board of directors and newly created directorships resulting from an increase in the authorized number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by the sole remaining director, provided that, in the case of a classified board of directors, such vacancies and newly created directorships may be filled by a majority of the directors elected by such class or by the sole remaining director so elected. In the case of a classified board of directors, directors elected to fill vacancies or newly created directorships shall hold office until the next election of the class for which such directors have been chosen, and until their successors have been duly elected and qualified. In addition, if, at the time of the filling of any such vacancy or newly created directorship, the directors in office constitute less than a majority of the whole board of directors (as constituted immediately prior to any such increase), the Delaware Court of Chancery may, upon application of any stockholder or stockholders holding at least 10% of the total number of outstanding shares entitled to vote for such directors, summarily order an election to fill any such vacancy or newly created directorship, or replace the directors chosen by the directors then in office.

The Money Centers By-Laws provide that any vacancies on the Money Centers Board caused by death, resignation, removal or otherwise and newly created directorships resulting from an increase in the number of directors, shall be filled by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum, or by the sole remaining director. The Money Centers By-Laws also provide that any directors chosen to fill a vacancy on the Money Centers Board or newly created directorship will serve for the remainder of the full term of the class for which such director was chosen and until his successor shall be duly elected and shall have qualified.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

The NRS provides that a vacancy on the board of directors may generally be filled by the affirmative vote of a majority of the remaining directors, though constituting less than a quorum of the board of directors, unless the articles of incorporation provide otherwise. The iGames Articles do not alter this provision.

Indemnification of Directors and Officers

Delaware law generally permits a corporation to indemnify its directors and officers against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with a third-party action, other than a derivative action, and against expenses actually and reasonably incurred in the defense or settlement of a derivative action, provided that there is a determination that the individual acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation. Such determination shall be made, in the case of an individual who is a director or officer at the time of such determination:

- o by a majority of the disinterested directors, even though less than a quorum;
- o by a committee of such directors designated by a majority vote of such directors, even though less than a quorum;
- o by independent legal counsel, regardless of whether a quorum of disinterested directors exists; or

15

- o by a majority vote of the stockholders, at a meeting at which a quorum is present.

Without court approval, however, no indemnification may be made in respect of any derivative action in which such individual is adjudged liable to the corporation.

Delaware law requires indemnification of directors and officers for expenses relating to a successful defense on the merits or otherwise of a derivative or third-party action.

Delaware law permits a corporation to advance expenses relating to the defense of any proceeding to directors and officers contingent upon such individuals' commitment to repay any advances unless it is determined ultimately that such individuals are entitled to be indemnified.

Under Delaware law, the rights to indemnification and advancement of expenses provided in the law are non-exclusive, in that, subject to public policy issues, indemnification and advancement of expenses beyond that provided by statute may be provided by by-law, agreement, vote of stockholders, disinterested directors or otherwise.

The Money Centers Certificate provides that Money Centers officers and directors shall be indemnified to the fullest extent permitted by applicable law, and that Money Centers shall pay the expenses incurred in defending any proceeding in advance of its final disposition; provided, however, that the Money Centers By-Laws provide payment of expenses incurred by a director or officer in advance of the final disposition of the proceeding shall be made only upon the receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Under the NRS, a corporation may generally indemnify its officers, directors, employees and agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement of any proceedings (other than derivative actions), investigations, whether civil or administrative or criminal in nature, if they acted in good faith on behalf of the corporation and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. Similar standards are applicable in derivative actions, except that indemnification may be made only for (1) reasonable expenses (including attorneys' fees) and certain amounts paid in settlement, and (2) in the event the person seeking indemnification has been adjudicated liable, amounts deemed proper, fair and reasonable by the appropriate court upon application thereto. The NRS provides that to the extent that such persons have been successful in defense of any proceeding, they must be indemnified by the corporation against expenses. Generally, the termination of any action, suit or proceeding by judgment, order, settlement, conviction upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that such person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best intent of the corporation, and with respect to a criminal investigation, or action, he had reasonable cause to believe that his conduct was lawful. If a corporation does not so indemnify such persons, they may seek, and a court may order, indemnification under certain circumstances even if the board of directors or stockholders of the corporation have determined that the persons are not entitled to indemnification.

In addition, under both acts, expenses incurred by an officer or director in connection with a proceeding may be paid by the corporation in advance of the final disposition, upon receipt of an undertaking by such director or officer to repay such amount if he is ultimately found not to be entitled to indemnification by the corporation.

The iGames Articles provide that iGames officers and directors shall be indemnified to the fullest extent permitted by applicable law, and that iGames shall pay the expenses incurred in defending any proceeding in advance of its final disposition; provided, however that the payment of expenses incurred by a director or officer in advance of the final disposition of the proceeding shall be made only upon the receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified.

Nevada law, Delaware law and the By-Laws of Money Centers and iGames may permit indemnification for liabilities arising under the Securities Act or the Securities Exchange Act (the "Exchange Act"). The Board of Directors of all entities herein has been advised that, in the opinion of the SEC, indemnification for liabilities arising

16

under the Securities Act or the Exchange Act is contrary to public policy and is therefore unenforceable absent a decision to the contrary by a court of appropriate jurisdiction.

Limitation of Personal Liability of Directors

The DGCL provides that a corporation's certificate of incorporation may include a provision limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. However, no such provision can eliminate or limit the liability of a director for:

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

- o any breach of the director's duty of loyalty to the corporation or its stockholders;
- o acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law;
- o violation of certain provisions of the DGCL;
- o any transaction from which the director derived an improper personal benefit; or
- o any act or omission prior to the adoption of such a provision in the certificate of incorporation.

The Money Centers Certificate provides that, to the fullest extent permitted by the DGCL, a director of Money Centers shall not be liable to Money Centers or any of its stockholders for monetary damages for breach of fiduciary duty as a director. The Money Centers Certificate also provides, that, to the fullest extent permitted by the DGCL, a director and officer and certain employees acting on their behalf, shall be indemnified against any action resulting from their duties on behalf of Money Centers.

Section 78.037 of the NRS allows a corporation to provide in its articles of incorporation (which iGames did) that a director or officer will not be personally liable for monetary damages to the corporation or its stockholders for breach of fiduciary duty as a director or officer, except that such provision must not eliminate or limit the liability of a director or officer for (i) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law; or (ii) the payment of distributions in violation of Section 78.300 of the NRS.

Derivative Actions

Under each of the Nevada Rules of Civil Procedure (the "Nevada Rules") and the DGCL, a person may not bring a derivative action unless the person was a stockholder of the corporation at the time of the challenged transaction or unless the person acquired the shares by operation of law from a person who was a stockholder at such time. The Nevada Rules and Rule 23.1 of the Delaware Court of Chancery Rules also provide that a complaint in a derivative proceeding must be verified and must allege with particularity the efforts, if any, made by the plaintiff to obtain the desired action, and the reasons for his failure to obtain the action he desires or for not making the effort. The Nevada Rules also provide that a derivative action may not be maintained if it appears that the plaintiff does not fairly and adequately represent the interests of stockholders. The NRS and the Delaware Court of Chancery Rules also provide that an action shall not be dismissed or compromised without the approval of the court having jurisdiction of the action.

Distributions and Redemptions

Under the DGCL, unless otherwise restricted in the certificate of incorporation, a corporation may only pay dividends out of surplus or net profit. Additionally, under the DGCL, a corporation may not redeem any shares if such redemption would cause an impairment of its capital. The Money Centers Certificate does not otherwise restrict the right to pay dividends or redeem shares.

A Nevada corporation may make distributions to its stockholders as long as, after giving effect to such distribution (1) the corporation would be able to pay its debts as they become due in the usual course of business and (2) the corporation's total assets would not be less than the sum of its total

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

liabilities plus (unless the articles of incorporation permit otherwise, which the iGames Articles do not) the amount that would be needed if the corporation were to be dissolved at the time of the distribution to satisfy the preferential rights upon dissolution of

17

stockholders whose preferential rights are superior to those receiving the distribution. Such determinations may be made by the board of directors based on financial statements, fair market valuation or any other reasonable method. Under the NRS, a corporation's redemption of its own capital stock is subject to the same restrictions as apply to a distribution.

Loans to Directors and Officers

Under the DGCL, a corporation may lend money to, or guarantee any obligation of, an officer, including an officer who is a director, when it is deemed, in the judgment of the board of directors, to be reasonably expected to benefit the corporation.

Under Nevada law, a corporation may make a loan or guaranty to directors or officers if (i) the financial interest is known or disclosed to the board of directors or committee and noted in the minutes, and the board or committee authorizes the transaction in good faith by a majority vote sufficient for the purpose without counting the vote of the interested director; (ii) the financial interest is known or disclosed to the stockholders, and the stockholders authorize the transaction by a vote of stockholders holding a majority of the voting power; or (iii) the transaction is fair to the corporation at the time it is authorized or approved.

The foregoing summary does not purport to be a complete statement of the rights of holders of Money Centers Common Stock and our common stock under, and is qualified in its entirety by reference to Delaware law and Nevada law, respectively, the Certificate of Incorporation and By-Laws of Money Centers and the Articles of Incorporation and By-Laws of iGames.

INTERESTS OF CERTAIN PERSONS IN THE MERGER

In considering the recommendation of the Board of Directors with respect to the Merger Agreement and the transactions contemplated by the Merger Agreement, stockholders of iGames should be aware that members of the management and the Board of Directors have particular interests in the Merger that are different from, or in addition to, the interests of stockholders of iGames generally.

In particular, Christopher M. Wolfington, iGames' Chairman and Chief Executive Officer, was formerly the majority owner of Money Centers and received 1,243,509 shares of Series A Preferred Stock and Money Centers Merger Warrants to purchase 2,500,000 shares of our common stock. Mr. Wolfington negotiated the terms of the Merger on his own behalf and on behalf of the other holders of Series A Preferred Stock and Money Centers Merger Warrants, rather than on behalf of iGames. As a result of the Merger, Mr. Wolfington's percentage ownership, calculated on a fully-diluted basis, will increase from 66.06% to 68.08%.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER TO IGAMES' STOCKHOLDERS

The Merger is intended to qualify for federal income tax purposes as a "reorganization" within the meaning of Section 368(a)(1)(F) of the Code. In general, provided that the Merger does so qualify, no gain or loss will be

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

recognized for federal income tax purposes by iGames stockholders with respect thereto on the conversion of their stock into shares of Money Centers Common Stock and no gain or loss will be recognized for federal income tax purposes by iGames or Money Centers.

THE MERGER AGREEMENT

The following is only a summary of the material provisions of the Agreement and Plan of Merger, dated as of August 10, 2004, by and between iGames and Money Centers and is not complete. The Merger Agreement is attached to this proxy statement as Exhibit "A." Please read the Merger Agreement in its entirety.

GENERAL

The Merger Agreement provides that, following the approval and adoption of the Merger Agreement by the stockholders of iGames and the satisfaction or waiver of the other conditions to the Merger:

- o iGames will merge with and into Money Centers; and

18

- o iGames will cease to exist and Money Centers will continue as the surviving corporation.

As a result of the Merger, and as of the effective time of the Merger, Money Centers will succeed to and assume all rights and obligations of iGames, in accordance with Nevada and Delaware law.

EFFECTIVE TIME

The Merger Agreement provides that, subject to the approval of the stockholders of iGames and the satisfaction or waiver of other conditions, the Merger will be consummated by the filing of articles of merger and any other appropriate documents, in accordance with the relevant provisions of Nevada and Delaware law, with the Secretaries of State of the States of Nevada and Delaware.

MERGER CONSIDERATION

Upon consummation of the Merger, each outstanding share of our common stock (except shares as to which dissenters' rights have been properly exercised) shall be converted into the right to receive one share of Money Centers Common Stock, and each share of outstanding iGames Series A Preferred Stock shall be converted into the right to receive 11.5 shares of Money Centers Common Stock. The shares of iGames stock will no longer be outstanding and will automatically be cancelled and retired and will cease to exist, and each holder of a certificate representing such share immediately prior to the Merger will cease to have any rights with respect to such certificate, except the right to receive the Merger consideration upon surrender of such certificate.

TREATMENT OF STOCK OPTIONS AND WARRANTS

Under the terms of the Merger Agreement, upon consummation of the Merger each outstanding option to purchase a share of our common stock will be deemed to constitute an option to purchase one share of Money Centers Common Stock at an exercise price per full share equal to the stated exercise price and each outstanding warrant (other than a Money Centers Merger Warrant) to purchase a share of our common stock will be deemed to constitute a warrant to purchase one share of Money Centers Common Stock at an exercise price per full share

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

equal to the stated exercise price. Each outstanding Money Centers Merger Warrant to purchase a share of our common stock will be exchanged for 1.15 shares of Money Centers Common Stock.

Under the Merger Agreement, Money Centers will assume iGames' Amended and Restated 2003 Stock Incentive Plan, which following the Merger will be used by Money Centers to grant options to employees.

EXCHANGE PROCEDURES

iGames will appoint an exchange agent for the purpose of exchanging certificates representing shares of our common stock for the Merger consideration.

DO NOT SEND IN YOUR STOCK CERTIFICATES AT THIS TIME. YOU WILL RECEIVE A LETTER OF TRANSMITTAL AND FURTHER INSTRUCTIONS REGARDING THE EXCHANGE OF YOUR STOCK CERTIFICATES SHORTLY AFTER THE MERGER IS COMPLETED.

If any common stock certificates are lost, stolen, or destroyed before the Merger, the owner of the shares may be required to submit an affidavit of that fact to Money Centers. Money Centers may also require the owner to post a bond in a reasonable amount as indemnity against any potential claim regarding the lost certificates. In exchange for lost, stolen or destroyed stock certificates, after the owner has submitted an affidavit and posted a bond acceptable to Money Centers, if required, the exchange agent will issue to the owner the Merger consideration.

DIRECTORS AND OFFICERS

The Merger Agreement provides that the board of directors of the surviving corporation from and after the Merger will consist of the directors of iGames immediately prior to the Merger. The Merger Agreement further provides that the officers of the surviving corporation from and after the Merger will be the officers of iGames immediately prior to the Merger.

19

ARTICLES OF INCORPORATION AND BYLAWS

The Merger Agreement provides that the articles of incorporation of Money Centers in effect immediately before the Merger will be the articles of incorporation of the surviving corporation, and the bylaws of Money Centers in effect immediately before the Merger will be the bylaws of the surviving corporation until later amended in accordance with Delaware law.

REPRESENTATIONS AND WARRANTIES

The Merger Agreement contains various customary representations and warranties of iGames and Money Centers relating to, among other things:

- o their respective organization, standing and similar corporate matters; and
- o authorization, execution, delivery, performance and enforceability of the Merger Agreement.

CONDITIONS TO THE MERGER

The obligations of iGames and Money Centers to consummate the Merger are subject to the satisfaction or waiver of various conditions, including that:

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

- o the Merger Agreement and merger shall have been approved and adopted by the stockholders of iGames; and
- o there shall not be in effect any law restraining, enjoining or otherwise preventing consummation of the Merger and no governmental entity shall have instituted any proceeding seeking any such law, which continues to be pending.

DISSENTER'S RIGHTS

YOU ARE HEREBY GIVEN NOTICE THAT YOU HAVE CERTAIN DISSENTER'S AND APPRAISAL RIGHTS UNDER NEVADA LAW.

The full text of Nevada statutes NRS 92A.300 through 92A.500 are included as Annex "A" hereto, and are incorporated herein by reference.

Stockholders who wish to perfect their rights as dissenting stockholders must make written demand on Money Centers for payment.

In addition, stockholders who wish to perfect such rights must submit the certificates representing his shares to Money Centers or its transfer agent for notation thereon that a notice of election to dissent has been filed; such certificates to be thereupon returned to the stockholder.

Failure to submit such demand for payment or to submit such certificates for such notation within 30 days of receipt of this information statement may cause the holder to lose his dissenters' rights under Nevada law. See, specifically, "rights of dissenting stockholders" below.

Any iGames stockholder who wishes to object to the Merger (an "Objecting Stockholder") has the right to receive from Money Centers in cash, the fair value of his or her shares, provided that the Merger is not abandoned or fails to be approved and authorized, and provided, further, that the following procedure is carefully followed.

No later than _____, 2004, he or she must file a written objection to the Merger stating his or her intention to demand payment for his or her shares. The written objection should be sent to Money Centers of America, Inc., Attention: Secretary, 700 S. Henderson Road, Suite 210, King of Prussia, PA, 19406. Registered Mail, Return Receipt Requested is recommended.

The objection shall include (i) a notice of election to dissent, (ii) the stockholder's name and residence address, (iii) the number of shares as to which the stockholder dissents and (iv) a demand for payment of the fair value of the stockholder's shares if the Merger is consummated.

A stockholder may not dissent as to less than all of the shares as to which he has a right to dissent, held by him of record that he owns beneficially. A nominee or fiduciary may not dissent on behalf of any beneficial owner as to less than all of the shares of such owner, as to which such nominee or fiduciary has a right to dissent, held of record by such nominee or fiduciary.

Together with the written demand or within one month thereafter, the Objecting Stockholder must submit certificates representing all of his shares of iGames' stock to iGames or its transfer agent for the purpose of affixing a notation indicating that a demand for payment has been made. Otherwise, at the option of iGames, exercised by written notice given within 45 days from the date of filing of the notice to dissent, he or she will lose his objector's rights, unless a court, for good cause shown, otherwise directs.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Within 15 days after the later of the Effective Date of the Merger or last day of the period during which written demand by the Objecting Stockholder must be made, Money Centers shall make a written offer by registered mail to each Objecting Stockholder to pay for his or her shares at a specified price which Money Centers considers to be their fair value. Such offer shall be accompanied by a statement setting forth the aggregate number of shares with respect to which notices of election to dissent have been received and the aggregate number of holders of such shares. The offer shall also be accompanied by (i) the advance payment to each Objecting Stockholder who has submitted to Money Centers his or her stock certificates of an amount equal to 80% of the amount of such offer, or (ii) as to each Objecting Stockholder who has not yet submitted his or her stock certificates, a statement that Money Centers will make an advance payment to him or her of an amount equal to 80% of the amount of such offer promptly upon submission of his or her stock certificates. Every advance payment or statement as to advance payment shall include advice to the Objecting Stockholder to the effect that acceptance of such payment does not constitute a waiver of any dissenters' rights. Any offer shall be made at the same price per share to all Objecting Stockholders.

21

If, within 30 days after making such offer, the Objecting Stockholder and Money Centers agree upon the price to be paid for his or her shares, payment must be made by Money Centers within 60 days of the date of the making of such offer upon the surrender of the certificates representing his or her shares.

If demand for payment remains unsettled, Money Centers shall, within 60 days of the date of demand, institute a special proceeding in the Nevada District Court wherein iGames formerly resided in the State of Nevada to determine the rights of the Objecting Stockholder and to fix the fair value of his or her shares.

If Money Centers fails to institute such special proceeding and the demand for payment is unsettled, after 60 days, the Objecting Stockholder shall be paid the amount demanded.

Within 60 days after the final determination of the special proceeding, if any, Money Centers shall pay to each Objecting Stockholder the amount found to be due him or her, upon surrender of the certificates representing his or her shares.

The foregoing summary of the rights of Objecting Stockholders does not purport to be complete and is qualified in its entirety by reference to Sections 92A.300 through 92A.500 of the Nevada Revised Statutes, a copy of which appears in Annex "A" to this Information Statement.

APPROVAL OF AMENDED AND RESTATED 2003 STOCK INCENTIVE PLAN

The Plan was originally adopted by the Board of Directors in July 2003. On January 2, 2004, the Board of Directors unanimously approved and adopted amendments to the Plan. The amendments adopted in 2004 increase the aggregate number of shares that may be granted under the Plan to 10,000,000 and increase the individual Participant limitation for any grant under the Plan to 5,000,000 shares.

The following is a summary of the principal features of the Plan. The summary, however, is not a complete description of all of the provisions of the Plan. A copy of the Plan is attached as Exhibit "D" hereto. All capitalized

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

terms not otherwise defined in this summary have the meanings set forth in the Plan.

GENERAL

The Board of Directors has reserved 10,000,000 shares of Common Stock for issuance under the Plan. Under the Plan, options may be granted which are intended to qualify as Incentive Stock Options ("ISOs") under Section 422 of the Internal Revenue Code of 1986 (the "Code") or which are not ("Non-ISOs") intended to qualify as Incentive Stock Options thereunder.

The plan is not a qualified deferred compensation plan under Section 401(a) of the Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

PURPOSE

The purpose of the Plan is to enhance our profitability and value enabling us (i) to offer our employees, consultants and affiliates stock based incentives and other equity interests, thereby creating a means to raise the level of stock ownership by employees and consultants in order to attract, retain and reward such employees and consultants and strengthen the mutuality of interests between employees or consultants and our stockholders and (ii) to offer equity based awards to non-employee directors thereby attracting, retaining and rewarding such non-employee directors and strengthening the mutuality of interests between non-employee directors and our stockholders.

ADMINISTRATION

The Plan will be administered by a Committee of the Board of Directors (the "Committee"). All questions of interpretation of the Plan are determined by the Committee, and its decisions are final and binding upon all participants. If no such Committee exists, the Board of Directors will be substituted for the Committee.

ELIGIBILITY

All of our employees and consultants are eligible to be granted Non-Qualified Stock Options, Stock Appreciation Rights and Restricted Stock under the Plan. All employees are eligible for Incentive Stock Options under the Plan. The Committee determines eligibility under the Plan.

TERMS OF STOCK OPTIONS

The terms of each Stock Option granted under the Plan shall be contained in a form of stock option agreement as shall be determined by the Committee consistent with the provisions of the Plan, including the following:

- (a) **OPTION PRICE.** The purchase price per share of Common Stock subject to an ISO shall not be less than the Fair Market Value of the share of Common Stock at the time of grant, or in the case of the grant of an ISO to a ten percent (10%) stockholder, not less than one hundred ten percent (110%) of Fair Market Value of such shares of Common Stock at the time such Option is granted. The purchase price of the shares of Common Stock subject to each Non-ISO shall be determined by the Committee.

23

- (b) **VESTING.** The dates on which each Stock Option (or portion

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

thereof) shall be exercisable and the conditions precedent to such exercise, if any, shall be fixed by the Committee, in its discretion, at the time such Stock Option is granted.

- (c) EXPIRATION. The expiration of each Stock Option shall be fixed by the Committee, in its discretion, at the time such Stock Option is granted; but no Stock Option shall be exercisable more than ten (10) years after the date on which it was granted. Each Stock Option shall be subject to earlier termination as expressly provided in the Plan or as determined by the Committee, in its discretion, at the time such Stock Option is granted.
- (d) TRANSFERABILITY. No Stock Option shall be transferable, except by will or the laws of descent and distribution, and any Stock Option may be exercised during the lifetime of the Participant only by him. No Stock Option granted under the Plan shall be subject to execution, attachment or other process.
- (e) OPTION ADJUSTMENTS. The aggregate number and class of shares as to which Stock Options may be granted under the Plan, the number and class shares covered by each outstanding Stock Option and the exercise price per share thereof (but not the total price), and all such Stock Options, shall each be proportionately adjusted for any increase or decrease in the number of issued Common Shares resulting from split-up, spin-off or consolidation of shares or any like capital adjustment or the payment of any stock dividend.

Except as otherwise provided in the Plan, any Stock Option granted under the Plan shall terminate in the event of a merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation of the Company. However, the Participant shall have the right immediately prior to any such transaction to exercise his Stock Option in whole or in part notwithstanding any otherwise applicable vesting requirements.

STOCK OPTION GRANTS TO NON-EMPLOYEE DIRECTORS

Upon the date of each annual meeting of stockholders, each non-employee director shall be granted Non-Qualified Stock Options to purchase Common Stock with a value of \$12,000 pro-rated for directors who have not served for the entire year since the date of the last annual meeting.

TERMS OF STOCK OPTIONS TO NON-EMPLOYEE DIRECTORS

The terms of each Stock Option granted to a non-employee director under the Plan shall be contained in a form of stock option agreement as shall be determined by the Committee consistent with the Plan, including the following:

(a) OPTION PRICE. The purchase price per share of Common Stock subject to a non-employee director stock option shall be 100% of the Fair Market Value of such shares of Common Stock, or in the case of a grant to a non-employee director who is also a ten percent (10%) stockholder, one hundred ten percent (110%) of the Fair Market Value of shares of Common Stock, at the date of grant, or the par value of the Common Stock whichever is greater.

(b) VESTING. The stock options granted to non-employee directors upon the date of each annual meeting of stockholders shall vest in full on the date of the third annual meeting of stockholders held following the date of the grant provided that the non-employee director is a member of the board of directors on that date.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

(c) METHOD OF EXERCISE. Non-employee directors electing to exercise Stock Option shall give written notice to iGames specifying the number of shares to be purchased and pay for Common Stock at the time of exercise in cash or by delivery of unencumbered Common Stock owned by the non-employee director or a combination thereof, or by such other method as approved by the Board of Directors.

(d) OPTION TERM. Except as provided otherwise in the Plan, if not exercised, each Option shall expire on the tenth anniversary of the date on which the Option was granted.

24

TERMINATION OF DIRECTORSHIP

(a) TERMINATION OTHER THAN FOR CAUSE. Upon termination of directorship for any reason other than for Cause, all outstanding options then exercisable and not exercised shall remain exercisable for the remainder of their term.

(b) CAUSE. Upon termination for Cause, or if iGames obtains or discovers information after termination of directorship that such director had engaged in conduct that would have justified a removal for cause, all outstanding Options of such director shall immediately terminate and become null and void.

(c) CANCELLATION OF OPTIONS. Any Options which were not exercisable during the period such person served as a director shall not thereafter become exercisable, and such Options shall terminate and become null and void upon termination of directorship.

TERMS OF RESTRICTED STOCK

The terms of each award of Restricted Stock granted under the Plan shall be in a form of Restricted Stock Award Agreement as shall be determined by the Committee consistent with the provisions of the Plan, including the following:

- (a) PURCHASE PRICE. The purchase price of Restricted Stock shall be fixed by the Committee. Subject to Section 4.3 of the Plan, the purchase price for shares of Restricted Stock may be zero to the extent permitted by applicable law.
- (b) ACCEPTANCE. Awards of Restricted Stock must be accepted within a period of sixty (60) days (or such shorter period as the Committee may specify at grant) after the Award date, by executing a Restricted Stock Award Agreement and by paying whatever price (if any) the Committee has designated thereunder.
- (c) RESTRICTIONS AND CONDITIONS ON RESTRICTED STOCK AWARDS. The shares of Restricted Stock are subject to Article X of the Plan and the following restrictions and conditions:
 - (i) RESTRICTION PERIOD; VESTING AND ACCELERATION OF VESTING. The Participant shall not be permitted to transfer shares of Restricted Stock during a period set by the Committee (the "Restriction Period") commencing with the date of the award of the Restricted Stock, as set forth in the Restricted Stock award agreement and such agreement shall set forth a vesting schedule and any events which would accelerate vesting of the shares of Restricted Stock. Within these limits, based on

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

service, or other criteria determined by the Committee, the Committee may provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock award.

(ii) RIGHTS AS STOCKHOLDER. Except as provided otherwise in the Plan and as otherwise determined by the Committee, the Participants have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company including, without limitation, the right to receive any dividends, the right to vote such shares, and subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares. Notwithstanding the foregoing, the payment of dividends shall be deferred until, and conditioned upon, the expiration of the applicable Restriction Period, unless the Committee, in its sole discretion, specifies otherwise at the time of the Award.

(iii) TERMINATION OF EMPLOYMENT OR TERMINATION OF CONSULTANCY FOR RESTRICTED STOCK. Subject to the applicable provisions of the Restricted Stock award agreement and this Plan, upon a Participant's Termination of Employment or Termination of Consultancy for any reason during the relevant Restriction Period, all Restricted Stock still subject to restriction will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

25

TERMS OF TANDEM STOCK APPRECIATION RIGHTS

Tandem Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, including the following:

- (a) TERM. A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of shares covered by the Reference Stock Option shall not be reduced until and then only to the extent the exercise or termination of the Reference Stock Option causes the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.
- (b) EXERCISABILITY. Tandem Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Reference Stock Options to which they relate shall be exercisable in accordance with the Plan.
- (c) METHOD OF EXERCISE. A Tandem Stock Appreciation Right may be exercised by a Participant by surrendering the applicable portion of the Reference Stock Option. Upon such exercise and surrender, the Participant shall be entitled to receive an amount determined in the manner prescribed in the Plan. Stock Options that have been so surrendered, in whole or in part,

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

shall no longer be exercisable to the extent the related Tandem Stock Appreciation Rights have been exercised.

- (d) PAYMENT. Upon the exercise of a Tandem Stock Appreciation Right a Participant shall be entitled to receive up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock over the option price per share specified in the Reference Stock Option multiplied by the number of shares in respect of which the Tandem Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment.
- (e) DEEMED EXERCISE OF REFERENCE STOCK OPTION. Upon the exercise of a Tandem Stock Appreciation Right, the Reference Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have been exercised for the purpose of the limitation set forth in Article IV of the Plan on the number of shares of Common Stock to be issued under the Plan.

TERMS OF NON-TANDEM STOCK APPRECIATION RIGHTS.

Non-Tandem Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, including the following:

- (a) TERM. The term of each Non-Tandem Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than ten (10) years after the date the right is granted.
- (b) EXERCISABILITY. Non-Tandem Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. If the Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitation on the exercisability at any time at or after grant in whole or in part (including, without limitation, that the Committee may waive the installment exercise provisions or accelerate the time at which rights may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.
- (c) METHOD OF EXERCISE. Subject to whatever installment exercise and waiting period provisions apply under the Plan, Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time during the option term, by giving written notice of exercise to iGames specifying the number of Non-Tandem Stock Appreciation Rights to be exercised.
- (d) PAYMENT. Upon the exercise of a Non-Tandem Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Value of one share of Common Stock on the date the right is exercised over the Fair Market Value of one (1) share of Common Stock on the date the right was awarded to the Participant.

LIMITED STOCK APPRECIATION RIGHTS. The Committee may, in its sole discretion, grant Tandem and Non-Tandem Stock Appreciation Rights either as a general Stock Appreciation Right or as a Limited Stock Appreciation Right. Limited Stock Appreciation rights may be exercised only upon a Change in Control (to the extent provided in an award agreement granting such Limited Stock Appreciation Rights) or the occurrence of such other event as the committee may, in its sole discretion, designate at the time of grant or thereafter. Upon the exercise of Limited Stock Appreciation Rights, except as otherwise provided in an Award agreement, the Participant shall receive cash or Common Stock, as determined by the Committee.

FEDERAL INCOME TAX ASPECTS OF THE PLAN

THE FOLLOWING SUMMARY OF THE EFFECT OF CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE RECEIPT AND EXERCISE OF AWARDS GRANTED BY US IS BASED ON THE LAWS AND REGULATIONS IN EFFECT AS OF THE DATE OF THIS INFORMATION STATEMENT AND DOES NOT PURPORT TO BE A COMPLETE STATEMENT OF THE LAW IN THIS AREA. FURTHERMORE, THE DISCUSSION BELOW DOES NOT ADDRESS THE TAX CONSEQUENCES OF THE RECEIPT AND EXERCISE OF AWARDS UNDER FOREIGN, STATE AND/OR LOCAL TAX LAWS, AND SUCH TAX LAWS MAY NOT CORRESPOND TO THE FEDERAL TAX TREATMENT DESCRIBED HEREIN. THE EXACT FEDERAL INCOME TAX TREATMENT OF TRANSACTIONS UNDER THE PLAN WILL VARY DEPENDING UPON THE SPECIFIC FACTS AND CIRCUMSTANCES INVOLVED. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS ESTATE, GIFT OR OTHER TAX CONSEQUENCES OTHER THAN INCOME TAX CONSEQUENCES. THE COMPANY ADVISES EACH PARTICIPANT TO CONSULT HIS OR HER OWN TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE PLAN AND FOR REFERENCE TO APPLICABLE PROVISIONS OF THE CODE.

Stock Options. The tax consequences of a Stock Option depend on whether the Stock Option is an ISO or a Non-ISO. An optionee will not recognize income at the time of a grant or exercise of an ISO, and we may not deduct the related expense at those times. However, for purposes of the alternative minimum tax, the difference between the exercise price and the fair market value of the Common Stock as of the date of exercise will be included in alternative minimum taxable income. The optionee has a taxable event only upon a later sale or disposition of the Common Stock acquired pursuant to the exercise of the ISO. The tax treatment of the disposition of the Common Stock will depend on when the optionee disposes of the Common Stock. An optionee who disposes of Common Stock acquired pursuant to the exercise of an ISO within one year from the date of exercise or within two years of the date of grant of the ISO will recognize ordinary income equal to the difference between the ISO's exercise price and the lesser of the fair market value of the Common Stock on the date of exercise or such value on the date of disposition and will recognize capital gain to the extent that the amount received on disposition exceeds such fair market value on the date of exercise. To the extent that an optionee recognizes ordinary income pursuant to the preceding sentence, we are allowed a deduction for federal income tax purposes in like amount in the year of disposition. An optionee who disposes of Common Stock after a date that is both two years after the grant of the ISO and one year after its exercise will recognize capital gain equal to the difference between the amount received on disposition and the ISO's exercise price.

A different set of rules governs Non-ISOs. There are no federal income tax consequences to the optionee or us upon the grant of Non-ISOs. Upon exercise of a Non-ISO, the optionee will recognize ordinary income in the amount by which the fair market value of the Common Stock received upon exercise, valued as of the date of exercise, exceeds the exercise price of the Stock Option. We are allowed a deduction for federal income tax

purposes equal to the amount of ordinary income recognized by the optionee at the time of exercise of a Non-ISO. The optionee's basis in Common Stock acquired upon exercise of a Non-ISO will equal the exercise price paid for such stock on exercise plus the amount, if any, of ordinary income recognized in connection with the exercise of such Non-ISO. Any subsequently realized gain or loss will be capital gain or loss, and the optionee's holding period for purposes of determining whether such gain or loss will be long-term or short-term capital gain or loss will begin at the time the optionee recognizes any such ordinary income.

Stock Appreciation Rights. Generally, the holder of a stock appreciation right will recognize ordinary income equal to the amount paid by us under the right on the date the holder receives payment from us. We will generally be entitled to a deduction in an amount equal to the ordinary income recognized by the holder.

Restricted Stock. We are authorized to make grants of Restricted Stock, either for or without consideration, to participants subject to the potential forfeiture of such Restricted Stock. In general, there will be no tax consequences to a participant upon the grant of Restricted Stock. Instead, the participant will be taxed at ordinary income rates at the time the forfeiture conditions expire or are removed on an amount equal to the excess of the fair market value of the Restricted Stock at that time over the amount the participant paid to acquire such Restricted Stock. Any dividends paid with respect to Restricted Stock prior to the time that the forfeiture conditions expire or are removed will be taxable to the participant as compensation income at such participant's ordinary income tax rate.

A participant who acquires Restricted Stock, however, may make an election under Section 83(b) of the Internal Revenue Code with respect to such stock. If such an election is made within 30 days of the receipt of such Restricted Stock, the participant is taxed at ordinary income rates in the year in which the participant acquires the Restricted Stock. The ordinary income the participant must recognize is equal to the excess of the fair market value of the Restricted Stock at the time of the participant's acquisition of the Restricted Stock (determined without regard to the restrictions) over the amount that the participant paid to acquire such Restricted Stock. If a participant makes a timely election under Section 83(b) of the Internal Revenue Code with respect to Restricted Stock, the participant generally will not be required to report any additional income with respect to such Restricted Stock until he disposes of such stock, at which time he will generally recognize capital gain or loss equal to the difference between the sales price and the sum of the purchase price paid, if any, for the shares plus the ordinary income recognized pursuant to the election under Section 83(b) of the Internal Revenue Code. Such capital gain or loss will be long-term gain or loss eligible for taxation at the 15% tax rate for individuals and other noncorporate taxpayers if such stock has been held for over one year from the receipt of such stock. Any dividends paid with respect to Restricted Stock for which a Section 83(b) election is made will be taxable to the participant at the 15% tax rate for individuals and other noncorporate taxpayers.

In the event that a participant forfeits Restricted Stock with respect to which an election under Section 83(b) of the Internal Revenue Code has been made, the participant ordinarily will not be entitled to recognize any loss for federal income tax purposes (except to the extent the amount realized by the participant at the time of such forfeiture is less than the participant's purchase price for such stock). We generally will be entitled to a deduction equal to the amount of ordinary income (if any) recognized by a participant with

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

respect to Restricted Stock for our taxable year in which, or with which, ends the taxable year of the participant in which such ordinary income is recognized.

Special Rules Applicable To "Insiders." If a recipient of an award is an "insider" (a director, officer or other individual subject to Section 16 of the Exchange Act), the recipient may be required to defer determination of the amount of income and the timing of income recognition in connection with an award under the plan, and the beginning of the holding period for any shares the recipient receives, until the expiration of any period during which the recipient would be restricted from disposing of any shares the recipient received. If a recipient is an insider, the recipient is advised to consult a tax advisor to determine the tax consequences of an award granted to the recipient under the plan.

Section 162(M). Under Section 162(m) of the Code, we may be precluded from claiming a federal income tax deduction for compensation in excess of \$1,000,000 paid to the chief executive officer or to any of the other four most highly compensated officers in any one year. Compensation would include any amounts received under an award in connection with which ordinary income is recognized. An exception does exist, however, for "performance-based" compensation, including amounts received upon the exercise of Stock Options and amounts

92A.470 PAYMENT FOR SHARES: SHARES ACQUIRED ON OR AFTER DATE OF DISSENTER'S NOTICE.

1. A subject corporation may elect to withhold payment from a dissenter unless he was the beneficial owner of the shares before the date set forth in the dissenter's notice as the date of the first announcement to the news media or to the stockholders of the terms of the proposed action.

2. To the extent the subject corporation elects to withhold payment, after taking the proposed action, it shall estimate the fair value of the shares, plus accrued interest, and shall offer to pay this amount to each dissenter who agrees to accept it in full satisfaction of his demand. The subject corporation shall send with its offer a statement of its estimate of the fair value of the shares, an explanation of how the interest was calculated, and a statement of the dissenters' right to demand payment pursuant to NRS 92A.480.

92A.480 DISSENTER'S ESTIMATE OF FAIR VALUE: NOTIFICATION OF SUBJECT CORPORATION; DEMAND FOR PAYMENT OF ESTIMATE

1. A dissenter may notify the subject corporation in writing of his own estimate of the fair value of his shares and the amount of interest due, and demand payment of his estimate, less any payment pursuant to NRS 92A.460, or reject the offer pursuant to NRS 92A.470 and demand payment of the fair value of his shares and interest due, if he believes that the amount paid pursuant to NRS 92A.460 or offered pursuant to NRS 92A.470 is less than the fair value of his shares or that the interest due is incorrectly calculated.

2. A dissenter waives his right to demand payment pursuant to this section unless he notifies the subject corporation of his demand in writing within 30 days after the subject corporation made or offered payment for his shares.

92A.490 LEGAL PROCEEDING TO DETERMINE FAIR VALUE: DUTIES OF SUBJECT CORPORATION; POWERS OF COURT; RIGHTS OF DISSENTER.

1. If a demand for payment remains unsettled, the subject corporation shall commence a proceeding within 60 days after receiving the demand and petition the court to determine the fair value of the shares and accrued interest. If the subject corporation does not commence the proceeding within the 60-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

2. A subject corporation shall commence the proceeding in the district court of the county where its registered office is located. If the subject corporation is a foreign entity without a resident agent in the state, it shall commence the proceeding in the county where the registered office of the domestic corporation merged with or whose shares were acquired by the foreign entity was located.

3. The subject corporation shall make all dissenters, whether or not residents of Nevada, whose demands remain unsettled, parties to the proceeding as in an action against their shares. All parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law.

4. The jurisdiction of the court in which the proceeding is commenced under subsection 2 is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers have the powers described in the order appointing them, or any amendment thereto. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

5. Each dissenter who is made a party to the proceeding is entitled to a judgment:

(a) For the amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the subject corporation; or

(b) For the fair value, plus accrued interest, of his after-acquired shares for which the subject corporation elected to withhold payment pursuant to NRS 92A.470.

39

92A.500 LEGAL PROCEEDING TO DETERMINE FAIR VALUE: ASSESSMENT OF COSTS AND FEES.

1. The court in a proceeding to determine fair value shall determine all of the costs of the proceeding, including the reasonable compensation and expenses of any appraisers appointed by the court. The court shall assess the costs against the subject corporation, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously or not in good faith in demanding payment.

2. The court may also assess the fees and expenses of the counsel and experts for the respective parties, in amounts the court finds equitable:

(a) Against the subject corporation and in favor of all dissenters if the court finds the subject corporation did not substantially comply with the requirements of NRS 92A.300 to 92A.500, inclusive; or

(b) Against either the subject corporation or a dissenter in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously or not in good faith with respect to the rights provided by NRS 92A.300 to 92A.500, inclusive.

3. If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the subject corporation, the court may award to those counsel reasonable fees to be paid out of the amounts awarded to the dissenters who were benefitted.

4. In a proceeding commenced pursuant to NRS 92A.460, the court may assess the costs against the subject corporation, except that the court may assess costs against all or some of the dissenters who are parties to the proceeding, in amounts the court finds equitable, to the extent the court finds that such parties did not act in good faith in instituting the proceeding.

5. This section does not preclude any party in a proceeding commenced pursuant to NRS 92A.460 or 92A.490 from applying the provisions of N.R.C.P. 68 or NRS 17.115.

"Disqualified Holder" shall mean any Beneficial Owner of shares of capital stock of the Corporation or any of its Subsidiaries, whose holding of shares of capital stock may result or, when taken together with the holding of shares of capital stock by any other Beneficial Owner, may result, in the judgment of the Board of Directors, in (i) the disapproval, modification, or non-renewal of any contract under which the Corporation or any of its Subsidiaries has sole or shared authority to manage any gaming operations, or (ii) the loss or non-reinstatement of any license or franchise from any governmental agency held by the Corporation or any Subsidiary to conduct any portion of the

47

business of the Corporation or any Subsidiary, which license or franchise is conditioned upon some or all of the holders of capital stock meeting certain criteria.

"Fair Market Value" of a share of capital stock shall mean the average Closing Price for such a share for the forty-five (45) most recent days during which shares of stock of such class or series shall have been traded preceding the day on which notice of redemption shall have been given pursuant to subparagraph (d) of Section 2 of this Paragraph FIFTH; provided, however, that if shares of stock of such class or series are not traded on any securities exchange or in the over-the-counter market, "Fair Market Value" shall be determined by the Board of Directors in good faith; and provided, further, however, that "Fair Market Value" as to any stockholder who purchases any stock subject to redemption within 120 days prior to a Redemption Date need not (unless otherwise determined by the Board of Directors) exceed the purchase price paid for such shares.

SEVENTH - The Corporation, to the full extent permitted by Section 145 of the GCL, as amended from time to time, shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful. The termination of any action, upon a plea of nolo contendere or equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

EIGHTH - A director of the Corporation shall not be personally liable to the Corporation or to its stockholders for monetary damages for breach of fiduciary duty as a director except for liability to the extent provided by applicable law (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders; or (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; or (iii) under Section 174 of the GCL; or (iv) for any transaction from which the director derived an improper personal benefit.

NINTH - In the furtherance and not in limitation of the objects, purposes and powers conferred by the laws of the State of Delaware, the directors of the Corporation shall have the power to make and to alter or amend the By-Laws; to fix the amount to be reserved as working capital; and to authorize and cause to be executed, mortgages and liens, without limit as to the amount, upon the property and franchise of the Corporation.

TENTH - Meetings of the stockholders may be held within or without the State of Delaware, as the By-laws may provide. The books of the Corporation may be kept, subject to any provisions contained in the statutes, outside the State of Delaware at such place or places as may be designated from time to time by the Board of Directors or in the By-Laws of the Corporation. Elections of directors need not be by written ballot unless the By-laws of the Corporation shall so provide.

ELEVENTH - The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, in the

THE UNDERSIGNED, for the purpose of forming a corporation under the laws of the State of Delaware, does make, file and record this Certificate, and does certify that the facts herein stated are true; and accordingly does set forth his hand.

ARTICLE II
MEETINGS OF STOCKHOLDERS

Section 1. Place of Meetings. Meetings of the stockholders for the election of directors or for any other purpose shall be held at such time and place, either within or without the State of Delaware, as shall be designated from time to time by the Board of Directors and stated in the notice of the meeting or in a duly executed waiver of notice thereof.

Section 2. Annual Meetings. The annual meeting of stockholders shall be held on such date and at such time as may be fixed by the Board of Directors and stated in the notice of the meeting, for the purpose of electing directors and for the transaction of only such other business as is properly brought before the meeting in accordance with these amended and restated bylaws (the "Bylaws").

Written notice of an annual meeting stating the place, date and hour of the meeting, shall be given to each stockholder entitled to vote at such meeting at his, her or its address last known as the same appears on the books of the Corporation, not less than ten (10) nor more than sixty (60) days before the date of the meeting.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

To be properly brought before the annual meeting, business must be either (i) specified in the notice of annual meeting (or any supplement or amendment thereto) given by or at the direction of the Board of Directors, (ii) otherwise brought before the annual meeting by or at the direction of the Board of Directors, or (iii) otherwise properly brought before the annual meeting by a stockholder. In addition to any other applicable requirements, for business to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation not less than one hundred and twenty (120) days prior to the anniversary of the date on which the proxy statement for the immediately preceding annual meeting was mailed to stockholders or if the Corporation did not hold an annual meeting in the prior year or if the date of the annual meeting occurs more than thirty (30) days before or after the anniversary of such immediately preceding annual meeting, not later than the close of business on the later of the sixtieth (60th) day prior to such annual meeting and the tenth (10th) day following the date on which public announcement of the date of such annual meeting is first made. A stockholder's notice to the Secretary shall set forth (a) as to each matter the stockholder proposes to bring before the annual meeting (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, and (ii) any material interest of the stockholder in such business, and (b) as to the stockholder giving the notice (i) the name and record address of the stockholder and (ii) the class, series and number of shares of capital stock of the Corporation which are

50

beneficially owned by the stockholder. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at the annual meeting except in accordance with the procedures set forth in this Article II, Section 2. The officer of the Corporation presiding at an annual meeting shall, if the facts warrant, determine and declare to the annual meeting that business was not properly brought before the annual meeting in accordance with the provisions of this Article II, Section 2, and if such officer should so determine, such officer shall so declare to the annual meeting and any such business not properly brought before the meeting shall not be transacted.

Section 3. Special Meetings. Unless otherwise prescribed by law or by the amended and restated certificate of incorporation of the Corporation (the "Certificate of Incorporation"), special meetings of stockholders, for any purpose or purposes, may only be called by a majority of the entire Board of Directors, the Chairman of the Board or the Chief Executive Officer. Written notice of a special meeting stating the place, date and hour of the meeting, shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting. Business transacted at any special meeting shall be limited to the purposes stated in the notice. The written certificate of the officer or officers calling any special meeting setting forth the substance of the notice, and the time and place of the mailing of same to the stockholders, and the respective addresses to which the same were to be mailed, shall be prima facie evidence of the manner and fact of the calling and giving such notice.

Section 4. Quorum. Except as otherwise provided by law or by the Certificate of Incorporation, the holders of outstanding shares of capital stock representing a majority of the voting power of the Corporation, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the holders of the

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

shares representing a majority of the voting power, present in person or represented by proxy, and entitled to vote at the meeting, may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented by proxy. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder entitled to vote at the meeting.

Section 5. Voting. Unless otherwise required by law, the Certificate of Incorporation, the rules or regulations of any stock exchange applicable to the Corporation or these Bylaws, any question (other than the election of directors) brought before any meeting of stockholders shall be decided by the vote of the holders of a majority of the stock represented and entitled to vote thereat. At all meetings of stockholders for the election of directors, a plurality of the votes cast shall be sufficient to elect. Each stockholder represented at a meeting of stockholders shall be entitled to cast one vote for each share of the capital stock entitled to vote thereat held by such stockholder, unless otherwise provided by the Certificate of Incorporation. Such votes may be cast in person or by proxy but no proxy shall be voted after three years from its date, unless such proxy provides for a longer period. The Board of Directors, in its discretion, or the officer of the Corporation presiding at a meeting of stockholders, in his discretion, may require that any votes cast at such meeting shall be cast by written ballot.

Section 6. Determination of Stockholders of Record.

(a) Meetings of Stockholders. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day immediately preceding the day on which notice is given, or, if notice is waived, at the close of business on the day immediately preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting unless the Board of Directors fixes a new record date for the adjourned meeting.

(b) Consent of Stockholders. In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date,

which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by the General Corporation Law of the State of Delaware (the "GCL"), shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in Delaware, its principal place of business, or an officer or agent of the Corporation

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

having custody of the books in which proceedings of meetings of stockholders are recorded. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by the GCL, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) Dividends. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights of the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 7. List of Stockholders Entitled to Vote. The officer of the Corporation who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder of the Corporation who is present.

Section 8. Inspectors of Election.

(a) Appointment. All elections of directors shall be by written ballot, unless otherwise provided in the Certificate of Incorporation; the vote upon any other matter need not be by ballot. In advance of any meeting of stockholders, the Board of Directors may appoint one or more inspectors, who need not be stockholders, to act at the meeting and to make a written report thereof. The Board of Directors may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the person's best ability.

(b) Duties. The inspectors shall ascertain the number of shares outstanding and the voting power of each, shall determine the shares represented at the meeting and the validity of proxies and ballots, shall count all votes and ballots, shall determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and shall certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. The inspectors may appoint or retain other persons or entities to assist the inspectors in the performance of the duties of the inspectors.

(c) Polls. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting. No ballot, proxies or votes, nor any revocations

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

thereof or changes thereto, shall be accepted by the inspectors after the closing of the polls unless a court with appropriate jurisdiction upon application by a stockholder shall determine otherwise.

(d) Reconciliation of Proxies and Ballots. In determining the validity and counting of proxies and ballots, the inspectors shall be limited to an examination of the proxies, any envelopes submitted with

52

those proxies, ballots and the regular books and records of the Corporation, except that the inspectors may consider other reliable information for the limited purpose of reconciling proxies and ballots submitted by or on behalf of banks, brokers, their nominees or similar persons which represent more votes than the holder of a proxy is authorized by the record owner to cast or more votes than the stockholder holds of record. If the inspectors consider other reliable information for the limited purpose permitted herein, the inspectors at the time they make their certification pursuant to subsection (b) shall specify the precise information considered by them including the person or persons from whom they obtained the information, when the information was obtained, the means by which the information was obtained and the basis for the inspectors' belief that such information is accurate and reliable.

Section 9. Stock Ledger. The stock ledger of the Corporation shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by Section 6 of this Article II or the books of the Corporation, or to vote in person or by proxy at any meeting of stockholders.

Section 10. Adjournment. Any meeting of the stockholders, including one at which directors are to be elected, may be adjourned for such periods as the presiding officer of the meeting or the stockholders present in person or by proxy and entitled to vote shall direct.

Section 11. Shareholder Action Without Meetings. Any action required to be taken at any annual or special meeting of stockholders, or any action which may be taken at any annual or special meeting of stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

ARTICLE III DIRECTORS

Section 1. Powers; Number; Qualifications. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors, except as may be otherwise provided by law or in the Certificate of Incorporation. The number of directors which shall constitute the Board of Directors shall be not less than three (3) nor more than twenty (20). The exact number of directors shall be fixed from time to time by the Board of Directors, within the limits specified in this Article III Section 1 or in the Certificate of Incorporation. Directors need not be stockholders of the Corporation.

Section 2. Election; Term of Office; Resignation; Removal; Vacancies. Each director shall hold office until the next annual meeting of stockholders or until such director's earlier resignation, removal from office, death or incapacity. Any director may resign at any time upon written notice to the Board of Directors or to the Chief Executive Officer or the Secretary of the

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Corporation. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein no acceptance of such resignation shall be necessary to make it effective. Any director or the entire Board of Directors may be removed, but only for cause, by that vote of the stockholders of the Corporation required under the GCL. Unless otherwise provided in the Certificate of Incorporation, vacancies and newly created directorships resulting from any increase in the authorized number of directors or from any other cause may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director and each director so chosen shall hold office until the next annual meeting of stockholders and until such director's successor shall be duly elected and shall qualify, or until such director's earlier resignation, removal from office, death or incapacity.

Section 3. Nominations. Nominations of persons for election to the Board of Directors of the Corporation at a meeting of stockholders of the Corporation may be made at such meeting by or at the direction of the Board of Directors, by any committee or persons appointed by the Board of Directors or by any stockholder of the Corporation entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in this Article III, Section 3. Such nominations by any stockholder shall be made pursuant to timely notice in writing to the Secretary of the Corporation. To be timely, a stockholder's notice shall be delivered to or mailed and received at the principal executive offices of the Corporation not less than one hundred twenty (120) days prior

53

to the anniversary of the date on which the proxy statement for the immediately preceding annual meeting was mailed to stockholders or if the Corporation did not hold an annual meeting in the prior year or if the date of the annual meeting occurs more than thirty (30) days before or after the anniversary of such immediately preceding annual meeting, then not later than the close of business on the later of the sixtieth (60th) day prior to such annual meeting and the tenth (10th) day following the date on which public announcement of the date of such annual meeting is first made. Such stockholder's notice to the Secretary shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person, (c) the class and number of shares of capital stock of the Corporation which are beneficially owned by the person, and (d) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to the Rules and Regulations of the Securities and Exchange Commission under Section 14 of the Securities Exchange Act of 1934, as amended, and (ii) as to the stockholder giving the notice (a) the name and record address of the stockholder and (b) the class and number of shares of capital stock of the Corporation which are beneficially owned by the stockholder. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as a director of the Corporation. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the procedures set forth herein. The officer of the Corporation presiding at an annual meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

Section 4. Meetings. The Board of Directors of the Corporation may hold meetings, both regular and special, either within or without the State of Delaware. Regular meetings of the Board of Directors may be held without notice at such time and at such place as may from time to time be determined by the

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Board of Directors. Special meetings of the Board of Directors may be called by the Chairman of the Board or Chief Executive Officer or a majority of the entire Board of Directors. Notice thereof stating the place, date and hour of the meeting shall be given to each director either by mail not less than forty-eight (48) hours before the date of the meeting, by telephone or telegram on twenty-four (24) hours notice, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

Section 5. Quorum. Except as may be otherwise specifically provided by law, the Certificate of Incorporation or these Bylaws, at all meetings of the Board of Directors or any committee thereof, a majority of the entire Board of Directors or such committee, as the case may be, shall constitute a quorum for the transaction of business and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors or such committee, as the case may be. If a quorum shall not be present at any meeting of the Board of Directors or of any committee thereof, a majority of the directors present thereat may adjourn the meeting from time to time until a quorum shall be present.

Section 6. Actions of Board of Directors. Unless otherwise provided by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all the members of the Board of Directors or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board of Directors or committee.

Section 7. Meetings by Means of Conference Telephone. Unless otherwise provided by the Certificate of Incorporation or these Bylaws, members of the Board of Directors of the Corporation, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Article III, Section 7 shall constitute presence in person at such meeting.

Section 8. Committees of the Board of Directors. There is hereby established as a committee of the Board of Directors an Audit Committee having the powers and functions set forth below and such additional powers as may be delegated to it by the Board of Directors. The Board of Directors may from time to time establish additional standing committees or special committees of the Board of Directors including, but not limited to, a Compensation Committee and a Nominating Committee, each of which shall have such powers and functions set

54

forth below or as may be delegated to it by the Board of Directors. The Board of Directors may abolish any committee established by or pursuant to this Section 8 as it may deem advisable. Each such committee shall consist of one or more directors, the exact number being determined from time to time by the Board of Directors. Designations of the chairman and members of each such committee, and, if desired, a vice chairman and alternates for members, shall be made by the Board of Directors. Each such committee shall have a secretary who shall be designated by its chairman and shall keep regular minutes and report to the Board of Directors as required. The vice chairman of a committee shall act as the chairman of the committee in the absence or disability of the chairman.

(a) Audit Committee. The Audit Committee shall be responsible for the appointment, compensation, retention and oversight of the work of any accounting firm engaged to prepare or issue an audit report or to perform other audit,

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

review or attest services on behalf of the Corporation. The appointment and retention of an accounting firm for each fiscal year shall be made in advance of the annual meeting of stockholders in such fiscal year and shall be submitted for ratification or rejection at such meeting. The Audit Committee shall operate in accordance with a charter approved by the Board of Directors.

(b) Compensation Committee. The Compensation Committee, if and when designated, shall fix from time to time the salaries of members of the Board of Directors who are officers or employees of the Company, the Chief Executive Officer, the President, and of any and all Vice Presidents of the Company. It also shall perform such functions as may be delegated to it under the provisions of any bonus, supplemental compensation, special compensation or stock option plan of the Company. The Compensation Committee shall operate in accordance with a charter approved by a Board of Directors.

(c) Nominating Committee. The Nominating Committee, if and when designated, from time to time shall consider and make recommendations to the Board of Directors, to the Chairman of the Board of Directors and to the President with respect to the nominations or elections of directors and officers of the Company, senior management succession plans and the appointments of such other employees of the Company as shall be referred to the Committee. The Committee from time to time shall consider the size, composition and functioning of the Board of Directors and make recommendations to the Board of Directors with respect to such matters. Prior to the annual meeting of stockholders each year, and prior to any special meeting of stockholders at which a director is to be elected, the Committee shall recommend to the Board of Directors persons proposed to constitute the nominees whose election at such meeting will be recommended by the Board of Directors. The authority vested in the Committee by this section shall not derogate from the power of individual members of the Board of Directors to recommend or place in nomination persons other than those recommended by the Committee. The Committee also shall perform such other functions and exercise such other powers as may be delegated to it from time to time by the Board of Directors. The Nominating Committee shall operate in accordance with a charter approved by a Board of Directors.

(d) Other Committees. The Board of Directors, or any committee, officer or employee of the Company may establish additional standing committees or special committees to serve in an advisory capacity or in such other capacities as may be permitted by law, by the Certificate of Incorporation and by the Amended and Restated By-Laws. The members of any such committee need not be members of the Board of Directors. Any committee established pursuant to this Section 8 may be abolished by the person or body by whom it was established as he, she or it may deem advisable. Each such committee shall consist of two or more members, the exact number being determined from time to time by such person or body. Designations of members of each such committee and, if desired, alternates for members, shall be made by such person or body, at whose will all such members and alternates shall serve.

Section 9. Compensation. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed amount (in cash or other form of consideration) for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

Section 10. Interested Directors. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest,

shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if (i) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified, by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

ARTICLE IV OFFICERS

He shall also ensure that meeting agendas cover all matters of importance to the Board of Directors and be responsible for making all arrangements for meetings, to include proper notice as provided for herein. The Chairman of the Board of Directors shall also insure that the agenda of meetings is followed and be responsible for communication between the Board of Directors and management, during the period between meetings of the Board of Directors. The Chairman shall monitor the performance of the Board of Directors as a collective body and as individual members and shall further be responsible for strategic and financial planning and shall otherwise insure the setting and maintaining of policies and procedures adopted by the Board of Directors.

56

ARTICLE IX INDEMNIFICATION

Section 1. Nature of Indemnity. Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "Proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer, of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee, fiduciary, or agent of another corporation or of a partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless by the Corporation to the fullest extent which it is empowered to do so by the GCL, as the same exists or may hereafter be amended, against all expense, liability and loss (including attorneys' fees) actually and reasonably incurred by such person in connection with such Proceeding and such indemnification shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in Section 2 hereof, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by the Board of Directors. The right to indemnification conferred in this Article IX shall be a contract right and, subject to Sections 2 and 5 hereof, shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition. The Corporation may, by action of its Board of Directors, provide indemnification to employees and agents of the Corporation with the same scope and effect as the foregoing indemnification of directors and officers.

Section 2. Procedure for Indemnification of Directors and Officers. Any indemnification of a director or officer of the Corporation under Section 1 of this Article IX or advance of expenses under Section 5 of this Article IX shall be made promptly, and in any event within 30 days, upon the written request of the director or officer. Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

59

Corporation shall be deemed to have approved the request. If the Corporation denies a written request for indemnification or advancing of expenses, in whole or in part, or if payment in full pursuant to such request is not made within thirty (30) days, the right to indemnification or advances as granted by this Article IX shall be enforceable by the director or officer in any court of competent jurisdiction. Such person's costs and expenses incurred in connection with successfully establishing his or her right to indemnification, in whole or in part, in any such action shall also be indemnified by the Corporation. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the GCL for the Corporation to indemnify the claimant for the amount claimed, but the burden of such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the GCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 3. Article Not Exclusive. The rights to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article IX shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

Section 4. Insurance. The Corporation may purchase and maintain insurance on its own behalf and on behalf of any person who is or was a director, officer, employee, fiduciary, or agent of the Corporation or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, whether or not the Corporation would have the power to indemnify such person against such liability under this Article IX.

Section 5. Expenses. Expenses incurred by any person described in Section 1 of this Article IX in defending a proceeding shall be paid by the Corporation in advance of such proceeding's final disposition upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation. Such expenses incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the Board of Directors deems appropriate.

Section 6. Employees and Agents. Persons who are not covered by the foregoing provisions of this Article IX and who are or were employees or agents of the Corporation, or who are or were serving at the request of the Corporation as employees or agents of another corporation, partnership, joint venture, trust or other enterprise, may be indemnified to the extent authorized at any time or from time to time by the Board of Directors.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Section 7. Contract Rights. The provisions of this Article IX shall be deemed to be a contract right between the Corporation and each director or officer who serves in any such capacity at any time while this Article IX and the relevant provisions of the GCL or other applicable law are in effect, and any repeal or modification of this Article IX or any such law shall not affect any rights or obligations then existing with respect to any state of facts or proceeding then existing.

ARTICLE X WAIVERS OF NOTICE AND EXCEPTIONS TO NOTICE REQUIREMENTS

Section 1. Waivers of Notice.

(a) Written Waiver. Whenever notice is required to be given, under any provision of the GCL or of the Certificate of Incorporation or Bylaws, a written waiver, signed by the person or persons entitled to the notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business

60

to be transacted at, nor the purpose of, any regular or special meeting of the stockholders, Board of Directors, or members of a committee of the Board of Directors need be specified in any written waiver of notice of such meeting.

(b) Waiver by Attendance. Attendance of a person at a meeting, either in person or by proxy, shall constitute a waiver of notice of such meeting, except where a person attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting was not lawfully called or convened.

Section 2. Exception to Requirements of Notice.

(a) General Rule. Whenever notice is required to be given, under any provision of the GCL or of the Certificate of Incorporation or these Bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given.

(b) Stockholders Without Forwarding Addresses. Whenever notice is required to be given, under any provision of the GCL, the Certificate of Incorporation or these Bylaws, to any stockholder to whom (i) notice of two consecutive annual meetings, and all notices of meetings or of the taking of action by written consent without a meeting to such person during the period between such two consecutive annual meetings, or (ii) all, and at least two, payments (if sent by first class mail) of dividends or interest on securities during a twelve (12) month period, have been mailed addressed to such person at his address as shown on the records of the Corporation and have been returned undeliverable, the giving of such notice to such person shall not be required. Any action or meeting which shall be taken or held without notice to such person shall have the same force and effect as if such notice setting forth the person's then current address, the requirement that notice be given to such person shall be reinstated.

purchase price (if any), any restriction or limitation, any vesting schedule or acceleration thereof, or any forfeiture restrictions or waiver thereof, regarding any Stock Option or other Award, and the shares of Common Stock relating thereto, based on such factors, if any, as the Committee shall determine, in its sole discretion);

(e) to determine whether and under what circumstances a Stock Option may be settled in cash, Common Stock and/or Restricted Stock under Subsection 6.3(d) or, with respect to Stock Options granted to non-employee directors, Section 9.4(c);

(f) to determine whether, to what extent and under what circumstances to provide loans (which shall be on a recourse basis and shall bear a reasonable rate of interest) to Eligible Employees and Consultants in order to exercise Options under the Plan;

(g) to modify, extend or renew a Stock Option, subject to Article XII hereof, provided, however, that if a Stock Option is modified, extended or renewed and thereby deemed to be the issuance of a new Stock Option under the Code or the applicable accounting rules, the exercise price of such Stock Option may continue to be the original exercise price even if less than the Fair Market Value of the Common Stock at the time of such modification, extension or renewal;

(h) to determine whether a Stock Option is an Incentive Stock Option or Non-Qualified Stock Option, whether a Stock Appreciation Right is a Tandem Stock Appreciation Right or Non-Tandem Stock Appreciation Right or whether an Award is intended to satisfy Section 162(m) of the Code;

(i) to determine whether to require an Eligible Employee or Consultant, as a condition of the granting of any Award, to not sell or otherwise dispose of shares acquired pursuant to the exercise of an Option or as an Award for a period of time as determined by the Committee, in its sole discretion, following the date of the acquisition of such Option or Award;

(j) to determine whether a Stock Appreciation Right is Tandem or Non-Tandem; and

(k) to grant Awards under the Plan as a conversion from, and replacement of, comparable stock options, stock appreciation rights or restricted stock held by employees of another entity who become Eligible Employees of, or Consultants to, the Company or an Affiliate as the result of a merger or consolidation of the employing entity with the Company or an Affiliate, or as the result of the acquisition by the Company of property or stock of the employing corporation. The Company may direct that replacement Awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances, including, without limitation, that Non-Qualified Stock Options shall be granted in lieu of Incentive Stock Options.

3.3 GUIDELINES. Subject to Article XII hereof, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing this Plan and perform all acts, including the delegation of its administrative responsibilities, as it shall, from time to time, deem advisable; to construe and interpret the terms and provisions of this Plan and any Award issued under this Plan (and any agreements relating thereto); and to otherwise supervise the administration of this Plan. The Committee may correct any defect, supply any omission or reconcile any inconsistency in this Plan or

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

in any agreement relating thereto in the manner and to the extent it shall deem necessary to carry this Plan into effect, but only to the extent any such action would be permitted under the applicable provisions of Rule 16b-3 (if any) and the applicable provisions of Section 162(m) of the Code (if any). The Committee may adopt special guidelines and provisions for persons who are residing in, or subject to the taxes of, countries other than the United States to comply with applicable tax and securities laws. If, or to the extent applicable, this Plan is intended to comply with Section 162(m) of the Code and the applicable requirements of Rule 16b-3 and shall be limited, construed and interpreted in a manner so as to comply therewith.

3.4 DECISIONS FINAL. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Company, the Board, or the Committee (or any of its members) arising out of or in connection with the Plan shall be within the absolute discretion of all and each of them, as the case may be, and shall be final, binding and conclusive on the Company and all employees and Participants and their respective heirs, executors, administrators, successors and assigns. The Committee shall not be bound to any standards of uniformity

66

or similarity of action, interpretation or conduct in the discharge of its duties hereunder, regardless of the apparent similarity of the matters coming before it.

3.5 RELIANCE ON COUNSEL. The Company, the Board or the Committee may consult with legal counsel, who may be counsel for the Company or other counsel, with respect to its obligations or duties hereunder, or with respect to any action or proceeding or any question of law, and shall not be liable with respect to any action taken or omitted by it in good faith pursuant to the advice of such counsel.

3.6 PROCEDURES. If the Committee is appointed, the Board may designate one of the members of the Committee as chairman and the Committee shall hold meetings, subject to the By-Laws of the Company, at such times and places as it shall deem advisable. A majority of the Committee members shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by all Committee members in accordance with the By-Laws of the Company shall be fully effective as if it had been made by a vote at a meeting duly called and held. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.7 DESIGNATION OF CONSULTANTS--LIABILITY.

(a) The Committee may designate employees of the Company and professional advisors to assist the Committee in the administration of the Plan and may grant authority to employees to execute agreements or other documents on behalf of the Committee.

(b) The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. The Committee, its members and any person designated pursuant to paragraph above shall not be liable for any action or determination made in good faith with respect to the Plan.

To the maximum extent permitted by applicable law, no officer of the

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Company or member or former member of the Committee or of the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under it. To the maximum extent permitted by applicable law and the Certificate of Incorporation and By-Laws of the Company and to the extent not covered by insurance, each employee of the Company and member or former member of the Committee or of the Board shall be indemnified and held harmless by the Company against any cost or expense (including reasonable fees of counsel reasonably acceptable to the Company) or liability (including any sum paid in settlement of a claim with the approval of the Company), and advanced amounts necessary to pay the foregoing at the earliest time and to the fullest extent permitted, arising out of any act or omission to act in connection with the Plan, except to the extent arising out of such officer's, member's or former member's own fraud or bad faith. Such indemnification shall be in addition to any rights of indemnification the employees, officers, directors or members or former officers, directors or members may have under applicable law or under the Certificate of Incorporation or By-Laws of the Company or Affiliate. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to him or her under this Plan.

ARTICLE IV. SHARE AND OTHER LIMITATIONS

4.1 SHARES.

(a) GENERAL LIMITATION. The aggregate number of shares of Common Stock which may be issued or used for reference purposes under this Plan or with respect to which other Awards may be granted shall not exceed 10,000,000 shares (subject to any increase or decrease pursuant to Section 4.2) which may be either authorized and unissued Common Stock or Common Stock held in or acquired for the treasury of the Company.

67

If any Option or Stock Appreciation Right granted under this Plan expires, terminates or is canceled for any reason without having been exercised in full or, with respect to Options, the Company repurchases any Option pursuant to Section 6.3(f), the number of shares of Common Stock underlying the repurchased Option, and/or the number of shares of Common Stock underlying any unexercised Stock Appreciation Right or Option shall again be available for the purposes of Awards under the Plan. If a Tandem Stock Appreciation Right or a Limited Stock Appreciation Right is granted in tandem with an Option, such grant shall only apply once against the maximum number of shares of Common Stock that may be issued under this Plan. In determining the number of shares of Common Stock available for Awards other than Awards of Incentive Stock Options, if Common Stock has been delivered or exchanged by a Participant as full or partial payment to the Company for the exercise price or for withholding taxes, in connection with the exercise of a Stock Option or the number shares of Common Stock otherwise deliverable has been reduced for full or partial payment for the exercise price or for withholding taxes, the number of shares of Common Stock delivered, exchanged or reduced shall again be available for purposes of Awards under this Plan.

In the event Awards are granted to employees or Consultants pursuant to Section 3.2(k), the aggregate number of shares of Common Stock available under the Plan for Awards other than Incentive Stock Options shall be increased by the number of shares of Common Stock which may be issued or used for reference with respect to those Awards granted pursuant to Section 3.2(k). The maximum number of shares of Common Stock which may be issued under this Plan with respect to Incentive Stock Options shall not be increased (subject to any increase or decrease pursuant to Section 4.2).

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

(b) INDIVIDUAL PARTICIPANT LIMITATIONS.

(i) The maximum number of shares of Common Stock subject to any Option which may be granted under this Plan to each Participant shall not exceed 5,000,000 shares (subject to any increase or decrease pursuant to Section 4.2) during each fiscal year of the Company.

(ii) There are no annual individual Participant limitations on Restricted Stock.

(iii) The maximum number of shares of Common Stock subject to any Stock Appreciation Right which may be granted under this Plan to each Participant shall not exceed 5,000,000 shares (subject to any increase or decrease pursuant to Section 4.2) during each fiscal year of the Company. If a Tandem Stock Appreciation Right or Limited Stock Appreciation Right is granted in tandem with an Option it shall apply against the Participant's individual share limitations for both Stock Appreciation Rights and Options.

(iv) The individual Participant limitations set forth in this Section 4.1(b) shall be cumulative; that is, to the extent that shares of Common Stock for which Awards are permitted to be granted to an Eligible Employee or a Consultant during a fiscal year are not covered by an Award to such Eligible Employee or Consultant in a fiscal year, the number of shares of Common Stock available for Awards to such Eligible Employee or Consultant shall automatically increase in the subsequent fiscal years during the term of the Plan until used.

4.2 CHANGES.

(a) The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company or its Affiliates, any issue of bonds, debentures, preferred or prior preference stock ahead of or affecting Common Stock, the dissolution or liquidation of the Company or its Affiliates, any sale or transfer of all or part of its assets or business or any other corporate act or proceeding.

(b) In the event of any such change in the capital structure or business of the Company by reason of any stock dividend or distribution, stock split or reverse stock split, recapitalization, reorganization, merger, consolidation, split-up, combination or exchange of shares, distribution with respect to its outstanding Common Stock or capital stock other than Common Stock, sale or transfer of all or part of its assets or business, reclassification of its capital stock, or any similar change affecting the Company's capital structure or business and the Committee determines an adjustment is appropriate under the Plan, then the aggregate number and kind of shares which thereafter may be issued under this Plan, the number and kind of shares or other property (including

cash) to be issued upon exercise of an outstanding Option or other Awards granted under this Plan and the purchase price thereof shall be appropriately adjusted consistent with such change in such manner as the Committee may deem equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under this Plan or as otherwise necessary to reflect the change, and any such adjustment determined by the Committee shall be binding and conclusive on the Company and all Participants and employees and their respective heirs, executors, administrators, successors and assigns.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

(c) Fractional shares of Common Stock resulting from any adjustment in Options or Awards pursuant to Section 4.2(a) or (b) shall be aggregated until, and eliminated at, the time of exercise by rounding-down for fractions less than one-half (1/2) and rounding-up for fractions equal to or greater than one-half (1/2). No cash settlements shall be made with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Option or Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

(d) In the event of a merger or consolidation in which the Company is not the surviving entity or in the event of any transaction that results in the acquisition of substantially all of the Company's outstanding Common Stock by a single person or entity or by a group of persons and/or entities acting in concert, or in the event of the sale or transfer of all of the Company's assets (all of the foregoing being referred to as "Acquisition Events"), then the Committee may, in its sole discretion, terminate all outstanding Options and Stock Appreciation Rights of Eligible Employees and Consultants, effective as of the date of the Acquisition Event, by delivering notice of termination to each such Participant at least twenty (20) days prior to the date of consummation of the Acquisition Event; provided, that during the period from the date on which such notice of termination is delivered to the consummation of the Acquisition Event, each such Participant shall have the right to exercise in full all of his or her Options and Stock Appreciation Rights that are then outstanding (without regard to any limitations on exercisability otherwise contained in the Option or Award Agreements) but contingent on occurrence of the Acquisition Event, and, provided that, if the Acquisition Event does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise shall be null and void.

(e) If an Acquisition Event occurs, to the extent the Committee does not terminate the outstanding Options and Stock Appreciation Rights pursuant to Section 4.2(d), then the provisions of Section 4.2(b) shall apply.

4.3 PURCHASE PRICE. Notwithstanding any provision of this Plan to the contrary, if authorized but previously unissued shares of Common Stock are issued under this Plan, such shares shall not be issued for a consideration which is less than as permitted under applicable law.

ARTICLE V. ELIGIBILITY

5.1 All employees of and Consultants to the Company and its Affiliates are eligible to be granted Non-Qualified Stock Options, Stock Appreciation Rights and Restricted Stock under this Plan. All employees of the Company, its Subsidiaries and its Parents are eligible to be granted Incentive Stock Options under the Plan. The Committee shall determine eligibility under this Plan.

5.2 Non-employee directors of the Company are only eligible to receive an Award in accordance with Article IX of the Plan.

ARTICLE VI. STOCK OPTION GRANTS

6.1 OPTIONS. Each Stock Option granted hereunder shall be one of two types: (i) an Incentive Stock Option intended to satisfy the requirements of Section 422 of the Code or (ii) a Non-Qualified Stock Option.

6.2 GRANTS. The Committee shall have the authority to grant to any Eligible Employee one or more Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options (in each case with or without Stock

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Appreciation Rights). The Committee shall have the authority to grant to any Consultant one or more Non-

69

Qualified Stock Options (with or without Stock Appreciation Rights). To the extent that any Stock Option does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option, or the portion thereof that does not qualify, shall constitute a separate Non-Qualified Stock Option. Notwithstanding any other provision of this Plan to the contrary or any provision in an agreement evidencing the grant of a Stock Option to the contrary, any Stock Option granted to an Eligible Employee of an Affiliate (other than an Affiliate which is a Parent or a Subsidiary) or to any Consultant shall be a Non-Qualified Stock Option.

6.3 TERMS OF OPTIONS. Options granted under this Plan shall be subject to the following terms and conditions, shall be subject to Section 3.2 hereof and the other provisions of this Plan, and shall be in such form and contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem desirable:

(a) OPTION PRICE. The option price per share of Common Stock purchasable under an Incentive Stock Option shall be determined by the Committee at the time of grant but shall not be less than 100% of the Fair Market Value of the share of Common Stock at the time of grant; provided, however, if an Incentive Stock Option is granted to a Ten Percent Stockholder, the purchase price shall be no less than 110% of the Fair Market Value of the Common Stock. The purchase price of shares of Common Stock subject to a Non-Qualified Stock Option shall be determined by the Committee. Notwithstanding the foregoing, if an Option is modified, extended or renewed and, thereby, deemed to be the issuance of a new Option under the Code, the exercise price of an Option may continue to be the original exercise price even if less than the Fair Market Value of the Common Stock at the time of such modification, extension or renewal.

(b) OPTION TERM. The term of each Stock Option shall be fixed by the Committee, but no Stock Option shall be exercisable more than ten (10) years after the date the Option is granted, provided, however, the term of an Incentive Stock Option granted to a Ten Percent Stockholder may not exceed five (5) years.

(c) EXERCISABILITY. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the Committee provides, in its discretion, that any Stock Option is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, that the Committee may waive the installment exercise provisions or accelerate the time at which Options may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

(d) METHOD OF EXERCISE. Subject to whatever installment exercise and waiting period provisions apply under subsection (c) above, Stock Options may be exercised in whole or in part at any time during the Option term, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price in such form, or such other arrangement for the satisfaction of the purchase price, as the Committee may accept. To the extent determined by the Committee in its sole discretion at or after grant, payment in

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

full or in part may be made as follows: (i) in cash or by check, bank draft or money order payable to the order of the Company; (ii) if the Common Stock is traded on a national securities exchange, the Nasdaq Stock Market, Inc. or quoted on a national quotation system sponsored by the National Association of Securities Dealers, through a "cashless exercise" procedure whereby the Participant delivers irrevocable instructions to a broker to deliver promptly to the Company an amount equal to the purchase price, (iii) in the form of Common Stock owned by the Participant for at least 6 months (and for which the Participant has good title free and clear of any liens and encumbrances) or (iv) in the form of Restricted Stock; provided, however, that in each case, such payment is based on the Fair Market Value of the Common Stock on the payment date as determined by the Committee (without regard to any forfeiture restrictions applicable to such Restricted Stock). No shares of Common Stock shall be issued until payment, as provided herein, therefore has been made or provided for. If payment in full or in part has been made in the form of Restricted Stock, an equivalent number of shares of Common Stock issued on exercise of the Option shall be subject to the same restrictions and conditions, during the remainder of the Restriction Period, applicable to the Restricted Stock surrendered therefore.

(e) INCENTIVE STOCK OPTION LIMITATIONS. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock with respect to which Incentive Stock

70

Options are exercisable for the first time by an Eligible Employee during any calendar year under the Plan and/or any other stock option plan of the Company or any Subsidiary or Parent exceeds \$100,000, such Options shall be treated as Options which are not Incentive Stock Options. In addition, if an Eligible Employee does not remain employed by the Company, any Subsidiary or Parent at all times from the time the Option is granted until three (3) months prior to the date of exercise (or such other period as required by applicable law), such Option shall be treated as an Option which is not a Non-Qualifi

Should the foregoing provision not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may amend the Plan accordingly, without the necessity of obtaining the approval of the stockholders of the Company.

(f) BUY OUT AND SETTLEMENT PROVISIONS. The Committee may at any time on behalf of the Company offer to buy out an Option previously granted, based on such terms and conditions as the Committee shall establish and communicate to the Participant at the time that such offer is made.

(g) FORM, MODIFICATION, EXTENSION AND RENEWAL OF OPTIONS. Subject to the terms and conditions and within the limitations of the Plan, an Option shall be evidenced by such form of agreement or grant as is approved by the Committee, and the Committee may modify, extend or renew outstanding Options granted under the Plan (provided that the rights of a Participant are not reduced without his consent), or accept the surrender of outstanding Options (up to the extent not theretofore exercised) and authorize the granting of new Options in substitution therefor (to the extent not theretofore exercised).

(h) DEFERRED DELIVERY OF COMMON SHARES. The Committee may in its discretion permit Participants to defer delivery of Common Stock acquired pursuant to a Participant's exercise of an Option in accordance with the terms and conditions established by the Committee.

(i) OTHER TERMS AND CONDITIONS. Options may contain such other provisions, which shall not be inconsistent with any of the foregoing terms of

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

the Plan, as the Committee shall deem appropriate including, without limitation, permitting "reloads" such that the same number of Options are granted as the number of Options exercised, shares used to pay for the exercise price of Options or shares used to pay withholding taxes ("Reloads"). With respect to Reloads, the exercise price of the new Stock Option shall be the Fair Market Value on the date of the "reload" and the term of the Stock Option shall be the same as the remaining term of the Options that are exercised, if applicable, or such other exercise price and term as determined by the Committee.

6.4 TERMINATION OF EMPLOYMENT. The following rules apply with regard to Options upon the Termination of Employment or Termination of Consultancy of a Participant:

(a) TERMINATION BY REASON OF DEATH. If a Participant's Termination of Employment or Termination of Consultancy is by reason of death, any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant's estate are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's death, by the legal representative of the estate, at any time within a period of one (1) year from the date of such death, but in no event beyond the expiration of the stated term of such Stock Option.

(b) TERMINATION BY REASON OF DISABILITY. If a Participant's Termination of Employment or Termination of Consultancy is by reason of Disability, any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's termination, by the Participant (or the legal representative of the Participant's estate if the Participant dies after termination) at any time within a period of one (1) year from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option.

(c) TERMINATION BY REASON OF RETIREMENT. If a Participant's Termination of Employment or Termination of Consultancy is by reason of Retirement, any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, shall be fully vested and may thereafter be exercised by the Participant at any time within a period of one (1) year from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option; provided, however, that, if the Participant dies within such exercise period, any unexercised Stock Option

71

held by such Participant shall thereafter be exercisable, to the extent to which it was exercisable at the time of death, for a period of one (1) year (or such other period as the Committee may specify at grant or, if no rights of the Participant's estate are reduced, thereafter) from the date of such death, but in no event beyond the expiration of the stated term of such Stock Option.

(d) INVOLUNTARY TERMINATION WITHOUT CAUSE OR TERMINATION FOR GOOD REASON. If a Participant's Termination of Employment or Termination of Consultancy is by involuntary termination without Cause or for Good Reason, any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of ninety (90) days from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option.

(e) TERMINATION WITHOUT GOOD REASON. If a Participant's Termination of

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

Employment or Termination of Consultancy is voluntary but without Good Reason and occurs prior to, or more than ninety (90) days after, the occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirements), any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of thirty (30) days from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option.

(f) OTHER TERMINATION. Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, if a Participant's Termination of Employment or Termination of Consultancy is for any reason other than death, Disability, Retirement, Good Reason, involuntary termination without Cause or voluntary termination as provided in subsection (e) above, any Stock Option held by such Participant shall thereupon terminate and expire as of the date of termination, provided that (unless the Committee determines a different period upon grant or, if no rights of the Participant are reduced, thereafter) in the event the termination is for Cause or is a voluntary termination without Good Reason within ninety (90) days after occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirement), any Stock Option held by the Participant at the time of occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause shall be deemed to have terminated and expired upon occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause.

ARTICLE VII. RESTRICTED STOCK AWARDS

7.1 AWARDS OF RESTRICTED STOCK. Shares of Restricted Stock may be issued to Eligible Employees or Consultants either alone or in addition to other Awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock will be made, the number of shares to be awarded, the price (if any) to be paid by the recipient (subject to Section 7.2), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards.

7.2 AWARDS AND CERTIFICATES. The prospective Participant selected to receive a Restricted Stock Award shall not have any rights with respect to such Award, unless and until such Participant has delivered a fully executed copy of the applicable agreement evidencing the Award (the "Restricted Stock Award Agreement") to the Company and has otherwise complied with the applicable terms and conditions of such Award. Further, such Award shall be subject to the following conditions:

(a) PURCHASE PRICE. The purchase price of Restricted Stock shall be fixed by the Committee. Subject to Section 4.3, the purchase price for shares of Restricted Stock may be zero to the extent permitted by applicable law.

72

(b) ACCEPTANCE. Awards of Restricted Stock must be accepted within a period of sixty (60) days (or such shorter period as the Committee may specify at grant) after the Award date, by executing a Restricted Stock Award Agreement and by paying whatever price (if any) the Committee has designated thereunder.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

(c) LEGEND. Each Participant receiving a Restricted Stock Award shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of a Restricted Stock Award. Such certificate shall be registered in the name of such Participant, and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

"The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the iGames Entertainment, Inc. (the "Company") Amended and Restated 2003 Stock Incentive Plan and an Agreement entered into between the registered owner and the Company, dated _____, 200_. Copies of such Plan and Agreement are on file at the principal office of the Company."

(d) CUSTODY. The Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any Restricted Stock Award, the Participant shall have delivered a duly signed stock power, endorsed in blank, relating to the Common Stock covered by such Award.

7.3 RESTRICTIONS AND CONDITIONS ON RESTRICTED STOCK AWARDS. The shares of Restricted Stock awarded pursuant to this Plan shall be subject to Article X and the following restrictions and conditions:

(a) RESTRICTION PERIOD; VESTING AND ACCELERATION OF VESTING. The Participant shall not be permitted to Transfer shares of Restricted Stock awarded under this Plan during a period set by the Committee (the "Restriction Period") commencing with the date of such Award, as set forth in the Restricted Stock Award agreement and such agreement shall set forth a vesting schedule and any events which would accelerate vesting of the shares of Restricted Stock. Within these limits, based on service, or other criteria determined by the Committee, the Committee may provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock Award.

(b) RIGHTS AS STOCKHOLDER. Except as provided in this subsection (b) and subsection (a) above and as otherwise determined by the Committee, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company including, without limitation, the right to receive any dividends, the right to vote such shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares. Notwithstanding the foregoing, the payment of dividends shall be deferred until, and conditioned upon, the expiration of the applicable Restriction Period, unless the Committee, in its sole discretion, specifies otherwise at the time of the Award.

(c) LAPSE OF RESTRICTIONS. If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock subject to such Restriction Period, the certificates for such shares shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant except as otherwise required by applicable law.

(d) TERMINATION OF EMPLOYMENT OR TERMINATION OF CONSULTANCY FOR RESTRICTED STOCK. Subject to the applicable provisions of the Restricted Stock Award agreement and this Plan, upon a Participant's Termination of Employment or Termination of Consultancy for any reason during the relevant Restriction Period, all Restricted Stock still subject to restriction will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

ARTICLE VIII.
STOCK APPRECIATION RIGHTS

8.1 TANDEM STOCK APPRECIATION RIGHTS. Stock Appreciation Rights may be granted in conjunction with all or part of any Stock Option (a "Reference Stock Option") granted under this Plan ("Tandem Stock Appreciation Rights"). In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Reference Stock Option.

8.2 TERMS AND CONDITIONS OF TANDEM STOCK APPRECIATION RIGHTS. Tandem Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee, including Article X and the following:

(a) TERM. A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of shares covered by the Reference Stock Option shall not be reduced until and then only to the extent the exercise or termination of the Reference Stock Option causes the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.

(b) EXERCISABILITY. Tandem Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Reference Stock Options to which they relate shall be exercisable in accordance with the provisions of Article VI and this Article VIII.

(c) METHOD OF EXERCISE. A Tandem Stock Appreciation Right may be exercised by an optionee by surrendering the applicable portion of the Reference Stock Option. Upon such exercise and surrender, the Participant shall be entitled to receive an amount determined in the manner prescribed in this Section 8.2. Stock Options that have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the related Tandem Stock Appreciation Rights have been exercised.

(d) PAYMENT. Upon the exercise of a Tandem Stock Appreciation Right a Participant shall be entitled to receive up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock over the option price per share specified in the Reference Stock Option multiplied by the number of shares in respect of which the Tandem Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment.

(e) DEEMED EXERCISE OF REFERENCE STOCK OPTION. Upon the exercise of a Tandem Stock Appreciation Right, the Reference Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have been exercised for the purpose of the limitation set forth in Article IV of the Plan on the number of shares of Common Stock to be issued under the Plan.

8.3 NON-TANDEM STOCK APPRECIATION RIGHTS. Non-Tandem Stock Appreciation Rights may also be granted without reference to any Stock Options granted under this Plan.

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

8.4 TERMS AND CONDITIONS OF NON-TANDEM STOCK APPRECIATION RIGHTS. Non-Tandem Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee, including Article X and the following:

(a) TERM. The term of each Non-Tandem Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than ten (10) years after the date the right is granted.

(b) EXERCISABILITY. Non-Tandem Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the

74

Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitation on the exercisability at any time at or after grant in whole or in part (including, without limitation, that the Committee may waive the installment exercise provisions or accelerate the time at which rights may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

(c) METHOD OF EXERCISE. Subject to whatever installment exercise and waiting period provisions apply under subsection (b) above, Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time during the option term, by giving written notice of exercise to the Company specifying the number of Non-Tandem Stock Appreciation Rights to be exercised.

(d) PAYMENT. Upon the exercise of a Non-Tandem Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock on the date the right is exercised over the Fair Market Value of one (1) share of Common Stock on the date the right was awarded to the Participant.

8.5 LIMITED STOCK APPRECIATION RIGHTS. The Committee may, in its sole discretion, grant Tandem and Non-Tandem Stock Appreciation Rights either as a general Stock Appreciation Right or as a Limited Stock Appreciation Right. Limited Stock Appreciation Rights may be exercised only upon a Change in Control (to the extent provided in an Award agreement granting such Limited Stock Appreciation Rights) or the occurrence of such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter. Upon the exercise of Limited Stock Appreciation Rights, except as otherwise provided in an Award agreement, the Participant shall receive in cash or Common Stock, as determined by the Committee, an amount equal to the amount (1) set forth in Section 8.2(d) with respect to Tandem Stock Appreciation Rights or (2) set forth in Section 8.4(d) with respect to Non-Tandem Stock Appreciation Rights.

8.6 TERMINATION OF EMPLOYMENT OR TERMINATION OF CONSULTANCY. The following rules apply with regard to Stock Appreciation Rights upon the Termination of Employment or Termination of Consultancy of a Participant:

(a) TERMINATION BY DEATH. If a Participant's Termination of Employment or Termination of Consultancy is by reason of death, any Stock Appreciation Right held by such Participant, unless otherwise determined by the Committee at grant or if no rights of the Participant's estate are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's death, by the legal

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

representative of the estate, at any time within a period of one (1) year from the date of such death or until the expiration of the stated term of such Stock Appreciation Right, whichever period is the shorter.

(b) TERMINATION BY REASON OF DISABILITY. If a Participant's Termination of Employment or Termination of Consultancy is by reason of Disability, any Stock Appreciation Right held by such participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's termination, by the Participant (or the legal representative of the Participant's estate if the Participant dies after termination) at any time within a period of one (1) year from the date of such termination or until the expiration of the stated term of such Stock Appreciation Right, whichever period is the shorter.

(c) TERMINATION BY REASON OF RETIREMENT. If a Participant's Termination of Employment or Termination of Consultancy is by reason of Retirement, any Stock Appreciation Right held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, shall be fully vested and may thereafter be exercised by the Participant at any time within a period of one (1) year from the date of such termination or until the expiration of the stated term of such right, whichever period is the shorter; provided, however, that, if the Participant dies within such one (1) year period, any unexercised Non-Tandem Stock Appreciation Right held by such Participant shall thereafter be exercisable, to the extent to which it was exercisable at the time of death, for a period of one (1) year (or such other period as the Committee may specify at grant or if no rights of the Participant are reduced, thereafter) from the date of such death or until the expiration of the stated term of such right, whichever period is the shorter.

75

(d) INVOLUNTARY TERMINATION WITHOUT CAUSE OR TERMINATION FOR GOOD REASON. If a Participant's Termination of Employment or Termination of Consultancy is by involuntary termination without Cause or for Good Reason, any Stock Appreciation Right held by such participant, unless otherwise determined by the Committee at grant or if no rights of the participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of ninety (90) days from the date of such termination or until the expiration of the stated term of such right, whichever period is shorter.

(e) TERMINATION WITHOUT GOOD REASON. If a Participant's Termination of Employment or Termination of Consultancy is voluntary but without Good Reason and occurs prior to, or more than ninety (90) days after, the occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirements), any Stock Appreciation Right held by such Participant, unless greater or lesser exercise rights are provided by the Committee at the time of grant or, if no rights of the participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of thirty (30) days from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Appreciation Right.

(f) OTHER TERMINATION. Unless otherwise determined by the Committee at grant, or, if no rights of the Participant are reduced thereafter, if a Participant's Termination of Employment or Termination of Consultancy is for any reason other than death, Disability, Retirement, Good Reason, involuntary termination without Cause or voluntary termination as provided in subsection (e) above, any Stock Appreciation Right held by such Participant shall thereupon

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

terminate or expire as of the date of termination, provided, that (unless the Committee determines a different period upon grant, or, if no rights of the Participant are reduced, thereafter) in the event the termination is for Cause or is a voluntary termination as provided in subsection (e) above, within ninety (90) days after occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirement), any Stock Appreciation Right held by the Participant at the time of the occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause shall be deemed to have terminated and expired upon occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause.

ARTICLE IX. NON-EMPLOYEE DIRECTOR AWARDS

9.1 OPTIONS. The terms of this Article IX shall apply only to Options granted to non-employee directors.

9.2 GRANTS.

(a) INITIAL STOCK OPTION GRANT. Subject to the terms of the Plan, each non-employee director of the Company who, as of December 31, 2003, has not previously been granted Options under the Plan, shall be granted Non-Qualified Stock Options to purchase Common Stock with a value of \$12,000.00 pro-rated for directors who have served less than a year since their initial grant as of December 31, 2003, or, if later, as of the date the non-employee director begins service as a director on the Board.

(b) SUBSEQUENT STOCK OPTION GRANTS. Upon the date of each Annual Meeting of Stockholders, each non-employee director shall be granted Non-Qualified Stock Options to purchase Common Stock with a value of \$12,000.00 (or a pro rata portion thereof if the director did not serve the entire year since the date of the last annual meeting). These options shall vest in full on the date of the third Annual Meeting of Stockholders held following the date of the grant, provided that the non-employer director is a director on the Board on that date.

9.3 NON-QUALIFIED STOCK OPTIONS. Stock Options granted under this Article IX shall be Non-Qualified Stock Options.

76

9.4 TERMS OF OPTIONS. Options granted under this Article shall be subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions, not inconsistent with terms of this Plan, as the Committee shall deem desirable:

(a) OPTION PRICE. The purchase price per share of Common Stock deliverable upon the exercise of an Option granted pursuant to Section 9.2 shall be 100% of the Fair Market Value of such Common Stock (110% of the Fair Market Value if the non-employee director is a Ten Percent Stockholder) at the time of the grant of the Option (the "Purchase Price"), or the par value of the Common Stock, whichever is greater.

(b) EXERCISABILITY. Except as otherwise provided herein, twenty-five percent (25%) of any Option granted under Section 9.2(a) shall be exercisable on or after each of the four anniversaries following the date of grant.

(c) METHOD FOR EXERCISE. A non-employee director electing to exercise one or more Options shall give written notice of exercise to the Company

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

specifying the number of shares to be purchased. Common Stock purchased pursuant to the exercise of Options shall be paid for at the time of exercise in cash or by delivery of unencumbered Common Stock owned by the non-employee director or a combination thereof or by such other method as approved by the Board.

(d) OPTION TERM. Except as otherwise provided herein, if not previously exercised each Option shall expire upon the tenth anniversary of the date of the grant thereof.

9.5 TERMINATION OF DIRECTORSHIP. The following rules apply with regard to Options upon the Termination of Directorship:

(a) DEATH, DISABILITY OR OTHERWISE CEASING TO BE A DIRECTOR OTHER THAN FOR CAUSE. Except as otherwise provided herein, upon the Termination of Directorship, on account of Disability, death, Retirement, resignation, failure to stand for reelection or failure to be reelected or otherwise other than as set forth in (b) below, all outstanding Options then exercisable and not exercised by the Participant prior to such Termination of Directorship shall remain exercisable, to the extent exercisable at the Termination of Directorship, by the Participant or, in the case of death, by the Participant's estate or by the person given authority to exercise such Options by his or her will or by operation of law, for the remainder of the stated term of such Options.

(b) CAUSE. Upon removal, failure to stand for reelection or failure to be renominated for Cause, or if the Company obtains or discovers information after Termination of Directorship that such Participant had engaged in conduct that would have justified a removal for Cause during such directorship, all outstanding Options of such Participant shall immediately terminate and shall be null and void.

(c) CANCELLATION OF OPTIONS. No Options that were not exercisable during the period such person serves as a director shall thereafter become exercisable upon a Termination of Directorship for any reason or no reason whatsoever, and such Options shall terminate and become null and void upon a Termination of Directorship.

9.6 CHANGES. The Awards to a non-employee director shall be subject to Sections 4.2(a), (b) and (c) of the Plan and this Section 9.6, but shall not be subject to Section 4.2(d).

9.7 If the Company shall not be the surviving corporation in any merger or consolidation, or if the Company is to be dissolved or liquidated, then, unless the surviving corporation assumes the Options or substitutes new Options which are determined by the Board in its sole discretion to be substantially similar in nature and equivalent in terms and value for Options then outstanding, upon the effective date of such merger, consolidation, liquidation or dissolution, any unexercised Options shall expire without additional compensation to the holder thereof; provided, that, the Committee shall deliver notice to each non-employee director at least twenty (20) days prior to the date of consummation of such merger, consolidation, dissolution or liquidation which would result in the expiration of the Options and during the period from the date on which such notice of termination is delivered to the consummation of the merger, consolidation, dissolution or liquidation, such Participant shall have the right to exercise in full effective as of such consummation all Options that are then outstanding (without regard to limitations on exercise otherwise contained in the Options) but contingent on occurrence of the merger,

consolidation, dissolution or liquidation, and, provided that, if the

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

contemplated transaction does not take place within a ninety (90) day period after giving such notice for any reason whatsoever, the notice, accelerated vesting and exercise shall be null and void and, if and when appropriate, new notice shall be given as aforesaid.

ARTICLE X. NON-TRANSFERABILITY

Except as provided in the last sentence of this Article X, no Stock Option or Stock Appreciation Right granted to an Employee or Consultant shall be Transferable by the Participant otherwise than by will or by the laws of descent and distribution. All Stock Options and all Stock Appreciation Rights granted to an Employee or Consultant shall be exercisable, during the Participant's lifetime, only by the Participant. Tandem Stock Appreciation Rights shall be Transferable, to the extent permitted above, only with the underlying Stock Option. Shares of Restricted Stock under Article VII may not be Transferred prior to the date on which shares are issued, or, if later, the date on which any applicable restriction lapses. No Award shall, except as otherwise specifically provided by law or herein, be Transferable in any manner, and any attempt to Transfer any such Award shall be void, and no such Award shall in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of any person who shall be entitled to such Award, nor shall it be subject to attachment or legal process for or against such person. All Stock Options granted to non-employee directors shall be Transferable solely to such non-employee director's principal employer (other than the Company or an Affiliate) at the time of grant if the terms of such non-employee director's employment so require. Notwithstanding the foregoing, the Committee may determine at the time of grant or thereafter, that a Non-Qualified Stock Option that is otherwise not transferable pursuant to this Article X is transferable in whole or part and in such circumstances, and under such conditions, as specified by the Committee.

ARTICLE XI. CHANGE IN CONTROL PROVISIONS

11.1 BENEFITS. In the event of a Change in Control of the Company (as defined below), except as otherwise provided by the Committee upon the grant of an Award, each Participant shall have the following benefits:

(a) Unless otherwise provided in the applicable award agreement, all outstanding Options and the related Tandem Stock Appreciation Rights and Non-Tandem Stock Appreciation Rights of such Participant granted prior to the Change in Control shall be fully vested and immediately exercisable in their entirety. The Committee, in its sole discretion, may provide for the purchase of any such Stock Options by the Company for an amount of cash equal to the excess of the Change in Control Price (as defined below) of the shares of Common Stock covered by such Stock Options, over the aggregate exercise price of such Stock Options. For purposes of this Section 11.1, "Change in Control Price" shall mean the higher of (i) the highest price per share of Common Stock paid in any transaction related to a Change in Control of the Company, or (ii) the highest Fair Market Value per share of Common Stock at any time during the sixty (60) day period preceding a Change in Control.

(b) Unless otherwise provided in the applicable award agreement, the restrictions to which any shares of Restricted Stock of such Participant granted prior to the Change in Control are subject shall lapse as if the applicable Restriction Period had ended upon such Change in Control.

(c) Notwithstanding anything else herein, the Committee may, in its sole discretion, provide for accelerated vesting of an Award (other than a grant to a non-employee director pursuant to Article IX hereof), upon a Termination of Employment during the Pre-Change in Control Period. Unless otherwise determined

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

by the Committee, the "Pre-Change in Control Period" shall mean the one hundred eighty (180) day period prior to a Change in Control.

11.2 CHANGE IN CONTROL. A "Change in Control" shall be deemed to have occurred:

(a) upon any "person" as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company, or any company owned, directly or indirectly, by the stockholders of the Company in substantially the

78

same proportions as their ownership of Common Stock of the Company) becoming the owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing forty percent (40%) or more of the combined voting power of the Company's then outstanding securities (including, without limitation, securities owned at the time of any increase in ownership);

(b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board of Directors, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in paragraph (a), (c), or (d) of this section) or a director whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board of Directors of the Company whose election by the Board of Directors or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the two-year period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the Board of Directors;

(c) upon the merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; provided, however, that a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no person (other than those covered by the exceptions in (a) above) acquires more than forty percent (40%) of the combined voting power of the Company's then outstanding securities shall not constitute a Change in Control of the Company; or

(d) upon the stockholder's of the Company approval of a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets other than the sale of all or substantially all of the assets of the Company to a person or persons who beneficially own, directly or indirectly, at least fifty percent (50%) or more of the combined voting power of the outstanding voting securities of the Company at the time of the sale.

ARTICLE XII.

TERMINATION OR AMENDMENT OF THE PLAN

12.1 TERMINATION OR AMENDMENT. Notwithstanding any other provision of

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

this Plan, the Board may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan, or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law or specifically provided herein, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such Participant and, provided further, without the approval of the stockholders of the Company, if and to the extent required by the applicable provisions of Rule 16b-3 or, if and to the extent required, under the applicable provisions of Section 162(m) of the Code, or with regard to Incentive Stock Options, Section 422 of the Code, no amendment may be made which would (i) except as permitted in Section 4.1(a), increase the aggregate number of shares of Common Stock that may be issued under this Plan; (ii) increase the maximum individual Participant limitations for a fiscal year under Section 4.1(b); (iii) change the classification of employees, Consultants, and non-employee directors eligible to receive Awards under this Plan; (iv) decrease the minimum option price of any Stock Option; (v) extend the maximum option period under Section 6.3; (vi) change any rights under the Plan with regard to non-employee directors; or (vii) require stockholder approval in order for the Plan to continue to comply with the applicable provisions, if any, of Rule 16b-3, Section 162(m) of the Code, any applicable state law, or, with regard to Incentive Stock Options, Section 422 of the Code.

In no event may the Plan be amended without the approval of the stockholders of the Company in accordance with the applicable laws or other requirements to increase the aggregate number of shares of Common Stock that may be issued under the Plan, decrease the minimum option price of any Stock Option, or to make any other amendment that would require stockholder approval under the rules of any exchange or system on which the Company's securities are listed or traded at the request of the Company.

79

The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article IV above or as otherwise specifically provided herein, no such amendment or other action by the Committee shall impair the rights of any holder without the holder's consent.

ARTICLE XIII. UNFUNDED PLAN

This Plan is intended to constitute an "unfunded" plan for incentive compensation. With respect to any payments as to which a Participant has a fixed and vested interest but which are not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

ARTICLE XIV. GENERAL PROVISIONS

14.1 LEGEND. The Committee may require each person receiving shares pursuant to an Award under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the shares without a view to distribution thereof. In addition to any legend required by this Plan, the certificates for such shares may include any legend that the Committee deems appropriate to reflect any restrictions on Transfer. All certificates for shares of Common Stock delivered under the Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national securities association system upon whose system the Common Stock is then quoted, any applicable federal or state securities law, and any applicable

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

corporate law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

14.2 OTHER PLANS. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

14.3 NO RIGHT TO EMPLOYMENT/DIRECTORSHIP. Neither this Plan nor the grant of any Award hereunder shall give any Participant or other employee any right with respect to continuance of employment by the Company or any Affiliate, nor shall there be a limitation in any way on the right of the Company or any Affiliate by which an employee is employed to terminate his employment at any time. Neither this Plan nor the grant of any Award hereunder shall impose any obligations on the Company to retain any Participant as a director nor shall it impose on the part of any Participant any obligation to remain as a director of the Company.

14.4 WITHHOLDING OF TAXES. The Company shall have the right to deduct from any payment to be made to a Participant, or to otherwise require, prior to the issuance or delivery of any shares of Common Stock or the payment of any cash hereunder, payment by the Participant of, any Federal, state or local taxes required by law to be withheld. Upon the vesting of Restricted Stock, or upon making an election under Code Section 83(b), a Participant shall pay all required withholding to the Company. The Committee may permit any such withholding obligation with regard to any Participant to be satisfied by reducing the number of shares of Common Stock otherwise deliverable or by delivering shares of Common Stock already owned. Any fraction of a share of Common Stock required to satisfy such tax obligations shall be disregarded and the amount due shall be paid instead in cash by the Participant.

14.5 LISTING AND OTHER CONDITIONS.

(a) As long as the Common Stock is listed on the OTC Bulletin Board or any other national securities exchange or system sponsored by a national securities association, the issue of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. The Company shall have no obligation to issue such shares unless and until such shares are so listed, and the right to exercise any Option with respect to such shares shall be suspended until such listing has been effected.

80

(b) If at any time counsel to the Company shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company under the statutes, rules or regulations of any applicable jurisdiction, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act of 1933, as amended, or otherwise with respect to shares of Common Stock or Awards, and the right to exercise any Option shall be suspended until, in the opinion of said counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company.

(c) Upon termination of any period of suspension under this Section 14.5, any Award affected by such suspension which shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares which would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Option.

14.6 GOVERNING LAW. This Plan shall be governed and construed in

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

accordance with the laws of the state of incorporation of the Company (regardless of the law that might otherwise govern under applicable principles of conflict of laws).

14.7 CONSTRUCTION. Wherever any words are used in this Plan in the masculine gender they shall be construed as though they were also used in the feminine gender in all cases where they would so apply, and wherever any words are used herein in the singular form they shall be construed as though they were also used in the plural form in all cases where they would so apply. To the extent applicable, the Plan shall be limited, construed and interpreted in a manner so as to comply with the applicable requirements of Rule 16b-3 and Section 162(m) of the Code; however, noncompliance with Rule 16b-3 or Section 162(m) of the Code shall have no impact on the effectiveness of a Stock Option granted under the Plan.

14.8 OTHER BENEFITS. No Award payment under this Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its subsidiaries nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

14.9 COSTS. The Company shall bear all expenses included in administering this Plan, including expenses of issuing Common Stock pursuant to any Awards hereunder.

14.10 NO RIGHT TO SAME BENEFITS. The provisions of Awards need not be the same with respect to each Participant, and such Awards to individual Participants need not be the same in subsequent years.

14.11 DEATH/DISABILITY. The Committee may in its discretion require the transferee of a Participant to supply it with written notice of the Participant's death or Disability and to supply it with a copy of the will (in the case of the Participant's death) or such other evidence as the Committee deems necessary to establish the validity of the transfer of an Award. The Committee may also require the agreement of the transferee to be bound by all of the terms and conditions of the Plan.

14.12 SECTION 16(b) OF THE EXCHANGE ACT. All elections and transactions under the Plan by persons subject to Section 16 of the Exchange Act involving shares of Common Stock are intended to comply with any applicable condition under Rule 16b-3. The Committee may establish and adopt written administrative guidelines, designed to facilitate compliance with Section 16(b) of the Exchange Act, as it may deem necessary or proper for the administration and operation of the Plan and the transaction of business thereunder.

14.13 SEVERABILITY OF PROVISIONS. If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.

14.14 HEADINGS AND CAPTIONS. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan, and shall not be employed in the construction of the Plan.

81

ARTICLE XV. TERM OF PLAN

No Award shall be granted pursuant to the Plan on or after the tenth anniversary of the earlier of the date the Plan is adopted or the date of stockholder approval, but Awards granted prior to such tenth anniversary may

Edgar Filing: IGAMES ENTERTAINMENT INC - Form PRE 14C

extend beyond that date.
