We are soliciting a proxy to vote your shares at the 2004 Annual Meeting of Shareholders of Stephan (the Meeting) and at any and all adjournments or postponements of the Meeting. Please refer to Stephan s proxy soliciting material for additional information concerning the Meeting and the matters to be considered by shareholders including the election of directors.

This proxy statement and the enclosed GREEN proxy card are first being sent to shareholders of Stephan on or about -----, 2004.

INTRODUCTION

There are two matters that Stephan has scheduled to be voted upon at the Meeting:

1.

2.

Approval of the independent auditors.

With respect to these matters, we are soliciting a proxy to vote your shares FOR the election of our five nominees and one of the board s nominees, Frank F. Ferola (Stephan s Chief Executive Officer, President and Chairman of the Board), and FOR Proposal 2.

All of the proposals scheduled by Stephan to be voted upon at the Meeting are included on the enclosed GREEN proxy card. If you wish to vote FOR the election of our nominees and/or on any other matters to be considered at the Meeting, you may do so by completing and returning a GREEN proxy card.

If you return a GREEN proxy card to us or to our agent, your shares will be voted on each matter as you indicate. If you do not indicate how your shares are to be voted on a matter, they will be voted FOR the election of our five nominees and if nominated, Frank F. Ferola, Stephan's Chief Executive Officer, President and Chairman of the Board and FOR Proposal 2. If you return a GREEN proxy card, you will be granting the proxy holder(s) discretionary authority to vote on any other matters that may come before the Meeting including matters relating to the conduct of the Meeting. Please refer to Stephan's proxy soliciting material for additional information concerning adjourning the Meeting. We do not intend to propose an adjournment. If an adjournment of the Meeting is proposed, we will vote for or against such adjournment in our discretion.

REASONS FOR THE SOLICITATION

We are dissatisfied with the Company's financial performance and corporate governance and are seeking to elect a new slate of nominees to the Board. Specifically, we believe the current Board of Directors attempted to take the Company private at an unfair price that severely undervalued the Company. Also, it negotiated an employment agreement with Mr. Ferola that is disproportionate to Stephan's financial performance and contains an overly generous severance package that is an impediment to a sale of the Company that could maximize shareholder value.

If elected, our nominees will explore alternatives to enhance shareholder value, including, but not limited to (i) payment of a sizable cash distribution to shareholders; (ii) increasing the quarterly dividend rate, (iii) repurchasing Stephan's common stock in the open market; (iv) conducting a self-tender offer; (v) analyzing all strategic options, including retaining the status quo, the sale of certain real estate assets and/or brands, or a sale of the Company and consolidation of operations; and (vi) renegotiation of certain management contracts on more favorable terms for Stephan. There is no guarantee that our nominees, if elected, would be able to enhance shareholder value.

PROPOSAL 1: TO ELECT SIX DIRECTORS

Please refer to Stephan's proxy soliciting material for complete information about this proposal. At the Meeting, we intend to nominate the following five persons for election as directors. In addition, in the absence of contrary instructions, the proxy holder(s) will vote your shares FOR Frank F. Each of our nominees has consented to being named in this proxy statement and to serve as a director if elected. None of our nominees owns any shares of Stephan except Mr. Zucker and Mr. Hopkins, who are affiliated with entities controlled by Mr. Barone and who own 301 and 299 shares, respectively. We do not know of any material conflicts of interest that would adversely affect any of our nominees from acting in the best interest of Stephan and we believe that all of our nominees would be considered independent directors if elected.
