PROXY STATEMENT
for
Special Meeting of Stockholders
to be held on April 25, 2006

INTRODUCTION

Your proxy is solicited by the Board of Directors of City Network, Inc., a Nevada corporation (the "Company", "we", "us" or "our"), for use at the Special Meeting of stockholders to be held on April 25, 2006, at 10:00 a.m. (local time), at B2F, No. 726, Zhongzheng Rd., Zhonghe City, Taipei County 235, Taiwan, ROC [Chinese address provided], and at any adjournment or postponement thereof (the "Special Meeting"), for the following purposes:

1. To approve the issuance of Common Stock in connection with transactions with Cornell Capital Partners, LP and its affiliates, including shares (i) issuable upon conversion of the Company's secured convertible notes; (ii) issuable upon the exercise of warrants issued to the investor with the notes, as those terms are defined herein; (iii) securing the Company's secured convertible notes; (iv) issuable to pay for liquidated damages, in lieu of cash payments, in connection with the Company's obligation to register conversion shares and warrant shares with the Securities and Exchange Commission; and (v) issued as compensation for such transactions, to the extent such issuances require stockholder approval under The American Stock Exchange rules; and
2. To transact any other business as may properly be presented at the Special Meeting or any adjournment or postponement thereof.

The Board of Directors has set March 15, 2006 as the record date (the "Record Date") to determine those holders of our common stock, (the "Common Stock") who are entitled to notice of, and to vote at the Special Meeting. The list of stockholders entitled to vote at the Special Meeting may be examined at our office during the 10-day period preceding the date of the Special Meeting.

The Company expects that the Notice of Special Meeting of Stockholders, Proxy Statement and Proxy Card will first be mailed to stockholders on or about March 30, 2006.

GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE?

You can vote your Common Stock, if our records show that you owned the shares on the Record Date. As of the close of business on the Record Date, a total of 30,934,366 shares of Common Stock (not including treasury shares) are entitled to vote at the Special Meeting. Each share of Common Stock is entitled to one vote on matters presented at the Special Meeting.

Edgar Filing: CITY NETWORK INC - Form PRER14A

HOW DO I VOTE BY PROXY?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Special Meeting. Sign and date the form of proxy (proxy card) and mail it back to us in the enclosed envelope.

The enclosed proxy, when properly signed and returned to us, will be voted by the proxy holders at the Special Meeting as specified on the form of proxy. Proxies signed by stockholders but lacking any such specification will be voted for the proposal set forth on the proxy card in the Notice of Special Meeting of Stockholders.

WHAT IF OTHER MATTERS COME UP AT THE SPECIAL MEETING?

The matters described in this proxy statement are the only matters we know of that will be voted on at the Special Meeting. If other matters are properly presented at the Special Meeting, the proxy holders will vote your shares as they see fit.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. A proxy card may be revoked by a stockholder at any time before its exercise at the Special Meeting by giving our Secretary a written notice revoking your proxy card or a duly executed proxy bearing a later date or by attendance at the Special Meeting and voting in person.

CAN I VOTE IN PERSON AT THE SPECIAL MEETING RATHER THAN BY COMPLETING THE PROXY CARD?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Special Meeting and vote your shares in person, allowing you to change your voting instructions on the proxy card.

HOW ARE VOTES COUNTED?

We will hold the Special Meeting if holders of at least one-third of the Common Stock entitled to vote at the Special Meeting in person or by proxy. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum, even if you abstain or fail to vote on the proposal listed on the proxy card.

The proposal will be approved, if the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal and a quorum exists at the Special Meeting. An abstention will have no effect on the outcome of the vote. Unless otherwise stated, the enclosed proxy will be voted in accordance with the instructions thereon.

Brokers holding Common Stock in street name, who do not receive instructions from the beneficial owners of those shares, are entitled to vote on "routine" proposals such as the election of directors and the ratification of our independent auditors. Under The American Stock Exchange rules, however, brokers who do not receive instructions from the beneficial owners of such shares are not entitled to vote on "non-routine" proposals, including the proposal submitted by this Proxy Statement. This is called a "broker non-vote," which will have no legal effect on the vote on that matter.

2

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. In addition to sending you these materials, some of our employees

Edgar Filing: CITY NETWORK INC - Form PRER14A

may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this.

WHY ARE WE SEEKING STOCKHOLDER APPROVAL FOR THE PROPOSAL?

In connection with transactions with Cornell Capital Partners, LP and its affiliates, we are seeking approval of the issuance of Common Stock that could exceed 20% of the outstanding amount. The American Stock Exchange Company Guide requires stockholders to approve any such issuance at a price less than market value.

The Common Stock issuable pursuant to the transactions further described under "Proposal 1" of this Proxy Statement, which, for this purpose, we anticipate The American Stock Exchange will consider a single transaction, will exceed, in the aggregate, 20% of our outstanding Common Stock and include shares to be issued below market price. Therefore, our Board of Directors seeks stockholder approval of the issuance of Common Stock pursuant to such transactions.

IF THE PROPOSAL IS APPROVED, HOW WILL THE COMPANY USE THE PROCEEDS OF THE TRANSACTIONS?

We anticipate that substantially all of the proceeds from these transactions will be used to repay outstanding notes and for listing, registration, and legal fees. We expect no significant amount of proceeds will be available to us for other purposes.

3

OUTSTANDING SHARES AND VOTING RIGHTS

Stockholders of record at the close of business on the Record Date are entitled to notice of, and to vote at, the Special Meeting and any adjournment or postponement thereof. Persons who are not stockholders of record on the Record Date will not be allowed to vote at the Special Meeting. At the close of business on the Record Date there were 30,934,366 shares of Common Stock outstanding. We issued no other voting securities as of the Record Date. Each share of issued and outstanding Common Stock is entitled to one vote on each matter to be voted upon at the Special Meeting.

DESCRIPTION OF COMMON STOCK

Our current authorized capital stock consists of 100,000,000 shares of Common Stock, of which 30,934,366 shares were outstanding as of March 10, 2006, and 50,000,000 shares of preferred stock, none of which were outstanding as of March 10, 2006.

Each holder of our Common Stock is entitled to one vote for each share held of record on all matters to be voted on by stockholders. Subject to the preferential rights of the preferred stock, the holders of our Common Stock shall be entitled to receive dividends, when and if declared by our board of directors, out of our assets legally available therefor. In the event of our liquidation, dissolution or winding up, after distribution in full of the preferential amounts, if any, to be distributed to the holders of shares of our preferred stock, our Common Stock holders shall be entitled to receive all of our remaining assets of whatever kind available for distribution to stockholders, ratably in proportion to the amounts of Common Stock held by them respectively. Our Common Stock holders, as such, have no preemptive, or preferential right or subscription right to any Common Stock or to any obligations convertible into Common Stock, or to any warrant or option for the purchase thereof, except to the extent, if any, provided by our written agreement.

PROPOSAL 1

TO APPROVE THE ISSUANCE OF COMMON STOCK IN CONNECTION WITH TRANSACTIONS WITH CORNELL CAPITAL PARTNERS, LP AND ITS AFFILIATES, INCLUDING SHARES (I) ISSUABLE UPON CONVERSION OF THE COMPANY'S SECURED CONVERTIBLE NOTES; (II) ISSUABLE UPON THE EXERCISE OF WARRANTS ISSUED TO THE INVESTOR WITH THE NOTES; (III) SECURING THE COMPANY'S SECURED CONVERTIBLE NOTES; (IV) ISSUABLE TO PAY FOR LIQUIDATED

Edgar Filing: CITY NETWORK INC - Form PRER14A

DAMAGES, IN LIEU OF CASH PAYMENTS, IN CONNECTION WITH THE COMPANY'S OBLIGATION TO REGISTER CONVERSION SHARES AND WARRANT SHARES WITH THE SECURITIES AND EXCHANGE COMMISSION; AND (V) ISSUED AS COMPENSATION FOR SUCH TRANSACTIONS, TO THE EXTENT SUCH ISSUANCES REQUIRE STOCKHOLDER APPROVAL UNDER THE AMERICAN STOCK EXCHANGE RULES.

SUMMARY OF CURRENT TRANSACTIONS

On March 16, 2006, we entered a Securities Purchase Agreement (the "Purchase Agreement") with Cornell Capital Partners, LP ("Cornell Capital" or the "Investor") and Highgate House Funds, Ltd. ("Highgate"), an affiliate of Cornell Capital, for us to issue up to \$650,000 in the aggregate principal amount of secured convertible notes (the "New Notes") to the Investor. We plan to close this transaction as soon as practicable, once we obtain stockholder approval of the issuance of Common Stock pursuant to the transactions. If stockholder approval is not obtained, the Purchase Agreement provides for a closing on June 14, 2006, but the Investor will not be required to buy more than \$275,000 principal amount of New Notes.

The New Notes become due on the three-year anniversary of their issuance date (the "Maturity Date") and accrue interest at 7% annually. The New Notes are convertible into Common Stock at a per share conversion price equal to the lower of (a) \$0.268, as adjusted for anti-dilution (the "Fixed Conversion Price"), and (b) 95% of the lowest volume weighted average price of the Common Stock, as reported by Bloomberg, LP, for the 30 trading days immediately before the date on which the Investor converts (such price, the "Market Conversion Price" and, with the Fixed Conversion Price and the Market Conversion Price, the "Conversion Price").

We may, in our sole discretion at any time, redeem any or all of the New Notes by paying the principal amount being redeemed with accrued interest, and a 20% premium on the principal, if the closing bid price of the Common Stock is less than the Fixed Conversion Price at the time we give the redemption notice.

The New Notes will be secured by (a) substantially all of our assets and the assets of our direct and indirect wholly-owned subsidiaries, City Network Technology, Inc., City Network, Inc. - Taiwan, and City Construction Co., Ltd., (b) 4,445,455 shares of Common Stock held in escrow and securing our Original Notes, as further described below under "Summary of Prior Transactions", and (c) if we issue over \$275,000 in aggregate principal amount of the New Notes pursuant to the Purchase Agreement, a pledge of 2,000,000 additional shares of Common Stock to be issued by us and held in escrow (all such pledged shares, the "Pledged Shares"). Any Pledged Shares released to the Investor will be subject to demand registration rights.

Upon closing the transactions completed by the Purchase Agreement, we will issue five-year warrants (the "New Warrants") to the Investor to purchase up to 1,000,000 shares of Common Stock at a price of \$0.001 per share.

We entered a Registration Rights Agreement with the Investor pursuant to which we are required to file a registration statement with the SEC (the "Registration Statement") registering the Common Stock issuable upon conversion of the New Notes and exercise of the New Warrants, in full. If the Registration Statement is not filed within 30 days after the date we issue the New Notes (the "Filing Date"), or is not declared effective by the SEC within 120 days of the

Filing Date, we must pay liquidated damages, in cash or Common Stock, at the Investor's option, in an amount equal to 2% of the value of the New Notes for each 30 day delay. The liquidated damages are capped at 20% of the aggregate face value of the New Notes. We will be in default of the New Notes, if we do

Edgar Filing: CITY NETWORK INC - Form PRER14A

not file the registration statement within 60 days after closing, or it is not declared effective within 180 days after the Filing Date.

The Investor may not convert any principal amount under the New Notes or exercise the New Warrant if, upon such conversion or exercise, the Investor would beneficially own more than 4.99% of the outstanding Common Stock following such conversion or exercise. Until 18 months after the date of the Purchase Agreement, the Investor will have a right of first refusal on any transaction in which we issue capital stock.

We paid Yorkville Advisors LLC, an affiliate of Cornell Capital, a structuring fee equal to \$10,000, upon signing the definitive documents for the transactions, and are required to pay a commitment fee out of the gross proceeds of the New Notes of up to \$40,000, or 10% of the principal amount greater than \$250,000, upon the issuance of the New Notes.

Upon closing of the sale of the New Notes, \$275,000 of the proceeds will be used to repay the principal of and interest accrued on the Original Notes, which otherwise are due in 2006. Accordingly, we are paying off the Original Notes, because they are due this year, whereas the New Notes will not become due for three years. We are not now subject to any penalties under the Original Notes and will not be subject to any penalties under the Original Notes, unless we fail to consummate the sale of New Notes by June 14, 2006, in which case, thereafter, 2%-per-month registration delinquency penalties would begin to accrue pursuant to the prior transaction.

If stockholders do not approve the proposal being submitted by this proxy statement, and the Investor elects to buy only \$275,000 of New Notes, no sale proceeds will be available to us for any other purpose. In that case, we would pay American Stock Exchange listing fees, SEC registration fees, and legal fees from current cash balances. If stockholders approve the proposal, the Investor will buy \$650,000 principal amount of New Notes. We anticipate that, after applying \$275,000 of sale proceeds to repay the Original Notes, the remaining proceeds will be used to pay American Stock Exchange listing fees, legal fees, and SEC registration fees, and, accordingly, no significant proceeds will be available to us to fund operations or for other purposes.

A copy of the Purchase Agreement has been filed as an exhibit to our Amendment No. 1 dated [March 31], 2006 to our Current Report on Form 8-K dated March 16, 2006 (filed March 23, 2006).

SUMMARY OF PRIOR TRANSACTIONS

On August 10, 2005, we entered a Securities Purchase Agreement (the "Original Purchase Agreement"), with Highgate and, pursuant thereto, in August 2005 and December 2005, issued two secured convertible notes, in aggregate principal amount of \$250,000 (the "Original Notes"). We will use approximately \$275,000 in net proceeds from the New Notes to repay the Original Notes, including accrued interest. We will not pay a redemption premium upon our repayment of the Original Notes.

In connection with the Original Purchase Agreement, Highgate received a warrant to purchase up to 25,000 shares of Common Stock (the "Original Warrant"), and we entered a Standby Equity Distribution Agreement (the "SEDA") with Cornell Capital. Monitor Capital, Inc. received 44,455 shares of Common Stock to act as a placement agent for us in connection with the SEDA. Cornell Capital received 977,273 shares of Common Stock as compensation for entering the SEDA. Upon the issuance of the New Notes, Cornell Capital and we will terminate the SEDA, and Cornell Capital will return to us its 977,273 shares for cancellation.

Edgar Filing: CITY NETWORK INC - Form PRER14A

WHY WE NEED STOCKHOLDER APPROVAL - THE AMERICAN STOCK EXCHANGE COMPANY GUIDE RULE 713

In connection with the transactions with Cornell Capital, we are seeking approval of the issuance of Common Stock that could exceed 20% of the outstanding amount. The American Stock Exchange Company Guide requires stockholders to approve any such issuance at a price less than market value.

The Common Stock issued or issuable pursuant to the foregoing transactions or convertible notes or warrants issued pursuant thereto (collectively, the "Transaction Shares"), which, for this purpose, we anticipate The American Stock Exchange will consider a single transaction, will exceed, in the aggregate, 20% of our outstanding Common Stock and include shares to be issued below market price. Therefore, our Board of Directors seeks stockholder approval of the issuance of such Transaction Shares.

7

CONSEQUENCES OF THE FAILURE TO OBTAIN STOCKHOLDER APPROVAL

Without such stockholder approval, Cornell Capital may elect to buy New Notes in the principal amount of only \$275,000, the entire proceeds of which would be used to repay the Original Notes. In that case, we would not need to issue 2,000,000 shares that would have been required to secure the principal amount of New Notes exceeding \$275,000. However, the 4,445,455 shares currently in escrow pursuant to the prior transaction will remain in escrow to secure the principal amount of New Notes up to \$275,000. Thus, if stockholders approve the transactions being submitted, so that \$650,000 in New Notes is sold to the Investor, a total 6,445,455 shares will secure the New Notes, but, if the transactions are not approved, only \$275,000 in New Notes will be issued, which will be secured with 4,445,455 shares.

FACTORS AFFECTING CURRENT STOCKHOLDERS - POTENTIAL DILUTION AND MARKET CONSEQUENCES

While the Board of Directors unanimously approved the issuance of all of the Transaction Shares and resolved that these transactions are in its and its stockholders' best interests, our stockholders should consider the following possible factors as well as other information contained in the Proxy Statement in evaluating this Proposal.

The issuance of the Transaction Shares could substantially dilute the interests of our other stockholders, but sales of the Transaction Shares could encourage short sales by the stockholders and others, placing further downward pressure on our stock price. The effect on our stock price could increase the number of shares required to be issued upon conversion of the New Notes or upon exercise of the New Warrants or Original Warrant. The holders of the New Notes, the New Warrants, and the Original Warrants have agreed to not hedge their positions.

The Investor may not convert any principal amount under the New Notes or exercise the New Warrants if, upon such conversion or exercise, the Investor, together with its affiliates, would beneficially own at any time more than 4.99% of the outstanding Common Stock following such conversion or exercise. This restriction does not prevent the Investor from selling a substantial number of shares in the market. By periodically selling Common Stock into the market, an individual holder could eventually sell more than 4.99% of Common Stock while never holding more than 4.99% at any specific time.

Edgar Filing: CITY NETWORK INC - Form PRER14A

REQUIRED VOTE

Ratification and approval of issuance of the Transaction Shares under The American Stock Exchange rules, requires that the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal at the Special Meeting, provided that a quorum exists.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ABOVE PROPOSAL.

8
