available for the Registrant's equity securities. As of August 18, 2008 there were 362,200 shares of Common Stock issued and outstanding.

Transitional Small Business Disclosure Format: Yes [] No [X]

EXPLANATORY NOTE

This Form 10-KSB/A is being filed by Eight Dragons Co. (the "Company") to amend the Company's Annual Report on Form 10-KSB for the year ended December 31, 2007 that was initially filed with the Securities and Exchange Commission (the "SEC") on February 1, 2008.

This Form 10-KSB/A amends only Item 8A of Part II of the Form 10-KSB (the "Amended Item"). In accordance with Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Amended Item has been amended and restated in its entirety. No attempt has been made in this Form 10-KSB/A to modify or update other disclosures as presented in the 10-KSB. In addition, the currently-dated certifications from our Principal Executive Officer, as required by Rule 12b-15 under the Exchange Act, are filed with this Form 10-KSB/A as Exhibits 31 and 32.

ITEM 8A - CONTROLS AND PROCEDURES

EVALUATION OF DISCLOSURE CONTROLS AND PROCEDURES

As of the date of this filing, an evaluation of the effectiveness of the design and operation of Eight Dragons Company's disclosure controls and procedures was carried out under the supervision and with the participation of management, including our Chief Executive and Financial Officer. Based upon that evaluation, our Chief Executive and Financial Officer concluded that the Company's disclosure controls and procedures are effective. There have been no significant changes in our internal controls or in other factors that could significantly affect internal controls subsequent to the date we carried out the evaluation.

MANAGEMENT'S ANNUAL REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Our management is responsible for establishing and maintaining adequate internal control over financial reporting for the company in accordance with Rules 13a-15(f) and 15d-15(f) under the Exchange Act. Our internal control over financial reporting is designed to provide reasonable assurance regarding the (i) effectiveness and efficiency of operations, (ii) reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles, and (iii) compliance with applicable laws and regulations.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Management's assessment of the effectiveness of the Company's internal control over financial reporting is as of the year ended December 31, 2007. Because we have only one officer and director, the Company is not able to segregate duties. As a result, the Company's internal controls have an inherent weakness which may increase the risks of errors in financial reporting under current operations.

This annual report does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the Company's registered public accounting firm pursuant to temporary rules of the SEC that permit the Company to provide only management's report in this annual report.

Edgar Filing: Eight Dragons Co. - Form 10KSB/A

CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING

There was no change in our internal control over financial reporting that occurred during quarter ended December 31, 2007 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

2
