OUTSTANDING STOCK AND VOTING RIGHTS

Only shareholders of record at the close of business on November 21, 2003 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 5,239,920 shares of the Company's common stock, par value \$.01 per share ("Common Stock") and 125,085 shares of the Company's Series A Preferred Stock, par value \$.01 per share ("Preferred Stock"), the only classes of voting securities of the Company. Each share of Common Stock entitles the holder thereof to one vote on each matter submitted to a vote at the Annual Meeting. The holders of the shares of Preferred Stock vote together with holders of Common Stock as one class except that only holders of the Preferred Stock are entitled to vote on the election of the two directors appointed by them pursuant to the terms of the Company's

Edgar Filing: HUDSON TECHNOLOGIES INC /NY - Form DEF 14A

Certificate of Designation relating to the Preferred Stock (the "Series A Directors"). Messrs. Robert L. Burr and Robert M. Zech are the two Series A Directors who have previously been elected by the holders of the Preferred Stock. Mr. Robert Zech's affiliation with the holders of the Preferred Stock ended in October 2001. Mr. Zech's term as a director expired in 2002 and, although he was then no longer affiliated with the holders of the Preferred Stock, Mr. Zech was elected by the shareholders to a two year term on the Company's board of directors at the Company's December 2002 annual meeting. In July, 2003,

Mr. Zech again became affiliated with the holders of the Preferred Stock and, effective July 25, 2003 Mr. Zech vacated his position as an outside director of the board and has been designated by the holders of the Preferred Stock to fill the second board position reserved for the Preferred shareholders until the expiration of that term in 2004. Each share of Preferred Stock entitles the holder to such number of votes per share on each such action as shall equal the number of shares of Common Stock (including fractions of a share) into which each share of Preferred Stock is then convertible provided, however, that, in determining the number of votes per share of Series A Preferred Stock, the Conversion Price shall be the higher of (a) the Conversion Price then in effect (which is currently approximately 90.909 shares of Common Stock for each share of Preferred Stock), or (b) \$1.78. Accordingly, based upon the \$1.78 Conversion Price established for voting purposes only, each share of Preferred Stock entitles the holder to vote 56.180 shares of Common Stock, or an aggregate of 7,027,275 votes.

VOTING PROCEDURES

At the Annual Meeting, Mr. Burr will be elected by a plurality of the votes cast by holders of the Preferred Stock in person or, provided a quorum of the Preferred Stock is present, at the Annual Meeting. All other directors will be elected by a plurality of the votes cast by the holders of Common Stock and Preferred Stock, voting together as one class, in person or represented by proxy at the Annual Meeting, provided a quorum is present at the meeting. All other matters to be acted upon at the meeting, will be decided by the majority of the votes cast by the holders of the shares of Common Stock and Preferred Stock, voting together as one class, present in person or represented by proxy at the Annual Meeting, provided a quorum is present. For purposes of the election of Mr. Burr by holders of the Preferred Stock, a quorum will be present at the Annual Meeting if holders of a majority of the votes represented by holders of the Preferred Stock are present in person or represented by proxy at the Annual Meeting. With respect to all other matters, a quorum will be present at the Annual Meeting if the holders of a majority of the outstanding aggregate votes represented by holders of the Common Stock and the Preferred Stock as of the Record Date are present in person or represented by proxy. Votes will be counted and certified by one or more Inspectors of Election who are expected to be employees of Continental Stock Transfer & Trust Company, the Company's transfer agent.

In accordance with applicable law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. Based upon the Company's understanding of the requirements of the law of the State of New York and the Certificate of Incorporation and By-laws, as amended (the "By-laws"), of the Company, "votes cast" at a meeting of shareholders by the holders of shares entitled to vote are determinative of the outcome of the matter to be voted on. Failures to vote, broker non-votes and abstentions will not be considered "votes

cast."

Proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

-2-

The holders of the Preferred Stock represent approximately 57% of the Common Stock and the Preferred Stock, voting together as a single class, outstanding as of the Record Date and eligible to vote at the Annual Meeting, have indicated their intention to vote in favor of the nominees for directors indicated below.

ELECTION OF DIRECTORS

The Company's By-laws provide that the Board of Directors (the "Board") is divided into two classes. Each class is to have a term of two years (the term of each class expiring in successive years) and is to consist, as nearly as possible, of one-half of the number of directors constituting the entire Board. The By-laws provide that the number of directors shall be fixed by the Board of Directors but in any event, shall be no less than seven (7) (subject to decrease by a resolution adopted by the shareholders).

At the Annual Meeting, a class of three directors will be elected for a two-year term expiring at the Annual Meeting of Shareholders to be held in 2005. Messrs. Vincent P. Abbatecola, Robert L. Burr and Otto C. Morch are the nominees for election to such positions, except that only the holders of the Preferred Stock are entitled to vote for reelection of Mr. Burr. Messrs. Kevin J. Zugibe, Harry C. Schell, Dominic J. Monetta and Robert M. Zech will not stand for election at the Annual Meeting because their respective terms expire at the Annual Meeting of Shareholders to be held in 2004.

The holders of the Preferred Stock are entitled to nominate and vote exclusively for up to two directors to the Company's Board. To date, the holders of the Preferred Stock have nominated Robert L. Burr for election at the 2003 Annual meeting of the Shareholders and have appointed Robert M. Zech as a second director who is part of the class of directors whose term expires at the Company's annual meeting in 2004.

Proxies will be voted for the nominees named below, unless authority is withheld. Should any nominee not be available for election, proxies will be voted for such substitute nominee as may be designated by the Board of Directors. Each of the nominees has indicated to the Board that he will be available.
