In light of the voting results with respect to the frequency proposal, at a meeting held on May 11, 2017, the Company’s Board of Directors decided that the Company will hold an advisory “say-on-pay” vote each year in connection with its annual meeting of shareholders until the next vote on the frequency of shareholder advisory votes on the compensation of executives or until the Board of Directors otherwise determines that a different frequency for such advisory votes is in the best interests of the shareholders. The next advisory vote on the frequency of future “say-on-pay” votes will occur no later than 2023.
