Item 1.01

Entry into a Material Definitive Agreement.

On May 14, 2014, Amyris, Inc. (the “Company”) received final consents necessary for a Pilot Plant Services Agreement (the “Pilot Plant Services Agreement”) and a Sublease Agreement (the “Sublease Agreement”), each dated as of April 4, 2014 (collectively the Pilot Plant Services Agreement and the Sublease Agreement, the “Pilot Plant Agreements”), between the Company and Total New Energies USA, Inc (“Total”) (certain provisions of the Pilot Plant Agreements were subject to a landlord consent, effective as of May 14, 2014). Under the terms of the Pilot Plant Services Agreement, for a five year period, the Company will provide certain fermentation and downstream separations scale-up services and training to Total and will receive an aggregate annual fee payable by Total for all services in the amount of up to approximately \$900,000. Such annual fee will include the total cost of the services and all costs associated with staff, lab equipment, leasehold improvements, nutrients, sugar, materials, chemicals, consumables and other items required to perform the services contemplated by the Pilot Plant Services Agreement. Such annual fee is due in three equal installments payable on March 1, July 1 and November 1 each year during the term.

In connection with the Pilot Plant Services Agreement, the Company agreed to allow Total to occupy certain portions of its pilot plant facility in Emeryville, California pursuant to the Sublease Agreement with a term of five years commencing on April 4, 2014.

Under the Sublease Agreement, the Company will receive an annual base rent payable by Total with respect to the sublease premises of approximately \$100,000. Such annual fee is due in three equal installments payable on March 1, July 1 and November 1 each year during the term.
