Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On June 29, 2014, Enventis Corporation, a Minnesota corporation (“Enventis”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), by and among Enventis, Consolidated Communications Holdings, Inc., a Delaware corporation (“Consolidated”), and Sky Merger Sub Inc., a Minnesota corporation and wholly owned subsidiary of Consolidated (“Merger Sub”), pursuant to which Merger Sub will merge with and into Enventis (the “Merger”).

Each share of Enventis common stock issued and outstanding immediately prior to the closing of the Merger will be converted into the right to receive 0.7402 shares of Consolidated common stock. The Merger Agreement was unanimously approved by the board of directors of Enventis. The Merger is expected to be generally tax-free to Enventis and Consolidated as well as to Enventis and Consolidated shareholders.

Enventis has made certain customary representations, warranties and covenants in the Merger Agreement, including, among others, (i) not to (A) solicit proposals relating to alternative business combination transactions or (B) subject to certain exceptions, enter into discussions concerning or provide confidential information in connection with alternative business combination transactions, (ii) to cause a meeting of Enventis shareholders to be held to consider the approval and adoption of the Merger Agreement, and (iii) subject to certain exceptions, that Enventis’ Board of Directors will recommend that Enventis’ shareholders vote to approve and adopt the Merger Agreement.

At least 10 days prior to the Effective Time, the Company will provide notice to each holder of an option to purchase shares of Enventis common stock under any Enventis stock plan (each a “Company Option”), that all outstanding Company Options, whether or not exercisable, will be cancelled as of the effective time in exchange for payment of cash equal to the amount (if any) for each share of Enventis stock covered by the Company Option, by which the Merger Consideration (calculated using a five-day average of Consolidated common stock closing price prior to the Effective Time) exceeds the exercise price per share covered by such Company Option. As of the date of the notice, each Company Option shall become exercisable in full prior to the date of cancellation as to any part or all of such Company Option. Any restrictions applicable to restricted stock issued under a Company Stock Plan shall be immediately lapsed as of the effective time and shall be exchanged for the Merger Consideration described above (including restricted stock held by a rabbi trustee or custodian).

On or before the effective time, any awards granted under the Company’s Corporation Long-Term Executive Incentive Program (“LTIP”) shall be amended by the Enventis compensation committee to provide that for each outstanding award as of the Effective Time, the participant shall, as of the end of each year of the program period for such award, be deemed to meet the target objective for the performance period ending in such year and will be 100% vested in the award for that applicable program period if the participant is employed on the last day of the program period. Subject to any change of control agreement, vested awards will be paid no later than March 15 of the year following the close of the performance period. All payments of awards will be made in shares of Consolidated common stock.

Completion of the Merger is subject to various customary closing conditions, including, but not limited to, (i) approval and adoption of the Merger Agreement by Enventis’ and Consolidated’s shareholders, (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iii) consents having been obtained from the Federal Communications Commission and applicable state regulators, (iv) the absence of any order or injunction prohibiting the consummation of the Merger, (v) the accuracy of the representations and warranties of each party, (vi) performance, in all material respects, of all obligations and compliance with, in all material respects, agreements and covenants to be performed or complied with by each party, (vii) declaration of effectiveness of the Registration Statement on Form S-4 to be filed by Consolidated and (viii) the approval of the listing of additional shares of Consolidated common stock to be issued to Enventis’ shareholders.

The Merger is not subject to a financing condition and is expected to close in the fourth quarter of 2014. Enventis expects to call a shareholders meeting at which the Merger will be submitted to Enventis' shareholders for approval. Approval by Consolidated's stockholders is also required.

The Merger Agreement contains certain termination rights for each of Consolidated and Enventis, including Enventis' right to terminate the Merger Agreement under certain circumstances to pursue an unsolicited superior proposal, and when otherwise required by the fiduciary duties of Enventis' board of directors (a "fiduciary change"). In addition, the Merger Agreement provides that upon termination of the Merger Agreement under specified circumstances, including termination by Enventis to pursue an unsolicited superior proposal and a termination related to a fiduciary change, Enventis is required to pay Consolidated a termination fee of \$8,448,750.

The board of directors of Enventis unanimously approved the Merger Agreement and determined that the Merger Agreement and the Merger were in the best interests of Enventis and its shareholders.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which will be submitted in a future filing. A joint press release, issued on June 30, 2014, announcing the signing of the Merger Agreement, is attached as Exhibit 99.1 hereto and is incorporated herein by reference.
