Proxy Statement

The enclosed proxy is solicited by the Board of Directors (the "Board") of UNITED-GUARDIAN, INC. (the "Company") for use at the 2015 Annual Meeting of Stockholders (the "Annual Meeting") to be held at 10:00 A.M., local time on Wednesday, May 13, 2015 at the offices of Baker Tilly Virchow Krause, LLP, 125 Baylis Road, Suite 300, Melville, NY 11747, and at any adjournments thereof. A proxy granted hereunder is revocable at any time before it is voted by (a) a duly executed proxy bearing a later date, (b) written notice to the Secretary of the Company received by the Company at any time before such proxy is voted at the Annual Meeting, or (c) attendance at the Annual Meeting and voting in person.

It is anticipated that the mailing of this Proxy Statement and the accompanying Proxy to stockholders will commence on or about April 14, 2015.

SOLICITATION OF PROXIES

The persons named as proxies are Kenneth H. Globus and Robert S. Rubinger.

All shares represented by properly executed, unrevoked proxies received in proper form and in time for use at the Annual Meeting will be voted in accordance with the directions specified thereon and otherwise in accordance with the judgment of the persons designated as proxies. Any proxy on which no direction is specified will be voted in favor of the nominees to the Board listed in this Proxy Statement and for the approval of the proposals to (i) approve the compensation of the Company's named executive officers; and (ii) ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, but will not be voted on the stockholder proposal included in this Proxy Statement. If any other matters are properly presented at the Annual Meeting for consideration, the persons named as proxies in a properly delivered proxy card will have the discretion to vote on those matters for the stockholder delivering the proxy card. At the date we filed this Proxy Statement with the Securities and Exchange Commission ("SEC"), the Board was not aware of any other matters to be raised at the Annual Meeting.

The cost of preparing, assembling and mailing the Notice of Annual Meeting, Proxy Statement, proxy card and any other materials enclosed, will be borne by the Company. In addition to the solicitation of proxies by use of the mails, officers and employees of the Company may solicit proxies by telephone, facsimile, or personal interview. They will not receive additional compensation for their effort. The Company will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting materials to the beneficial owners of stock held of record by such persons, and will reimburse such persons for their expenses in forwarding soliciting material. The Company does not anticipate paying any compensation to any other party for the solicitation of proxies.

VOTING SECURITIES AND PRINCIPAL STOCKHOLDERS

Outstanding Shares and Voting Rights

Only holders of record of the Company's Common Stock, par value \$.10 per share ("Common Stock"), at the close of business on March 27, 2015, will be entitled to notice of and to vote at the Annual Meeting. On March 27, 2015, there were 4,596,439 shares of Common Stock outstanding. Each outstanding share of Common Stock is entitled to one vote on all matters submitted to a vote at the Annual Meeting, which vote may be given in person or by proxy. There are no cumulative voting rights.

Nominees for director are elected if the votes cast for a nominee's election exceed the votes cast against that nominee's election.

The affirmative vote of the holders of a majority of shares of Common Stock present, in person or by proxy, and eligible to vote at the Annual Meeting is necessary for the approval of the proposals to (i) approve the compensation of the Company's named executive officers; and (ii) ratify the appointment by the Company of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, and (iii) approve the stockholder proposal described in this Proxy Statement, if properly presented at the Annual Meeting.

Any broker holding shares in "street name" on behalf of a stockholder is required to vote those shares in accordance with the stockholder's instructions. If the stockholder does not give instructions to the broker, the broker will be entitled to vote the shares with respect to "routine" items, but will not be permitted to vote the shares with respect to non-routine items (resulting in a "broker non-vote"). The ratification of the selection of Baker Tilly Virchow Krause, LLP is a "routine" item. The election of directors, the advisory vote relating to the compensation of the Company's named executive officers, and the stockholder proposal are non-routine items.

Under Delaware law, shares as to which a stockholder abstains or withholds authority to vote and broker non-votes will be treated as present at the Annual Meeting for the purposes of determining a quorum. Proxies marked "Withhold Authority" with respect to the election of one or more directors will not be counted in determining who the six persons are who received the greatest number of votes in the election of directors. Proxies marked "Abstain" with respect to the advisory vote on the frequency of voting on the compensation paid to the Company's named executive officers, the advisory vote relating to the compensation of the Company's named executive officers, the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, and the stockholder proposal, if properly presented at the Annual Meeting, will have the effect of a vote against approval or ratification.

Security Ownership of Certain Beneficial Owners

The following table sets forth the shares of the Company's Common Stock, par value \$.10 per share (the only class of stock issued and outstanding), owned beneficially by each person who, as of March 27, 2015, is known by the Company to have owned beneficially more than 5% of the outstanding Common Stock. Regarding the shares referenced in footnote (1) below, the beneficial owner has both sole voting power and sole investment power, except for those shares held by his spouse as noted.

(2) Based on statements made in filings with the SEC by Mario Gabelli, GGCP, Inc., Teton Advisors, Inc., Gabelli Funds, LLC, GAMCO Asset Management Inc. and GAMCO Investors, Inc. Some of the shares of Common Stock beneficially owned by Mr. Gabelli are also beneficially owned by certain of the entities making the filings. However, none of such entities reported beneficial ownership of shares constituting more than 5% of the outstanding shares of Common Stock of the Company.

Related Party Transactions

The Company has adopted a written policy for the approval of "related party" transactions. Under the policy, related parties are defined to include executive officers and directors of the Company and their immediate family members, a stockholder owning in excess of 5% of the Company, and entities in which any of the foregoing have a substantial ownership interest or control. The policy applies to any transactions that exceed or are expected to exceed \$50,000 in a single calendar year.

The policy provides that the Audit Committee will review transactions subject to the policy and decide whether or not to approve or ratify those transactions. In doing so, the Audit Committee will make a determination as to whether the transaction is in the best interests of the Company and its stockholders, taking into account (a) the benefits to the Company and its stockholders; (b) the extent of the related person's interest in the transaction; (c) whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances; (d) the impact or potential impact on a director's independence in the event the related party is a director, an immediate family member of a director, or an entity in which a director is a partner, shareholder or executive officer; and (e) the terms of each transaction.

The policy also provides that Director and officer compensation that is approved by the Board or the Compensation Committee is exempt from this approval process and will be considered to be pre-approved.

The Related Party Transaction Policy can be found on the Company's web site at www.u-g.com.

There were no related party transactions during 2014.

Board Leadership Structure

The Company is led by Kenneth H. Globus, who has served as President since 1988 and Chairman of the Board since September 2009. The Board is composed of Mr. Kenneth Globus, one other non-independent director, and four independent directors. The Board has two standing committees comprised solely of independent directors, the Audit Committee and the Compensation Committee. The Board also has a Stock Option Committee. Only the Audit Committee has a chairman. The Board does not have a lead director as all of the independent directors have a strong knowledge of Company operations and have held leadership positions in their respective employment, both past and present. The independent directors meet in executive session at least twice per year in accordance with NASDAQ guidelines. The Company has had this same basic leadership structure since it was founded in 1942, except that the committees were not established until the 1990s. The Board believes that this leadership structure has been effective for the Company considering its size and its resources, and similar leadership structures are commonly utilized by other small public companies in the United States.

Affirmative Determinations Regarding Director Independence

The Company's Board has considered the independence of the nominees for election at the Annual Meeting and has affirmatively determined that none of the four non-employee nominees for Director, Arthur Dresner, Andrew Boccone, Christopher Nolan, and Lawrence Maietta, has any material business, family or other relationship with the Company other than as a director, and for that reason they all qualify as independent under the corporate governance rules of NASDAQ. Lawrence Maietta does receive compensation as an outside accounting consultant in addition to the fees he receives as a Director, but the Board has determined that the additional compensation is not material and falls well below the thresholds established by NASDAQ and the SEC for determining independence. Kenneth Globus and Robert Rubinger are not independent due to their status as President and Executive Vice President, respectively, of the Company, and not due to any other transactions or relationships.

Role of the Board in Risk Oversight

The Board views risk management as a process designed to identify, manage, and control risks that may adversely

affect the Company, so that they are appropriate considering the Company's size, operations and business objectives. The Company's risk management policies enable the Company to manage risk within acceptable limits and provide reasonable assurance of optimum corporate performance in the area of risk/return. The Board has ultimate responsibility for oversight of the Company's risk management processes, and discharges this responsibility through regular reports received from, and discussions with, senior management on all areas of material risk exposure to the Company. These reports and discussions include, among other things, operational, financial, legal and regulatory, and strategic risks. The full Board engages with the appropriate members of senior management to enable its members to understand and provide input to, and oversight of, risk identification, risk management and risk mitigation strategies. In addition, the Company's Audit Committee is responsible for evaluating and monitoring financial risks, and meets regularly in executive session without management present to, among other things, discuss the Company's risk management culture and processes. While the Board oversees the Company's risk management, the Company's senior management is responsible for day-to-day risk management processes.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's officers, directors and persons who own more than 10% of a class of the Company's equity securities to file reports of beneficial ownership and changes in beneficial ownership with the SEC. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based on (i) a review of copies of Forms 3, 4, and 5 and any amendments thereto furnished to the Company during and with respect to the fiscal year ended December 31, 2014 and (ii) any written representations signed by reporting persons that no Form 5 is required, the Company believes that all persons subject to the reporting requirements pursuant to Section 16(a) filed the required reports on a timely basis during and with respect to the fiscal year ended December 31, 2014.

Directors Meetings

During the fiscal year ended December 31, 2014, the Board held four meetings. All six Directors attended all four meetings.

The Board has a separately-designated standing Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, to oversee the accounting and financial reporting processes of the Company and to meet and review with the Company's independent auditors the plan, scope and results of its audits. Members of the Audit Committee are Messrs. Arthur M. Dresner, the Chairman, Andrew A. Boccone, and Christopher W. Nolan, Sr. All of the Audit Committee members are independent as that term is defined in the listing standards of NASDAQ, the Company's stock exchange since March 16, 2009. Under NASDAQ rules, the Board is required to make certain findings about the independence and qualifications of the members of the Audit Committee of the Board. In addition to assessing the independence of the members under NASDAQ rules, the Board also considered the requirements of Section 10A(m)(3) and Rule 10a-3 under the Exchange Act. As a result of its review, the Board determined that the Audit Committee does not have a financial expert. However, Christopher W. Nolan, Sr., is considered "financially sophisticated" as that term is defined by NASDAQ, and Lawrence F. Maietta, a Certified Public Accountant and former member of the Audit Committee, acts as an advisor to the Audit Committee. Mr. Maietta would not be deemed independent for purposes of membership on the Audit Committee. The reason for the absence of a financial expert is that the Board determined that the expense involved did not justify recruiting one, considering Mr. Maietta's presence as an advisor and Mr. Nolan's "financially sophisticated" status. There were four meetings of the Audit Committee during the fiscal year ended December 31, 2014. All members attended all four meetings. A copy of the Audit Committee Charter is available on the Company's website at www.u-g.com/corporate.

During the fiscal year ended December 31, 2014, the independent directors of the Company, Messrs. Lawrence F. Maietta, Arthur M. Dresner, Andrew A. Boccone, and Christopher W. Nolan, Sr., held two meetings in executive session without the presence of non-independent directors and management in accordance with NASDAQ rules. All of the independent directors were present at both of the meetings. No fee was paid to such directors for these meetings.

The Board has a Compensation Committee which was formed in 1999 for the purpose of recommending to the Board the compensation of corporate officers and key employees for the ensuing year. Members of the Compensation Committee are Messrs. Lawrence F. Maietta, Arthur M. Dresner, and Andrew A. Boccone. Kenneth H. Globus acts as advisor to the Committee representing management. The Committee held one meeting in 2014. The Compensation Committee does not have a charter. Neither management nor the Committee has engaged a consultant to provide advice on compensation.

The Compensation Committee meets in June of each year and targets a total dollar amount to be allocated in the form of bonuses to all employees for the year. It also sets the specific bonus to be paid to each officer and key employee. These bonuses are paid as a single sum cash bonus in July of each year. In addition, the Committee recommends the amount of any cost of living increase for all employees based upon U.S. Department of Labor statistics for the prior year.

The Compensation Committee does not set compensation of Directors. Instead, the full Board acts on recommendations made by the independent directors. In its review of compensation of Directors, the Board considers various factors, such as compensation of Directors in other public companies of a similar size, the time spent by Board and Committee members in their service to the Company, and recent changes that may result in an increase or decrease in the responsibilities or time commitment of a Board and Committee member.

The Board does not have a Nominating Committee. The full Board fulfills the role of a nominating committee. Final selections are made by a majority of the independent directors. Kenneth H. Globus and Robert S. Rubinger are not independent as that term is defined by the listing standards of NASDAQ. It is the position of the Board that it is appropriate for the Company not to have a separate nominating committee because the size, composition and collective independence of the Board enables it to adequately fulfill the functions of a standing committee. NASDAQ does not require the Company to have a separate nominating committee but does require that Board nominees be selected by either a nominating committee composed solely of independent directors or by a majority of the independent directors. The Board does not consider diversity in identifying nominees for director positions.

The Board identifies director candidates through a combination of referrals, including by management, existing Board members, and stockholders. Once a candidate has been identified, the Board reviews the individual's experience and background, and may discuss the proposed nominee with the source of the recommendation. If the independent directors believe it to be appropriate, such directors may meet with the proposed nominee before making a final determination on whether to include the proposed nominee as a member of management's slate of director nominees submitted to the stockholders for election to the Board. The Board will evaluate stockholder-nominated candidates under the same criteria as director-nominated candidates. Stockholders wishing to refer director candidates to the Board should do so in writing and they should be delivered to the Board c/o Corporate Secretary, United-Guardian, Inc., P.O. Box 18050, Hauppauge, NY 11788. The Board has adopted a corporate resolution with regard to the nominating process as discussed above. The Board has no charter for the nominating process.

In 2014 all six Directors attended the Annual Meeting of Stockholders.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is composed of three directors: Arthur M. Dresner, Andrew A. Boccone, and Christopher W. Nolan, Sr. All of the Audit Committee members are independent as that term is defined in the listing standards of NASDAQ.

The Audit Committee assists the Board in fulfilling its oversight responsibilities by reviewing the Company's consolidated financial report, its internal financial and accounting controls, and its auditing, accounting and financial reporting processes generally.

In discharging its oversight responsibilities regarding the audit process, the Audit Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the year ended December 31, 2014, with Company management and Baker Tilly Virchow Krause, LLP ("Baker"), the independent auditors. The Audit Committee received the written disclosures and the letter from Baker required by applicable requirements of the Public Company Accounting Oversight Board regarding Baker's communications with the Audit Committee

concerning independence, and discussed with Baker any relationships which might impair that firm's independence from management and the Company and satisfied itself as to the auditors' independence. The Audit Committee reviewed and discussed with Baker all communications required by generally accepted auditing standards, including Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380).

Based upon these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements for the year ended December 31, 2014, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for filing with the SEC.

The foregoing Audit Committee Report does not constitute soliciting material and shall not be deemed "filed" with the SEC, incorporated by reference into any other Company filing under the Securities Act of 1933 or the Exchange Act (except to the extent the Company specifically incorporates this Report by reference therein) or subject to the liabilities of Section 18 of the Exchange Act.

**ADVISORY VOTE ON THE COMPENSATION
PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS**

Section 14A of the Exchange Act requires the Company to periodically include in its proxy statements for meetings of stockholders at which directors are to be elected an advisory vote on named executive officer compensation. Section 14A also requires the Company to include in its proxy statements at least every six years, an advisory vote regarding the frequency with which the advisory vote on named executive officer compensation should be held. The Board currently plans to seek an advisory vote on executive compensation every year. The advisory vote on the frequency of holding a non-binding advisory vote on compensation paid to the Company's named executive officers was held at last year's annual meeting of stockholders and the stockholders approved holding a vote on such matter every year. We are therefore including a proposal for our stockholders to vote to approve, on a nonbinding, advisory basis, the compensation of the executive officers named in this proxy statement, pursuant to Item 402 of Regulation S-K.

Our executive compensation is designed to reward executive performance that contributes to our success and increases stockholder value, while encouraging behavior that is in our and our stockholders' long term best interests.

We are asking you to vote to approve the adoption of the following resolution:

RESOLVED: That the stockholders of the Company approve, on a nonbinding, advisory basis, the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

The following table sets forth for the years ended December 31, 2013 and December 31, 2014 certain information concerning the compensation awarded to, earned by or paid to the Company's principal executive officer and the two most highly compensated executive officers other than the principal executive officer:

	2014	172,717	37,400	-	-	-	-	21,626*	231,743

* In both 2013 and 2014 under the Company's 401(k) plan for all of its employees, the Company made a contribution of up to 4% of each employee's salary, matching an employee's elective deferral of up to 4% of salary. In addition, in 2009 the Company began making a discretionary contribution to all employees' 401(k) accounts based on a formula that qualifies the 401(k) plan under Internal Revenue Service ("IRS") Safe Harbor provisions. These amounts represent the Company's contribution for each year. There are no other items included in these amounts.

Pension Plans

The Company sponsors a 401(k) defined contribution plan ("DC Plan") that provides for a dollar-for-dollar employer matching contribution of up to 4% of each employee's pay that is deferred under the DC Plan. Employees become fully vested in employer matching contributions after one year of employment. Company 401(k) matching contributions were approximately \$104,000 and \$101,000 for the years ended December 31, 2014 and 2013, respectively. In 2014 and 2013 employees were able to defer up to \$17,500 and \$16,500, respectively, of their yearly pay as a pre-tax investment in the 401(k) plan (plus an additional \$5,500 for employees over the age of 50), in accordance with limits set by the IRS

The Company also makes discretionary contributions to each employee's account based on a "pay-to-pay" safe-harbor formula that qualifies the 401(k) plan under current IRS regulations. In November 2014 and November 2013 the Company's Board authorized discretionary contributions in the amount of \$175,000 per year, to be allocated among all eligible employees, for the 2014 and 2013 plan years. The Company contribution for 2014 was paid into the DC Plan in December 2014, and the 2013 contribution was paid in December 2013. The allocated amounts for FY-2014 and FY-2013 were paid into each employee's account in January 2015 and January 2014, respectively. Employees become vested in the discretionary contributions as follows: 20% after two years of employment, and 20% for each year of employment thereafter until the employee becomes fully vested after six years of employment.

All of the persons named in the Summary Compensation Table above participated in the DC Plan and were fully vested as of December 31, 2014.

Outstanding Equity Awards at Fiscal Year-End

As of December 31, 2014, there were no outstanding equity awards held by the persons named in the Summary Compensation Table above. The Company's previous stock option plan, which had been adopted in March 2004, expired in March 2014.

Director Compensation

Effective January 1, 2015, the annual retainer paid to each non-employee Director was increased to \$12,000 from \$11,500 (paid quarterly). Effective July 1, 2011, Director fees for meetings of both the full Board and for Audit Committee meetings increased by \$250 per director per meeting. Directors who are not employees of the Company each receive a fee of \$1,750 for each Board meeting attended. Directors who are employees of the Company receive no separate compensation for their service as directors. Each Audit Committee member and Mr. Lawrence F. Maietta, as an adviser to the Committee, receives a retainer of \$750 per quarter. Mr. Arthur M. Dresner, the Committee Chairman, receives an additional \$250 per quarter. In addition, each receives a fee of \$1,500 for the Annual Audit Committee Meeting and \$1,000 for each quarterly meeting. The Audit Committee Chairman, Mr. Arthur M. Dresner, receives an additional \$1,250 for the Annual Audit Committee Meeting and an additional \$750 for each quarterly meeting. The Committee Secretary, Mr. Andrew A. Boccone, receives an additional \$250 for each meeting. Compensation Committee members each receive a fee of \$1,000 for each meeting attended. No fees are paid for meetings of the independent directors.

The following table sets forth for the fiscal year ended December 31, 2014 certain information concerning the compensation paid to Directors of the Company who are not "named executive officers" (as such term is defined in Item 402(m)(2) of Regulation S-K):

Name	Fees earned or paid in cash (\$)	Stock awards (\$)	Option awards (\$)	Non-Equity incentive plan compensation (\$)	Nonqualified deferred compensation earnings (\$)	All other compensation (\$)	Total (\$)

APPOINTMENT OF ACCOUNTANTS

The firm of Baker Tilly Virchow Krause, LLP (“Baker”), independent registered public accounting firm of Melville, N.Y., has been appointed by the Audit Committee of the Board to be the independent accountants of the Company for the fiscal year ending December 31, 2015. The appointment of such firm is subject to ratification by the stockholders at the Annual Meeting. Management believes that the firm is well qualified and recommends a vote in favor of the ratification.

Representatives of Baker are expected to be present at the Annual Meeting and will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

The Board recommends that you vote "FOR" the ratification of the appointment of Baker to serve as the Company’s independent accountants for the fiscal year ending December 31, 2015.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

Baker (formerly, Holtz Rubenstein Reminick LLP) has been the Company's independent accountant since July 10, 2009, and has audited the Company's financial statements for each of the last six fiscal years.

Audit Fees

The aggregate fees that have been, or are expected to be, billed by Baker, the Company's principal accountants, to the Company for the review and audit of the Company's financial statements for FY-2014 and FY-2013, were approximately \$83,000 for each of those fiscal years (\$7,000 for each of the first three fiscal quarters, \$61,000 for the year-end audit for both FY-2014 and FY-2013), and \$1,000 for out-of-pocket expenses in each fiscal year.

Audit-Related Fees

During 2014 and 2013 there were no fees paid to Baker in connection with the Company's compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

No other fees were billed by Baker for the last two years that were reasonably related to the performance of the audit or review of the Company's financial statements and not reported under "Audit Fees" above.

Tax Fees

There were no other fees billed by Baker during the last two fiscal years for professional services rendered for tax compliance, tax advice, or tax planning. Accordingly, none of such services were approved pursuant to pre-approval procedures or permitted waivers thereof.

All Other Fees

There were no non-audit-related fees billed to the Company by Baker in 2014 or 2013.

Pre-approval Policies for Audit Services

Engagement of accounting services by the Company is not made pursuant to any pre-approval policies or procedures. The Company believes that its accounting firm is independent because all of its engagements by the Company are approved by the Company's Audit Committee prior to any such engagement.

The Audit Committee of the Company's Board meets periodically to review and approve the scope of the services to be provided to the Company by its independent accountant, as well as to review and discuss any issues that may arise during an engagement. The Audit Committee is responsible for the prior approval of every engagement of the Company's independent auditors to perform audit and permissible non-audit services for the Company (such as quarterly reviews, tax matters, consultation on new accounting and disclosure standards and, in future years, reporting on management's internal controls assessment).

Before the auditors are engaged to provide those services, the chief financial officer and the controller will make a recommendation to the Audit Committee regarding each of the services to be performed, including the fees to be charged for such services. At the request of the Audit Committee the independent auditors and/or management shall periodically report to the Audit Committee regarding the extent of services being provided by the independent auditors, and the fees for the services performed to date.

ANNUAL REPORT TO STOCKHOLDERS

The Annual Report to Stockholders for the fiscal year ended December 31, 2014 accompanies this Proxy Statement. The Annual Report contains financial and other information about the Company, but is not incorporated into this Proxy Statement and is not deemed to be a part of the proxy soliciting material.

STOCKHOLDER PROPOSALS

Ms. Myra Young of Elk Grove, California, has advised the Company that she has designated John Chevedden as her agent to submit a proposal for consideration at our Annual Meeting. The text of the stockholder proposal and supporting statement appear exactly as received by the Company unless otherwise noted. All statements contained in the proposal and supporting statement are the sole responsibility of the proponent. The stockholder proposal may contain assertions about the Company or other matters that we believe are incorrect, but we have not attempted to refute all of those assertions.

The proposal will be voted on at the Annual Meeting only if properly presented by or on behalf of the proponent. Adoption of this proposal requires the affirmative vote of a majority of the shares present in person or represented by proxy.

The Board recommends a vote AGAINST the stockholder proposal based on the reasons set forth in the Company's Statement in Opposition following the stockholder proposal.

Myra Young's proposal and supporting statement are as follows:

Proxy Access for Shareholders

Resolution

Shareholders ask the United-Guardian Inc. (UG) board, to the fullest extent permitted by law, to amend our governing documents to allow shareholders to make board nominations as follows:

1. The Company proxy statement, form of proxy, and voting instruction forms shall include, listed with the board's nominees, alphabetically by last name, nominees of any party of one or more shareholders that have collectively held, continuously for three years, at least three percent of the Company's securities eligible to vote for the election of directors.
2. Board members and officers of the Company may not be members of any such nominating party of shareholders.
3. The number of shareholder-nominated candidates appearing in proxy materials shall not exceed one quarter of the directors then serving.
4. Preference will be shown to groups holding the greatest number of the Company's shares for at least three years.
5. Nominees may include in the proxy statement a 500 word supporting statement.
6. Each proxy statement or special meeting notice to elect board members shall include instructions for nominating under these provisions, fully explaining all legal requirements for nominators and nominees under federal law, state law and the company's governing documents.

Supporting Statement

- The right of shareholders to nominate board candidates is fundamental to good corporate governance and board accountability.

- Long-term owners of the Company should have a meaningful voice in nominating and electing directors.
- This proposal adopts popular 3% and 3-year eligibility thresholds.
- Limiting shareholder-nominated candidates to 25% means control remains with board nominees.
- Our Company's share price has substantially underperformed the NASDAQ during the latest one, two and five year time-periods.

- Rather than independent directors, we need directors who are dependent on, and accountable to, the shareholders who elect them.

- CFA Institute's Proxy Access in the United States: Revisiting the Proposed SEC Rule (download at <http://www.cfapubs.org/doi/pdf/10.2469/ccb.v2014.n9.1>) found:

(a) "proxy access has the potential to enhance board performance and raise overall US market capitalization by between \$3.5 billion and \$140.3 billion"

(b) "none of the event studies indicate that proxy access reform will hinder board performance."

(c) "proxy access would serve as a useful tool for shareowners in the United States and would ultimately benefit both the markets and corporate boardrooms."

The Council of Institutional Investors, whose members have \$3 trillion invested, maintains the following policy:

Access to the Proxy: Companies should provide access to management proxy materials for a long-term investor or group of long-term investors owning in aggregate at least three percent of a company's voting stock, to nominate less than a majority of the directors. Eligible investors must have owned the stock for at least two years. Company proxy materials and related mailings should provide equal space and equal treatment of nominations by qualifying investors.

Vote to enhance shareholder value

COMPANY STATEMENT IN OPPOSITION

The Board has carefully considered this proposal and, for the reasons set forth below, does not believe that it is in the best interests of the Company or its stockholders. The Company's Board is committed to strong corporate governance practices and an appropriate balance of shareholder rights. The Board recognizes that proxy access is a topic of growing interest to investors and continues to evaluate it. However, the Board believes this proposal is fundamentally flawed, lacks safeguards against short-term abuse, and is not in the best interest of the Company's stockholders. Some of the reasons for the Board's opinion are set forth below. Given the Company's long history of good governance practices, the Board does not believe that adoption of this proxy access proposal is the right approach for the Company or our shareholders. For that reason the Board recommends a vote AGAINST this proposal.

Several aspects of this proposal introduce significant risk of disruption to the Company and lack safeguards to ensure proxy access would not be abused:

(a) The proposal permits an excessive number of shareholder-proposed candidates, up to 25% of the Board every year. This percentage exceeds the 20% collective maximum typical in many other stockholder proxy access proposals (see proposals at Disney in 2014, Verizon in 2013, and Walgreen Co. in 2013). It is also not practical for our company, which currently has only six directors. Replacing directors every year could cause serious disruption to the Board's oversight of management, strategy and risk.

(b) Providing access to the Company's proxy statement as set forth in the proposal will undermine the value of the thorough and rigorous selection and nomination process our Board already follows. The current Board members are best situated to assess the particular qualifications of potential director nominees and determine whether they will contribute to an effective Board that addresses the evolving needs of the Company and represents the best interests of our stockholders.

(c) Stockholders may already nominate one or more directors, whom the Board will evaluate under the same criteria it applies to its own candidates. In contrast, this proposal would allow individuals or small groups of stockholders who have no fiduciary duty and are not bound by the Company's corporate governance policies and practices to nominate directors to advance their own agenda or narrow interests, without regard to the best interests of the Company. While shareholders would be free to reject such nominees, the cost and disruption of having to defend against narrow agenda-driven attacks could be significant, and incurring those costs would not be in the best interests of the Company's stockholders.

(d) Our existing corporate governance policies provide the appropriate balance between ensuring Board accountability to stockholders and enabling the Board to oversee effectively the Company's business and affairs for the long-term benefit of stockholders. Our Board fully is accountable to stockholders through a variety of progressive governance practices, including annual elections of our entire Board, majority voting for directors, and the ability of stockholders to call special meetings. The Board already has in place options for stockholders to communicate directly with the Board by email or regular mail.

Given our Board's record of protecting stockholder rights and responding to stockholder input, as well as the lack of critical safeguards against the abuse of a proxy access for short-term interests, this proposal does not warrant support and has the potential for creating significant risk to the Company's stockholders.

The Board recommends a vote AGAINST this proposal.

Proposals of stockholders for possible consideration at the 2016 Annual Meeting (expected to be held in May 2016) must be received by the Secretary of the Company not later than December 16, 2015 to be considered for inclusion in the proxy statement for that meeting, if appropriate for consideration under applicable securities laws.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD

The Board has adopted the following procedure for stockholders to send communications to the Board. Stockholders who wish to send communications to directors should refer to the Company's website at: www.u-g.com and direct those communications to Mr. Arthur M. Dresner, Chairman of the Audit Committee, whose email address is posted there. All communications sent to Mr. Dresner, but addressed to other Board members, will be forwarded to that Board member by Mr. Dresner.

Management of the Company knows of no business other than that referred to in the foregoing Notice of Annual Meeting and Proxy Statement that may come before the Annual Meeting.
