Enclosure: Partner Communications Announces The Ministry of Communications Has Requested It To Present Its Position Regarding Its Use of a Certain Frequency Band and Relevant Payment

**PARTNER COMMUNICATIONS ANNOUNCES THE MINISTRY OF
COMMUNICATIONS HAS REQUESTED IT TO PRESENT ITS**

POSITION REGARDING ITS USE OF A CERTAIN FREQUENCY BAND AND RELEVANT PAYMENT

ROSH HA AYIN, Israel, May 22nd, 2008 Partner Communications Company Ltd. (Partner or the Company) (NASDAQ and TASE: PTNR), a leading Israeli mobile communications operator, announced that it was notified on May 20th, 2008 by the Ministry of Communications (MOC) that following the MOC's internal audit with respect to Partner's use of a certain frequency band, it is considering the continuation of the use of such band by Partner and among other things, the allocation of this band to Partner and payment by Partner for the past use (which the MOC has claimed to be approximately NIS 42.5 million).

The MOC has requested that Partner provide its position on the matter for consideration before the MOC renders its final decision.

The frequency band in question was initially allocated for the use of a Palestinian mobile operator in the Palestinian-administered areas. Partner's position is that it is entitled to use this band because it is based on an agreement with the Palestinian operator which agreement was endorsed by the MOC.

Partner's position also is that no additional consideration for the use of all its existing bands, which includes this one, should be paid. The Company therefore intends to defend its position vigorously. At this stage, the Company is unable to evaluate the potential liability, if any, of this MOC process.

For further information please see Partner's 2007 Annual Report (20-F), Section 3D.
