### FOR IMMEDIATE RELEASE

#### MEDIA ALERT

#### **Alvarion® Highlights Latest WiMAX Developments at 4G World**

Company to showcase new WiMAX product, live demonstrations and executive speaking engagements

**Chicago, Sept. 10, 2009** Alvarion Ltd.(NASDAQ:ALVR), the world's leading provider of WiMAX and wireless broadband solutions, is returning to 4G World 2009, September 15-18, at McCormick Place Chicago to showcase a new outdoor 802.16e WiMAX portfolio in real-life scenario demonstrations as well as present executive perspectives on the market and the future of WiMAX in keynotes and panel sessions. Alvarion is also participating in the Wireless Communications Association International (WCAI) 15th Annual International Symposium on Tuesday, September 15 at McCormick Place Chicago.

Alvarion together with Nokia Siemens Networks will be showcasing a live 2.5GHz network demo in the Nokia Siemens Networks booth #301. The high performance solution is composed of industry leading components that can either be placed in a green field deployment or integrated into existing networks by a highly experienced system integrations team. Also featured will be Alvarion's latest BreezeMAX outdoor base station portfolio optimizing price, performance and deployment flexibility for service providers by utilizing a remote RF head (RRH) architecture. Leading the WiMAX 802.16e industry, the outdoor portfolio complements Alvarion's 4Motion® solution and strengthens the BreezeMAX

offering.

In addition to live product demos on the show floor, Alvarion experts are scheduled to speak in various sessions highlighting a range of business case scenarios, WiMAX technology innovation and government funding for wireless broadband in the U.S. Sessions featuring Alvarion industry experts include:

**Keynote/Featured Session: *Mobile WiMAX Drives Speed to Market 4G Networks*** - Tuesday, September 15 at 11:45 a.m. CT in Room 375A; Speaker: Tzvika Friedman, CEO, Alvarion

**WCAI Broadband and Wireless Policy Summit: *Universal Broadband Service and New Spectrum for Wireless Broadband*** - Tuesday, September 15, at 2 p.m. CT in room 183b of McComick Place. Panelist: Dr. Mo Shakouri, corporate vice president, innovation and marketing, Alvarion, with Alvarion customer Mike Mies, CEO of Main Street Broadband.

***Anywhere Applications for 4G Mobile Broadband Networks*** - Wednesday, September 16, at 2:45 p.m. CT in W-183A. Panelist: Ashish Sharma, vice president, corporate communications, Alvarion.

***Open Mobile Network Business Opportunity*** - Thursday, September 17 at 2 pm; Panelist: Greg Daily, president of Alvarion, Inc.

#### About Alvarion

Alvarion (NASDAQ: ALVR) is the largest WiMAX pure-player with the most extensive WiMAX customer base and over 250 commercial deployments around the globe. Committed to growing the WiMAX market, the company offers solutions for a wide range of frequency bands supporting a variety of business cases. Through its OPEN WiMAX strategy, superior IP and OFDMA know-how, and ability to deploy end-to-end turnkey WiMAX projects, Alvarion is shaping the new wireless broadband experience ([www.alvarion.com](http://www.alvarion.com)).

*This press release contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are based on the current expectations or beliefs of Alvarion's management and are subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. The following factors, among others, could cause actual results to differ materially from those described in the forward-looking statements: potential impact on our business of the current global recession; Alvarion's inability to capture market share in the expected growth of the WiMAX market as anticipated, due to, among other things, competitive reasons or failure to execute in our sales, services provisioning, marketing or manufacturing objectives; inability to further identify, develop and achieve success for new products, services and technologies; increased competition and its effect on pricing, spending, third-party relationships and revenues; as well as the inability to establish and maintain relationships with commerce, advertising, marketing, and technology providers, and other risks detailed from time to time in the Company's 20-F Annual Report Risk Factors section as well as in other filings with the Securities and Exchange Commission.*

*Information set forth in this press release pertaining to third parties has not been independently verified by Alvarion and is based solely on publicly available information or on information provided to Alvarion by such third parties for inclusion in this press release. The web sites appearing in this press release are not and will not be included or incorporated by reference in any filing made by Alvarion with the Securities and Exchange Commission, which this press release will be a part of.*
