FOR IMMEDIATE RELEASE

G. WILLI-FOOD REPORTS Q2 2015 FINANCIAL RESULTS

YAVNE, Israel - August 18, 2015 - G. Willi-Food International Ltd. (NASDAQ: WILC) (the “Company” or “Willi-Food”), a global company that specializes in the development, marketing and international distribution of kosher foods, today announced its unaudited financial results for the second quarter and the six-months ended June 30, 2015.

Second Quarter Fiscal 2015 Highlights (income statement highlights compared to same period last year):

- Sales decreased 10.1% from second quarter of 2014 to NIS 71.2 million (US\$ 18.9 million)
- Gross profit decreased 24.7% from second quarter of 2014 to NIS 15.5 million (US\$ 4.1 million), or 21.8% of sales
- Operating income decreased 42.1% from second quarter of 2014 to NIS 3.2 million (US\$ 0.9 million), or 4.5% of sales
 - Net loss of NIS 0.2 million (US\$ 0.04 million), or 0.2% of sales
 - Loss per share of NIS 0.01 (US\$ 0.003)
- Cash and securities balance (net of short-term bank debt) of NIS 229.8 million (US\$ 61.0 million) as of June 30, 2015

Willi-Food’s operating divisions include Willi-Food, a distributor of a broad variety of kosher foods, and its wholly-owned subsidiary Gold Frost, a designer, developer and distributor of branded and innovative kosher dairy food products.

Second Quarter Fiscal 2015 Summary

Sales for the second quarter of 2015 decreased by 10.1% to NIS 71.2 million (US\$ 18.9 million) from NIS 79.2 million (US\$ 21.0 million) recorded in the second quarter of 2014. Sales decreased in the second quarter of 2015 primarily due to overall market decline in food product consumption by the Israeli consumer.

Gross profit for the second quarter of 2015 decreased by 24.7% to NIS 15.5 million (US\$ 4.1 million) compared to NIS 20.6 million (US\$ 5.5 million) recorded in the second quarter of 2014. Second quarter gross margin was 21.8% compared to gross margin of 26.0% for the same period in 2014. The decrease in gross profit and gross margin in the second quarter of 2015 was primarily due to reductions in the prices of certain of our products as a result of continued expectations from our customers for us to reduce prices and to certain expense shifting from selling expenses to gross margin, as a result of government regulations that became effective in January 2015.

Willi-Food’s operating income for the second quarter of 2015 decreased by 42.1% to NIS 3.2 million (US\$ 0.9 million) compared to NIS 5.6 million (US\$ 1.5 million) recorded in the second quarter of 2014. Selling expenses decreased by 14.3% from the comparable quarter of 2014, primarily due to a decrease in promotion expenses mainly due to the shifting of certain related expenses to gross margin as mentioned above, and a decrease in vehicle and transport expenses as a result of adjusting expenses in light of lower sales. Selling expenses as a percentage of sales decreased in the second quarter of 2015 to 12.5% compared to 13.1% in the second quarter of 2014.

General and administrative expenses increased by 19.5% from the second quarter of 2014 mainly due to a NIS 1.7 million (US\$ 0.5 million) write-off recorded with respect to the Company's estimated exposure to Mega Retail Ltd. and Eden Briut Teva Market Ltd. debts. See below.

Willi-Food's loss before taxes for the second quarter of 2015 was NIS 0.2 million (US\$ 0.04 million) compared to income before taxes of NIS 5.7 million (US\$ 1.5 million) recorded in the second quarter of 2014.

Willi-Food's net loss in the second quarter of 2015 was NIS 0.2 million (US\$ 0.04 million), or NIS 0.01 (US\$ 0.005) per share, compared to NIS 4.4 million (US\$ 1.2 million), or NIS 0.34 (US\$ 0.09) per share, recorded in the second quarter of 2014.

Willi-Food ended the second quarter of 2015 with NIS 229.8 million (US\$ 61.0 million) in cash and securities net of short-term bank debt. Net cash from operating activities for 2015 second quarter was NIS 16.8 million (US\$ 4.5 million). Willi-Food's shareholders' equity at the end of June 2015 was NIS 392.5 million (US\$ 104.1 million).

First Half Fiscal 2015 Highlights (compared to same period last year)

- Sales decreased 9.7% to NIS 157.4 million (US\$ 41.7 million);
- Gross profit decreased 22.4% to NIS 32.6 million (US\$ 8.6 million), or 20.7% of sales;
- Operating income decreased 55.9% to NIS 5.3 million (US\$ 1.4 million), or 3.4% of sales;
- Net income decreased 78.5% to NIS 2.5 million (US\$ 0.7 million), or 1.6% of sales; and
 - Earning per share of NIS 0.19 (US\$ 0.05).

Six-Month Results

Willi-Food's sales for the six-month period ending June 30, 2015 decreased by 9.7% to NIS 157.4 million (US\$ 41.7 million) compared to sales of NIS 174.2 million (US\$ 46.2 million) in the first half of 2014. Gross profit for the period decreased by 22.4% to NIS 32.6 million (US\$ 8.6 million) compared to gross profit of NIS 42.0 million (US\$ 11.1 million) for the first half of 2014. First half 2015 gross margins were 20.7% compared to gross margins of 24.1% in the same period of 2014.

Operating income for the first half of 2015 decreased by 55.9% to NIS 5.3 million (US\$ 1.4 million) from NIS 12.0 million (US\$ 3.2 million) reported in the comparable period of last year. First half 2015 income before taxes decreased by 76.3% to NIS 3.7 million (US\$ 1.0 million) compared to NIS 15.5 million (US\$ 4.1 million) recorded in the first half of 2014. Net income for the first half of 2015 decreased by 78.5% to NIS 2.5 million (US\$ 0.7 million), or NIS 0.19 (US\$ 0.05) per share, from NIS 11.5 million (US\$ 3.0 million), or NIS 0.88 (US\$ 0.23) per share, recorded in the first half of 2014.

Note regarding the Company's exposure to losses due to the arrangement of debts of Mega Retail Ltd. and the stay of proceedings of its subsidiary Eden Briut Teva Market Ltd.:

Further to the Company's announcement on July 1, 2015 - the results for the second quarter of 2015 include a one-time reserve of NIS 1.7 million (US\$ 0.5 million) reflecting the Company's estimate of the losses it will experience due to the plan of recovery and arrangement of debts of Mega Retail Ltd. ("Mega"), Israel's second largest supermarket chain, and the stay of proceedings of its subsidiary Eden Briut Teva Market Ltd. ("Eden").

On July 15, 2015, the District Court in Lod, Israel approved the plan of recovery and arrangement of debts submitted by Mega on June 29, 2015, under Section 350 of the Israeli Companies Law - 1999, due among other things to Mega's debt obligations owed to financial debtors, suppliers, service providers and lessors (the "Arrangement").

Under the Arrangement, 30% of the existing debt to large suppliers, such as Willi-Food, would be deferred for two years until June 30, 2017, with the deferred amounts repayable thereafter in 36 equal monthly installments with 3% annual interest without linkage to the CPI (2% annual interest without linkage to CPI during two-year period of deferral) ("Deferred Debt"). The balance of payments due to suppliers would be paid in four equal weekly installments beginning July 31, 2015 or, if later, the original payment date in the case of large suppliers. In addition, the Arrangement provides that large suppliers would be given the option to convert the Deferred Debt into ordinary shares of Alon Blue Square Israel Ltd., the parent company of Mega, under the conditions stipulated in the Arrangement. The Company's accounts receivable related to Mega, as of June 30, 2015, total approximately NIS 5.6 million (US\$ 1.5 million). This sum includes Value Added Tax of approximately NIS 0.9 million (US\$ 0.24) which, if not paid, would be returned to the Company by the Israel Tax Authority. As of July 31, 2015, the Company has received payments from Mega in accordance with the Arrangement.

Additionally, on July 15, 2015, the District Court in Lod, Israel approved an extension for a stay of proceedings filed on July 9, 2015 for Mega's subsidiary, Eden ("Stay of Proceedings"). As part of the Stay of Proceedings, the court appointed a trustee for Eden who is charged with, among other things, management of Eden during the Stay of Proceedings, and the negotiation and auction for the sale of Eden's assets. According to reports published by Tiv Taam Holdings 1 Ltd. ("Tiv Taam"), on August 16, 2015, the court approved the sale of Eden's assets for consideration of NIS 29.25 million to Tiv Taam. According to the reports, Tiv Taam has also committed to purchase Eden's non-expired inventory at cost. The Company's accounts receivable related to Eden, as of the date of the Stay of Proceedings, total approximately NIS 0.6 million (US\$ 0.16 million). This sum includes Value Added Tax.

In estimating the amount of the reserve and its estimated losses, the Company has assumed that it will be able to recover approximately 70% of the amounts owed to it from Mega and will not be able to recover amounts owed to it from Eden. In addition, it has taken into account the reduction of income taxes that will accrue as a result of the write-off.

Business Outlook

Mr. Zwi Williger, Co-Chairman of Willi-Food, commented, "Second quarter sales and profit margins were negatively affected by continued cautious buying patterns demonstrated by our customers, and the increasingly competitive Israel food retail sector. In light of Mega and Eden's recently reported challenges, we expect the Israeli food retail sector to continue its trend towards lower retail prices due primarily to decreased overall consumer spending. Our principal challenge will be in managing expenses in order to offer our products at the low prices our customers expect".

NOTE A: Convenience Translation to Dollars

The convenience translation of New Israeli Shekels (NIS) into U.S. dollars was made at the rate of exchange prevailing on June 30, 2015, U.S. \$1.00 equals NIS 3.769. The translation was made solely for the convenience of the reader.

NOTE B: IFRS

The Company's consolidated financial results for the three-month and six-month periods ended June 30, 2015 are presented in accordance with International Financial Reporting Standards ("IFRS").

ABOUT G. WILLI-FOOD INTERNATIONAL LTD.:

G. Willi-Food International Ltd. (<http://www.willi-food.com>) is an Israeli-based company specializing in high-quality, great-tasting kosher food products. FORWARD LOOKING STATEMENT

This press release contains forward-looking statements within the meaning of safe harbor provisions of the Private Securities Litigation Reform Act of 1995 relating to future events or our future performance, such as statements regarding trends, demand for our products and expected sales, operating results, and earnings. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied in those forward-looking statements. These risks and other factors include but are not limited to: monetary risks including changes in marketable securities or changes in currency exchange rates- especially the NIS/U.S. Dollar exchange rate, payment default by any of our major clients, the loss of one of more of our key personnel, changes in laws and regulations, including those relating to the food distribution industry, and inability to meet and maintain regulatory qualifications and approvals for our products, termination of arrangements with our suppliers, in particular Arla Foods, loss of one or more of our principal clients, increase or decrease in global purchase prices of food products, increasing levels of competition in Israel and other markets in which we do business, changes in economic conditions in Israel, including in particular economic conditions in the Company's core markets, our inability to accurately predict consumption of our products and changes in consumer preferences, our inability to protect our intellectual property rights, our inability to successfully integrate our recent acquisitions, insurance coverage not sufficient enough to cover losses of product liability claims and risks associated with product liability claims. We cannot guarantee future results, levels of activity, performance or achievements. The matters discussed in this press release also involve risks and uncertainties summarized under the heading "Risk Factors" in the Company's Annual Report on Form 20-F for the year ended December 31, 2013, filed with the Securities and Exchange Commission on April 30, 2015. These factors are updated from time to time through the filing of reports and registration statements with the Securities and Exchange Commission. We do not assume any obligation to update the forward-looking information contained in this press release.
