(1) This option was issued under the Automatic Option Grant Program of the issuer's 2000 Stock Incentive Plan upon the reporting person's first appointment to the issuer's board of directors. This option is immediately exercisable for all of the underlying shares of common stock, however, the shares of common stock acquired upon exercise are subject to repurchase by the issuer at the original issue price per share. The reporting person shall acquire a vested interest in, and the issuer's repurchase right shall accordingly lapse with respect to, 20% of the shares of common stock upon the reporting person's completion of each year of service to the issuer over the five year period measured from February 9, 2007 (the date of grant).

(2) The securities awarded on 06/04/2007 are in the form of restricted stock units ("RSUs") that will entitle the reporting person to receive one share of common stock per RSU. The RSUs will vest, and the underlying shares will be concurrently issued, upon the reporting person's completion of service on the issuer's board of directors over the one year period measured from the grant date.

(3) The RSUs were awarded to the reporting person without the payment of any consideration by the reporting person.
