PROXY STATEMENT
For the Annual Meeting of Shareholders
to be held on Tuesday, April 27, 2004

This Proxy Statement and the accompanying proxy or voting instruction card are furnished to the shareholders of Cheviot Financial Corp. (the "Company") in connection with the solicitation of proxies by the Board of Directors for use at the first Annual Meeting of Shareholders (the "Annual Meeting"). The Annual Meeting will be held on Tuesday, April 27, 2004, at 3:00 p.m. Eastern Daylight Savings Time at Cheviot Savings Bank, 3723 Glenmore Avenue, Cheviot, Ohio 45211. The Notice of Annual Meeting of Shareholders, this Proxy Statement, the accompanying proxy or voting instruction card, and the Annual Report to Shareholders of the Company for the year ended December 31, 2003 are first being mailed on or about March 29, 2004 to the Company's shareholders of record on March 23, 2004 (the "Record Date").

A shareholder who delivers an executed proxy pursuant to this solicitation may revoke it at any time before it is exercised by (i) executing and delivering a later dated proxy card to the President of the Company prior to the Annual Meeting, (ii) delivering written notice of revocation of the proxy to the President of the Company prior to the Annual Meeting, or (iii) attending and voting in person at the Annual Meeting. Attendance at the Annual Meeting, in and of itself, will not constitute a revocation of a proxy. Proxies will be voted as instructed by the shareholder or shareholders granting the proxy. Unless contrary instructions are specified, if the enclosed proxy is executed and returned (and not revoked) prior to the Annual Meeting, the shares of common stock, \$0.01 par value per share (the "Common Stock"), of the Company represented thereby will be voted: (1) FOR the election of the two directors nominated by the Board of Directors; (2) FOR the ratification of the selection of independent auditor for fiscal year 2004; and (3) in accordance with the best judgment of the named proxies on any other matters properly brought before the Annual Meeting.

The trustee of the Cheviot Savings Bank 401(k) Retirement Savings Plan will vote plan shares as participants direct. The trustee will vote plan shares for which it receives no direction in the proportion that it votes plan shares for which voting directions are received. The proxy card serves as the voting instruction card to provide voting instructions to the trustee.

The presence, in person or by proxy, of holders of a majority of the outstanding shares of Common Stock is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and "broker

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

non-votes" (shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. Under federal banking law, if a quorum is present, the two nominees for election to the Board of Directors who receive the greatest number of affirmative votes cast at the Annual Meeting will be elected as directors. If a quorum is present, approval of all other matters that properly come before the meeting requires that the affirmative vote of the majority of the shares represented at the meeting and entitled to vote on the proposal. Abstentions and broker non-votes will not be counted as votes cast in the election of nominees for director or other proposals. Proxies and ballots will be received and tabulated by The Registrar and Transfer Company, the Company's transfer agent and the inspector of elections for the Annual Meeting.

The Company is the parent company of Cheviot Savings Bank (the "Bank"). The Company was formed as a corporation chartered by the Office of Thrift Supervision in connection with the Bank's mutual holding company reorganization that became effective on January 5, 2004 (the "Reorganization Date"), and it is the majority-owned subsidiary of Cheviot Mutual Holding Company ("Cheviot Mutual"). Since Cheviot Mutual owns 55.0% of the Company's outstanding shares of Common Stock, the votes cast by Cheviot Mutual will be determinative in the voting on Proposal 1 (election of directors) and Proposal 2 (ratification of selection of independent auditors).

As of the Record Date, the Company had 9,918,751 shares of Common Stock issued and outstanding. As provided in the Charter of the Company, for a period of five years from January 5, 2004, the date of the completion of the Company's stock offering, no person, except Cheviot Mutual, is permitted to beneficially own in excess of 10% of the Company's outstanding Common Stock (the "Limit") and any shares acquired in violation of this Limit, are not entitled to any vote. A person or entity is deemed to own shares owned by an affiliate of, as well as persons acting in concert with, such person or entity.

The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by the Company. Proxies will be solicited by mail and may also be solicited by directors, officers and other employees of the

Company, without additional remuneration, in person or by telephone or facsimile transmission. The Company will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock as of the Record Date and will reimburse such persons for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by completing and returning the enclosed proxy card will help to avoid additional expense.

### PROPOSAL 1 - ELECTION OF DIRECTORS

The Company's Charter requires that the Board of Directors be divided into three classes, as nearly equal in number as possible, each class to serve for a three-year period, with approximately one-third of the directors elected each year. The Board of Directors currently consists of six members. Two directors will be elected at the Annual Meeting, each to serve for a three-year term expiring in 2007 and until their successors have been elected and qualified.

The Board has nominated Edward L. Kleemeier and James E. Williamson, each of whom is an incumbent director, as Class I directors, to serve until the 2007 Annual Meeting of Shareholders. Information regarding the business

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

experience of each nominee as well as each of the other directors is provided below.

Unless otherwise directed, the persons named in the proxy intend to vote all proxies FOR the election of Messrs. Kleemeier and Williamson to the Board of Directors. The nominees have consented to serve as directors of the Company if elected. If, at the time of the Annual Meeting, any of the nominees is unable or declines to serve as a director, the discretionary authority provided in the enclosed proxy will be exercised to vote for a substitute candidate designated by the Board of Directors. The Board of Directors has no reason to believe any of the nominees will be unable or will decline to serve as a director.

Each director, including the director nominees, who was a director of the Bank on the Reorganization Date continued to serve as a director of the Bank and became a director of each of the Company and Cheviot Mutual as of the Reorganization Date.

### CLASS I DIRECTORS NOMINEES (TERMS EXPIRES AT THE 2007 ANNUAL MEETING OF SHAREHOLDERS)

EDWARD L. KLEEMEIER, 69, is a retired District Fire Chief for the City of Cincinnati, Ohio. Mr. Kleemeier has served as a director of the Bank since 1978.

JAMES E. WILLIAMSON, 59, is the District Administrator (Director) of Oak Hills Local School District in Cincinnati, Ohio since 2000. Mr. Williamson was a high school principal in Cincinnati, Ohio from 1989-2000. Mr. Williamson also serves as the Executive Secretary of Cheviot Mutual and the Company. Mr. Williamson has served as a director of the Bank since 1997.

### CLASS II DIRECTORS (TERMS EXPIRE AT THE 2005 ANNUAL MEETING OF SHAREHOLDERS)

JOHN T. SMITH, 59, is the Secretary/Treasurer of Hawkstone Associates, Inc. dba Triumph Energy Corp., a gasoline wholesaler and retailer. Mr. Smith is the father of Scott T. Smith, the Chief Financial Officer of the Company, Cheviot Mutual and the Bank. Mr. Smith has served as a director of the Bank since 1995.

ROBERT THOMAS, 61, is the owner/operator of R&R Quality Meats & Catering in Cheviot, Ohio. Mr. Thomas has served as a director of the Bank since 1989.

### CLASS III DIRECTORS (TERMS EXPIRE AT THE 2006 ANNUAL MEETING OF SHAREHOLDERS)

GERHARD H. HILLMANN, 68, is the retired Manager of Field Operations for Fletcher Homes, a Cincinnati, Ohio area home builder. Mr. Hillmann has served as a director of the Bank since 1994.

THOMAS J. LINNEMAN, 50, is the President and Chief Executive Officer of the Company and Cheviot Mutual since the Reorganization Date and of the Bank since 1998. Mr. Linneman has served as a director of the Bank since 1998.

2

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF MESSRS. KLEEMEIER AND WILLIAMSON TO THE BOARD OF DIRECTORS.

### BOARD STRUCTURE AND COMPENSATION

The Company qualifies as a "controlled company" under NASDAQ Marketplace

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

Rules because more than 50% of our voting power is held by Cheviot Mutual. Therefore, the Company is exempt from the NASDAQ Marketplace Rules requiring (a) the Company to have a majority of independent directors on the Board, (b) any compensation committee and nominating committee to be composed solely of independent directors, (c) the compensation of executive officers being determined by a majority of the independent directors or a compensation committee composed solely of independent directors, and (d) the election or recommendation of director nominees for the Board's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

### AFFIRMATIVE DETERMINATIONS REGARDING DIRECTOR INDEPENDENCE AND OTHER MATTERS

Based on information supplied to it by the directors, the Board of Directors has determined each of the following directors to be an "independent director" as such term is defined in the NASDAQ Marketplace Rules:

Gerhard H. Hillmann  
Edward L. Kleemeier  
Robert Thomas  
James E. Williamson

In this proxy statement these four directors are referred to individually as an "Independent Director" and collectively as the "Independent Directors." The Independent Directors constitute a majority of the Board of Directors. Although Mr. Smith is not an employee of the Company or any of its affiliates, Mr. Smith is determined not to be independent because of a family relationship; Mr. Smith is the father of Scott T. Smith, the Chief Financial Officer of the Company, Cheviot Mutual and the Bank.

The Board of Directors has also determined that each member of the Audit Committee of the Board meets the independence requirements applicable to that committee prescribed by the NASDAQ Marketplace Rules, the Securities and Exchange Commission ("SEC") and the Internal Revenue Service.

### COMPENSATION OF DIRECTORS

The Board of the Company, Cheviot Mutual and the Bank are comprised of the same persons. To date, the Bank has compensated its directors for their services. The Company has not paid any additional compensation to the directors for this service, though it may choose to do so in the future.

COMPENSATION OF NON-EMPLOYEE DIRECTORS. During the fiscal period from April 1, 2003 to December 31, 2003, non-employee directors received \$10,500 in compensation for board membership (on the Bank) and \$2,250 for committee membership. During the fiscal year ended March 31, 2003, directors received a \$14,000 annual retainer for board membership (on the Bank) and an additional \$3,000 retainer for membership on a committee, plus a bonus in the amount of \$5,100. The bonus program for directors was terminated on March 31, 2003.

COMPENSATION OF DIRECTORS WHO ARE ALSO EMPLOYEES. During the fiscal period from April 1, 2003 to December 31, 2003, Mr. Linneman, the only director who is also an employee of the Company or the Bank, received \$10,500 in compensation for board membership (on the Bank). During the fiscal year ended March 31, 2003, Mr. Linneman received a \$14,000 annual retainer for board membership (on the Bank) plus a bonus in the amount of \$4,200. Mr. Linneman did not receive any compensation for committee membership. The bonus program for directors was terminated as of March 31, 2003.

DIRECTORS DEFERRED COMPENSATION PLAN. The Bank adopted, effective March 31, 2003, a directors deferred compensation plan as an additional benefit to its directors. Each person who was a member of the board on March 31, 2003 became a

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

participant in the plan on such date. Any subsequent member of the board shall become a participant in the plan only if he or she is a member of the board of directors on the last day of the first plan year that ends after the date on which he or she completes ten years of service, which date is designated as his or her participation date in the plan. After becoming a participant under the plan, a person remains a participant until the entire balance of his or her account under the plan has been paid or forfeited under the terms of the plan.

3

The plan provides for the payment of benefits to the Bank's directors upon termination of service with the Bank and vesting in the compensation plan after ten years of service. The deferred compensation liability reflects the current value of the plan obligation based on a present value of providing a sum certain of \$11,400 per year to each participant for ten years after retirement. The present value was determined using an interest rate of 7.00% and the relative time to retirement for each participant. The Bank recorded expense of approximately \$56,000 and \$229,000 for the directors deferred compensation plan for the nine months ended December 31, 2003 and the fiscal year ended March 31, 2003, respectively.

A participant shall forfeit the entire balance of his or her account and any right to future payment of a plan benefit if he or she violates certain standards of conduct as set forth in the plan.

### BOARD AND COMMITTEE MEETINGS

The Board of Directors of the Company currently has 6 directors and the following two committees: (1) Audit Committee and (2) Nominating Committee. The Board of Directors has the responsibility for establishing broad corporate policies and for the overall performance of the Company, although it is not involved in the day-to-day operating details. Directors are kept informed of the Company's business by various reports and documents sent to them, as well as by operating and financial reports presented at Board and Committee meetings by the Chief Executive Officer and other officers.

The directors of the Company also serve as the Board of Directors for the Bank and did so prior to the Reorganization Date. For the period from January 1, 2003 to December 31, 2003, the Board of Directors of the Bank held 28 regular and special meetings. During the year ended December 31, 2003, no director attended fewer than 75 percent of the total meetings of the Board of Directors of the Bank and committees on which such director served.

AUDIT COMMITTEE. The Audit Committee consists of three of the Independent Directors, Messrs. Hillmann, Kleemeier and Williamson. The committee engages and dismisses of the Company's independent auditors, oversees the Company's financial reporting process, evaluates the adequacy of the Company's internal controls, reviews the Company's compliance with federal, state and local laws and regulations, and monitors the legal and ethical conduct of Company management and employees. In addition, the committee reviews the Company's financial affairs, including its capital structure, borrowing limits, financing of corporate acquisitions and the performance of its benefit plans. The Audit Committee membership meets the audit committee composition requirements of the NASDAQ Marketplace Rules. The Board of Directors has determined that, at present time, it does not have an audit committee financial expert serving on the audit committee because none of the present committee members meet the criteria set forth in the SEC rules necessary to qualify as a financial expert. The Audit Committee also serves as the audit committee for the board of directors of the Bank.

The Audit Committee of the Company has met two times since the

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

Reorganization Date and the audit committee for the Bank met four times in 2003.

Pursuant to applicable regulations, the Audit Committee has adopted a written charter which is attached as Appendix A.

**NOMINATING COMMITTEE.** The Nominating Committee consists of the entire Board of Directors, as required by the Company's Bylaws, including both independent and non-independent directors. As a "controlled company," the Company is not required to have the Nominating Committee comprised solely of the Independent Directors. The committee recommends nominees for the election of directors and officers, monitors the performance of the other Board committees, and informs the Board of shareholder concerns. The process used by the Nominating Committee in its consideration and nomination of directors for election is detailed on page 5. The Nominating Committee does not operate under a formal written charter. The Company does not pay any third party a fee to assist it in identifying and evaluating potential nominees.

The Nominating Committee of the Company has met one time since the Reorganization Date. The Bank does not have a separate Nominating Committee.

**"COMPENSATION COMMITTEE."** The Company's Board of Directors does not have a Compensation Committee because the Company does not independently compensate its executive officers, directors or employees. These persons are compensated by the Bank. As a "controlled company," the Company is not required to adhere to the NASDAQ Marketplace Rules with respect to the Board's determination of the compensation of officers.

4

**OTHER BOARD COMMITTEES OF THE BANK.** In addition to the committees of the Board of the Company, the board of directors of the Bank also maintains a loan committee and a compensation committee. The loan committee has the principal responsibility of approving certain loans to be provided by the Bank in its ordinary course of business. Since the Company does not independently compensate its executive officers, directors or employees, the compensation committee has the principal responsibility for setting and reviewing the compensation benefits provided to officers and employees of the Bank, who are also employees of the Company.

### EXECUTIVE SESSIONS OF NON-MANAGEMENT DIRECTORS

The non-management directors of the Company will meet in executive session without management present from time to time as deemed necessary by the non-management directors, but at least two times per year. Shareholders or other interested parties may communicate with the presiding director or to the non-management directors as a group. The procedures for such communications are described on page 14.

### THE DIRECTOR NOMINATIONS PROCESS

The purpose of the Nominating Committee is to consider both management and shareholder recommended candidates for possible inclusion in the Company's recommended slate of director nominees (the "Candidates").

**MINIMUM CRITERIA FOR CANDIDATES.** At a minimum, each Candidate must (a) agree to accept the nomination for Board candidacy, (b) meet the standards of independence established by NASDAQ, and (c) meet all other applicable laws, rules, and regulations related to service as a Director of the Company.

**DESIRABLE QUALITIES AND SKILLS.** In addition, the Nominating Committee will consider the following skills and characteristics of Candidates: (a)

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

judgment, (b) diversity, (c) experience, (d) skills, (e) accountability and integrity, (f) financial literacy, (g) industry knowledge, (h) other board appointments, and (i) independence. In addition, in determining whether an incumbent director should stand for re-election, the Nominating Committee will consider the director's attendance at meetings, achievement of satisfactory performance and other matters determined by the Board.

INTERNAL PROCESS FOR IDENTIFYING CANDIDATES. On a periodic basis, the Nominating Committee solicits ideas for possible Candidates from a number of sources - members of the Board; senior level Company executives; individuals personally known to the members of the Board; and research, including database and Internet searches.

GENERAL NOMINATION RIGHT OF ALL SHAREHOLDERS. Any shareholder of the Company may nominate one or more persons for election as a director of the Company at an annual meeting of shareholders if the shareholder complies with the notice, information and consent provisions contained in the Company's Bylaws. The Company has an advance notice bylaw provision. In order for the director nomination to be timely, a shareholder's notice to the Company's Executive Secretary must be delivered to the Company's principal executive offices not less than 30 days nor more than 60 days prior to the date of the Company's next annual meeting. If a shareholder provides timely notice as described above, in accordance with Company's Bylaws, the Candidate may be voted upon in the election of directors at the annual meeting and the Candidate's name will be included on the ballot for election. If a shareholder fails to provide timely notice, but still provides written notice to the Company's Executive Secretary at least five days prior to the annual meeting, the Candidate will be added to the ballots provided at the annual meeting, but will not be included on any proxy cards delivered by the Company. Further, the persons named in the proxy cards will be permitted to exercise discretionary voting authority with respect to any Candidate submitted by a shareholder less than 30 days before the date of the annual meeting.

A shareholder entitled to vote may propose a Candidate from the floor at the annual meeting itself only if the Nominating Committee has failed to nominate a slate of candidates at least 20 days before the date of the annual meeting. If the Nominating Committee recommends a slate of Candidates at least 20 days before the date of the annual meeting, no votes will be allowed for Candidates who are proposed from the floor during the annual meeting.

EVALUATION OF CANDIDATES. The Nominating Committee will consider all Candidates identified through the processes described above and will evaluate each of them, including incumbents, based on the same criteria. If, based on the Nominating Committee's initial evaluation, a Candidate continues to be of interest to the Nominating Committee, a member of the Nominating Committee will interview the Candidate and communicate such member's evaluation to the other Nominating Committee members. Later reviews will be conducted by other members of the Nominating Committee and the executive officers of the Company. Ultimately, background and reference checks will be conducted and the Nominating Committee will meet to finalize its list of recommended Candidates for the Board's consideration.

5

TIMING OF THE IDENTIFICATION AND EVALUATION PROCESS. The Company's fiscal year ends on December 31. The Nominating Committee usually meets in February or March to consider and determine, among other things, Candidates to be included in the Company's recommended slate of director nominees for election by shareholders at the annual meeting.

AUDIT COMMITTEE REPORT

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

During 2003, Messrs. Hillmann, Thomas and Williamson served on the Audit Committee of the Bank and have served on the Audit Committee of the Company since the Reorganization Date, with Mr. Williamson serving as Chair. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and the NASD. A copy of the Audit Committee charter is attached as Appendix A to this Proxy Statement. The Audit Committee is responsible for overseeing the Company's accounting and financial reporting processes, including the quarterly review and the annual audit of the Company's consolidated financial statements by Grant Thornton LLP ("Grant Thornton"), the independent auditor of the Company and the Bank. As part of fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2003 with management and Grant Thornton and discussed those matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, with Grant Thornton. The Audit Committee received the written disclosures and the letter required by Independent Standards Board Statement No. 1 (Independence Discussions with Audit Committee) from Grant Thornton and discussed that firm's independence with representatives of the firm.

Based upon the Audit Committee's review of the audited consolidated financial statements and its discussions with management, the internal audit function and the independent auditor of the Company and the Bank, the Audit Committee recommended that the Board of Directors include the audited financial statements of the Bank for the period ended December 31, 2003 in the Annual Report to Shareholders for the Company.

Respectfully submitted,

Gerhard H. Hillmann  
Robert Thomas  
James E. Williamson

### "COMPENSATION COMMITTEE" REPORT

In accordance with the rules and interpretations of the SEC, no report of the Compensation Committee is required to be included in this Proxy Statement because the Company was not a public company at any time during 2003. Notwithstanding the above, the compensation committee of the Bank was composed of Messrs. Kleemeier, Linneman and Smith. The Bank's compensation committee has the responsibility of assuring that the compensation of the executive officers of the Bank is consistent with the compensation strategy, competitive practices, the performance of the Bank, and the requirements of appropriate regulatory agencies. All cash compensation paid to executive officers is paid by the Bank. The Company does not currently pay any cash compensation to executive officers.

### INDEPENDENT AUDITOR FEES

The following table sets forth the aggregate fees billed to the Company (or the Bank) for fiscal period from April 1, 2003 to December 31, 2003 and the 2002 fiscal year ended March 31, 2003 by Grant Thornton:

	2003	2002

All Other Fees		
Audit Related Fees	34,300	-

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

Stock Offering Related Fees	133,400	-
	-----	-----
Total All Other Fees	\$ 175,800	\$ 3,100

AUDIT-RELATED Fees consist of fees for assurance and related services that are reasonably related to the performance of

6

the audit or review of the financial statements of the Bank and the Company. This category includes fees related to audit and attest services not required by statute or regulations, due diligence related to mergers, acquisitions and investments, and consultations concerning financial accounting and reporting standards.

TAX FEES consist of fees for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and international tax compliance, return preparation, tax audits and customs and duties.

STOCK OFFERING Related Fees consist of fees for professional services provided in connection with the initial public offering of the Company's Common Stock arising out of the reorganization of the Bank from mutual to stock form. These services include assistance regarding the preparation of pro-forma financial statements and registration statement disclosures and the provision of tax advice.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of Grant Thornton and has concluded that it is.

For the fiscal year 2004, the Audit Committee has selected Grant Thornton as its principal outside accountant.

Representatives of Grant Thornton are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

PRE-APPROVAL POLICIES AND PROCEDURES. In accordance with rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related services and all permitted non-audit work performed by the independent accountants, Grant Thornton, must be pre-approved by the Audit Committee, including the proposed fees for such work. The Audit Committee has adopted policies and procedures pursuant to which audit, audit-related and tax services, and all permissible non-audit services, are pre-approved, and is informed of each service actually rendered that was approved through its pre-approval process.

### CODE OF BUSINESS CONDUCT AND ETHICS

The Company has adopted a Code of Business Conduct and Ethics (the "Code of Ethics") that applies to the Company's directors, executive officers and employees, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller, or other persons performing similar functions. The Code of Ethics requires the Company's directors, executive officers and employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in the Company's best interest. Under the terms of the Code of Ethics, directors, executive officers

Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code.

COMPENSATION INTERLOCKS AND INSIDER PARTICIPATION

The Board of Directors of the Company does not have a separate compensation committee. ### EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

EMPLOYMENT AGREEMENT WITH MR. LINNEMAN. Effective January 5, 2004, the Bank entered into an employment agreement with Mr. Linneman which provided for the employment and retention of Mr. Linneman for a three-year term. Commencing on the first anniversary date of the employment agreement and continuing on each anniversary thereafter, the disinterested members of the board of directors of the Bank may extend the employment agreement an additional year such that

the remaining term of the agreement shall be 36 months, unless Mr. Linneman elects not to extend the term by giving written notice to the board of directors. The employment agreement provides that the executive's base salary will be reviewed annually and may be increased but not decreased. The base salary that will be effective for such employment agreement will be \$155,271. The Bank will also provide a bonus program to Mr. Linneman which will provide him with the opportunity to earn up to 50% of his base salary, on an annual basis, the amount of which shall be determined by specific performance standards and a formula to be agreed to by Mr. Linneman and the Bank's board of directors annually. Performance standards shall be measured on a calendar year, and no bonus shall be payable if Mr. Linneman is not employed on December 31 of the pertinent year. Mr. Linneman shall be entitled to participate in such life insurance, medical, dental, 401(k), profit-sharing and stock-based compensation plans and other programs and arrangements as may be approved from time to time by the Bank for the benefit of its employees. In addition, the Bank shall provide Mr. Linneman with a supplemental life insurance policy with a death benefit of not less than \$200,000.

Under the employment agreement, if Mr. Linneman dies, retires or is terminated "for cause" or if he voluntarily terminates his employment without good reason (as defined in the employment agreement), Mr. Linneman (or his estate) shall be entitled to receive the compensation due him through the last day of the calendar month in which his death, retirement or termination occurred. In the event of Mr. Linneman's disability, the Bank will pay him, as disability pay, pursuant to the long-term disability policy then in effect. Such payments shall be reduced by the amount of any short- or long-term disability benefits payable to him under any other disability programs sponsored by the Bank. In addition, during any period of his disability, he and his dependents shall, to the greatest extent possible, continue to be covered under all benefit plans including, without limitation, retirement plans and medical, dental and life insurance plans of the Bank on the same terms as if he were actively employed by the Bank.

Under the employment agreement, if the employment of Mr. Linneman is terminated by the Bank without cause or Mr. Linneman terminates his employment with good reason (as defined in the employment agreement), Mr. Linneman would be entitled to a severance payment equal to the base salary (determined by reference to his base salary on the termination date) and bonuses (determined by reference to his average bonus over the three years preceding his termination date) that would otherwise have been payable over the remaining term of the agreement. Such amounts shall be paid in one lump sum within ten calendar days of such termination. In addition, Mr. Linneman shall, for the remaining term of the employment agreement, receive the benefits he would have received during the remaining term of the employment agreement under any retirement programs in which he participated prior to his termination and continue to participate in any benefit plans of the Bank that provide health (including medical and dental), life, or similar coverage upon terms no less favorable than the most favorable terms provided to senior executives of the Bank during such period.

If, within the period ending two years after a change in control (as defined in the employment agreement), the Bank shall terminate Mr. Linneman's employment without good cause or Mr. Linneman terminates his employment with good reason, Cheviot Savings Bank shall, within ten calendar days of termination of his employment, make a lump sum cash payment to him equal to 2.99 times the executive's average annual compensation over the five most recently completed calendar years ending with the year immediately preceding the effective date of the change in control. In such event, Mr. Linneman shall for a 36-month period following his termination of employment continue to receive the benefits he

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

would have received over such period under any retirement plans in which he participated prior to this termination and shall continue to participate in any benefit plans that provide health (including medical and dental), life or similar coverage upon terms no less favorable than the most favorable terms provided to senior executives during such period. Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's base amount are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are required to pay a 20% excise tax on the amount of the payment in excess of the base amount, and the employer is not entitled to deduct such amount.

Upon termination of Mr. Linneman for any reason, he must adhere to a two-year non-competition covenant.

All reasonable costs and legal fees paid or incurred by Mr. Linneman in any dispute or question of interpretation relating to the employment agreement will be paid by the Bank, if Mr. Linneman is successful on the merits in a legal judgment, arbitration or settlement. The employment agreement also provides that the Bank will indemnify the executive for certain liabilities and expenses as provided therein.

CHANGE-IN-CONTROL SEVERANCE AGREEMENTS WITH MESSRS. KAPPA AND LENZER. Effective January 5, 2004, the Bank entered into change in control severance agreements with each of Messrs. Lenzer and Kappa to provide benefits to each of them upon a change in control of either the Bank or the Company. Each severance agreement provides for a three-year term. Additionally, on or before each anniversary date of the effective date of the severance agreement, the term of the agreement

10

may be extended for an additional one-year period beyond the then effective expiration date upon a determination and resolution of the board of directors that the performance of the employee has met the requirements and standards of the board and that the term of the agreement should be extended. Under the severance agreement, if a change in control of the Bank or the Company occurs, Messrs. Lenzer and Kappa, if terminated or if each terminates his employment upon the occurrence of certain events specified in the severance agreement within 12 months after any change in control, will be entitled to receive an amount equal to two times the prior calendar year's cash compensation paid to such executive by the Bank. Such sum will be paid at the option of the executive either in one lump sum not later than the date of such termination of employment or in periodic payments over the next 24 months after such termination of employment.

### 401(K) PLAN

The Bank maintains the Cheviot Savings Bank 401(k) Retirement Savings Plan (the "401(k) Plan") which is a qualified, tax-exempt profit sharing plan with a salary deferral feature under Section 401(k) of the Code. Employees who have attained age 21 and have completed one year of employment are eligible to participate. Employees are entitled to enter the 401(k) Plan on the first January 1 or July 1 occurring after the employee becomes eligible to participate in the 401(k) Plan.

Under the 401(k) Plan participants may elect to defer a percentage of their compensation each year instead of receiving that amount in cash equal to the lesser of (i) a maximum percentage of compensation as indicated in a notice received from the 401(k) Plan administrator or (ii) an indexed dollar amount set by the Internal Revenue Service, which is \$13,000 for 2004. In addition, for

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

participants that are age 50 or older by the end of any taxable year, the participant may elect to defer additional amounts (called "catch-up contributions") to the 401(k) Plan. The additional amounts may be deferred regardless of any other limitations on the amount that a participant may defer to the 401(k) Plan. The maximum "catch-up contribution" that a participant can make in 2004 is \$3,000.

Each plan year (a calendar year), the Bank will contribute to the 401(k) Plan the following amounts: (a) the total amount of the salary reduction a participant elected to defer; (b) in the discretion of the Bank, a matching contribution equal to a percentage of the amount of the salary reduction a participant elected to defer; and (c) an amount equal to 3% of a participant's plan compensation (generally the sum of a participant's Form W-2 wages and other compensation for the year plus a participant's before-tax contributions to the 401(k) Plan and any other benefit plans of the Bank, up to a legal limit (which is \$205,000 for 2004)) for the year plus 3% of a participant's plan compensation for the year in excess of 50% of the Social Security Taxable Wage Base for old-age retirement benefits for the year (\$43,950 for 2004) plus any additional amount that does not match a participant's salary reduction and that is determined by the Bank in its discretion.

The 401(k) Plan permits employees to direct the investment of his or her own accounts into various investment options, including the opportunity to invest in a "Cheviot Financial Corp. Stock Fund." Each participant who directs the trustee to invest all or part of his or her account in the Cheviot Financial Corp. Stock Fund will have assets in his or her account applied to the purchase of shares of Common Stock. Participants will be entitled to direct the trustee as to how to vote his or her allocable shares of Common Stock.

Plan benefits will be paid to each participant in the form of a single cash payment at normal retirement age unless earlier payment is selected. If a participant dies prior to receipt of the entire value of his or her 401(k) Plan accounts, payment will generally be made to the beneficiary in a single cash payment as soon as possible following the participant's death. Payment will be deferred if the participant had previously elected a later payment date. If the beneficiary is not the participant's spouse, payment will be made within one year of the date of death. If the spouse is the designated beneficiary, payment will be made no later than the date the participant would have attained age 70 1/2. Normal retirement age under the 401(k) Plan is age 65. Early retirement age is age 55.

### EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST (THE "ESOP")

In January 2004, the Company implemented the Cheviot Financial Corp. Employee Stock Ownership Plan in connection with the reorganization and stock offering. Employees who are at least 21 years old, who have at least one year of employment with the Bank or an affiliated corporation and who have completed at least 1,000 hours of service, are eligible to participate. As part of the reorganization and stock offering, the ESOP borrowed funds from the Company and used those funds to purchase 357,075 shares of Common Stock. Collateral for the loan is the Common Stock purchased by the ESOP. The loan will be repaid principally from the participating employers' discretionary contributions to the ESOP over a period of up to 10 years. The loan bears interest at an annual percentage rate fixed at 4.0%. Shares purchased by the ESOP will be held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the ESOP and shares released from the suspense account in an amount proportional to the repayment of the ESOP loan will be allocated among employee stock ownership plan participants on the basis of compensation in

## Edgar Filing: CHEVIOT FINANCIAL CORP - Form DEF 14A

the year of allocation. Benefits under the plan will become 100% vested upon completion of five years of credited service. A participant's interest in his or her account under the plan will also fully vest in the event of termination of service due to a participant's early or normal retirement, death, disability, or upon a change in control (as defined in the plan). Vested benefits will be payable in the form of Common Stock and/or cash. Contributions to the employee stock ownership plan are discretionary, subject to the loan terms and tax law limits. Therefore, benefits payable under the ESOP cannot be estimated. Under generally accepted accounting principles, a participating employer will be required to record compensation expense each year in an amount equal to the fair market value of the shares released from the suspense account

### EFFECT OF CHANGE IN CONTROL ON CERTAIN EXECUTIVE COMPENSATION PLANS

In the event of a change in control, the ESOP will terminate and participants will become fully vested in their account balances, which will be paid to them.

### CERTAIN TRANSACTIONS AND COMPENSATION ARRANGEMENTS

The Bank's current policy is that no loans are to be extended to directors or executive officers of the Bank without the approval of the Bank's board of directors. Current directors, officers and employees are eligible for any type of credit offered by the Bank. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. Loans made to directors or executive officers, including any modification of such loans, must be approved by a majority of disinterested members of the board of directors. As of December 31, 2003, there were a total of 15 loans to directors/officers of the Bank with a total balance of approximately \$1.1 million. The loans made to directors and executive officers were made in the ordinary course of business and did not involve more than a normal risk of collectibility. Any future loans made to any directors, executive officers, officers or employees of the Bank will be made under the same terms and conditions.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits a company from extending credit, arranging for the extension of credit or renewing an extension of credit in the form of a personal loan to an officer or director of the Company. There are several exceptions to this general prohibition, including loans made by an FDIC insured depository institution that is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's directors and officers comply with the Federal Reserve Act and the Federal Reserve Board's Regulation O and, therefore, are excepted from the prohibitions of Section 402.

### PROPOSAL 2 -- RATIFICATION OF SELECTION OF AUDITOR

The Audit Committee requests that shareholders ratify the Audit Committee's selection of Grant Thornton to serve as the Company's independent auditor for fiscal year ending December 31, 2004. Grant Thornton audited the financial statements of the Bank for the fiscal stub period of April 1, 2003 to December 31, 2003 and for the 2002 fiscal year ended March 31, 2003. As noted herein, the Bank changed its fiscal year to correspond with that of the Company in connection with the reorganization of the Bank. Representatives of Grant Thornton will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and to respond to questions by shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON AS THE INDEPENDENT AUDITOR OF THE COMPANY.
