## Edgar Filing: ISRAMCO INC - Form NT 10-Q

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q and Form 10-QSB, N-SAR, or the transition report or portion thereof could not be filed within the prescribed period.

(Attach Extra Sheets if Needed)

The registrant's Quarterly Report on Form 10-QSB for the three months ended March 31, 2007 could not be filed by the prescribed due date of May 15, 2007 because the registrant had not yet finalized its financial statements for the three month period and the review of those financial statements is ongoing. The delay is due in part to the finalization of the accounting treatment and related disclosures of the acquisition in March 2007 of oil and gas properties from Five States Energy Company, LLC ("Five States") . Accordingly, the registrant is unable to file such report within the prescribed time period without unreasonable effort or expense. The registrant anticipates that the subject quarterly report will be filed on or before May 21, 2007.

Yes  No

3. Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so, attach an explanation of the anticipated change, both narrative and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

On March 2, 2007, the registrant purchased from Five States, through Isramco Energy LLC, a Texas limited liability company that is wholly owned by the registrant, certain oil and gas properties. The registrant is currently in the process of finalizing the accounting treatment and related disclosures relating to the purchase from Five States.

For the three months ended March 31, 2006, the registrant had revenues of \$5,245,000 and a net gain of \$394,000. For the three months ended March 31, 2007, the registrant currently estimates that it had revenues of approximately \$3,751,000 and a net loss of approximately \$2,064,000. The decrease in net income during the three month period ended March 31, 2007 is primarily attributable to recording of losses from swap transactions of approximately \$3.4 million in connection with the acquisition as compared to the recording of income of \$600,000 in the three month period ended March 31, 2006. The net income during the three months ended in March 31, 2006 included a non-recurring one time receipt of \$2,565,000 for the settlement of certain lawsuits that were
