Item 6. Indemnification of Directors and Officers.

Our certificate of incorporation, provides that, except to the extent prohibited by the Delaware General Corporation Law, as amended, (the “DGCL”) our directors shall not be personally liable to the company or its stockholders for monetary damages for any breach of fiduciary duty as directors of the company. Under the DGCL, the directors have a fiduciary duty to the company which is not eliminated by this provision of the amended and restated certificate of incorporation and, in appropriate circumstances, equitable remedies such as injunctive or other forms of nonmonetary relief will remain available. In addition, each director will continue to be subject to liability under the DGCL for breach of the director’s duty of loyalty to the company or acts or omissions which are found by a court of competent jurisdiction to be not in good faith or involving intentional misconduct, for knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are prohibited by the DGCL. This provision also does not affect the directors’ responsibilities under any other laws, such as the federal securities laws or state or federal environmental laws.

Section 145 of the DGCL empowers a corporation to indemnify its directors and officers and to purchase and maintain insurance with respect to liability incurred by or arising out of their capacity or status as directors and officers, whether or not the corporation could indemnify such person against liability under section 145 (subject to certain limitations). The DGCL further provides that the indemnification permitted thereunder shall not be deemed exclusive of any other rights to which the directors and officers may be entitled under the corporation’s bylaws, any agreement, vote of stockholders, or otherwise.

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation (or an amendment thereto) to eliminate or limit the personal liability of a director to the corporation or its stockholders of monetary damages for breaches of the director’s fiduciary duty of care, provided that this provision shall not eliminate or limit the liability of a director: (1) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) arising under Section 174 of the DGCL, which provides for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions, or (4) for any transaction from which the director derived an improper personal benefit.

Our certificate of incorporation, eliminates the personal liability of directors to the fullest extent permitted by DGCL and provides that we may fully indemnify any officers and members of the Board of Directors and, with authorization of the Board of Directors, indemnify our employees, agents, and any other persons against all expenses, liabilities or other matters, including those incurred in prosecuting any matter and in indemnification actions. Article VI of our bylaws also indemnifies the directors and officers to the fullest extent permitted by DGCL. Such indemnification extends to each person, heir, executor or committee of such person, who was or is a party, threatened to be made a party to, or involved in any threatened, pending, or completed action, suit or proceeding, including civil, criminal, administrative or investigative, by reason that such person is or was a director or officer of the company, or is or was serving at our request as a director or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise. Such indemnification is a contract right that includes the right to be paid by the company expenses, including attorney fees, incurred in connection with any such suit or proceeding in advance of its final disposition to the fullest extent permitted by law. Such indemnification also extends to employees and agents of the company by action of our Board of Directors and to the extent and effect as determined by the Board of Directors and authorized by the DGCL.

We maintain liability insurance for our officers and directors. Further, we intend to enter into indemnity agreements with each of our current directors and officers to give these directors and officers additional contractual assurances regarding the scope of the indemnification set forth in our certificate of incorporation and to provide additional procedural protections. At present, there is no pending litigation or proceeding involving any director, officer,

employee or agent as to which indemnification will be required or permitted under our amended and restated certificate of incorporation or our bylaws, and we are not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

4

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
