## Edgar Filing: ALLIED DOMEQC PLC - Form 6-K

(\* Includes American Depositary Shares representing underlying Allied Domecq Shares)

### Allied Domecq PLC Long Term Incentive Scheme 1999

(a) Options will become exercisable subject to Allied Domecq's total shareholder return performance over the three-year period which commenced on 1 September 2004 relative to a group of 21 other UK-based and international comparator companies, with no award vesting for performance below median, 20% vesting at median performance and 100% vesting for performance at upper quartile or above. Vesting will also depend upon Allied Domecq's Remuneration Committee being satisfied that the share price performance reflects the underlying financial performance of the Company.

(b) Options will be exercisable (subject to the achievement of the performance condition) between 1 September 2007 and 31 August 2014.

### Allied Domecq PLC Performance Share Plan 2005

(a) 100% of the shares will be released if the annualised increase in Allied Domecq's earnings per share ("EPS") (calculated on a consistent basis) over the three year performance period which commenced on 1 September 2004 exceeds the growth in the retail prices index ("RPI") by 7% per annum, 20% of the shares will be released if the annualised increase in EPS exceeds RPI by 3% per annum and release will be on a straight line basis in between. The shares will be forfeited for growth of less than RPI plus 3% per annum. Release will also depend upon Allied Domecq's Remuneration Committee being satisfied that there has been an improvement in the underlying financial performance of the Company.

(b) Shares will be released (subject to the achievement of the performance condition) after the results are announced in respect of the financial year ending 31 August 2007.

The awards made to directors under the Allied Domecq PLC Performance Share Plan 2005 set out above and to certain other participants under the Plan are made in the form of forfeitable shares. Therefore the number of unallocated ordinary shares in the Company held by Towers Perrin Share Plan Services (Guernsey) Limited, the trustee of the Company's employee share ownership trust, has reduced from 19,892,247 to 19,055,333 to take account of the above awards and those to other participants in the Plan. The directors of the Company, as beneficiaries of the employee share ownership trust (together with all employees) cease to be interested in the number of shares disposed of at the time of the award and are therefore now interested in 19,055,333 unallocated shares held by the employee share ownership trust.

For the avoidance of doubt, the Total Holdings figures shown above (and disclosed in future notifications) include forfeitable shares awarded under the terms of the Allied Domecq PLC Performance Share Plan 2005 and bonus shares awarded under the terms of the Allied Domecq PLC Deferred Bonus Plan (both of which are forfeitable in certain circumstances) but exclude any Matching Shares awarded under the terms of the Allied Domecq PLC Deferred Bonus Plan that have not yet vested.
