Item 1.01. Entry into a Material Definitive Agreement.

On August 2, 2005, the Management Development and Compensation Committee (the Committee) of the Board of Directors of Kulicke and Soffa Industries, Inc. (the Company) adopted an Officer Incentive Compensation Plan (the Plan). Executive officers of the Company and other officers elected by the Board of Directors are eligible to participate in the Plan. Under the Plan, each quarter, a cash incentive award pool will be funded according to performance relative to return on invested capital (ROIC) targets set by the Committee. Individual awards will be calculated and paid from the pool to officers based upon Company, business unit and individual objectives.

No officer incentive compensation plan was in effect for the first three fiscal quarters of the Company's fiscal year 2005. During this period, the Committee analyzed alternative methods for linking officer incentive compensation to Company performance and determined to incorporate ROIC into any future incentive plan as the trigger for funding an incentive award pool.

On August 2, 2005, at a regularly scheduled meeting, the Committee adopted the new Plan and included an ROIC target for the Company's fourth fiscal quarter. The award pool will be funded according to performance relative to a target ROIC percentage. At the August 2, 2005 meeting, the Committee also approved targets proposed by management at the beginning of the Company's fourth fiscal quarter for Company and business unit performance and individual objectives. For the fourth fiscal quarter, no award will be paid unless the Company has positive net income for the quarter.
